Foreword

Since its inception in 1985, Indira Gandhi National Open University (IGNOU) has grown to become the largest university in the world in terms of enrollment. For the past 37 years, IGNOU has made a substantial contribution to the democratization of higher education in the nation, consequently fostering chances for lifelong learning. According to the university's mission, it takes a flexible, learner-centric strategy that is cost-effective, with an emphasis on equity, access, and quality, to deliver high-quality education. It has been awarded A++ rating by NAAC.

Through its broad network of 69 Regional Centers and over 2063 Learner Support Centers, IGNOU has been offering education to one and all. It has a strong international presence because of its 25 Overseas Study Centers, which are spread across 15 nations. IGNOU, which is committed to educating everyone, has been reaching out to students in prisons, distant locations, PwD, military personnel, SC/ST students, and transgender people.

Through its pan-India network of Regional Centers, IGNOU adopted a number of National Education Policy initiatives of the Government of India's recommendations in 2022. The National Education Policy is being implemented by the university through its NEP cell. In its tryst to implement NEP-2020, IGNOU now offers 35 programmes having multiple entry and exit with 14 programmes having option for lateral entry. The University is making progress with the introduction of new UG/PG programmes, and additional skill-based courses. In accordance with the most recent UGC Guidelines, IGNOU is working on a plan to introduce 4-year UG and 1-year PG programmes that places a strong emphasis on a multidisciplinary approach to teaching and learning.

IGNOU is advancing with creative and affordable approaches to boost the learning process by implementing online initiatives in various learning and teaching activities in recognition of the urgent requirement. In 2022, 9 new online programmes were introduced, bringing the total number of online programmes to 43. IGNOU offers BA (Honors), B.Com (Honors), and B.Sc (Honors) programmes in accordance with the UGC's Choice Based Credit System (CBCS). It has entered into an MoU with Dattopant Thangadi National Board for workers Education and Development (DTNBWED) for imparting skill based education to the workforce in the organized and the unorganized sectors.

IGNOU oversees four SWAYAM PRABHA channels as part of the national policy's execution for the use of ICT in education. The University is also the Government of India's SWAYAM portal's National Coordinator for the Design and Delivery of MOOC Courses at the Certificate and Diploma Level. In the year 2022, 185 MOOCs were made available from the university through the SWAYAM platform. With its learner-centric, low-cost, and technologically based teaching-learning support system, the university offers student support. In addition to providing digital learning resources on e-GyanKosh, IGNOU also provides tele-educational services through its GyanDarshan channels, radio broadcasting, and interactive radio counselling through Gyan Vani/FM radio stations.

SWAYAM PRABHA channel is used for promoting teaching-learning process in mother tongue. So far around 3000 sessions are conducted for undergraduate programmes in 14 regional languages. They are being made available in youtube also.

The University has taken special initiative for cleanliness campaigns, plantation drives, health and hygiene-related programmes, and yoga-based physical and mental health initiatives. Under the Unnat Bharat Abhiyan, more than 90 villages have been adopted by various IGNOU Regional Centres. IGNOU is commemorating “Azadi ka Amrit Mahotsav” to mark the 75th anniversary of India’s independence and has organized 74 lectures till date.

Recently IGNOU entered into MoUs with prestigious bodies like National Skill Development Corporation (NSDC), National Council for Vocational Education and Training (NCVT) etc. to offer skill-based certificates in different sectors which include the skill based degree to Agniveers who are joining the defence forces. The university constantly supports academics and faculty in their pursuit of research and innovation. Through a variety of initiatives, the University meets the educational, vocational, and rehabilitation requirements of people with disabilities. Our recognized alumni association further strengthens the connection with alumni. The University reaches its learners through various social media platforms so as to provide the relevant information on time. The University having a strong global presence ensures that it meets the requirements of the foundational pillars of NEP 2020 i.e. access, affordability, equity, quality and accountability.

NEP Implementation

Education helps in realising one's full potential, creating a fair and just society, and advancement of the progress of all. Giving widespread access to quality education is the key to India's continuous ascension, and leadership on the global arena in terms of economic growth, scientific progress, national integration, social justice, and cultural preservation. The best method to develop and utilise our nation's many talents and resources for the benefit of the individual, the society, the nation, and the world is through universal high-quality education.

Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development has been adopted by India in 2015. It reflects the global education development goal and aims to "provide inclusive and equitable quality education and promote lifelong learning opportunities for everyone" by the year 2030. To accomplish such a challenging objective and all of the crucial aims and goals (SDGs) of the 2030 Agenda for Sustainable Development, the National Education Policy 2020 was framed. In order to create a new system that is in line with the aspirational goals of 21st century education, including SDG4, building on India's traditions and value systems, this Policy proposes the revision and revamping of all aspects of the educational structure, including its regulation and governance.

Keeping in mind the National Education Policy (NEP) 2020 the following initiatives have been taken by the University:

- I. **Establishment of NEP Cell:** NEP cell has been established to make the NEP initiatives operational and is housed in CIQA.
- II. **Institutional Development Plan:** The Institutional Development Plan of the Indira Gandhi National Open University 2030 was created by the university and has been duly approved by all regulatory bodies. To oversee IDP implementation at IGNOU, a monitoring committee has been established.

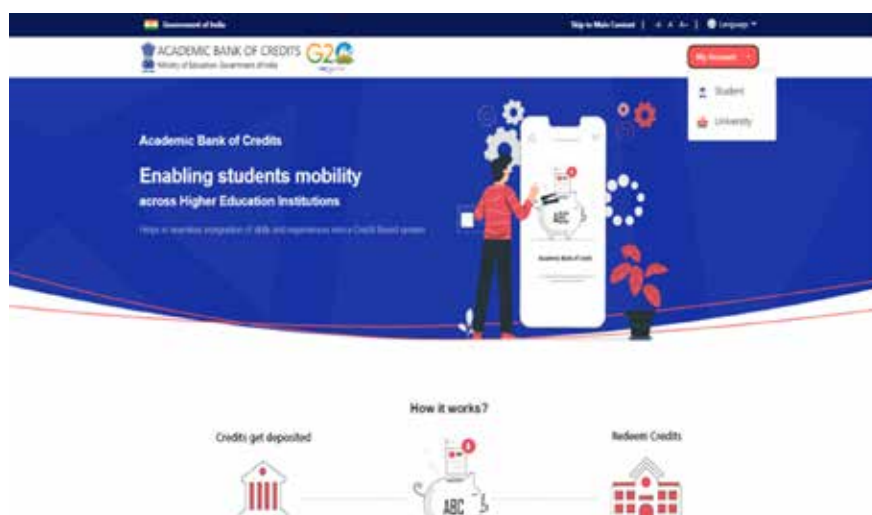

III. Multidisciplinary and Holistic Education: In accordance with the most recent UGC Guidelines, the University is developing a draft document for the implementation of 4-year undergraduate and 1-year post graduate programmes. With the addition of Ability Enhancement Courses in Environment Science and Languages (Hindi or English), skill enhancement courses drawn from courses across the Schools of Studies other than the discipline-specific Core and Elective Courses, the Bachelor's degree programmes (Bachelor in Arts, Science, and Commerce) have adopted a multidisciplinary approach. The student has the option to choose the courses they want to take due to the flexibility of the curriculum across disciplines. Learners enrolled in programmes offered in sciences, computer sciences, psychology, library science, social work, sustainable development, counselling and family therapy, food and nutrition, anthropology, education, health sciences, nursing, information security, etc. are required to actively engage with the practical side of their learning and, as a by-product, to improve their employability.

IV. Multiple Entry and Exit: The UGC Guidelines for Entry and Exit in Academic Programmes offered at HEIs have been implemented by the University. Currently, 35 programmes have the option to pre-exit. After completing the first year of coursework, students in 31 Master degree programmes, 04 Bachelor degree programmes have the option of graduating with a PG Diploma or Diploma.

DESCRIPTION	<p>The University offers a scheme of Course-wise Registration and Certification (CRCS). Under this scheme, one can register for a single course or a limited number of courses, subject to a maximum of 16 credits. The rules of CRCS are as under:</p> <ul style="list-style-type: none"> The eligibility for registering for a course under the Scheme shall be same as the eligibility for admission to the Programme from where the course(s) are drawn. The Scheme shall be offered in both Cycles of Admission, subject to the provision that the courses are on offer in the particular admission cycle. Registration for all courses of all the academic programmes shall be open for registration under the Scheme except the courses offered under Research Degree Programmes and Awareness/Appreciation level Programmes. Courses offered in multiple cycles shall have to be taken together by the student. Course(s) once opted shall not be changed or withdrawn by the student. The minimum and maximum period allowed for completion of the course(s) registered would be six months and two years, respectively. There will be no separate counselling or job work schedule for students registered under the Scheme. The registered students under the Scheme shall be advised to be in touch with the Learner Support Centre allocated in order to know the schedule of theory/practical counselling sessions and participate in the sessions accordingly. Candidates registering under the Scheme, for successfully completing the course(s) opted, shall be required to fulfil all the academic requirements as prescribed by the University from time to time.

VI. Internationalization: By establishing Overseas Study Centres, IGNOU is permitted by its Act to make its programmes available internationally. There are currently 25 overseas study centres spread over 15 different nations. Currently, 147 different programmes are available through overseas study centres.

The University has partnered with TCIL to offer its 43 online programmes in 19 African countries under the e-vidyabharati and e-Arogya Bharti (e-VBAB) scheme of Ministry of External Affairs, Government of India.

VII. Access, Equity & Inclusion: Through 69 Regional Centres and 2063 Learner Support Centres, the University tries to reach out to its students, including those from socially and economically disadvantaged groups (SEDGs), inaccessible remote areas like Leh (Sub-Regional Centre), Andaman and the Nicobar Islands (Regional Centre), along with 12 Recognized RCs in Defence

facilities with 85 LSCs; 9 RCs and 194 LSCs in the North Eastern Region (NER); and 341 SLSCs, for disadvantaged groups including 163 SLSCs in jails across India. IGNOU has 08 Learner Support Centres for women which are included in regular LSCs.

VIII. Professional Development: The Staff Training and Research Institute of Distance Education (STRIDE) is a unique institute that belongs to IGNOU. The responsibility assigned of educating 15 lakh faculty members in HEIs to align with NEP 2020 has been given to STRIDE. STRIDE has been given the status of HRDC as per the notification issued by UGC.

IX. Vocational and Skill-based Education: IGNOU has been selected as a partner institution by the Ministry of Skill Development and Entrepreneurship (GOI) for the Skill Acquisition and Knowledge Awareness for Livelihood Promotion (SANKALP) initiative. IGNOU has been granted the permission to utilise the ITI labs to the advantage of its students for the development of their skills, enabling vertical mobility for ITI students with 10+2 diplomas into IGNOU degree programmes.

The University has collaborated with DTNBWED, NSDC and NCVET to offer various skill based programmes. IGNOU has also obtained a dual recognition status as the awarding body (AB) and an assessment agency (AA) from NCVET, the skill regulator.

X. Skill Based Undergraduate Degree Programme for “Agniveers”

The Indira Gandhi National Open University will offer a special skill-based bachelor's degree programme under the “Agnipath” Scheme beneficiaries called Agniveers. This programme will be a Bachelor level degree courses for the enhancement of the skills and related knowledge to serve the defence forces (Army, Navy and Air Force).

This Bachelor degree programme has multiple exit points for the convenience of the candidates as per the rules:

- Students who exit from the programme after the successful completion of the first year will be given a UG certificate.
- Candidates, who have completed at least 2 years of the programme and exit from the course, will be provided a UG diploma.
- Students who have cleared all three years with all the mandatory subjects will be awarded a bachelor's degree.

The scheme is in alignment with NSQF parameters and has been duly approved by MoE, UGC, AICTE and NCVET.

XI. Research & Innovation: For IGNOU students and teachers, the National Centre for Innovations in Distance Education (NCIDE) hosts a weekly one-hour Facebook Live session on innovation, entrepreneurship, and start-up. IGNOU students have access to the Institution Innovation Council, Student Empowerment for Entrepreneurial Development (SEED), IdeaBank@IGNOU, Ideas to Start-up Scheme, and other amenities. IGNOU received the top spot in the Atal Ranking of Institutions on Innovation Achievements under the category CFIs (Non-Technical) (ARIIA).

XII. Promotion of Indian Languages, Arts and Culture: A committee has been established by the university to oversee the “Ek Bharat Shreshtha Bharat” activities. The University through its network of Regional centres have been organizing the activities under this programme to generate awareness about the rich heritage of nation. For the purpose of fostering Indian languages, a Centre for Modern Indian Languages has been formed.

- To promote Indian languages, arts, and cultures, the university has introduced Stand-Alone courses in Kashmiri, Nepali, and Meitei Lon (Manipuri). Indian language courses in Hindi, Sanskrit, Urdu, Malayalam, Gujarati, Odia, Punjabi, Tamil, Telugu, Kannada, Marathi, Bengali, Assamese, Bhojpuri, Kashmiri, Nepali and Meitei Lon (Manipuri) are also available to UG students.

XIII. Indian knowledge and culture: In order to advance Indian tradition and culture, IGNOU has introduced a number of academic programmes, including MA in Jyotish, Folklore and Cultural Studies, Vedic Studies, Sanskrit, Hindi, and Urdu, as well as Drawing and Painting.

Programmes being offered as Diplomas/Certificates include Tribal Studies, Yoga, Theatre Arts, Hindustani Music, Karnatak Music, Bharatanatyam, and Folklore and Cultural Studies, which offer a thorough and rich overview of Indian Art and Culture.

Programmes in **foreign languages** viz. French, Spanish, Arabic, Persian, Russian, German, Japanese, Korean, and Mandarin, are also on offer.

XIV. To commemorate 75th anniversary of independence beginning 12th March, 2021, with the 'Azadi Ka Amrit Mahotsav festival' Indira Gandhi National Open University's Centre for Freedom Struggle and Diaspora Studies has committed to host a series of 75 talks. There have been 74 lectures delivered so far.

73rd lecture to commemorate 'Azadi ka amrit Mahotsav'

XV. Online and Digital Education: The University has digitized the Self Learning Materials (SLMs) of all the programmes and they are available to the learners through its eGyankosh portal, and through IGNOU e-Content App in the Google Play store.

- IGNOU, being the National Coordinator of SWAYAM offers 185 courses in 2022 through the SWAYAM (MOOCs) platform. In last, one year around 130 unique SWAYAM Courses were added. Translation of IGNOU MOOCs into 8 regional languages has also been initiated.
- IGNOU is presently offering 43 online programmes which are completely online right from registration to certification and offered through the dedicated IGNOU-LMS.
- The four SWAYAM PRABHA DTH channels are supported by IGNOU (Channel-17 to Channel-20). The channel's programming is planned so as to match up with the available programmes and courses with the needs of the nation's enormous ODL learner population. Four times a day, six hours of brand-new content are broadcast on the channels.

IGNOU: The People's University

The largest Open University in the world, Indira Gandhi National Open University (IGNOU), was founded in 1985 by an Act of Parliament with the following goals to fulfil its institutional vision:

- To encourage the Open University and distance education system in the national educational pattern;
- To accelerate and disseminate learning and knowledge through a variety of means, including the use of communication technology and
- To offer opportunities for higher education to a significant portion of the population.

The University has been working tirelessly to meet the aforementioned goals for years, including providing high-quality, cutting-edge, and need-based academic programmes at various levels to anyone who requests them, both domestically and abroad, as well as extending its reach to underserved social groups by making access to higher education reasonably priced. The University has worked tirelessly to create a knowledge society by promoting inclusive lifelong learning. The university made a name for itself in the nation's higher education landscape, particularly in the fields of community education, extension programmes, and professional development. The Commonwealth of Learning (COL), Canada, has presented it an Award of Excellence in recognition of its position as a global pioneer in open learning and distance education. The University received an A++ rating from the National Assessment and Accreditation Council (NAAC) for accreditation in 2021. IGNOU has 21 Schools of Studies through which it provides its academic programmes.

Since its establishment, the University has used technology-enabled education. There are opportunities for fruitful contact amongst faculty members due to faculty participation in international seminars and conferences as well as the visits of foreign academics for lectures. By expanding equal access to high-quality education through the Open and Distance Learning (ODL), the university has made a substantial contribution to the nation's higher education system. With an enrollment of 4,528 students, the University launched its academic activity in 1987 by providing two Diploma programmes, Management and Distance Education. Since then, there has been a constant rise in enrollment. As a result of the university's dedication to excellence over the past three decades, it has become one of the world's mega-universities in the areas of teaching, research, training, and extension operations.

A. Accomplishments

IGNOU was established in 1985 by an Act of Parliament in order to provide higher education to socioeconomic groups that, for one reason or another, were unable to access regular education. The University was established with the objective of democratising education through disseminating

knowledge to all. The mandate of the University is to provide access, equity, affordability, quality and inclusive education. The courses are distinctive for their adaptability, creativity, and interdisciplinary nature. Additionally, they are made as much as they can to support national integration.

Starting with two programmes, IGNOU now offers 306 academic programmes in disciplines ranging from Management, Distance Education & Political Science, History, Mathematics, Physics, Applied Geology, English, Sanskrit, Urdu, Spanish, Russian to name a few.

The degree programmes include applied courses. The curriculum is in line with NEP 2020. Since the beginning, the University has included the concepts of credit-based education, course-based registration, and a modular approach. During the year 2022, IGNOU has many achievements to its credit. The major Milestones in the Year 2022 are presented below.

- Programmes in foreign languages viz. French, Spanish, Arabic, Persian, Russian, German, Japanese, Korean, and Mandarin, are also on offer.

As a result of the university's dedication to excellence over the past three decades, it has become one of the world's mega-universities in the areas of teaching, research, training, and extension operations. IGNOU has consistently upheld the nation's aspirations by offering education to the socially and economically disadvantaged, fulfilling its mission to "Reach the Unreached." Prison convicts. Many students from SC/ST and other socially excluded groups were accepted into the academic programmes of the university.

B. University Administration

The highest authority at the university is the President of India, who also serves as a visitor. The Board of Management (BOM) is the University's top administrative body. It is given authority by the University's Act and Statutes and is responsible for overseeing all academic and administrative operations as well as the management and administration of the University's assets, finances, and revenue. The BOM has five standing committees. These are the Establishment Committee, Purchase Committee, Works Committee, Grievance Redressal Committee and Student Service Committee. The Academic Council is the University's highest academic authority and decides on academic policies, instructional strategies, evaluations of academic standards, as well as the direction and oversight of research operations. The Planning Board is the University's supreme planning body. It provides suggestions to the BOM and Academic Council on any issue that may be necessary for the achievement of the University's goals. The planning, developing, organising, and monitoring of research programmes are done by the Research Council. The primary academic organisations in charge of conceptualising, developing, and implementing academic programmes are the Schools of Studies. Every School of Study has a School Board that regulates its academic pursuits and is presided over by the Director of the School. The Finance Committee advises the University on all financial concerns and establishes annual spending caps for recurring and non-recurring expenses based on government grants and other sources of income from the University's internal financial resources. It also examines accounts and scrutinizes the expenditures of the University.

The Vice Chancellor, the Pro Vice Chancellors, the Directors of the Schools, Divisions, Centres, and Institutes, the Registrars, the Finance Officer, and the Librarian are among the university officers. The Vice Chancellor serves as the university's Chief Executive Officer and as ex officio chairperson of the board of management, academic council, planning board, research council, and finance committee.

C. Academic Programmes

IGNOU offers 306 programmes of study at the Certificate, Diploma, Bachelor's, Master's, and Doctoral levels which are of academic, professional, vocational, awareness and skill-oriented in nature. On IGNOU's website, www.ignou.ac.in, under the webpage of the relevant Schools, you may find information about academic programmes, including eligibility requirements, duration, credit requirements, and medium of instruction. The goal of these programmes is to help people, particularly those from underprivileged backgrounds, meet their different academic and employment demands.

A number of programmes have been created to satisfy the needs of in-service employees' ongoing education and training for their professional development.

The university has been successful in increasing the bar for higher education in the nation by giving its students access to top-notch learning resources. The University has created a number of modular academic programmes with entry and exit points in order to provide a flexible learning environment as part of its emphasis on learner-centric education.

To boost the foundation and application based programmes in the Bachelor Degree Programme (BDP) basket, the University added fundamental courses in a number of languages at the undergraduate and graduate levels. Focusing on the vocational and professional requirements of ODL students, short, medium, and long-term courses have been launched.

Foreign and Indian students alike are welcome to apply to any of the available online programmes. Anyone from anywhere in the globe is welcome to enrol in the online programmes as long as they meet the necessary eligibility conditions.

IGNOU focuses on systemic research about the open and distance learning system as well as research in academic disciplines located in the university. There are several Ph.D programmes available. Ph.D programmes in different disciplines are available to promote discipline based research.

In addition to working on regular projects, the university also partners with various organisations for the design, development, and delivery of its academic programmes. A few of these organisations include the Commonwealth of Learning, the World Health Organization, the World Intellectual Property Organization, the Ministry of Health and Family Welfare, various other Ministries of the Government of India, the Indian Council of Agricultural Research, CHD, ICCR, AICTE to name a few.

For instruction and self-learning, the university offers multi-channel, multiple media teaching / learning packages. Self-instructional print, digital and audio-visual materials, MOOC videos, radio and television broadcasts, Webcast, in-person counselling and tutoring, online learner mentoring, lab and hands-on experience, teleconferencing, video conferencing, interactive radio counselling, Internet-based learning, and the use of cell phones for instant messaging are some of the various teaching and learning methods. Peer-to-peer and peer-to-mentor interactions are made possible by social media platforms like Facebook, Twitter, Instagram, and WhatsApp, which further improves learning.

It has been made possible for students to attend intensive practical classes or practice teaching at a few study centres for courses in the sciences, computer sciences, nursing, medical sciences, education, and engineering & technology streams. The conventional method of delivering distance education is through print, but with the advent of interactive multimedia content and learner assistance through video-conferencing and web-based platforms by utilising the Internet, study centre support is being improved. The University also developed a special platform and delivery system for online programmes. The Schools, Divisions, and Centres of the University assist the creation of the educational system as well as the development of teacher and learner capacity.

To address a variety of needs in the fields of Jyotish, Urdu, Sanskrit, Drawing and Painting, Entrepreneurship, Information Security, Performing Arts, Development Communication, Smart City

Currently IGNOU is offering 185 SWAYAM courses. In the January to July 2022 cycle the IGNOU courses uploaded on the SWAYAM Portal attracted around 4,67,779 lakhs plus learners. COE is the nodal office of SWAYAM which undertook coordination of translation work of 16 SWAYAM Courses in eight languages namely Bengali, Gujarati, Hindi, Kannada, Malayalam, Marathi, Tamil and Telugu.

D. Evaluation Mechanism

A three-tiered evaluation system is used at IGNOU:

- Continuous evaluation using any combination of theory-based assignments, practical assignments, project works, log books, and contact programmes;
- Self-evaluation using tools integrated into the course material (this is only for self-assessment);
- Term-End Evaluation through exams, which are held twice a year in June and December at over 900 Centres around the nation and abroad. A viva-voce is also a part of the evaluation process in several Post Graduate programmes with a project component.

Various evaluation components are given a proportionate amount of weight when determining the final grade. When a learner successfully completes the required credits for a given programme, they are granted certificates, diplomas, or degrees during the Convocation in the headquarters and at Regional Centres simultaneously. In all the programmes of the university, outstanding students who complete their programmes within the minimum stipulated time are awarded gold medals.

E. Learner Centric Environment

The University has set up mechanisms for student information and inquiry at all levels to meet the information demands of both existing and potential students. A specialised “Student Service Centre (SSC)” at the headquarters is set up to address student inquiries received by email, phone, letters, and in-person visits. Additionally, the Student Registration Division (SRD), Student Evaluation Division (SED), and Material Production and Distribution Division (MPDD) are the Operational Divisions have specialised personnel and phone lines for assisting students. At each of the Regional Centres, a Student Information Desk is available. Both on the website and in the Prospectus the contact information of the Regional Centres’, including phone numbers and email addresses is available. The university frequently hosts staff development events.

F. National/ International Reach

The presence of over 3.4 million learners through its Pan India Network of Learner Support Centres is the evidence of recognition of the University. In addition, IGNOU has its global presence through its network of 25 Overseas Study Centres in 15 nations.

G. Inclusive Education

IGNOU has always met the nation’s aspirations for offering education to socially and economically disadvantaged groups. The University has made the necessary adjustments to the teaching-learning process and instructional materials to make it accessible to students with disabilities. The University has made efforts to enhance the number of PwD students enrolled during 2022. The University enrolled 3683 disabled students among the new admissions in 2022 and provided students with support through Learners Support Centres located all over the nation and equipped with specific features to give instruction in situations that are accessible to people with disabilities.

The Braille Section of library is equipped with embosser, scanner, touch screen and software such as Jaws, Balbolka, NVDA etc., which caters to the reading needs of the visually challenged. Activities to facilitate PwD learners, awareness, workshops and research on disability are periodically engaged.

The National Centre for Disability Studies provides a wide range of activities to meet the educational, vocational, and therapeutic requirements of people with disabilities.

H. Learner Support

Learner Support is crucial to the ODL system. In addition to the support system at the Headquarters, IGNOU offers student support services through a vast network of 69 RCs (including 12 Recognized Regional Centres of the Army, Navy, and Assam Rifles) and 2063 LSCs. The support system entails informing students about all facets of learning as well as addressing to their complaints. The Learner Support-Centers use different modes of communication to address the grievances of the learners which considers various aspects of the learning systems.

CURRICULAR ASPECTS

3

IGNOU develops its academic programmes through its 21 Schools of Studies. School Board is in charge of overseeing the academic activities of each School of Study, including curriculum development, research, and other significant activities. The faculty actively collaborates with experts, professionals, from all over the country to develop the course content. To create high-quality study materials, IGNOU's academic programmes go through a rigorous development process. The process and mechanism for new academic programme design approval are clearly laid out and must be followed, including approvals from various statutory bodies at different phases of design. The university has been successful in increasing the bar for higher education in the nation by giving its students access to high quality learning resources. The University has created a number of modular academic programmes with entry and exit points in order to provide a flexible learning environment that is in accordance with the National Education Policy (NEP-2020), emphasising learner-centric education.

A. Curriculum planning, design and development

The development of academic programmes for ODL is a team effort involving specialists with knowledge and experience in the pertinent fields, editors of language and content, print technology experts, and educational technology specialists. Academic programme creation is carried out in stages. Programme and course coordinators oversee it, and they routinely update the School Board, Planning Board, and Academic Council on the status of course development.

To ensure that the programme meets the target group's needs for education and training, a need assessment study is a crucial part of conceptual design with wider consultation. Self-learning instructional material (SLM) is developed in different stages and the design of the course or programme is reviewed by university statutory bodies at each stage.

The different steps involved in the development of academic programme are as follows:

- Need assessment research to identify target group and understand their academic/training needs;
- Approval of the Programme Proposal Form (PPF) from the School Board and Planning Board;
- Funding for programme design;
- Meetings of the Expert Committee to develop the curriculum and identify course writers.
- Academic council approval of the programme/course structure and the Programme Development Form (PDF). Orientation of course writers for writing units in a self-instructional format.
- The course team members discuss feedback or suggestions on the unit's initial draft at meetings or via email, as appropriate, and the unit is then finalised by the writer or internal faculty member in charge of the course;

- A renowned expert in the field can be kept as the editor of the course; educational technologists and in-house faculty members will edit the format if required; a language editor will edit the course's language if required; and then course is sent for printing.
- Before final printing, print production includes copy editing and proof reading. CRC preparation is done in accordance with School style.
- The curriculum must receive the approval of the University's statutory bodies, including the School Board and Academic Council, in order to guarantee the quality aspects of a distance education programme at various stages of programme designing, development, and delivery.
- Once the prospective is ready, a Programme Level Form (PLF) is placed before the Academic Programme Committee (APC), Planning Board.
- The designing process includes flexibility in terms of deadlines, funds, and schedules so that challenges presented by project mode can be solved.
- The learner is able to meet the learning objectives specified in the course or programme's introductory section.

B. Academic flexibility

The adaptability and learner-centric focus of the ODL system set it apart. Through flexible entry and interactive formats for instructional resources and academic assistance using information and communication technologies (ICTs), the university supports learner-centric learning. To increase flexibility, IGNOU uses a varied multi-channel delivery system, where printed instructional materials are complemented with digital, online, SWAYAM, and DTH SWAYAM PRABHA to match each learner's preferences and preferred method of learning.

IGNOU offers a great deal of flexibility in terms of entry requirements, study location, study pace, and study duration because it is an open learning university. There is also a policy in place for transferring and exempting credits for knowledge gained from other educational institutions. The university offers a variety of exit points so that students can complete their degrees in accordance with their needs. The university launched the Choice Based Credit System as a significant endeavour to increase flexibility for undergraduates (CBCS). Under CBCS, the university offers programmes in BA, BA (Honors), B.Sc., B.Sc. (Honors), and B.Com.

C. Enrichment of curriculum

For the creation of excellent course materials, the university welcomes subject experts from all over India. The university incorporates multimedia elements into its teaching methods to support students who prefer an audio-visual learning style. Under the ODL mode, live radio and teleconference sessions create a learning atmosphere similar to a classroom. IGNOU's Bachelor Degree Programme was created with the intention of producing graduates who are equipped not only with the knowledge of the subject areas they have chosen, but also with skills in diverse areas and exposure to other disciplines, so they

can use the knowledge and skills gained to seek gainful employment, solve real-world problems, and in the process make meaningful contributions to the society.

Being an open learning university, IGNOU offers a great deal of flexibility in terms of entry requirements, location, speed, and length of study. For instance, a Bachelor's degree programme, such as a B.A., B. Com, B.Sc., BCA, BTS, or BSW, can be finished in three years at the very least and six years at the most. A master's degree can be earned in two to four years, whereas a diploma can be earned in one to two years. IGNOU offers concurrent enrolment in its certificate programmes to students enrolled at other institutions. Additionally, students participating in degree programmes at IGNOU have the option of concurrently pursuing additional certificate programmes offered by the university. In the reporting period, IGNOU has introduced scheme for "Dual Degree" both for students of IGNOU and from other Universities.

D. SCHOOLS OF STUDIES

1. School of Humanities

The School of Humanities had its genesis in the 8th meeting of the Board of Management, held on the 20th May, 1988. BACHELOR OF ARTS (HONOURS): Multi-disciplinary Approach

The University offers Bachelor of Arts Honours Degree Programme in Economics, History, Political science, Psychology, Public administration, Sociology, Hindi, English, Sanskrit and Urdu. The Figures given below present a snapshot of courses available to the learners of BA Honours programme from different perspectives.

BACHELOR OF ARTS (HONOURS): Multi-disciplinary Approach

The School also houses three Centres. These are:

(i) Centre for Freedom Struggle and Diaspora Studies

The Indira Gandhi Centre for Freedom Struggle Studies was established in 2008. The objective of the Centre is to facilitate research and promote availability of documents on the Freedom struggle of India. However, in order to widen the scope of research and take into account the cooperation and role of the people of Indian origin and ancestry, not only in the freedom struggle but also their role in keeping the flag of Indian culture flying in their home countries, the IGCFS was renamed as Centre for Freedom Struggle and Diaspora Studies (CFSDS) in 2017.

The Centre has been taking up various activities to fulfil its objective by organising seminars/conferences and talks. However, the most crucial of Centre's activities include collection and compilation of documents and literature related to both the freedom struggle and indenture history. Various organisations and scholars have contributed in this regard, but the areas are vast and many unexplored and unused sources of information for writing the history of freedom struggle and Diaspora remain untapped. Hence, literary sources have been taken up as a priority area and a beginning has been made by revisiting literary sources in Hindi, Urdu and English. This is to be followed by exploring the literature of all Bhartiya languages.

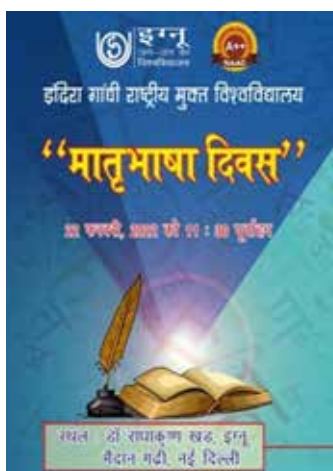

Three Chairs have been housed in the Centre, viz., (i) Bahadur Shah Zafar (ii) Gen. Shah Nawaz Khan, INA and (III) Shaheed Kartar Singh Sarabha. These Chairs have been sponsored by the Ministry of Culture, Government of India. The Centre has taken up the compilation of nationalist poetry in vernacular newspapers and work has been started in Hindi, Persian and Urdu. The CFSDS has been conducting research in the following areas by compiling:

- Persian records of 1857 – 58
- Nationalist Poetry in Urdu newspapers
- Nationalist Poetry in Hindi newspapers
- Reports and news items related to Indentured Labour history; and
- Poetry on INA & Subhash Chandra Bose

The University also published books related to freedom struggle of India and History of Indian Diaspora, Consisting of Poems and Songs on the Azad Hind Fauj and Subhash Chandra Bose Volume –I (Hindi) 1945-48 and Volume ii (Urdu) 1943-45.

The University has been celebrating ‘Azadi Ka Amrit Mahotsav’ to commemorate 75 years of progressive India and the glorious history of its people, culture and achievements by organising a series of events, seminars, exhibitions and lectures. This series started on 12th March, 2021 and till now, 74 online and offline lectures have been organized. The initiative is coordinated by the CFSDS.

A webinar on 23rd January, 2022 on the occasion of 125th birth anniversary of Netaji Subhas Chandra Bose on “Netaji Subhas Chandra Bose and his role in Freedom Struggle” and lecture was delivered by Prof. Kapil Kumar, former Professor of History and Director, CFSDS, IGNOU

Webinar to celebrate Matrabhasha Diwas 22nd February, 2022

(ii) Centre for Gandhi and Peace Studies

The Centre for Gandhi and Peace Studies (CGPS) was established on 21st August, 2012. The main Objective of the Centre is to train learners to participate creatively in all aspects of peace studies—peace building in conflict and post-conflict societies. Towards this objective, the CGPS has evolved a rigorous academic curriculum developed by leading Indian scholars in the field that helps learners to develop critical thinking and analytical skills as well as alternative methodologies for research. Under the auspices of the Centre the following academic programmes are developed and the same are on offer in the University;

- Master of Arts in Gandhi and Peace Studies (MAGPS)
- Post Graduate Diploma in Gandhi and Peace Studies (PGDGPS)
- Post Graduate Certificate in Gandhi and Peace Studies (PGCGPS)
- Certificate Programme in Peace Studies and Conflict Management (CPSCM)
- Online Certificate Programme on “Relevance of Gandhi in the Contemporary World”
- Ph.D. (Gandhi and Peace Studies)

(iii) Dr. B.R. Ambedkar Chair on Social Change and Development

The School houses Dr. B.R. Ambedkar Chair on Social Change and Development. The objective of the Chair is to work towards dissemination of the ideas and thoughts of Dr. Ambedkar and to organise educational programmes including seminars, workshops, lectures, films, etc. The Chair makes efforts for achieving dreams of Dr. Ambedkar of inclusive society based on equality. Under the auspices of the Centre the following academic programmes are developed and the same are on offer in the University:

- Certificate Programme on Life and Thought of Dr. B.R. Ambedkar
- Credit generic course of CBCS “Understanding Dr. B.R. Ambedkar” has been developed.

3. School of Sciences

The School of Sciences has been offering Science programmes successfully through the distance mode of education. Presently, there are eight disciplines, namely, Biochemistry, Chemistry, Geography, Geology, Life Sciences, Mathematics, Physics and Statistics in the School. The School has developed courses for BSCG programme in 7 disciplines and is also providing Web Enabled Academic Support (WEAS) for BSCG courses as well as for the courses of MSCMACS. Some of the courses of MSCMACS were revised in the reported period. The School also offered two academic programmes CTPM and PGDESD recently to the international students at Guyana through IGNOU Guyana GOAL project. Faculty is actively involved in research activities and has published good number of research papers and has also done considerable online teaching/counseling through various modes during the reported period. The School launched PG Diploma in Geoinformatics from January 2023 admission cycle. Faculty is actively involved in research activities and has published good number of research papers in peer reviewed national and international journals. Faculty has also done considerable online teaching/counseling through various modes. The school is engaged in developing M.Sc. (Physics), M.Sc. (Chemistry), M.Sc. (Geoinformatics), M.Sc. (Geography), M.Sc. (Zoology), M.Sc. (Applied Statistics) and M.Sc. (Geoinformatics).

The School offers the following Academic programmes:

- M.Sc. in Mathematics (with Applications in Computer Science) (MSCMACS)
- Bachelor’s Degree Programme in Science (B.Sc.) in Old Scheme

- Bachelor's Degree Programme in Science (BSCG)) under UGC-CBCS Scheme
- B.Sc. (Honours) in Biochemistry (BSCBCH)
- Post Graduate Diploma in Environment and Sustainable Development (PGDESD)
- Post Graduate Diploma in Analytical Chemistry (PGDAC)

National Science Day celebrated on 28th February, 2022

BACHELOR OF SCIENCE: Multi-disciplinary Approach

The multi-disciplinary approach is introduced in Bachelor of Science to provide higher education required for a B Sc degree to aspirants including learners from the deprived sections and those living in remote and rural areas, seeking the degree for employment, further higher education, promotion in career and professional development.

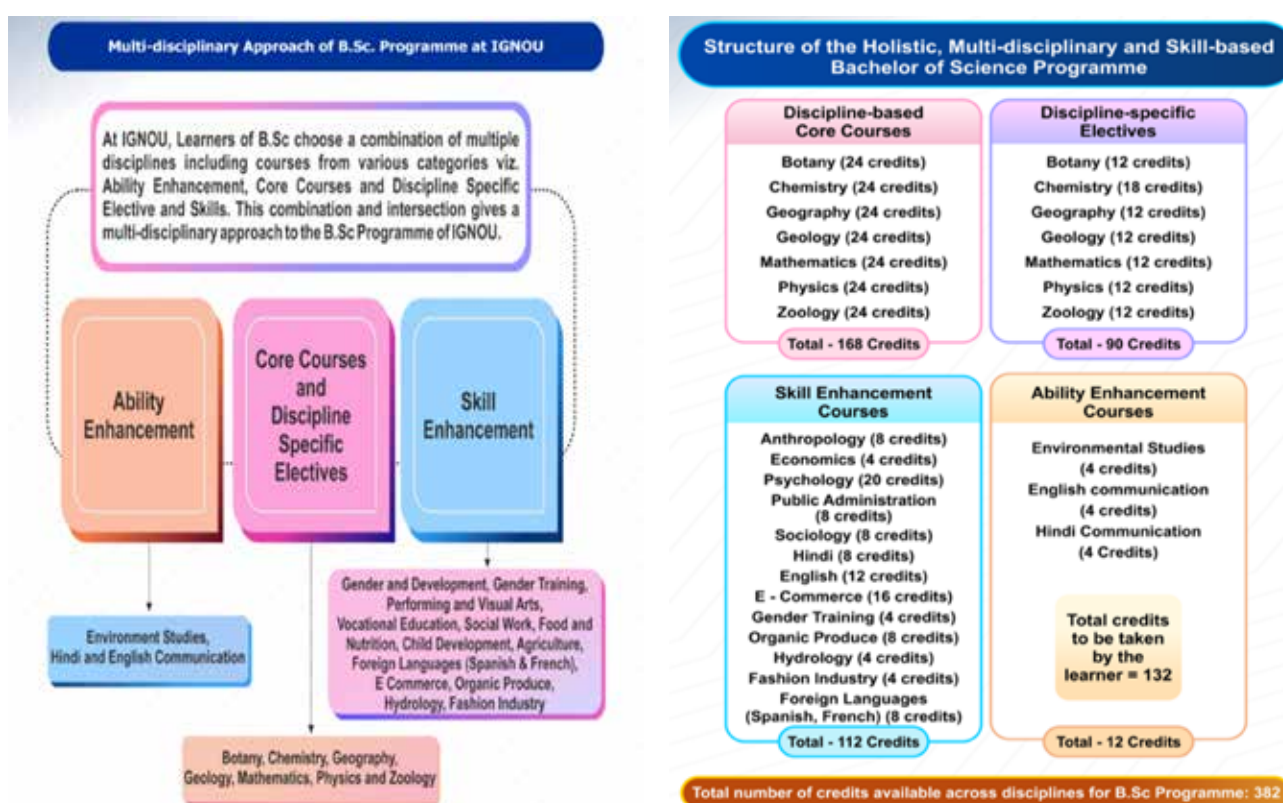

Course Options:

The Bachelor's Degree in Science is of 132 credits spread over six semesters (Three years) with study load worth 22 credits in each semester. The students have to select any three disciplines for study as per their interest in which they want to obtain their Bachelor's degree in Science. They have to make a conscious decision of choosing the Disciplines they want to study since the Disciplines once chosen in the first semester will have to be studied in the subsequent semesters also. In each semester, the students have to choose 4 courses in all from different categories of courses. The courses given in pairs need to be taken in pairs only. While the courses under CC and DSE categories are of 6 credits each, the courses under AEC and SEC are of 4 credits each. Therefore, the study load in each semester will come out to 22 credits.

- In disciplines such as Botany, Chemistry, Geology, Physics and Zoology, where Laboratory work is compulsory, a 06 Credit Course is offered as a combination of two Courses in the same subject area: a 04 Credits Theory Course and a 02 Credits Laboratory Course. Both these courses in a given subject area of a discipline are to be taken together compulsorily.
- Every course offered by the Mathematics discipline, which does not require Laboratory work, is a single course of 06 Credits which includes 01 Credit worth of Tutorials.

- In the Geography discipline, some subject areas do require Laboratory works whereas, some subject areas do not require any Laboratory work. Therefore, the Courses of the Geography discipline are of two types:
 - Courses which require Laboratory work – Each such Course is a combination of a 04 Credits Theory Course and a 02 Credits Laboratory Course (both these are to be taken together compulsorily); and
 - Courses which do not require Laboratory work – Each such Course is of 06 Credits and includes 01 Credit worth of Tutorials.

The School celebrated National Education Day on 11th November, 2022

5. School of Continuing Education

Continuing Education is required for learners to stay updated with the latest developments, knowledge and skills in their fields and for the continuous upgradation of knowledge in professional and vocational spheres. The benefits are lifelong. To meet these emerging needs, the University established the School of Continuing Education. The emphasis of the School is on sustainable development, with a focus on the changing scenario and developmental needs of the country. The School of Continuing Education presently houses the disciplines. These are Rural Development, Home Science, Child Development and Nutritional Sciences.

The School launched Certificate in Apparel Merchandising from July 2022 and Post Graduate Diploma in Counselling and Family Therapy from January 2023 admission cycle. A MOOC (16 weeks) titled सतत् विकास के लिए सम्प्रेषण एवं विस्तार (Satat Vikas ke Liye Sampreshan evam Vistar)' was launched on SWAYAM by the Discipline of Home Science in July 2022. This MOOC is specifically designed for frontline community workers, NGOs, skill developers, interested students and teachers, and extension officers and change makers engaged in community mobilisation and development for the achievement of SDGs.

The School offers the following academic programmes:

- Master of Science in Dietetics and Food Service Management (MSCDFSM)
- Master of Arts in Rural Development (MARD) (ODL and Online)
- Master of Science in Counseling and Family Therapy (MSCCFT)
- PG Diploma in Counseling and Family Therapy (PGDCFT)
- PG Diploma in Rural Development (PGDRD) (ODL and Online)
- PG Diploma in Early Childhood and Foundational Stage Education (PGDECFE)
- PG Diploma in Rural Development (PGDRDOL)
- Diploma in Nutrition and Health Education (DNHE)
- Diploma in Panchayat Level Administration and Development (DPLAD)
- Diploma in Event Management (DEVMT)
- Diploma in Early Childhood Care and Education (DECE)
- Diploma in Youth in Development Work (DCYP)
- Certificate in Rural Development (CRD) (ODL and Online)
- Certificate in Food and Nutrition (CFN) (ODL and Online)

One-day IGNOU-NCERT consultation Workshop with Stakeholders on National Curriculum Framework on 3rd September, 2022

Aligned to the vision and recommendations of the National Education Policy, 2020, the Ministry of Education, Government of India, has called for the development of new National Curriculum Frameworks (NCF) for Early Child Care Education (NCFECCE), School Education, Teacher Education (NCFTE) and Adult Education (NCFAE), that are in consonance with each other and with the transformations as recommended by the NEP 2020. The development of the above curricular frameworks will be guided by the understanding of the expected outcomes at the end of each stage for holistic development (Physical, Cognitive, Social, Emotional, Moral and Aesthetic).

In order to develop Curriculum Frameworks which is in consonance with the needs and expectations of the various stakeholders in civil society, a one-day Interactive Consultation meet focused on Delhi state and NCR was organized by the Indira Gandhi National Open University and National Council for Educational Research and Training on 03 September, 2022. The Meet was attended by over 550 resource persons, participants included Vice Chancellors, Pro Vice Chancellors, Director and Joint Director NCERT, Member-Secretary NCTE, eminent educationists, leading Non-Governmental Organizations working in the field of education, Ph.D. scholars, teachers, parents and students from private and government schools running under the Delhi Government, CBSE, MCD and Kendriya Vidyalaya.

The NEP-2020 outlines that current Anganwadi workers/teachers with qualifications of 10+2 and above shall be given a 6-month certificate programme in ECCE. These programmes may be run through digital/distance mode using DTH channels as well as smartphones. In order to take this mandate forward, SOCE, IGNOU and UNICEF have come together to pool their resources of SLM and video-based e-content available in various Indian languages, respectively, to develop a certificate programme of 6 months duration. IGNOU-UNICEF Memorandum of Understanding (MoU) for Development and Implementation of Certificate Programme in Early Childhood Care and Education on 7 October, 2022 and course development is in progress.

Signing of IGNOU-UNICEF MOU for offering Certificate in Early Childhood Care and Education on 07th October, 2022

Celebration of “Poshan Maah” (September 2022) as part of the Poshan Abhiyan initiative of the Government of India. A Poster and slogan writing competition was organized on specific Nutrition themes announced by the Ministry of Women and Child Development.

SOCE’s contribution to e-VidyaBharati

Under the e-VidyaBharati initiative, the Government of India is providing education to African Countries. Eight programmes of the School of Continuing Education have been identified for offer under this initiative. These include Master of Arts (Rural Development), Post Graduate Diploma in Rural Development, Certificate in Rural Development, Diploma in Youth in Development Work, Diploma in Nutrition and Health Education, Diploma in Early Childhood Care and Education, Certificate in Nutrition and Childcare and Certificate in Food and Nutrition. A total of 465 students are enrolled in these programmes.

SOCE's contribution towards fulfilling the mandate of NEP 2020 for providing quality education to ECCE personnel:

Since 2019, the Diploma in Early Childhood Care and Education (DECE) programme has shown a sharp rise in enrollment, especially in the Punjab region in the past few years. A total of **86,570+23536** learners have enrolled in the programme cumulatively from January, 2019 till July, 2022 session. In the initial cycle of high enrollment in 2019, the School directly provided academic counseling support for all the courses of the programme and supported the Regional Centre and the SED in the evaluation of assignments and the project files. A dedicated e-portal for evaluation of project work has been developed through combined efforts of COE, SED and SOCE wherein the students upload short videos of their actual work in the pre-schools which helps to establish authenticity of their work.

6. School of Engineering and Technology

The School of Engineering and Technology (SOET) aims to provide quality education in different disciplines (Civil, Mechanical and Electrical) of engineering at Certificate, Advanced Certificate and PG Certificate levels and disseminates learning and knowledge through innovative multiple media teaching-learning packages. The School has planned, developed and successfully implemented several academic, continuing and extension education programmes. It aims at improving skills, increasing job potential and economic advantage to the learners. The School has taken great initiatives and launched 15 courses through SWAYAM platform. Around one lakh learners joined in these courses. It aims at improving skills, increasing job potential and economic advantage to the learners. The School practices, participate, collaborate and regularly interacts with employing agencies, industries, professional institutions and bodies so as to reflect educational and training needs of the targeted learners group in the programme. Student support is extended through teleconference and radio counseling sessions.

BACHELOR OF COMMERCE: Multi-disciplinary Approach

The main objective of the programme is to inculcate knowledge, skills and attitude among the learners to meet the challenges of various dimensions of business and commerce. The programme focuses on the development of skills in the commerce domain areas and facilitates the employability as well as self-employability of the learners. The programme aims at providing commerce education to the large number of learners located at different parts of the country including the far-flung areas and selected abroad centres. Commerce education is provided to the masses as well as the disadvantaged and marginal groups of the society.

The multimedia and interactive teaching-learning system provides opportunity to acquire education at the door-step, flexible time and space of the learner. Accessibility and flexibility are very important features of the programme which provide opportunity to large number of heterogeneous groups to acquire education through open and distance mode. The programme aims at the development of analytical skills, financial and accounting skills as well as managerial skills. The figures presented below give a snapshot of the courses offered in Bachelor of Commerce from different perspectives.

Multi-Disciplinary Approach of B.Com

8. School of Health Sciences

This School has been set up with the objective of augmenting educational avenues for medical, nursing and paramedical personnel through the distance mode. The main function of the School is the planning, development, and launching of degree, diploma and certificate programmes for various categories of health professionals, offering health-related awareness courses for the public and conducting research on health-related issues.

The School has been collaborating with various national and international organizations such as the World Health Organisation (WHO), Ministry of Health and Family Welfare (MOHFW), Dental Council of India (DCI), National Board of Examination (NBE), Indian Council of Medical Research (ICMR), Indian Nursing Council, and Department of Aayush, Government of India, for the development and dissemination of programmes.

The School offers the following Academic programmes:

- Post Basic Bachelor of Science (Nursing) (BSCN)
- Post Graduate Diploma in Maternal and Child Health (PGDMCH)
- Post Graduate Diploma in Hospital and Health Management (PGDHHM)
- Post Graduate Diploma in Geriatric Medicine (PGDGM)
- Post Graduate Diploma in HIV Medicine (PGDHIVM)
- Diploma in Critical Care Nursing (DCCN)

- Diploma in Nursing Administration (DNA)
- Post Graduate Certificate in Medical Management of CBRNE Disasters (PGCMDM)
- Certificate in Health Care Waste Management (CHCWM)
- Certificate in New Born and Infant Nursing (CNIN)
- Certificate in Maternal and Child Health Nursing (CMCHN)
- Certificate in Home-Based Health Care (CHBHC)
- Certificate in Community Health (CCH)
- Certificate in First Aid (CFAID)
- Certificate in Yoga (CPY)
- Certificate in Home Health Assistance (CHHA)
- Certificate in General Duty Assistance (CGDA)
- Certificate in Geriatric Care Assistance (CGCA)
- Certificate in Phlebotomy Assistance (CPHA)
- Certificate in Adolescent Health and Counseling (CAHC)
- Ph.D. in Nursing (PHDNS)

The School has created programme specific web portals for the programmes of PGDGM, PGDMCH, PGDHHM, PGDHIVM and CHCWM. The portals have the soft copies of the course material, assignments, resource materials and recordings of the synchronous classes taken. This is a single platform where the students can have access to course material and can also get updated information like dates and links to examination forms, downloading of ID card, hall ticket etc.

Screenshot of Students Support portal

Google Classroom was created for Ph.D. and DNA Programmes where softcopy of SLM, Programme Guide and Assignment questions were uploaded and Students uploaded softcopy of the assignments are evaluated by the Course Coordinators. Counselling and practical support in academic programme with low enrolment is provided through online web support.

The school has developed and is offering Certificate in Community Health (CCH) programme in collaboration with Ministry of Health and Family Welfare, Government of India, since 2017, purely for sponsored candidates (GNM, B.Sc nurses and registered Ayurveda Practitioners) to be placed as Mid-Level Health Care Providers (MLHP) in order to meet the demand for capacity building of Health and Wellness Centres under the Ayushman Bharat Yojana and 2932 candidates were sponsored by MOHFW, GOI for the July 2022 session.

School is also collaborating with Indian Nursing Council for continuing nursing education credits for awarding to students enrolling in various diploma and certificate programmes. Post Basic B.Sc. Nursing programme is being offered after recognition Indian Nursing Council. Directorate General Armed Forces Medical Services (DGAFMS) has committed to sponsor 17 doctors from the armed forces (Army, Navy and Air force) in each session (January and July) of the Post Graduate Certificate in Medical Management of CBRNE Disasters (PGCMDM) Programme since July 2022.

SWAYAM

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. IGNOU is National Coordinator of MOOCs and offers Certificate and Diploma courses level on SWAYAM platform.

Currently IGNOU is offering 185 SWAYAM courses with more than 2.5 lakhs enrolment. During January 2023 Cycle, IGNOU is offering 193 MOOCs. All the courses are delivered on the SWAYAM Portal and the online examinations are conducted through National Testing Agency (NTA). The COE as office of SWAYAM National Coordinator undertook coordination of translation work of 16 SWAYAM Courses in eight regional languages namely Bengali, Hindi, Kannada, Malayalam, Marathi, Tamil and Telugu.

e-GyanKosh

eGyanKosh is a National Digital Repository to store, index, preserve, distribute and share the digital learning resources developed by IGNOU. Items in eGyanKosh are protected by copyright, with all rights reserved by IGNOU, unless otherwise indicated.

eGyanKosh

The University has also made available its learning resources free to read on E-Gyankosh platform. This repository facilitates the learners to search and access the Self Learning Material of more than 400 academic programmes (including archives) offered by IGNOU hosting more than 45,000 learning material which includes SLM, Videos, archived Facebook live sessions and SWAYAM Course content. The eGyanKosh portal can be accessed at <http://egyankosh.ac.in>.

e-Vidyabharati

e-Vidyabharati is a project of Ministry of External Affairs, Govt. of India to provide quality effective education through web portals to students in Africa. Under this collaboration IGNOU is providing tele-education services through 12 Regional Centres to 19 countries in Africa and offering 43 academic programmes of study to learners in these countries. As on date 2617 learners have already enrolled for these programmes for July 2022 admissions.

The Guyana Online Academic Learning (GOAL)

The Guyana Online Academic of Learning (GOAL), Govt. of Guyana is collaborating with IGNOU and GOAL Online Programmes are offered to students of Guyana to pursue online tertiary level programmes. Total number of student enrolled in this project is around 1250 in July 2022 session.

IGNOU Online Programmes

IGNOU started with three Online Programmes as a pilot project in the year January 2020. The university launched nine academic programmes in July 2022. At present, the university is offering 43 online programmes in various disciplines at various levels. The Online programmes are designed on the four-quadrant approach which tries to provide comprehensive learning experience to the learners in a holistic manner.

Web-Conferencing

Web-Conferencing is very useful to communicate synchronously in Open Universities and is being coordinated by COE. In IGNOU it is being effectively used to communicate between IGNOU Headquarters Schools, academic counselors and Regional Centres across India. It is also used by Functional Divisions such as STRIDE, SSC, RSD, SED. Most of the web conferences are used for updating and transfer of knowledge.

ELECTRONIC MEDIA PRODUCTION CENTRE

The Electronic Media Production Centre (EMPC) is the hub of electronic and broadcast media. EMPC had its humble beginnings as “Communication Division” in 1986 with its key responsibility to produce curriculum-based audio and video programmes to supplement the SLMs (Self Learning Materials) of various academic programmes and courses of IGNOU. A total of 212 videos and 348 audio programmes were produced in the reported period. The cumulative number of programmes produced so far is 6,007 videos and 4711 audios. In addition, 51 video promos and 178 audio promos were produced during the period that has resulted in increased number of admissions at the university. Over a period of time, EMPC has diversified its activities manifold, from production of audio and video programmes to interactive transmissions through radio and television-based teleconferencing.

Commemorating Legacy: Broadcast-Equipment Exhibition on 19th November, 2022

Gyan Darshan

EMPC has been serving as the nodal centre for managing Gyan Darshan channels and Gyan Vani Stations for the Ministry of Education with contribution of software from various educational and training institutions. Gyan Darshan (GD) channel is a major milestone in the field of Educational Television in India. It is a joint venture of the Ministry of Education (MOE), Ministry of Information & Broadcasting (I & B Ministry), Prasar Bharati. It was launched in the year 2000. GD is a 24-hour educational channel which offers the best of educational programmes covering a variety of subjects and catering to a wide range of viewers. These include pre-school, primary, secondary and higher secondary students, college/University students, youth seeking career opportunities, housewives and working professionals. As GD is a must carry channel on DTH platform as per the Government of India Gazette notification, EMPC has approached the various Private DTH Operators for the carriage of Gyan Darshan in their Bouquets. The Gyan Darshan is available in TATA SKY, AIRTEL, SUN DIRECT, DEN, In DIGITAL, HATHWAY networks.

GD conducts two hours of live teleconferencing sessions every day. During 01st may, 2022 to 31st December, 2022, 5205 hours of educational video programmes were transmitted that included 575 Live Teleconferencing sessions. Out of these, 75 sessions were with Investor Education and Protection Fund Authority (IEPFA), Ministry of Corporate Affairs, Government of India and 26 sessions were

with Insolvency and Bankruptcy Board of India (IBBI), Ministry of Corporate Affairs, Government of India, both having signed an MOU with IGNOU.

The highlights of the events telecast live during the aforementioned period are the 27th Prof. G. Ram Reddy Memorial Lecture on 02nd July and the 37th Foundation Day Celebration address on 19th November, 2022.

Teachers/resource persons and RC functionaries use facilities of EMPC for deliberations on academic and administrative matters. Induction programmes for new students and convocations for graduating students are conducted live on GD every year.

EMPC IGNOU YouTube Channel

An EMPC IGNOU YouTube Channel was launched in 2021-22 wherein live streaming of teleconference sessions to facilitate live interaction as well as asynchronous learning. Since inception, 300 hours of Live Teleconferencing sessions were transmitted and more than 500 offline video programmes including those for education of persons with disabilities are now available on the channel. 130 educational videos of various disciplines and subjects have been uploaded in the reported period on the website <https://www.youtube.com/c/EMPCIGNOU/playlists> for the convenient viewing of the learners and public at large. The channel is subscribed by more than 12 thousand users and has a viewership of more than 4 lakhs learners.

Gyan Vani

Gyan Vani (GV), an educational FM radio station operates in several cities of India. This national radio is not only heard in several cities of the nation but also throughout the world, via internet (GyanDhara). GV serves as an ideal medium for niche audience addressing the local educational, developmental and socio-cultural requirements of the people. The flavour of the channel is by and large local and the medium is English, Hindi or language of the region. The overall content pertains to Primary and Secondary Education, Adult Education, Technical and Vocational Education, Higher Education, Distance Education and Extension Education etc. Normally, programmes of GV are being broadcast for 12 hours a day with GV (Delhi) FM radio extending one Hour transmission in collaboration with NCERT since April 2021. 385 fresh contents were developed and broadcast on GV in the reported period.

In addition, the university is working on Production of Video Book of the Azadi ka Amrit Mahotsav, Production of Audio promotional programmes and production of Audio book for Management Programmes. Moreover, the university last year initiated the up-gradation of technical infrastructure and installation of equipment for Earth Station, Video Studio, Video Server, Digitalization of audio video library and non-linear edit systems with the support of HEFA loan of Rs. 15 Crores from Ministry of Education which is in the advance stage of progress and is likely to materialize by the end of financial year 2022-23.

Interactive Radio Counselling (IRC): Interactive Radio Counseling (IRC) facility is being provided by GV Stations to enable students (Across the country/overseas) to interact with the faculty, academic counselors and student support staff. The live phone-in programmes are popular components of the network. The programmes broadcast through each stations include both pre-recorded and live content. The University organised 1,019 IRC (Interactive Radio Counseling) sessions in calendar year 2022 out of which 430 are new programmes

Gyandhara

Gyandhara is an internet audio counseling service offered by IGNOU. The Gyandhara streaming is available for internet users anywhere in the world. Students can listen to the live discussions by the teachers and experts on the topic of the day and interact with them through telephone, email and also chat mode. This webcast of Gyandarshan service is hosted and maintained by COE. Some of the major events web-casted on Gyandhara are Convocation of IGNOU, International Yoga Day, Foundation Day, etc. The live webcasted videos are uploaded on the IGNOU YouTube section of eGyanKosh digital repository.

Social Media Live Sessions

The University organises live counseling and academic sessions on popular social media tools such as Facebook, Twitter Space and WhatsApp. Schedule of sessions and link are flashed on the homepage of IGNOU's official website. Counseling sessions have been regularly organized on Facebook. The University also uses Facebook as dashboard to communicate latest information and schedule of events and activities. The University also facilitated peer interaction and discussion through Discussion Forums.

Freedom 2 Learn Podcast Series

Freedom 2 Learn podcast series is an innovative programme to reach to the learners and is initiated by IGNOU in the form of podcast series. Podcast has been quite a popular mode in Management Schools throughout the globe but in India this is the first of its kind. IGNOU is the first University in the country to launch such a programme to reach to its large learner base. Till date episodes on various themes have been uploaded. The programme is hosted on IGNOU website www.ignou.ac.in and is free for all. Prerecorded audios are uploaded on the link of the podcast series and are available to the learners on the IGNOU website. The audio is uploaded theme wise for the ease of learners.

Through this programme the learners have an opportunity to listen to the experts of the corporate world, academicians and policy makers. The learners can, not only listen to the podcast but are free to download and listen and learn at their own pace. This is also an initiative to bridge the gap between academia and industry and policy makers. The series is in the form of monologue as well as in conversation mode. The experts from all walks of life have been pitched in to record the podcasts. The learners are free to interact with the coordinators of the series for further assistance through emails.

B. Evaluation

The evaluation mechanism in IGNOU is looked after by Student Evaluation Division (SED) which monitors the evaluation process thereby assessing the performance of the students in Term-end examinations, assignments, projects, practical examinations, dissertations, viva-voce, campus extension programmes, field work, etc. and award of Degrees/Diplomas/certificates. The evaluation of the answer scripts is being carried out at various places, Student Evaluation Division is the main repository of the Student's Central database relating to the scores of term-end examination and other components.

Activities

Summative Assessment

Primary activity of Student Evaluation Division is the conduct of the examinations and evaluation of students' performance through continuous internal assessment and term-end examinations. The term-end examinations are held twice a year in June and December. Applications for examinations are received online.

The division receives awards of Tutor Marked Assignments from the Learners Study Centres (LSC) through Regional Centres and processes them. It also gets project reports of the students evaluated by approved evaluators and provides over all guidance to students for various courses of University and solves all problems relating to evaluation

To maintain the transparency, after evaluation of answer scripts, the results are declared on the University's website and the same are incorporated in the grade card status which is also available on the University's website.

The steps involved in the evaluation mechanism of the University are as follows:

Automated Examination Management: As a step towards automation process, the examination process in IGNOU is online. The University designed; developed and implemented In-house developed application for Exam Registration, Hall Ticket generation, Exam Centre Registration, Online Question Paper Delivery System (OPTS) application and result declaration.

Preparation for conduct of Examination: Question papers are prepared and moderated by approved paper setters and moderators. The date sheet with exam schedule is announced well in advance.

Conduct of Examination: Term End Examinations are conducted twice a year i.e., in June and December across the country in approved exam centres fulfilling stringent requirements.

Evaluation: Seven Regional Evaluation Centres across the country and Student Evaluation Division together handle the evaluation activity. All efforts are made to declare results in 45 days.

Formative Assessment

The formative assessment methodology involves:

- Tutor Marked Assignments which is applicable for all programmes;
- Practical in Labs wherever applicable;
- Internships wherever applicable;
- Project work/Dissertations for professional programmes;
- Field work for courses like social work;
- Workshops, practicum etc. for programmes like B.Ed.

- Overall, the evaluation mechanism involves evaluating the internal as well as external performance of the learner.

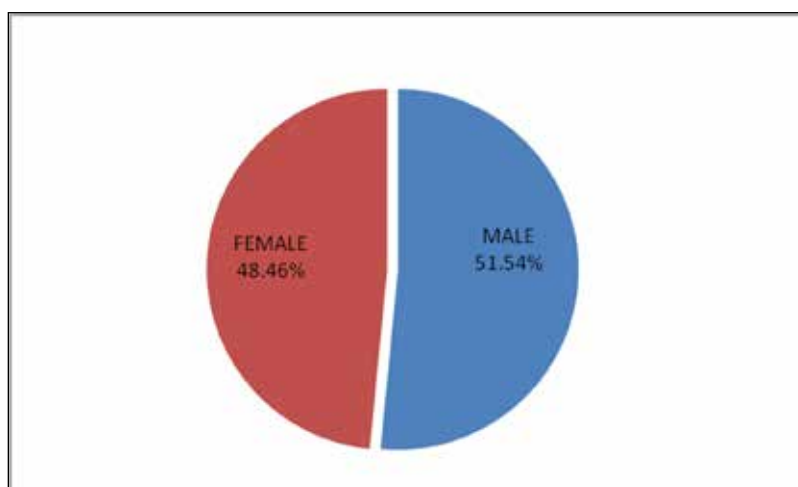

The Division receives awards of Tutor Marked Assignments from the Learners Study Centres (LSC) through Regional Centres and processes them. It also gets project reports of the students evaluated by approved evaluators and provides over all guidance to students for various courses of University and solves all problems relating to evaluation.

C. Enrolment

IGNOU is the world's largest University in terms of enrolment. The University enrolled 13,03,609 learners in January 2022 and July 2022 admission cycles. Out of which 6,89,536 are fresh registration (52.89%) and 6,14,073 are re-registration (47.11%).

Gender Diversity

The total number of male learners is 3,55,412 (51.54%) out of total fresh enrolment; and total number of female learners is 3,34,124 (48.46%) of total fresh enrolment.

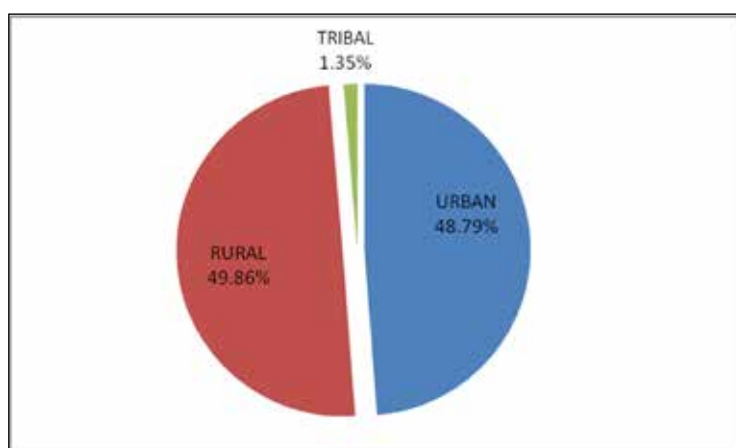

Enrolment of male and female learners (2022)

Catering to Urban/Rural/Tribal Population

The widely spread learner support network ensures equal access of quality higher education across urban, rural and tribal areas. Remarkable strength of learners in rural and tribal areas expresses commitment of the University for democratization of higher education. The University introduced mobile learning in remote rural/tribal areas having negligible density of higher education institution. The University have been extensively utilizing the technology based mobile learning in selected Regional Centres in rural, remote and hilly areas for i) digital literacy campaign ii) promotion and publicity of various academic programmes of IGNOU; iii) initiatives of the University for providing free education to SC/ST learners; iv) other promotional schemes of the University, centre/state government for social welfare.

Region-wise enrolment (2022)

Region	No of fresh students	%
Urban	336439	48.79
Rural	343783	49.86
Tribal	9314	1.35
Total	6,89,536	

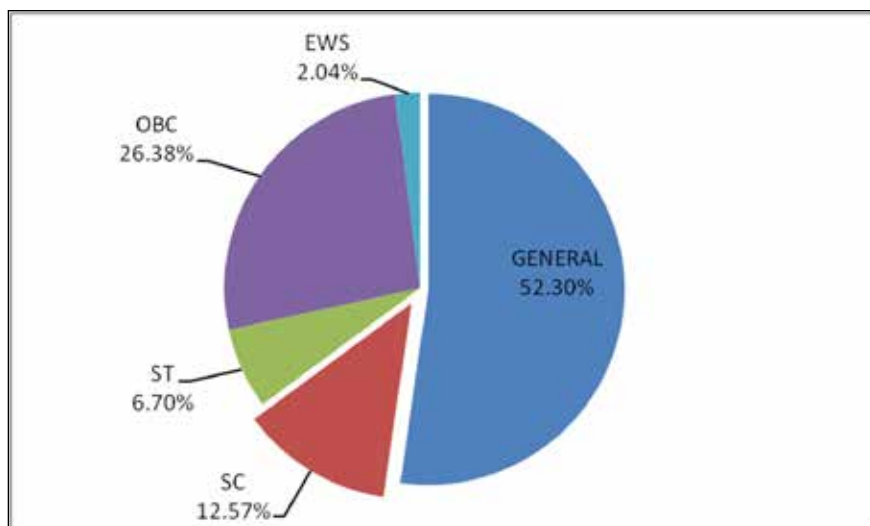

Region-wise enrolment (2022)

Reaching out to Learners from Socially Backward Categories

The University has taken several initiatives to improve participation of socially backward communities in higher education. University introduced short term vocational courses targeting academic/training needs of marginalized segment of the society and established Learner Support Centres in areas which are highly populated with marginalized segments of population. Remarkable enrolment of learners from socially backward community reflects positive impacts of initiatives taken by the University for enhancing participation of socially backward categories in higher education. The efforts made by the University to reaching out socially backward learners are reflected through high enrolment of students from SC and ST categories in the reported period.

Social category-wise enrolment (2022)

Social category	No of fresh students	%
General	360650	52.30
SC	86685	12.57
ST	46213	6.70
OBC	181904	26.38

Total	6,89,536	

Social category wise enrolment (2022)

Reaching out to Persons with Disabilities (PwD) and Jail Inmates

Disabled friendly delivery of learning, flexible entry criteria and door-step delivery of education encourage admission of Person with Disability (PwD). The University established special Learner Support Centre having adequate provisions to facilitate learning of disabled learners. These steps encouraged enrolment of PwD in IGNOU academic programmes. The University enrolled 4149 PwD students in 2022. The University enrolled 7992 jail inmates in 2022 through its special study centres within jail premises.

Reaching out to the Employed

Employed are retained in learning only through non-formal and self learning. IGNOU offers learning centric higher education through non-formal mode, flexible delivery, multi-entry and exit points. These features of delivery approach of the University encourage admission of employed youths who can fulfill their dreams of higher education and updating skills without any disturbance in professional and personal life. Employed learners update their knowledge and also get certified for skills acquired at work place. 20.54 % of fresh students are employed.

Regional Centre-wise students eligible for award of Degrees/Diplomas/Certificates in the 36th Convocation

Total students 279917 have successfully completed their Degree/Diplomas/Certificates in various disciplines offered by the Schools of IGNOU in 36th Convocation out of which 1,10,459 are in Master Degree, 1,06,543 in Bachelor Degree, 50,357 in Diploma, 12,446 in Certificate, 4 in M.Phil and 108 in Ph.D. RC-wise, number of awardees is given below:

Through the robust teaching-learning mechanism in place at IGNOU, the student is able to achieve the learning outcomes as laid down in the initial part of the course/programme. This can be achieved through the self-check assessment modules which are in-built in the Self- Learning Material.

Learner Progression

In coordination with the Student Registration Division, the Regional Services Division has been monitoring the activity of Admissions and Re-Registrations. Admission is a crucial activity of the University. Regional Centres are actively engaged in the promotion of IGNOU Programmes. They guide and assist prospective learners by resolving their queries pertaining to Admission and Re-registration. Regional Services Division has been actively involved in conducting Interactive Radio Counselling and Tele Counselling sessions through the Gyan Darshan Channels for promoting IGNOU Programmes. Regular web conferences were also held with Regional Centres for monitoring the progress of Admissions and Re-registrations. Admission was 4,99,764 in the July-2022 Session and re-registration was 3,95,274 in July-2022 Session respectively.

Research, Innovation and Extension 5

IGNOU has been conducting research at various levels. It promotes research for the faculty, staff as well as students. The research is being promoted at the following levels:

- Externally Funded Projects
- Faculty development & research
- Innovation discipline based research
- The faculty development and the systemic research is carried out by STRIDE which is an institute exclusively established for this purpose. It also conducts the refresher programmes in distance education.
- Research based on innovation is carried out in NCIDE.
- The discipline-based research is carried out in the Schools of Studies and Research Unit is the nodal unit for conducting the programmes.

A. Research

Externally Funded Projects

It is envisaged that the Research Programmes of the University go beyond the award of research degrees to lend support to research on issues of importance to society. This could take the form of encouraging research through arranging financial support to fund major / minor projects to be undertaken by the faculty.

The following table shows a list of active Externally Funded Research Projects in different areas of study in 2022.

B. Faculty Development and Research

Staff Training and Research Institute of Distance Education

The Staff Training and Research Institute of Distance Education (STRIDE) started as the Division of Distance Education in 1986, to cater to the training needs of various functionaries of the Indira Gandhi National Open University (IGNOU) and other distance education systems in the country. Based on the proposal by the Commonwealth of Learning (COL, Canada), Asian Development Bank (ADB, Manila) and then Ministry of Human Resource Development (MHRD, New Delhi), Government of India to set up a training and research institute for distance education in the South Asian Region, the Division of Distance Education of IGNOU was upgraded into the Staff Training and Research Institute of Distance Education (STRIDE) in 1993.

STRIDE has responsibility of organizing capacity building and professional development programmes for teachers, academics, non-teaching, technical and professional staff at the IGNOU Headquarters and at the Regional Centres of IGNOU, as also capacity building of State Open Universities (SOUs) and Distance Education Institutes (DEIs) and other ODL institutions in the country, besides carrying out research and programme evaluation activities. Besides, it also provides consultancy through workshops and offer of its Academic programmes in 22 countries in the Commonwealth.

Refresher, STP and Capacity Building Programmes

STRIDE has conducted 33 workshops/training programmes covering 1051 faculty/staff from 238 institutions in Indian and overseas countries in the reported period. The focus of STRIDE was on taking forward the directions of implementation of NEP-2020.

National Training of 15 Lakh University and College Teachers on Implementation of NEP-2020.

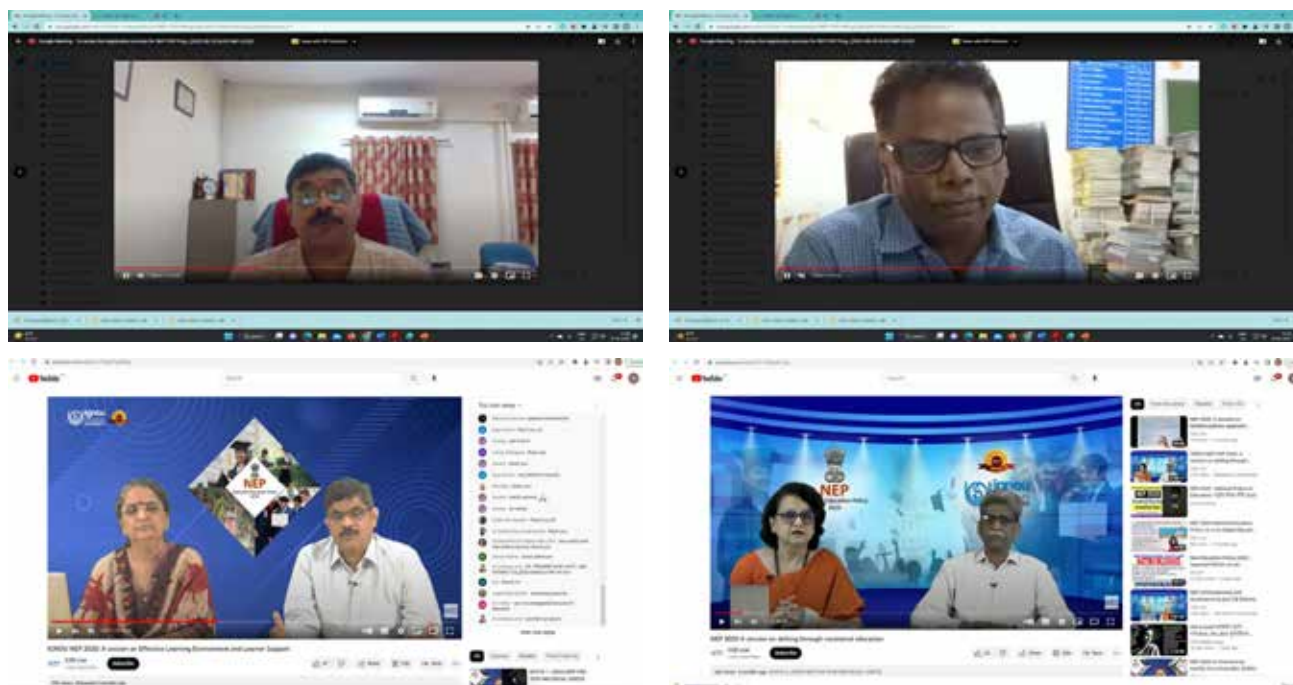

IGNOU-STRIDE is implementing the National Training Programme on the Implementation of NEP-2020 (NEP-PDP) for university and college teachers under Pandit Madan Mohan Malaviya National Mission for Teachers and Teaching, Government of India, which was also approved by the University Grants Commission. The programme was rolled out in the entire country by IGNOU on 15th August, 2022 and 10 Batches of teachers have joined the programme. 57932 teachers from all over the country have registered, 42970 have been confirmed registration, 39044 teachers have participated, and 18227 (50.19%) have been certified.

The NEP-PDP is continuing through subsequent batches of teachers. Simultaneously, The MoE/ Government of India has directed IGNOU to take up the NEP-PDP national capacity building on NEP-2020 for Administrators and Practitioners of Higher Education Institutions, which is under process to be rolled out in January 2023 at the NEP-Swayam platform Vertical-II, and will be hosted at Government of India IGOT platform.

For the successful implementation of the programme, all the RCs are undertaking the following two major responsibilities:

- Promotion and Advocacy: Promote and advertise through all possible media and means, and mobilize teachers to join national NEP-PDP. RCs can plan keeping in view of local requirements. In order to sensitize the Higher Educational Institutions, the University is making efforts to communicate the information to different state governments from the Ministry and also from the VC. State wise letters have been issued by the respective government departments of Higher Education (of 22 States & UT) and by 9 Universities.

- b) Registration of participants: The teachers are registering at Samarth-NEP, and support at Swayam-NEP is being handled by the HQ Team. The RCs have been sensitized about the process of registration of participants for NEP-PDP.

Promotion of NEP-PDP

International Activities

In 2022, STRIDE revived the offer of the international PGDDE programme with students of Guyana under the GOAL-Guyana-IGNOU MoU; 34 learners were enrolled in this programme in which counselling sessions were held from November, 2022 to March, 2023. STRIDE also conducted international workshop for faculty of the National Open University of Nigeria (NOUN) in which 18 faculty were present.

C. Innovation

National Centre for Innovation in Distance Education (NCIDE)

The objective of the Centre is to develop a culture of continued search for new and innovative solutions to issues and problems on the way of University's mission to offer seamless education across the various levels, achieve cost efficiency in its operations and provide borderless access to quality education and training. The objectives of NCIDE include:

- Providing intellectual, financial and technological support to stakeholders for the growth and development of the ODL system.
- Encouraging innovations in Distance Education (DE) through collaborations within the University and other institutions in India and abroad for re-engineering and sustaining the open and distance learning.
- Promoting and developing innovative learning solutions through emerging technologies and working as resource centre for prototype development of innovative solutions.
- Conducting research studies for exploring the areas of innovation in DE and to suggest workable solutions, thus, providing research based framework and guidelines for standardization and total quality management of all facets of ODL.
- Documentation and dissemination of the innovations and best practices in Distance Education.
- Capacity building of the ODL functionaries for innovations in DE and creating an environment for innovations.
- Developing a network of innovative individuals, institutions and industry dedicated to R&D in the ODL system.

- Development of innovative programmes, guidelines, mechanism and modalities for convergence of different systems of education for seamless access.

Major accomplishments of NCIDE

NCIDE Gets “Best Centre Award”

The National Centre for Innovation in Distance Education has been awarded with the Best Centre Award-2022.

IGNOU gets Four Star Rating by the MoE for Promoting Innovation and Startup

IGNOU has been ranked with Four Star Rating as one of the top performers in the field of promoting Innovation and Startup during 2021-2022 by the Ministry of Education's Innovation Cell (MIC). IGNOU-IIC organized about 105 activities and programmes in the field of innovation, entrepreneurship and startup during 2021-2022. As a result, IIC has scored 84.97% for performing the prescribed activities with 96.9 Reward Points for carrying out the additional initiatives towards meeting the objectives of IIC.

IGNOU Student Wins the Smart India Hackathon 2022

One of the IGNOU students, Mr. Kunal Ambasta and his team won the Smart India Hackathon-2022 organized by the Ministry of Education's Innovation Cell in 2022. The team was awarded a cash prize of One Lakh Rupees. Another team led by Ms. Sheetal Thapa was the First Runner Up in SIH-2022. Another team led by Mr. Satish Kumar also participated in the Smart India Hackathon-2022.

WEAS Portal Development

During 2022, 15 WEAS Portals were developed and launched for ODL Programmes, 25 WEAS Portals for ODL Programmes/Courses reviewed, edited and updated. 25 WEAS Programme Promo Pages reviewed, edited and updated. Standard Operating Procedures (SOPs) for WEAS were formulated and implemented. 13 School Portals were developed and another 13 programme portals were developed/customized.

IGNOU Participates in the Regional Meet of IICs

MOE's Innovation Cell (MIC) organized the Regional Meets of the Institution's Innovation Councils. The regional meet for the North-West IICs was organized at the Amity University, Jaipur on July 28, 2022. Dr. Mamta Bhatia, Regional Director, Jaipur and IIC4.0 member represented the IGNOU-IIC and participated in the Regional Meet.

Major activities of NCIDE

The activities of the Centre are oriented towards promoting and nurturing innovations in the ODL system. NCIDE has been focusing on the seven thrust areas including Incubation and Nurturing Innovators, Capacity Building for innovation, Development of Innovative Learning Solutions; Development of Innovative Support Solutions; Research and Benchmarking for Quality Management; Documentation and Dissemination; and Collaboration and Networking. Some of the major activities undertaken during 2022 are given below.

Government Schemes

Mentor-Mentee Scheme of MIC

Ministry of Education's (MoE) Innovation Cell (MIC) assigned IGNOU to mentor five different institutes with funding support under its Mentor-Mentee Scheme. The objective of Mentor-Mentee scheme for IIC institutions was to engage high performing IIC institutions specially those who have secured star rating of 4 and above during the previous IIC calendar year to act as mentor to the selected IIC Institutions who need guidance and support. This twining program aimed at helping the IIC institutions to facilitate knowledge exchange and resource mobilization between institutions by offering inter-institutional collaborations. Under this scheme, NCIDE organized 19 programmes and activities as per MIC Plan, aimed at mentoring the faculty and students of the assigned 5 mentee IIC institutes. These programmes included Nine Quarterly Progress Review Meetings, Two Orientation Cum Mentoring Programmes, two IIC Calendar Activities Four Mentee IICs, Five Physical Progress Monitoring Cum Impact Assessment Visits to all the Five Institutes, and One Innovation and Entrepreneurship Training at IGNOU Campus for Two Day for the Faculty Members of all the Five IICs.

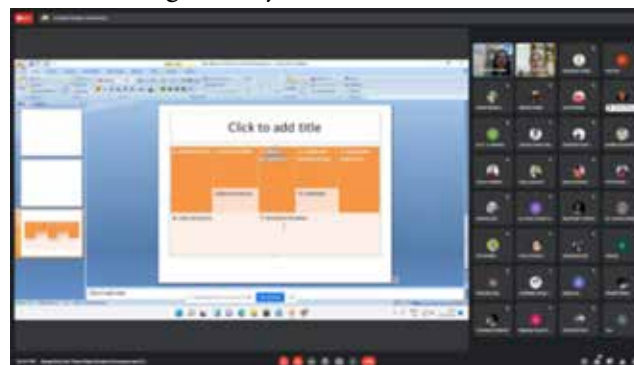

IGNOU Institution's Innovation Council (IIC)

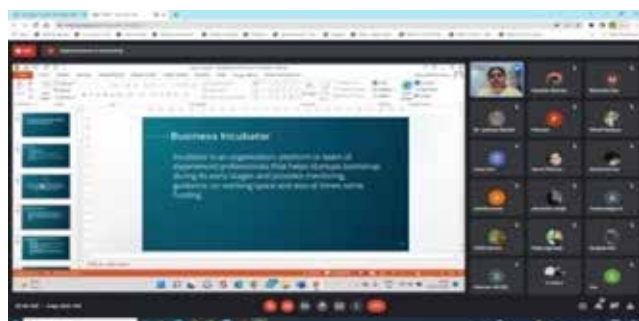

IGNOU established the Institution's Innovation Cell (IIC) in 2018 to systematically foster the culture of innovation in the University on the recommendation of the Ministry of Education. IIC 4.0 was constituted during September 2021. The primary mandate of IIC is to encourage, inspire and nurture young students by supporting them to work on new ideas. During the year 2022, the IIC organized around one hundred and five activities, such as Talks, Online Webinars, Virtual Workshops, business plan competition and motivational story talks for students and faculty members at both the headquarters and IGNOU Regional Centres. The IIC at IGNOU has been awarded a 4 Stars rating by the Ministry of Education's Innovation Cell (MIC) as one of the Top Performers for organizing various kinds of activities to promote and support innovation, startups and entrepreneurship in the University during 2021-2022. IGNOU-IIC has scored 84.97 for performing the prescribed activities with 96.94 Reward Points for carrying out the additional initiatives towards meeting the objectives of IIC.

IIC 5.0 Activities

IIC 5.0 has been constituted for the 2022-2023 Session starting from September 2022 to August 2023. IIC 5.0 has organized Six IIC Calendar Activities and initiated Idea Competition during the First and Second Quarter.

Implementation of the National Innovation and Startup Policy

On the basis of the National Innovation and Startup Policy of the MOE, NCIDE has designed and developed Institutions Innovation and Startup Policy (IISP) for IGNOU. Accordingly, the awareness programmes have been organized for the faculty to make them aware of the provisions given in the Innovation and Startup Policy for the University. The IISP aims at streamlining and strengthening the innovation and entrepreneurship activities in the University. The Policy has been approved by the Academic Council of University.

Creating Repository of Innovation on Yukti 2.0 Portal

As per the directions of the MOE's Innovation Cell, NCIDE is encouraging and guiding the IGNOU faculty, students and alumni to develop new and innovative ideas, prototypes and business plans. Also, submitting the same on the YUKTI Portal of the MOE which is a National Innovation Repository. Till date 141 students and faculty have registered. Out of which 23 ideas, 14 prototypes and 6 business plans have been submitted on the YUKTI portal during 2022.

Promoting the Culture of Innovation and Entrepreneurship

Innovation Club@IGNOU

The Innovation Club@IGNOU is a platform to brainstorm on ODL specific issues by the faculty. It also organizes periodic meetings, seminars and workshops for the faculty members. Some of the topics covered are issues and challenges related to material dispatch and distribution in IGNOU, Reaching the unreached sections of the society – some innovative activities of RC Nagpur, National Education Policy 2020 and Innovation in Higher Education: A Discussion, Online Counselling in IGNOU: Prospects and Challenges, Measures for Strengthening Learner Support Services in IGNOU, IGNOU's Innovation and Startup Policy, Reflection on Areas of Innovation in Learner Support at IGNOU: Accessibility and Admission System, and Revisiting the Admission System and IGNOU in context to NEP-2022. The discussions in the brainstorming sessions yield rich ideas for quality improvement of the University services.

Several faculty members from IGNOU Headquarters as well as Regional Centres participated in the Innovation Clubs meeting and gave a number of ideas.

Innovation Club@IGNOU organized a talk on “Reaching the Unreached Sections of the Society - Some Innovative activities of RC Nagpur.” on 30th May, 2022.

Innovation Club@IGNOU organized a brainstorming session on “Online Counselling in IGNOU: Prospects and Challenges.” on 27th June, 2022.

Innovation Club@IGNOU organized a brainstorming session on “National Education Policy 2020 and Innovation in Higher Education : A Discussion” on 29th July, 2022.

Innovation Club@IGNOU organized a brainstorming session on “Measures for Strengthening Learner Support Services in IGNOU on 31st August, 2022.

Innovation Club@IGNOU organized a brainstorming session “IGNOU’s Innovation and Startup Policy” on 30th September, 2022.

Innovation Club@IGNOU organized a brainstorming session on “Reflection on Areas of Innovation in Learner Support at IGNOU: Accessibility and Admission System” on 31st October, 2022.

Innovation Club@IGNOU organized a Panel Discussion on “Revisiting the Admission System at IGNOU : In Context of NEP-2020” on 30th November, 2022.

Innovation Club@IGNOU organized a Panel Discussion on “Restructuring Curriculum and Pedagogy Development with Special Focus on Flexibility and Multiple Entry/Exit Provisions of NEP-2020 : Innovative Practices and Intervention” on 22nd December, 2022.

Innovation Club@RCs

In order to promote, support and nurture innovations by students at the grassroots level as recommended in NEP-2020, IGNOU has setup 28 innovation clubs at the Regional Centres of IGNOU across India. These are at Aligarh, Bangalore, Bijapur, Bhopal, Bhubaneswar, Chennai, Cochin, Darbhanga, Delhi-1, Delhi-2, Guwahati, Hyderabad, Jaipur, Jorhat, Khanna, Lucknow, Madurai, Nagpur, Noida, Patna, Pune, Ranchi, Shimla, Trivandrum, Vatakara, Vijayawada, Varanasi, and Port Blair. Innovation clubs have also been set up at the Study Centres of IGNOU including the International Partner Institutes (PI). During 2022 these Innovation Clubs have organized various activities brainstorming meetings, presentations, workshops, visits, observing special days, etc., throughout the year to foster a culture of innovation among the students and faculty members of the University. The students, faculty, staff and academic coordinators of the Study Centres take part in different activities of the innovation club to brainstorm on different topics, problems and find innovative solutions. In this way IGNOU is trying to encourage the students towards finding solutions to the problems in the society and the country.

IGNOU Udyami – A Scheme for Recognizing IGNOU Student Entrepreneurs (RISE)

It has been noticed that a large number of IGNOU students have innovative and entrepreneurial mindset and many of them have their own startups or they are interested in developing their enterprises. But, they do not have proper guidance and support in taking up their Ideas or Startups to the next level. It is, therefore felt that, if such students are identified and provided the right kind of guidance, proper training and other academic support, many of them can do much more than what they are doing now and thus they can be great contributors to the Atmanirbhar Bharat mission of the Government of India. For this purpose, NCIDE has designed and developed an innovative scheme, IGNOU Udyami (इग्नू उदयमी). It is an initiative of the University towards Atmanirbhar Bharat mission of the Government

of India. Till December 2022, more than 1700 students of IGNOU have shown their interest towards innovation and entrepreneurship by registering on the portal. After the implementation of NEP-2020 various awareness and motivational sessions on Innovation, Startup and Entrepreneurships were organized for the IGNOU Udyami Students. Some special training sessions were also organized for the selected students on specific topics like Business Plan Development, Funding Opportunities and Patent Applications, etc. As an outcome of this scheme the interested and potential innovators and entrepreneurs being provided special capacity building workshops on Innovation and entrepreneurship.

IGNOU Udyami Portal : <https://sites.google.com/ignou.ac.in/ignouudyami/>

Idea to Startup Scheme

In order to promote, support and nurture the innovator students of IGNOU interested in setting up their startups, the University has initiated a scheme of “Idea to Startup” for its students. This scheme basically supports and promotes the Startup India scheme of the Government of India. In 2022, NCIDE faculty and Innovation Ambassadors, IGNOU organized Mentoring and Guidance Sessions with the selected potential Startup Students of IGNOU. The selected students from IGNOU Udyami, looking to setup their own enterprise are then mentored and supported through the “Idea to Startup” scheme of IGNOU. This scheme basically supports and promotes the Startup India scheme of the Government of India. IGNOU faculty conducts one-to-one mentoring and guidance sessions with the selected potential Startup Students of IGNOU. Various competitions including idea competition, innovation contest, business plan competition etc. are also organized to identify potential students for startups. A few students who were mentored through these workshops and training programmes have also established their Startups.

Developing Implementation Strategies for NEP-2020

For developing Implementation Strategies for NEP-2020 and exploring areas of innovation, NCIDE is organizing a Series of Panel Discussion cum Brainstorming Sessions. The aim of the series is to create awareness about the implementation of the provisions and recommendations of the NEP-2020. The basic objectives are to :

- discuss the implementation strategies of the different aspects of the NEP-2020,
- identify the possible difficulties and challenges in implementation of the NEP-2020,
- identify the good practices and areas of innovations pertaining to the various aspects of the NEP-2020,
- suggest innovative ways for effective implementation of NEP-2020, and
- prepare a roadmap for effective implementation of the NEP-2020.

Identifying Innovator and Entrepreneurs Students

Best Innovation Award-2022

In order to identify, recognize and nurture the potential innovator students, the Indira Gandhi National Open University (IGNOU) has instituted the Best Innovation Award Scheme for Students in 2018. Since then every year Best Innovation Awards are conferred to the IGNOU students. During 2022 also entries were invited from the interested students of IGNOU who had developed something innovative, can submit their applications in the prescribed form for the Student Innovation Award-2022.

Idea Competition-2022

In order to encourage IGNOU students to generate new and Innovative Idea as solution to various problems around them, NCIDE is organizing an Idea Competition-2022 as a part of the activities of the Institution's Innovation Council (IIC) of the Ministry of Education's (MoE) Innovation Cell (MIC). This activity is linked to the MoE's initiative to create a National Innovation Repository-YUKTI.

IGNOU students and alumni are invited to submit their original and creative ideas that can solve any daily life problem in any of the following areas : Healthcare and Biomedical Devices; Agriculture and Rural Development; Smart Vehicles, Electric Vehicles and Battery Technology; Food Processing, Nutrition and Biotech; Robotics and Drones; Waste Management/Waste to Wealth; Clean and Potable water Creation; Renewable and Affordable Energy; IoT Based Technologies (e.g. Security and Surveillance Systems, etc.); ICT, Cyber-Physical Systems, Blockchain, Cognitive Computing, Cloud Computing, AI; Other Emerging Areas of Innovation for Start-up and ML; Software- Mobile App Development; Software- Web App Development; Travel and Tourism; Finance and E-commerce; Life Sciences; Smart Education; Smart Cities; Sports and Fitness; Smart Textiles; Sustainable Environment; Infrastructure; Manufacturing; Defence and Security; Mining, Metals, Materials; Consumer Goods and Retail and Fashion and Textiles. The ideas for these areas could also be inter-disciplinary, such as Smart Solutions, Digital Solutions and Management, etc.

The idea will be evaluated on the criteria followed by YUKTI, which includes **Right Identification of the Problem, Relevance of the Solution, Quality Features of the Solution and Uniqueness of the Solution.**

ICT enabled Initiatives for Innovation, Startup and Entrepreneurship

uVRIETI : NCIDE's Virtual Resource and Incubator for Entrepreneurship, Training and Innovation

In order to promote, support and nurture the students interested in innovation and entrepreneurship, NCIDE has designed and developed a virtual incubator named ऋVRIETI:. It is a one stop portal for IGNOU students who are interested in innovation, startups and entrepreneurship. It has sections like IGNOU schemes, resources, Inspiring stories, Events/Workshop and Important Websites. The section on IGNOU schemes highlights the various schemes of IGNOU for its learners related to innovation, startups and entrepreneurship. The resources section has links to a few online courses, and Learning Resources of NCIDE. Inspiring stories highlight stories of successful entrepreneurs. The Events/Workshop page highlights the latest events organized by NCIDE, IIC, etc. The page also provides a link to the student portal of ऋVRIETI: which is password protected and has additional facilities like a variety of learning resources, links to online courses, asynchronous and synchronous modes of communication with the registered learners of IGNOU.

ऋVRIETI Portal : <https://sites.google.com/ignou.ac.in/navrieti>

IDEABANK@IGNOU

IDEABANK@IGNOU, designed and developed by the NCIDE, is a virtual pool of ideas and innovations from various stakeholders and functionaries of ODL in general and IGNOU in particular. Ideas from various stakeholders and functionaries of IGNOU are gathered and disseminated. It is also envisaged that a large group of people will collaborate on various projects for the development of an idea into a prototype or a product. More than 150 ideas and prototypes are available in Idea Bank.

IDEABANK@IGNOU :<https://sites.google.com/ignou.ac.in/ideabankignou/>

IDEA BANK for IGNOU Students

During 2022, IGNOU has also implemented an online portal for creating a repository of the ideas of the students. Through the portal students involved in various activities and workshops organized by NCIDE can submit their ideas. It is a portal through which students can document their journey from ideas to startups through the e-portfolio component of the portal. Around 21 (Ideas/Proof of Concept) have been uploaded on the portal.

IDEA BANK for IGNOU Students :<https://sites.google.com/ignou.ac.in/ideabank/>

Innovative Learning and Student Support Solutions

NCIDE has been developing innovative learning and support solutions for the University and the stakeholders through emerging technologies from time to time.

Web Enabled Academic Support System – An Innovations Learning Solution

Web Enabled Academic Support, commonly known as WEAS, is a scheme initiated by IGNOU with the aim to provide an interactive one-stop programme portal to help the students in getting academic support on the programme they are enrolled in. WEAS is an interactive one-stop programme portal for providing academic support to the distance learners, with components like learning content in the form of digital self-learning material, learning resources like audio books, videos, articles, OER, weekly quiz, and FAQs related to the programme. E-mentoring, collaborative learning through discussion forum and interactive virtual classroom are some other useful components of the portal.

Programme Portals on WEAS

Web Enabled Academic Support: <https://sites.google.com/ignou.ac.in/weas>

The distance learners of different programmes, particularly low enrolment programmes have extensively used the Web Enabled Academic Support platform for accessing different types of online resources and for interaction with their teachers and peers. Today, it hosts about 45 courses/programmes. It also facilitates the students of the programmes with large enrolments like BSCG programme of School of Sciences. It caters to the learning needs of thousands of learners and has a pool of learning resources including links to available virtual labs. The WEAS portals also hosts the recorded sessions of web-counselling conducted for various programmes by the faculty members. During 2021-2022 15 WEAS Portals were developed and launched for ODL Programmes, 25 WEAS Portals for ODL Programmes/Courses reviewed, edited and updated. 25 WEAS Programme Promo Pages reviewed, edited and updated. Standard Operating Procedures (SOPs) for WEAS were formulated and implemented. 13 WEAS portals of Schools and 8 additional Programme Portals were also developed.

Virtual Training Lounge

NCIDE has been organizing various Training Programme and Workshops for faculty. In order the Virtual Training Lounge is a platform for the trainers and the trainees to sustain their teaching learning experience. In order to provide them Synchronous Training and also to sustain the learning experience of the trainees online, NCIDE has designed and developed on Online Platform named as Virtual Training Lounge. The VTL can be accessed through personal mobile phones. The ease of access to the VTL anytime from anywhere makes it an ideal platform for training and its sustainability.

Capacity Development for Innovation

In the year 2022, the NCIDE organized several training workshops for students as well as faculty members to inspire and motivate them towards innovation, entrepreneurship and startups, as follows:

Three-Day Workshop cum Training Programme on “WEAS Portal Development” for the Nominated Faculty and Technical Staff of SOSS held on 09th-11th May, 2022

NCIDE organized a three-day workshop cum training programme on “WEAS Portal Development” for the nominated faculty and technical staff of SOSS during 09-11 May, 2022. The basic objectives of the workshop were to (i) Develop the basic portal for the programme; (ii) Create a discussion forum and use it for online interaction with the learner; (iii) Integrate multiple media-enabled contents like SLMs in PDF, videos and web resources, etc. About 10 faculty members and technical staff of SOSS, IGNOU participated in the training programme. The workshop was hands-on and practice-oriented.

Documentation and Dissemination of Innovations

To facilitate easy reference by scholars, policy makers and other stakeholders, the NCIDE documents and disseminates the policies and practices on innovations in distance education in the entire ODL system in the country and abroad.

Ennovate – A Monthly eNewsletter on Innovation

To share and disseminate innovative ideas and innovative practices, the Centre brings out an eNewsletter 'Ennovate' with articles/contributions from the NCIDE faculty, IGNOU faculty and eminent experts. During May 2022 to December 2022 total 8 Issues have been published and disseminated among the various stakeholders of the ODL system.

Standard Operating Procedures for Offering ODL Programme Through Web Enabled Academic Support (WEAS)

WEAS is a Single Window Platform providing various kinds of academic support including the study material, audio-video, quiz, discussion forum, calendar of activities, web-based video counselling, links of various web-based resources to the distance learners by using simple and easily available ICT Tools. The learners enrolled in programmes being offered through WEAS are given access to their Programme specific portal which provides them access to course material in digital format, video and learning resources. The National Centre for Innovation in Distance Education (NCIDE), IGNOU formulated the Standards of Operating Procedures for offering Distance Mode Programmes through WEAS and the same has been approved by the Academic Council of the University.

Booklet on Innovations by IGNOU Students

In order to motivate the IGNOU Students towards innovation, NCIDE compiled and edited the details of the Innovations by IGNOU Students who have been awarded with the Best Innovation Award-2022. This Booklet has been disseminated in the PDF form among IGNOU Students and Faculty through various Electronic Media.

Annual Report of Mentor-Mentee Programme of MoE

As MoE's Innovation Cell had assigned IGNOU to mentor five Institutes in the field of innovation and entrepreneurship. Accordingly, NCIDE organized various activities and prepared the Annual Report of the same for submission in the MoE.

Annual Report of Institution's Innovation Council 4.0 for MoE

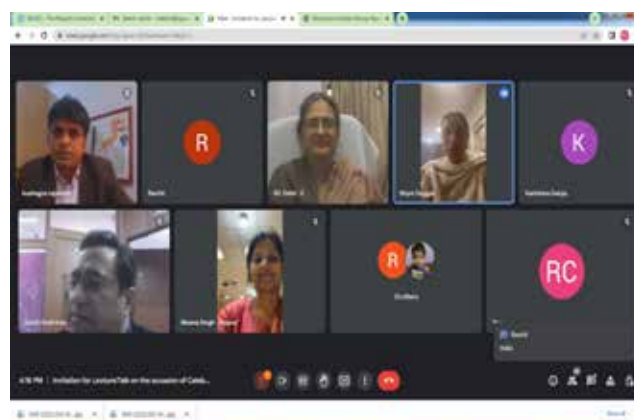

The Institution's Innovation Council 4.0 organized various activities in 2022. These activities have been reported to the MoE's Innovation Cell. NCIDE also prepared an Annual Report of the activities and submitted to the MoE.

INITIATIVES TO PROMOTE INNOVATION

Innovation Clubs have been set up in all the RCs to provide a platform to nurture innovations and entrepreneurial skills in the learners. As mandated by the NEP 2020 and the IGNOU IDP 2030 the RCs are entrusted with the responsibility to encourage participation of students, alumni, counsellors so that knowledge creation at the local/ regional level shall be encouraged and will foster entrepreneurship in the region. The Innovation Club of RCs have undertaken initiatives in coordination with the NCIDE as follows:

RDs worked as Innovation Ambassadors duly trained by Ministry of Education Innovation Cell. RD Bhopal and presently Director RSD, also worked as Coordinator of the mentor-mentee programme of MoE and also as Vice President of Innovation Council (IIC) of IGNOU.

RC Bhopal took initiatives to promote entrepreneurship and to mentor the students for startup development. Innovation clubs have been functional at various RCs of IGNOU during the period under report.

D. Discipline Based Research

The Research Unit of IGNOU, established in 2008, is the nodal unit of IGNOU for the conduct of research programmes of the University. It operates under the overall guidance of the Research Council. The Research unit is secretariat for Research Council and its standing committee.

The ambit of research work in the University has been expanded to both theoretical and empirical research in various academic disciplines and interdisciplinary areas. IGNOU conducts PhD programme in regular mode in compliance of UGC Regulations (Minimum Standards and Procedure for Award of M.Phil./Ph.D., degrees) Regulations 2016 and as amended from time to time. IGNOU's Research Ordinance and Regulations are approved by the President of India in his/her capacity as the Visitor of the University. Objective of IGNOU's Research Degree Programme has been to maintain a strong focus on the flow of theoretical ideas and to connect it with the empirical works of subject oriented researches in Sciences, Social Sciences, Humanities, Management, Agriculture and other disciplines offered by the University as areas of probe and investigation from time to time.

The Research Degree Programmes today have an enrolment figure of 844 scholars registered in forty-four disciplines under various Schools of Studies. The admission in July 2022 is under process. Advertisement for a total number of 278 seats for admission to Ph D programme in 27 Disciplines was published. The entrance test was held on 8th January 2023. The university was awarded Ph.D. to 794 scholars and M.Phil. to 123 scholars.

The Research Unit has formulated comprehensive Guidelines for Ph.D. programmes covering different aspects pertaining to Admission, Course work, Research supervision and Evaluation, Anti Plagiarism measures, Award of Degree, Uploading of thesis in INFLIBNET and Fellowships/ scholarships. The Research students are governed by IGNOU Research Ordinance, Regulations and Guidelines of

the University. In order to acclimatize and orient the students with the Research Regulations and Guidelines the Research Unit conducts Induction Programme for newly admitted Research students. IGNOU has currently more than two hundred (200) students registered in Ph D Programmes of the university who are receiving Fellowships from different funding agencies like UGC, ICSSR(Doctoral and Post-Doctoral) and ICHR. IGNOU has its own Research Fellowship Scheme under which financial assistance is provided to Full time Research Students. The Fellowships are named as under:

- Dr B R Ambedkar Fellowship Scheme for male scholars
- Savitri Bai Phule Fellowship Scheme for Female scholars

The selected Ph D scholar is awarded fellowship of ₹8000/- per month along with a contingency grant of ₹8000/- per annum. The research students are selected by a Selection Committee, duly constituted by the competent authority for the award of IGNOU-Fellowship through criteria prescribed by the university from time to time.

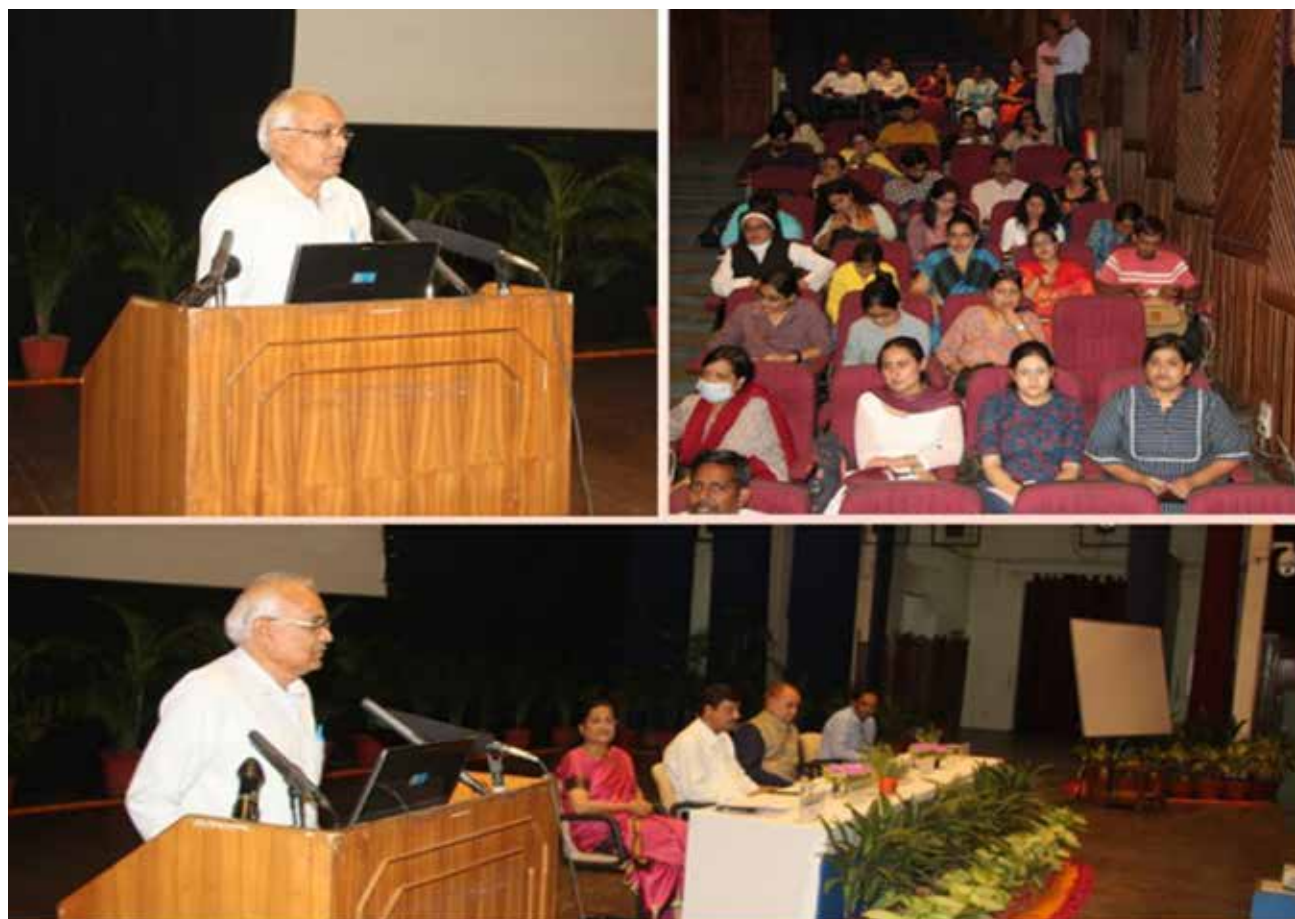

Major activities of the Research Unit

- As per UGC circular the two-credit course on Research and Publication Ethics (RPE) as a part of the PhD course work was conducted in a workshop mode from 19th to 27th September, 2022 for the Ph D scholars admitted for 2021 batch. One hundred fifty four (154) Research scholars completed the course.
- The 30 hours workshop was conducted comprising of various internal resource persons from all the disciplines. Thirty faculty members from different Disciplines were engaged to teach the two-credit course.
- The continuous assessment of the two-credit course work submitted by the research students were sent to Library and Documentation Division (Nodal Unit) for evaluation and further to SED for declaration of result.
- With the approval of 31stRC, the amended UGC Guidelines - 2022 were notified and implemented from July 2022 admissions.
- The SOP on Institutional Ethics Committee was approved by Research Council at its 31st Meeting held on 15th November, 2022 in principle.
- The Research Unit is uploading Ph.D. Thesis submitted by the Research Scholar to the Shodhganga portal time to time. One hundred and forty-six (146) Thesis / dissertations have been uploaded to the Shodhganga Portal.
- Processing of various fellowships funded by UGC, ICSSR, ICHR and IGNOU is given in the table below

Collaborations with Various Institutions

MoU with MSDE

Signing of MoU between IGNOU and MSDE on 18th January, 2022

MoU was signed between MSDE and IGNOU on 18 January 2022 for linking vocational education with higher education and declaring NSTIs, ITIs, PMKK& JSS as IGNOU Centres. 33 NSTIs have already been declared as IGNOU-MSDE Extension centres and these centres are now enlisted in the SAMARTH Online Admission Portal since January 2022 session.

Central Sanskrit University

MoU was signed between IGNOU and Central Sanskrit University (CSU) on 27 July 2022. One of the major activities envisaged under the MoU is opening IGNOU study centres in different campuses of CSU. The CSU has the main campus in Delhi and twelve regional campuses across the country in different states. The MoU also seeks to promote Sanskrit education in the context of NEP 2020 by conducting workshops and training courses for Teacher's Training jointly by CSU and IGNOU.

Signing of MoU between IGNOU and Central Sanskrit University on 27th July, 2022

DT National Board for Workers Education and Development, New Delhi

MoU was signed between IGNOU and DTNBWED on 19th September, 2022 wherein IGNOU and DTNBWED have jointly agreed to collaborate for education, training and capacity building of a large workforce in the country. Four programmes have been conceptualized through collaboration, of which two at the Certificate level on Trade Unionism & Labour Laws and on Labour Codes, are for the organized sector and two at Appreciation level on Digital Literacy and Capacity building are for the unorganized sector. IGNOU shall design curricula, identify course contents, credit points, study hours and evaluation system and develop the audio-video resources and implement the programmes as per IGNOU norms. DTNBWED shall collaborate with IGNOU to facilitate and motivate the workers for registration, and promote the proposed programmes. DTNBWED will develop the course content for Certificate programmes and repurpose and adapt the content for Appreciation programmes.

MOU with DT National Board for Workers Education and Development on 19th September, 2022

National Skill Development Corporation (NSDC)

MoU was signed between IGNOU and NSDC on 29th September, 2022 to collaborate on multiple initiatives for providing opportunities for enhancing and sharpening the 21st century skills of students through quality and inclusive education thereby contributing towards making India the Skill Capital of the World. The MoU seeks to fulfil the main aim of NEP 2020 which is to develop vocational capacities alongside the development of 'academic' or other capacities.

Infrastructure and Learning Resources

IGNOU is a mega University having a sprawling campus. The physical infrastructure includes the campuses at the headquarters as well as the Regional Centres. The total area at the headquarters is 151.32 acres with ground coverage of 12 acres. There are 11 Regional Centres which have their own buildings with a total built up area of 4900sqm to 2800 sqm. 10 Buildings of the Regional Centres are under construction and the rest are situated in the rented premises. Apart from the physical structure, IGNOU has a solid IT infrastructure with the Computer Division and COE. IGNOU has a strong Supply Chain Network to print and dispatch the SLMs. In terms of Learning Resources, IGNOU houses online as well as offline resources.

A. Physical Infrastructure

The Construction and Maintenance Division (CMD) is responsible for the maintenance of the University buildings and services. This includes temporary buildings, Academic Block, EMPC building, VC Office and Guest House Complex, Convention Centre, Residential Complex at IGNOU campus, Asian Games Village, and the Regional Centres in Delhi.

The maintenance activities include supply of water, electricity, managing the AC system throughout the IGNOU office complex, maintenance of street lights, pump houses and tube wells. CMD is monitoring the construction works of various Regional Centres all over the country being executed by CPWD and PSU's, including checking of estimates, issues of sanctions and the funds for accomplishment of projects. The Division also provides engineering/technical infrastructure support for establishing of Gyan Vani studios all over the country.

Infrastructure Augmentation at Regional Centres

The Students Support Network is further strengthened in the reported period by establishing a new Regional Centre at Angul, Odisha and construction of buildings of Regional Centres at Trivandrum, Pune, Port Blair, and Rajkot with the support of loan sanctioned by Higher Education Funding Agency (HEFA), Ministry of Education is in progress in the reported period. The building of RC Karnal was inaugurated in virtual mode on 24th January, 2022 by the Hon'ble Minister of Education in the presence of the Hon'ble Chief Minister of Haryana

The RCs are operating from their own buildings and from rented premises as well. The University lays thrust on rational use of physical infrastructure in tune with the requirements of technological interventions for effective delivery mechanism in ODL and online education. As on date 11 RCs are operating from their own buildings and construction work is under progress at 10 RCs.

B. IT Infrastructure

Computer Division is the core IT backbone of the University, providing various Computing & Network Services through Information & Communication Technologies (ICTs), 24X7. The Division offers various Digital Services to the Stakeholders of the University, viz. Students, Staff and Faculty at the headquarters, Regional Centres, Study Centres, Partner Institutions across India and abroad. The Website of IGNOU (www.ignou.ac.in) is learner-centric and designed & maintained by the Division for the extensive student support services. Other core activities of Computer Division are:

- Secure Network Services
- Software Development
- Central Database & Interfacing
- ERP Back Office (HR & Finance)
- Website and Applications Interfacing
- Server Room & Data Centre Operations
- IT Infrastructure Establishment & Maintenance
- E Procurement
- Training & Capacity Building
- Technical Support (staff, research scholars and students)

The Division is providing technical support to the SAMARTH Team towards strengthening of University Management System (UMS).

Central Database & Interfacing

C. Supply Chain of SLM

Material Production and Distribution Division (MPDD) caters to the needs of distance learners in terms of printing and distribution of course materials. The Division handles the production of Self-Instructional Material (SLMs) for various academic programmes of the University. It is responsible for printing of study materials to the learners and miscellaneous print-works such as Calendar, Convocation material etc. It is also responsible for timely distribution of print materials comprising self-instructional materials, assignments, programme guides and other miscellaneous items to individual learners. It also undertakes the activity of synchronization of production of materials/assignments, printing the required number of these materials, storing and inventory control of these materials. Important activities carried out by MPDD are as under:

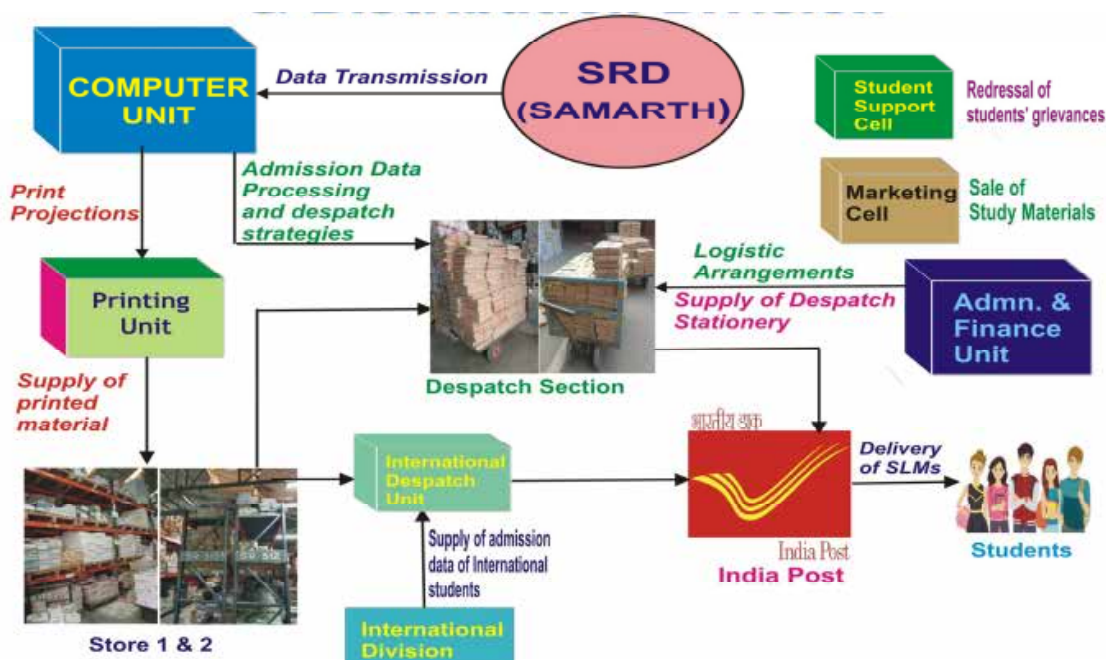

- Material Requirement Planning;
- Printing of fresh course material and maintenance of inventory of study materials and other print resources,
- Integrated printing and supply of SLM with Text paper and course paper,
- Computer to plate processing for printing of study materials,
- Providing data to Regional Centres for dispatch from their own stock,
- Direct dispatch to the students within the country and overseas partner institutions through India post,
- Dispatch to Regional Centres for distribution to City local students,
- Distribution through designated counter at Headquarters,

- Providing dispatch information to the students through website of IGNOU and SMS by India post,
- Sale of study materials to interested individuals;
- Execution of reprinting works of course materials;
- Printing jobs of other Functional Divisions and special printing jobs like Convocation print materials, Annual Reports, Profiles, Annual Accounts, Calendars etc.

The MPDD printed and distributed approximately 90 Lakhs Sets of study materials to students in the reported period.

D. Learning Resources

IGNOU has a huge collection of good learning resources. These resources are available online as well as offline. The learning resources are available both at IGNOU headquarter as well as the RCs. A brief profile of these resources is given below:

Library & Documentation Division

The IGNOU library system operates with a three-tier structure having Central Library (CL) at the Headquarters and libraries at the Regional Centres (RCs) and Learner Support Centres (LSCs). Library & Documentation Division (L&DD) is the Central Library which acts as the information hub of IGNOU. It is spread over an area of 2675.9 sq.m. It provides access to books, journals, reports, theses, microforms, IGNOU Archives, Prof. G. Ram Reddy Memorial Collection, IGNOU Course materials and e-resources in diverse disciplines. The libraries at RC look into the library requirements of Staff, Students, Academic Counselors and Academic Coordinators at their respective regions. The RCs libraries have been strengthened by additional support in the infrastructure and collections through local purchase.

Activities

L&DD has digitized question papers of Term End Examination (TEE) of previous years uploaded on the IGNOU website since 2005.

The library has installed Koha software for Central Library and also for Regional Centres Libraries. L&DD has implemented the remote login facility to authorized users within the framework of copyright laws for the benefit of scholars at both Headquarters and RCs for accessing the e-resources from anywhere, anytime using the INFED (INFLIBNET Access Management System) under the ESS authentication system of UGC's INFLIBNET Centre. The holdings of the library collection and access of e-resources can be browsed and downloaded by IGNOU library members from their own desktops through Web-OPAC and Integrated Search Engines.

Acquisition and Dissemination of Learning Resources

The library at headquarters houses an estimated 1.56 lakh printed books and 2.51 lakh printed books are made available at Regional Centres and Learner Support Centres. L & DD has got the core membership of E-ShodhSindhu Consortium (ESS) through which access is provided to an estimated 7900 e-journals and 1711 e-books through 11 databases. L & DD has also collaborated with the National Digital Library, a MoE project, which creates a knowledge base for students belonging to all areas and ages to access digitised education content on a common platform. L&DD has signed an MoU with Shodhganga, a UGC INFLIBNET project which provides a platform for the researchers to archive their research work (Ph.D. theses and Masters Dissertations) and make it available to the entire scholarly community in Open Access environment. The University has uploaded 692 theses till December, 2022. The MoU also covers the provision of Urkund, a fully automated system for plagiarism detection.

DELNET facility has been provided to users in IGNOU Central Library to search DELNET web portal for any book in any discipline. Library & Documentation Division periodically organises orientation programme to introduce new users to library facilities, resources and services including searching e-resources and Online Library Catalogue.

The Braille Section with equipment such as embosser, scanner, touch screen and software such as Jaws, Balbolka, NVDA etc., caters to the reading needs of the visually challenged.

L&DD periodically organizes orientation programme to introduce new users to library facilities, resources and services including searching e-resources and Online Library Catalogue.

Learner Support and Progression

In ODL system Learner Support plays an important role. At IGNOU the student support services are provided through an extensive network of 69 RC (including 12 Recognized Regional Centres of the Army, Navy and Assam Rifles) and 2063 LSCs apart from the support system at the Headquarters. The support system includes the providing information to all aspects of learning and also addressing the grievances of learners.

A. Learner Support

The Regional Services Division (RSD) is the Nodal Division of IGNOU for operationalizing the learner support services and for managing the operations of Regional Centres (RC) and Learner Support Centres (LSC). The policies and guidelines for effective learner support services are formulated by the Student Services Committee (SSC), a Standing Committee of the Board of Management (BoM). The SSC is a policy making body which is located in the RSD.

RSD as on date has under its purview 69 RCs which includes 9 RC in the Northeast Region (NER), 12 Recognized Regional Centres (RRC) of Army, Navy and Assam Rifles, 1 sub-RC in Leh for Ladakh region and 2063 LSCs across the country. The vast network of RCs and LSCs extends the outreach of IGNOU to the hitherto deprived rural, remote, socially and physically disadvantaged segments of population, providing them access to quality and cost-effective higher education in a flexible manner.

Highlights of the activities

Regional Services Division has been monitoring the activity of Admissions and Re-Registrations. Admission is a crucial activity of the University. Regional Centres are actively engaged in the promotion of IGNOU Programs. They guide and assist prospective learners by resolving their queries pertaining to Admission and Re-registration. RSD has been actively involved in conducting Interactive Radio Counselling and Tele Counselling sessions through the Gyan Darshan Channels for promoting IGNOU Programmes. Regular web conferences were also held with Regional Centres for monitoring the progress of Admissions and Re-registrations.

New Initiatives

Opening of MSDE Extension Centres at NSTI, ITI, JSS and PMKK Consequent upon the MoU signed on 18 January 2022 by IGNOU and Ministry of Skill Development and Entrepreneurship (MSDE) to link vocational education and training with higher education, IGNOU MSDE Extension Centres, Regional Centres have initiated action. The RCs have organized meetings and held discussions with the institutions for implementation of the MoU. As on date 1002 IGNOU-MSDE Extension Centres have been notified by RSD. MONITORING MECHANISMS

Monthly Monitoring Reports

Promotional-publicity, admissions, examinations, strengthening of learner support centres, monitoring of learner support centres, conduct of academic counselling sessions and induction meetings are the routine activities of the RC which are carried out throughout the year. RSD obtains monthly data of all

above activities from Regional Centres and compiled them as monthly monitoring reports. In addition, the academics of the RC participate in different research and professional development activities.

Monitoring of student grievances

RSD regularly monitors the student grievances received by RCs on the i-GRAM portal. Status of grievances received, resolved and forwarded by the regional centres to the concern section, divisions, schools etc. from January to December 2022 is given below.

LEARNER SUPPORT SERVICES IN ONLINE PROGRAMMES BY REGIONAL CENTERS

In the initial phase the learner support services for online academic programmes were coordinated by 7 Regional Centres i.e., 4 in Delhi-NCR, i.e., RC Delhi-1, Delhi-2, Delhi-3, NOIDA, and 3 RCs for MBA OL programme, i.e., RC Lucknow, Bhopal and Jaipur, in addition to RC NOIDA. Academic Counselling in all the online programmes is being done through the LMS platform and practical counselling as per guidelines of the respective School of Study. The Orientation Programmes in Online mode for the Academic Counsellors and Evaluators of 7 RCs was held on 02nd April, 2022 which was inaugurated by the Vice Chancellor Prof. Nageshwar Rao. From the July 2022 session onwards, all RCs are being involved in the online delivery of student support services. Guidelines have been issued by RSD to the RCs for providing student support services in the online programmes.

COORDINATION OF STUDENT SUPPORT SERVICES FOR INTERNATIONAL LEARNERS

Student support services under the GOAL-Guyana Project

The Guyana Online Academy of Learning (GOAL), Guyana in July 2021 session sponsored 804 learners in 25 programmes for the July 2021 session. The programmes include 09 Certificate level programmes 06 Diploma programmes, 07 PG Diploma programmes, 02 Bachelor Degree programmes and 01 Awareness Level programme. Regional Centre Delhi-1 was identified as the Nodal Centre for

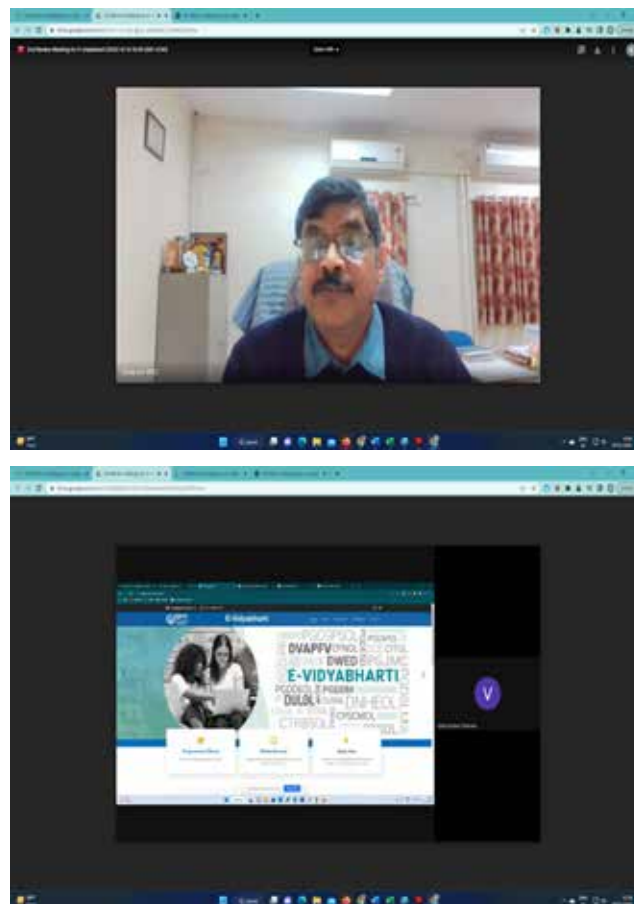

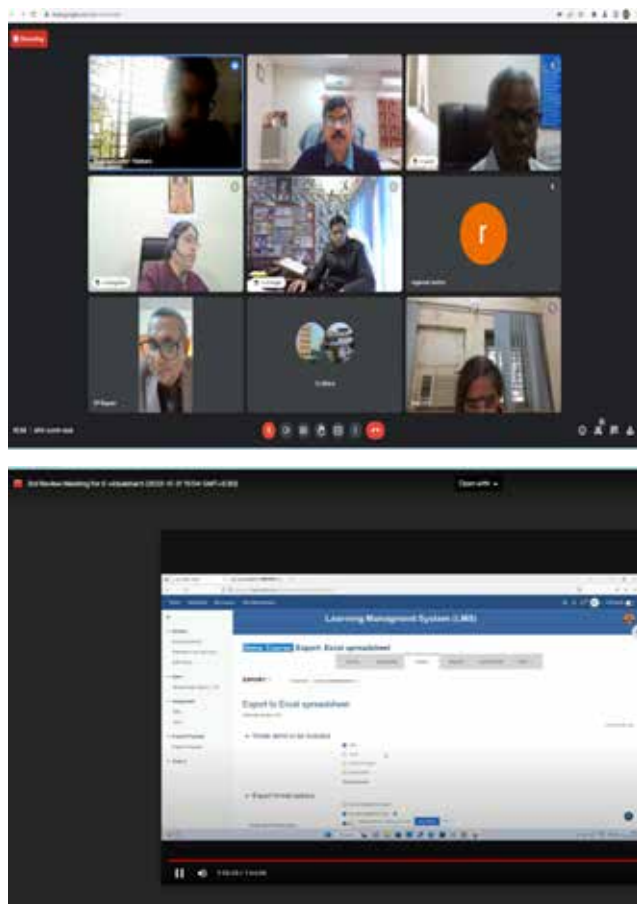

providing the academic support services to these learners. RC, with the help of total 62 Academic Counsellors including IGNOU Faculty, prepared the Counselling Schedules for these GOAL Learners of July 2021 session as per Guyana Timings (GYT). In January 2022 Session, RC Delhi-1 received new admission in MAPC 1st Year programme. 171 students enrolled in this programme and all theory session have been completed. BCA-2nd Semester 24 students re-registered all the theory/practical counselling sessions have been completed. In July 2022 Session, RC Delhi-1 got 236 students in 14 programmes. The Induction programmes have been conducted in the last week of September 2022 for all 14 programmes.

e-Vidyabharati Project

The e-VidyaBharti and e-ArogyaBharti (e-VBAB) Network Project, under the Ministry of External Affairs (MEA), GOI, offers Tele-education & Tele-medicine services through internet-based web portals. So far, 6 premier Indian HEIs, approved by University Grants Commission (UGC), are offering online degree/ diploma/ certificate programmes. Also, the MoUs have been signed with 19 African Countries to participate in e-VBAB project. Under this initiative, IGNOU is one of the HEIs identified for the e-VBAB project. 2618 learners have registered in 43 programmes at various levels ranging from the Certificate to PG degree level in the July 2022 admission session. The Regional Services Division (RSD) will provide the support services to these learners. The learners have been allotted the following 12 RCs: Bangalore, Bhopal, Bhubaneswar, Dehradun, Delhi-1, Delhi-3, Kolkata, Lucknow, Noida, Pune, Srinagar and Vatakara.

B. Campus Placement

The Campus Placement Cell was established in the year 2005 to act as a nodal centre for all its placement related activities so as to facilitate the process of gainful employment for its learner population. One of the main objectives of the Cell is to provide employment opportunities to its students as well as alumni at all levels matching with their personal and academic profiles.

The Cell conducts on-campus and off-campus placement, at the Headquarters, and Regional Centres. During the period under report, Campus Placement Cell has conducted placement drives in collaboration with many organizations. The Cell is also looking after all the Alumni-related activities including conduct of Alumni meets.

The Campus Placement Cell has made consistent efforts and collaborated with various organizations/ companies like College Dekho.com, Tech 2 Globe, Omniscient, Sygnific Consulting, NTOP Infosec, BOI Immigration Services, Breeze Immigration, Globiva, etc. for organizing placement drives. A total of six placement drives were organized during reporting period with proactive assistance of respective Regional Centres across the country. The drives were held in physical mode.

C. Alumni Connect

The University has an Alumni strength 38.9 lakh, which is perhaps the world's largest alumni base of any single institution. The Alumni of IGNOU are from all age groups and all sections of the society. From school teachers to army officers, from NGO workers to bureaucrats, from nurses to doctors, from computer professionals to college and university teachers – the Alumni of IGNOU represent every segment of the Indian social spectrum. The University's success in reaching out to all segments of the society is reflected in the profile of the Alumni. The University has been making concerted efforts to revive the connect with the Alumni and integrate them with the institutional mechanism. The objective is to improve the engagement with the Alumni so that they can play an active role in furthering the cause of the University.

The Alumni Association of IGNOU (AAI) is a registered society and all the Alumni are members of the Association. In order to give a common platform to the Alumni where they can share and exchange their ideas, and in the process, build a global community of IGNOU Alumni, an exclusive Facebook page (<https://facebook.com/ignou.alumni>) has been created. The page has received enthusiastic response from the Alumni. A large number of them have shared their experience with IGNOU in the form of short videos which have been uploaded on the page. These videos have become a source of inspiration for the currently enrolled learners.

The University has also put in place an Alumni Portal (<https://ignoualumni.samarth.edu.in>) developed on the Samarth Platform.

The Alumni can register on the portal following a simple process. After registration they can build and update their profile on the Portal. More than 50,000 alumni have registered on the portal till now. With the help of this portal, the University now has an updated, real-time database of the registered alumni.

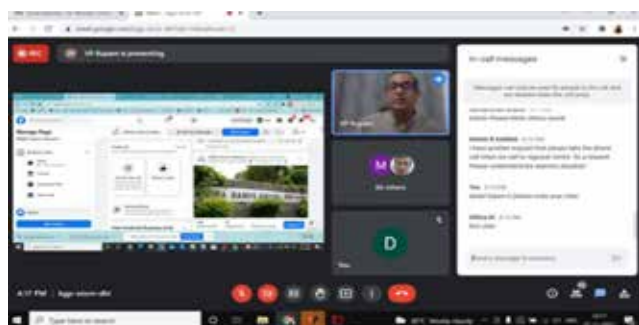

Glimpses of Alumni Meet

Collaboration with UNICEF for providing career guidance to IGNOU learners

The Campus Placement Cell has coordinated with UNICEF-YuWaah and with their support, a series of career guidance programmes are proposed to be organized for IGNOU learners. These programmes shall equip the learners with soft skills, enhancing their employability.

ALUMNI MEETINGS

IGNOU has a registered Alumni Association and has created a dynamic portal for online registration. A Facebook page for sharing of experience to strengthen the alumni network has been created. As per IDP-2030 guidelines, RSD engaged with the RCs through weekly alumni meetings every Sunday. 6 alumni meetings coordinated by 6 RCs were conducted since 01st January 2022. All the Alumni meetings were livestreamed on the Alumni Facebook page and RC Facebook page.

D. Redressal of Student Grievances

Receiving and resolving student grievances is an important activity at the regional centres and study centres. Handling of student queries and grievances are crucial for effective student support services. All Regional Centres answer students' issues face-to-face in person as well as via email, telephone, post, Facebook, and other means. Since pandemic, Regional Centres and study centres also organized online grievance redressal camps to address student's queries and problems related to their studies.

STUDENT SERVICE CENTRE

The Student Services Centre (SSC), established by IGNOU at its headquarters in 1999, is an interface window between the learner and the University. SSC strives to provide the right information at the right time, to facilitate and provide support services for the divergent learner population, to redress grievances at every stage and thus tries to bridge the gap between the organization and the learner. Queries and grievances are received at SSC through various modes, namely, by post, in person, e-mails/SMS, telephone calls and on-line Portals such as iGRAM, CPGRAMS Portal, RTIMIS Portal, INGRAM & UGC Portal.

SSC adopts a two-pronged approach to address the queries / complaints of the stakeholders, focusing, first of all, on meticulous and proactive public relations aiming at the welfare of IGNOU learners, and ensuring that the credibility of this illustrious institution is maintained. SSC entrusted is entrusted with

the responsibility of attending and responding to, and resolving the issues, queries and grievances of existing and prospective learners through dedicated telephone lines. Meticulous log-books recording the details of each caller are maintained for reference and official records. Further, the issues / queries / grievances of learners/stakeholders visiting SSC are personally attended to with utmost sincerity and resolved proactively. Grievances pertaining to the university are received on the various Government portals, viz. CPGRAMS, RTI-MIS, INGRAM& UGC Portal; along with IGNOU's own centralised grievance redressal and management system (iGRAM) from learners and other stakeholders. SSC has ensured that the redressal rate on each of these portals is consistently maintained above 90%. Data to this effect for the period of reference is submitted below:

RTI-MIS (Management & Information System Portal)

Establishing a Strong Grievance Redressal Network in the University - Proactive and regular follow ups are carried out through notes, letters, emails and personal visits to Schools, Regional Centres, Divisions, Centre, Units and Cells for ensuring minimum disposal time. Nodal persons have been identified to attend to the queries of learners at each Regional Centre/ School/ Division etc. thereby strengthening linkages in the Grievances Redressal network of the University.

SSC is regularly organising trainings and workshops for capacity building of staff so that they are able to provide efficient support services to learners. In-house workshop series is a regular feature for capacity building of SSC staff. These initiatives help the University in steadily moving towards attaining 'zero grievances' as a result of effective coordination and capacity building of SSC.

Radio Counselling support: SSC reaches out to IGNOU learners through Interactive Radio Counselling (IRC) programme on Radio Gyan Vani 105.6 FM Channel, 'Aapki Khatir' on the first Monday of every month.

Aao Baat Karein – This is an interactive programme with two way audio and one way video organised by SSC every month to sensitize the learners and stakeholders about the updates and new notifications about examinations, admission, re-registration, assignments submission and result declaration etc. During the programme on an average 20-25 callers connected with through this programme.

Aapka Vishwas, Hamara Prayas - SSC also holds a two way audio and one way video teleconferencing programme telecast fortnightly on Gyan Darshan National TV Channel. The objective of this initiative is to increase awareness among the prospective learners about IGNOU's wide range of ODL programmes. It is aimed that this step will ensure equitable access to education for all and also contributes significantly to achieving the targeted GER for higher education.

“AAPKA VISHWAS – HAMARA PRAYAAS” Gyan Darshan Fortnightly Programme

Inclusive Approach – An inclusive approach to education means that each individual learner is valued and that they are treated with dignity and respect. SSC ensures that all the aspirants who approach the university at SSC are provided all the support. There is a provision of wheelchairs and helper for persons with disabilities (divyangjan) in order to facilitate their visit in the process of resolving their queries and concerns.

Leveraging Information Technology to provide regular updates of the University – Apart from providing regular updates to the registered and prospective learners of the university through its Gyan Vani and Gyan Darshan interactive counselling programmes, SSC has initiated its YouTube channel. Through the channel, not only the relevant videos, but also regular university updates are posted for the benefit of the learners.

Student Grievance Redressal Committee - The Committee looks into the grievances of the students and ensure their redressal in a time bound manner. The committee constitutes of two student representatives' alongwith other members.

Students Grievance Redressal Camp - As part of the Vigilance Awareness Week observed by the University IGNOU during the period 31stOctober, 2022 to 06thNovember, 2022, SSC organized a three-day Student Grievance Redressal Camp from 01 November to 03 November, 2022. This was

done with the aim to address and provide immediate redressal to the grievances of IGNOU learners. The grievances and issues of a total of 317 students were addressed and resolved during the three-day camp.

Governance, Leadership and Management

8

Peter Drucker, a popular Management Guru has aptly said “Management is doing things right; Leadership is doing the right things”. At IGNOU a lot of emphasis is placed on the governance aspect. There is academic as well as administrative governance which emphasizes on providing quality education, resource sharing, collaborations and convergence and using innovative methods for imparting education. These goals are achieved by different divisions of IGNOU on a continuous basis. The strategies are developed and deployed at different levels to achieve institutional excellence.

A. Strategy Implementation

The first step in developing a strategy is to develop a plan of action. Planning and Development Division is the division involved in framing short-term and long-term plans/ policies and lays down procedure to operationalize these policies. It closely monitors and periodically reviews performances of all the schemes of the University.

Planning and Development Division

The Planning and Development Division made significant contributions in understanding cost of delivery of education through Open and Distance Learning (ODL) mode, procedure for design and delivery of academic programmes, procedure to monitor and administration of externally funded projects, implementation of NEP 2020, Synergizing development and delivery of academic programmes, enhance contribution of IGNOU in GER in higher education and measures to improve quality. It acts as secretariat for the Planning Board, a statutory body of the University, and its Standing Committee, i.e., the Academic Programme Committee. The Division convenes one meeting of Planning Board and three meetings of Academic Programmes Committee to critically analyze the need of the programmes, cost and workforce requirements for design and delivery of proposed programmes. Summary prepared by the Division is placed along with Programme Proposal Form (PPF) of new programmes. The University published a report titled “Action Plan for Synergizing Delivery of Academic Programmes in line with recommendations of National Education Policy 2020”.

65th Meeting of Academic Programme Committee

Major activities

- Monitoring, processing and coordination for externally funded projects. About 13-Project proposals in addition to regular works related to Project Appointments, Selection Committee, Purchase, Financial Management, Utilization Certification and Closure of the Projects were conducted / completed for ongoing and past Projects.
- Vetting and processing of MOUs and MOCs with outside institutions for academic activities.
- Assigned Programme, Course codes and Colour scheme to about 60 new academic programmes.
- Prepares Database related to academic programmes and activities for placing it before the Planning Board and publishes Profile and Vice Chancellor's Report of the University for Convocation.
- Annual Report 2021-22 was prepared and submitted to the Ministry of Education for placing before both houses of the Parliament.

C. Empowerment of disabled

IGNOU always believed in empowering its faculty, academics, staff and learners through its centres/committees.

National Centre for Disability Studies (NCDS) being a nodal educational centre of IGNOU for persons with disabilities, it has a bigger role to play for ensuring mainstreaming and equal participation of persons with disabilities in the society. The centre attends queries and complaints of students with disabilities. NCDS provides soft copy of study materials of selected courses to students having blindness and low vision. These soft copies are provided on demand. Equal Opportunity Cell is housed in NCDS. This cell ensures equal opportunities to all students regardless of gender, caste, religion etc.

The major activities of the National Centre for Disability Studies

The Centre regularly conducts live teleconference through Gyan Darshan and interactive radio counselling on important and relevant topic for persons with disabilities and their mainstreaming in the society as well as sensitization of various stakeholders of the society about the social issues in disability. The teleconference programmes were conducted by academics of NCDS and outside experts of disability.

Equal Opportunity Cell

SAMVAD

Equal Opportunity Cell and NCDS has initiated a series of sensitization programmes on “The Rights of Persons with Disabilities and other Under-Privileged Groups” in collaboration with Regional Centres. The aim of these programmes is to sensitize the functionaries of Regional Centres and Learner Support Centres on the issues related to Persons with Disabilities and Under-Privileged Students, initiate a dialogue with these learners and provide information to them about various provisions for them in IGNOU so that enrolment of learners from these categories may also be enhanced. The following programmes were conducted:

Online sensitization programme “The Rights of Persons with Disabilities and other Under-Privileged Groups” on 23rd June, 2022 in collaboration with Regional Centres Delhi-2.

Online sensitization programme “The Rights of Persons with Disabilities and other Under-Privileged Groups” on 20th July, 2022 in collaboration with Regional Centres Pune.

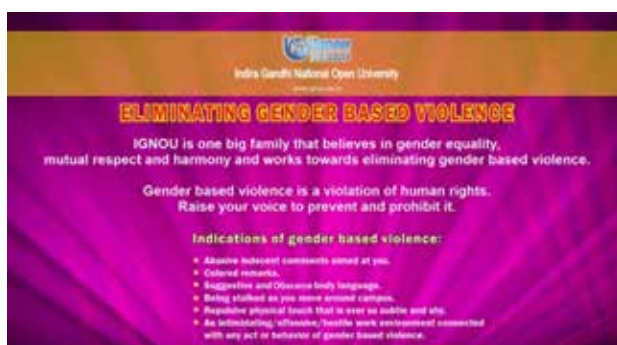

Prevention, Prohibition and Redressal of Sexual Harassment at the Workplace

IGNOU has been striving to provide a safe and congenial atmosphere to all the stakeholders. The Committee Against Sexual Harassment is working towards gender equality. In compliance with the guidelines of the Supreme Court, IGNOU has adopted a policy that aims to prevent/ prohibit/ redress sexual harassment of women at the workplace. Academic/non-academic staff and students of this University come under its purview.

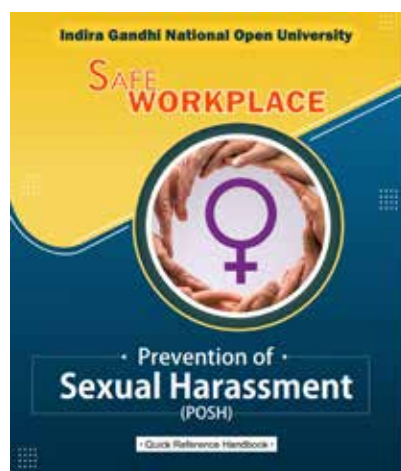

ICASH activities:

Awareness activities:

Information on this policy, rules and procedures can be accessed on the IGNOU website. Incidents of sexual harassment may be reported to the Regional Director of the Regional Centre the student is attached to or to any of the committee members. It has three levels i.e., APEX, ICASH and RSDCASH. RSDCASH has its RCCASH committees at different regional centres to look after the matters related to Harassment and its prevention. ICASH organises awareness activities periodically. It organised International Women's Day in collaboration with SOGDS and NCDS. A eBook and a video was launched on this occasion.

D. Centre for Internal Quality Assurance (CIQA)

The University was accredited by NAAC and was awarded an A++ grade in its First Cycle on 8 January 2021. The University was mandated to submit the AQAR (Online) for the academic year 2021-2022 before 31st December, 2022. Eight days workshop (07th September -16th September, 2022) was conducted for nodal officers of all Schools of Studies, Institute, Divisions, Centres, Cell and Units, to provide hands on training in filling AQAR 2021-2022 as per the revised format introduced by NAAC. CIQA also conducted a Workshop from 6th-14th October, 2022 for CIQA working group members to prepare six write-ups on institutional preparedness for NEP, write-ups for the 42 qualitative metrics for AQAR 2021-2022 and finalize the data for the quantitative metrics pertaining Schools of Studies, Institute, Divisions, Centres, Cell and Units, for filling up AQAR 2021-2022 and uploading the same on the NAAC portal. The information and data from the constituent units of the University were compiled by CIQA and wherever necessary modified/reworked. The compiled data and information was finalized and is being uploaded on the NAAC portal since October 2022.

Preparation of Feedback Tools for Stakeholders

The CIQA developed new tools for obtaining the feedback from all stakeholders namely: teachers, academic counsellors, subject experts, learners, alumni, and employers (<http://ignou.ac.in/ignou/aboutignou/icc/ciqa/forms>). The focus was on the Learning Outcome Based Curriculum Framework (LOCF); the use of online methods including Social Media for counselling the learners; and online tools for continuous assessment of the learners; in order to facilitate the achievement of expected learning outcomes. The revised feedback analysis tools were administered to the stakeholders by all the Schools of Studies, Divisions, and Centres through online Google forms. The data collected was analyzed and reports were prepared (<http://ignou.ac.in/ignou/aboutignou/icc/ciqa/forms>). The finalized Reports (2021-2022) were subsequently placed in the statutory body for their approval.

Development of LOCF document for UG and PG Degree programmes

UGC notified the National Higher Education Qualifications Framework (NHEQF) (February, 2022) by which the expected Programme Learning Outcomes (PLOs) were to be defined in terms of the following parameters:

- Knowledge:
- Skills:
- Application of Knowledge & Skills:
- Generic Learning Outcomes:
- Constitutional, Humanistic, Ethical, and Moral Values:
- Employability & Entrepreneurship skills.

CIQA prepared a comprehensive document on the LOCF as suggested in the National Higher Education Qualifications Framework (NHEQF) document of the UGC, as part of the implementation

of NEP 2020 by HEIs to facilitate the preparation of LOCF documents by the Schools of Studies the CIQA prepared a Sample LOCF document for the MA (Distance Education) programme offered by the University.

Drafting of Policies & SOPs for Implementation of NEP 2020

In order to translate the vision of NEP-2020 into reality, the University had notified the NEP Cell as required by the UGC, and housed it in CIQA, to make the NEP initiatives operational.

As proposed in NEP 2020, CIQA through a Committee developed a draft document for the implementation of 4 - Year UG Programme (FYUP) in compliance with the latest UGC Guidelines. The proposed structure also ensures multidisciplinary approach with the combination of Ability Enhancement Courses, Skill Enhancement Courses drawn from courses across the Schools of Studies other than the discipline-specific Core and Elective Courses. In order to encourage an environment of research in the University and to give due recognition to quality research, the Research Promotion and Incentive Policy has been drafted to incentivize research activities undertaken by the teachers and academics of the University.

Preparation of Learner Charter

The CIQA prepared a well-defined Learner Charter, outlining the privileges entitled to a learner and also the duties and responsibilities of a learner towards the University. The Learner Charter was approved by the Student Services Committee of the Board of Management in its meeting held on 27th January, 2022.

Submission of AQAR 2021-22

The NAAC portal was opened for filling up of AQAR for the period 2021-22 in the month of November 2022. The CIQA compiled the data for the qualitative and quantitative metrics and prepared reports which were uploaded on the NAAC portal during the months of November and December 2022. The data uploaded were reviewed by a Review Committee constituted by the Vice Chancellor. The AQAR for the year 2021-2022 was successfully submitted on the NAAC portal on 29 December, 2022.

F. OTHER ACTIVITIES

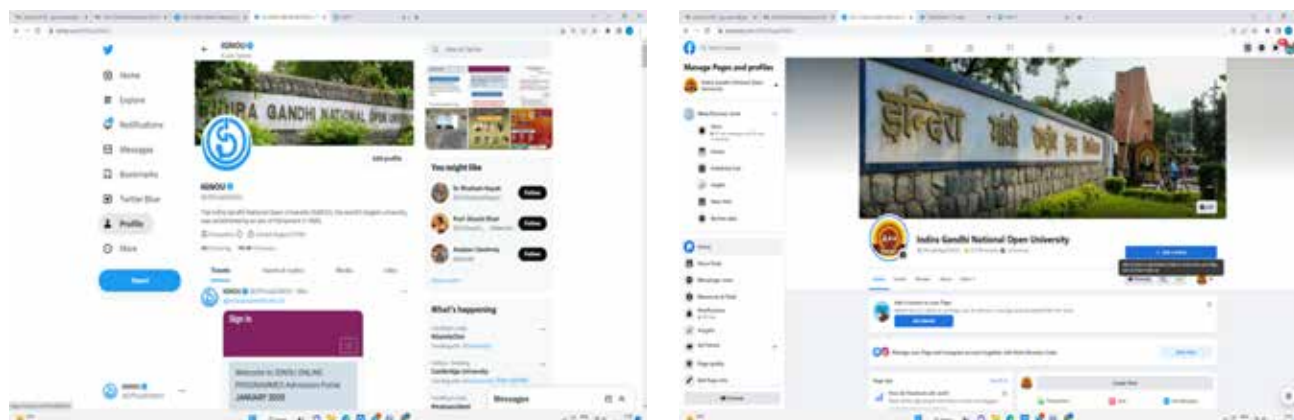

Public Information Unit

The Public Information Unit (PIU) serves as a link between the University and its various stakeholders. It is entrusted with disseminating information to learners and general public regarding programmes of IGNOU including information related to admissions, exams, new initiatives and other news & events through press coverage and advertisements. It is also responsible for media coverage of the University across print, digital, & electronic mediums.

PIU coordinates publishing of all the advertisements (admission ads, recruitment ads, tender notices, etc.). Social Media channels of the University, i.e., Facebook (@OfficialPageIGNOU), Twitter (@OfficialIGNOU) and Instagram (@officialpageignou) are also maintained and populated with relevant content (related to events, live coverage of events, student's related information, Live Lecture Sessions by IGNOU Faculty, etc.) for dissemination to larger audience. The Twitter Handle of the University

@OfficialIGNOU has 84K Followers making it the #1 in terms of Followers vis-à-vis the other Central Universities. Around 150 digital promotional initiatives to enhance outreach were undertaken and around 125 media and press releases were made.

Social Media presence

डिजिटल समाचार (DIGI NEWS)

The Unit designs and generates content for the digital newsletter (viz., IGNOU DIGI NEWS) disseminated to all the employees and other stakeholders highlighting the major activities and events of the University including regional centres on daily basis. The Unit also chronicles all the events through photographs and maintains a photographic timeline of the University. The PIU also publishes special reports on major events of the University initiatives like Laying of Foundation Stones of RCs, Celebration of Important Days like Republic Day, Independence etc. DIGI News was renamed as प्रगतिपथ विश्वविद्यालय समाचार in January 2023.

Vigilance Cell

The major activities of the Vigilance Cell include observing Vigilance Awareness Week which is celebrated every year as per the directives of CVC and during the week in which the birthday of Sardar Vallabhbhai Patel falls in. This year Vigilance Awareness Week was observed during 31st October, 2022 to 06th November, 2022. The theme of the Vigilance Awareness Week was “Corruption free India for a developed Nation.” On 31st October, 2022, the pledge was administered by the Vice Chancellor, IGNOU, in a virtual ceremony to all the employees of the University. During this period, four lectures were organized by the Cell and the same were delivered by the Registrar (Admn.), Finance Officer, Director (ACD) and Director (RSD). During this period, a 3 days Student Grievance Redressal Camp at all the 56 Regional Centres and SSC at Headquarters was organized and the students were benefited with this initiative.

Institutional Values and Best Practices

9

IGNOU has a solid ethical workplace culture that prioritises inclusion. It does all of its business in accordance with the highest ethical standards. Focus has been placed on creating a sustainable and gender sensitive environment where people are provided equal opportunities regardless of their gender, race, caste, colour, creed, language, religion, political or other stance, national or social origin, property, birth, or other positioning. The campus has undergone a number of changes to become environmentally friendly. The organisation often conducts campaigns to promote gender equity. At the headquarters and regional centres, a variety of events, including yoga camps, gender awareness initiatives, NSS camps, etc., are regularly scheduled.

A. Course-wise Registration and Certification Scheme (CRCS)

The University has launched the Course-wise Registration and Certification Scheme to give learners with access to specific courses of various programmes in line with the NEP 2020 and to the spirit of that initiative (CRCS). Under the Scheme, students can sign up for particular courses within specified programmes without signing up for the entire programme. The Academic Bank of Credits can be used to store the credits earned from courses completed under this programme for future use.

The IGNOU Undergraduate programmes were created with the NEP 2020 and its enabling provisions in mind, with the aim of generating well-rounded persons with the knowledge, skills, and attitude to not only establish a successful life for themselves, but also to meaningfully contribute to society as a whole. Through its Course-wise Registration and Certification (CRCS) Scheme, the University is further set to be a significant contributor to the Academic Bank of Credit.

B. Centre for Modern Indian Languages (CMIL)

Our languages are alive with Indian culture. The various languages of our nation must be preserved and recorded, especially those without written scripts but with a thriving oral culture. It is important to include endangered, tribal, and classical languages in this preservation effort. The NEP 2020 explicitly outlines recommendations for promoting Indian languages and emphasises the value of mother tongue. The language of a culture must be preserved and promoted in order to preserve and advance that culture. The Center for Modern Indian Languages (CMIL) is housed inside the school and works to advance academic programmes, research, and public understanding of modern Indian languages and culture.

Inauguration of Centre for Modern Indian Languages on 21 September 2022

In our languages, Indian culture is alive. It is important to preserve and record the diverse languages spoken in our nation, particularly those without written scripts but with thriving oral cultures. All languages, including classical, tribal, and endangered ones, should fall under this protection umbrella. The mother tongue is stressed as being important in NEP 2020's specific recommendations for the promotion of Indian languages. One must safeguard and advance a culture's language in order to safeguard and advance that culture. To advance academic programmes, research, and public knowledge of modern Indian languages and culture, the school is home to the Centre for Modern Indian Languages (CMIL).

C. Sindhi Chair

National Council for Promotion of Sindhi Language (NCPSL), Ministry of Education, Government of India has established Sindhi Chair for study and research pertaining to Sindhi Language and Culture. The Chair is housed in SOTST. The MoU for the Chair was signed on 28th October, 2015 which was renewed for a period of 3 years and that has been further renewed with amendments for another 3 years.

D. ICT Enabled Initiatives for Innovation, Startup and Entrepreneurship

IGNOU Udyami Portal

NCIDE has designed and developed an innovative scheme IGNOU Udyami (इग्नू उद्यमी). Through the IGNOU Udyami Scheme the established and budding innovator and entrepreneur students of IGNOU will be identified and will be given due recognition and support by introducing a scheme of Recognizing IGNOU Student Entrepreneurs (RISE) as a part of the IGNOU Udyami portal.

IGNOU Udyami Portal: <https://sites.google.com/ignou.ac.in/ignouudyami/>

IDEA BANK for IGNOU Students

During 2022, IGNOU has also implemented an online portal for creating a repository of the ideas of the students. Through the portal students involved in various activities and workshops organized by NCIDE can submit their ideas. It is a portal through which students can document their journey from ideas to startups through the e-portfolio component of the portal. Around 21 (Ideas/Proof of Concept) have been uploaded on the portal.

F. Standard Operating Procedures

In the last few years, the University has transitioned to the digital and online mode of education which has necessitated the documentation of SOPs for the RC operations. The following 15 SOPs for RC operations developed by RSD have been approved in the 50th and 51st SSC meeting:

- Establishment of LSC;
- Appointment of LSC Coordinator;
- Academic Counseling;
- Conduct of Practical Counseling Sessions.
- Project/Workshop/Internship;
- Assignments;
- Term-end Exam (Theory & Practical);
- Monitoring Student Grievances;
- Monitoring of LSC;
- Monitoring of RC;
- Finance & Administration and
- Facilitating PwD Learners and their Caregivers at the RC and LSC
- Pre-admission counselling using digital media
- Opening of work centre
- Closure of learner support centre

The Manual of SOP was launched by the Hon'ble Vice Chancellor, Prof. Nageshwar Rao, on 24th February, 2022 in virtual mode.

G. Sustainable Campus

At the headquarters, there are sewage treatment facilities, solar panels, and rainwater collection systems installed in the academic complex. The 150 acres of expansive, undulating, and challenging rocky terrain that make up the campus are landscaped by the Horticulture Cell, which is responsible for all horticultural operations including the production and upkeep of greenery. Poor soil depth makes it challenging to handle. The Cell establishes lawns and gardens, plants trees and saplings, creates borders with shrubs and herbaceous plants, and grows a range of seasonal floral plants. In the nursery, saplings are produced utilising various plant propagation methods.

The cell created a NADEP unit for recycling agricultural waste as well as vermi composting. In headquarters, fully grown trees contribute to a cleaner environment. Sewage Treatment Water (STP) is used by the Cell for irrigation. Numerous areas on campus are kept as conserved forests, which serves to increase the biodiversity. Neem, Pilkhan, Pongamia, Sisham, Arjun, Jamun, Aonla, Imali, Kamrakh, Mango, Mahua, Kaitha, Alstronia, Molshri, Khrinii, Casurina, Ashok, Pipal, Ficus, Babul/ Kikar, and Shoo-babul are just a few examples of the various varieties of plants.

A metallic sculpture of a horse made from junk scraps and a discarded ambassador car was given new life with mural painting by the students and displayed at prominent locations of IGNOU.

Special Campaign 2.0 – SWACHHATA ABHIYAN observed from 2nd October, 2022 to 31st October, 2022

Focus areas of the Special Campaign 2.0 are Comprehensive plan of Cleanliness, Space Management, Record Management, Disposal of scraps/obsolete items, Beautification of Offices, Awareness generation on 3Rs (Reduce, Reuse & Recycle), Promoting, Swachhata in Office Premises and surroundings, Up-cycling/reuse of discarded items, Incentivizing and triggering economic activity by productively reuse and recycle the materials collected

H. Skill Development Initiatives

The National Education Policy-2020 has emphasized on integrating Skill/Vocational education into Higher Education and has envisaged offering of holistic, multidisciplinary skill-based education by Higher Educational Institutions. IGNOU has taken several initiatives in the direction of Skill development and its integration with knowledge based higher education through distance/ digital mode viz. Skill based bachelor degree of IGNOU for Agniveer, IGNOU-NSDC (National Skill Development Corporation) collaboration for introduction of Apprenticeship/ Internship in IGNOU's regular programmes, IGNOU-NCVET collaboration for implementation of NSQF compliance skill development programmes and recognizing IGNOU as an Assessing and Awarding body and establishment of IGNOU Extension centres at ITIs and JSS (Jan Sikshan Sansthan) etc. In order to

streamline and monitor the above activities in the field of Skill Development Education in IGNOU a Skill Development Education Committee (SDEC) has been constituted on 9th December, 2022 and will be housed in School of Vocational Education and Training (SOVET). A meeting of IGNOU- NSDC was convened by the School on 04th November, 2022. A new role is assigned to the RCs which have thus far been engaged in training of academic counsellors. The responsibility of training at the grass-root level has been entrusted to the RCs in the following areas:

Capacity-building of District level functionaries

The University has signed MoU on 22 November 2021 with MSDE under SANKALP Project for capacity building of officials working under State Skill Development Mission and District Skill Committees. The responsibility to train 4000 government officials in 400 districts will be entrusted to the RCs.

Linking Vocational education with higher education

MoU was signed on 18th January, 2022 with the MSDE for declaring NSTIs, ITIs, PMKK& JSS as IGNOU Centres. 33 NSTIs have already been declared as IGNOU-MSDE Extension centres and these centres are enlisted in the SAMARTH Online Admission Portal for January 2022 Session.

I. Promoting digital content – Saving the Environment

The University has created a repository of digital content, known as eGyankosh. The printed study material of all the Programmes offered by the University is available in digital form in eGyankosh.

In order to promote the usage of digital content by the enrolled learners, the University provides 15% discount in the programme fee to students who opt for digital content in place of printed study material. This scheme has received enthusiastic response from the learners. On an average about 20% of the students taking admission in different programmes are opting for digital content. Among those re-registering for the next semester/year of undergraduate/postgraduate programmes, about 33% are opting for digital content. This has substantially reduced the printing requirement of study material, thereby reducing the carbon footprint and making a positive impact on the environment.

The number of students opting for digital content in the last few admission cycles is as under:

Admission cycle	No. of students opting for digital content (fresh admission)	No. of students opting for digital content (re-registration)
July 2020	93977 (18.84%)	109713 (31.48%)
January 2021	42295 (19.7%)	71623 (34.81%)
July 2021	97681 (19.07%)	120673 (33.77%)
January 2022	36764 (19.9%)	77017 (35.28%)
July 2022	437196	395129

Thus, in the past two years 649743 or about 6.5 lakh students have opted for digital content, saving approximately 60 crore pages of paper and its printing (1 Student – 4 courses, each course having 4 Blocks, each Block of 60 pages).

An added advantage of digital content is that the learners do not have to wait for printed study material to reach them; they can start their studies immediately after taking admission. The University has created an e Content App, through which the digital content can be easily accessed on smart phones. More than 15 lakh learners have downloaded the IGNOU e-Content App.

J. Promoting educational wellbeing of the disadvantaged

Promoting educational wellbeing of the people in general and the disadvantaged communities in particular is one of the stated objectives of the University. The University has made special efforts for taking the benefit of higher studies to the disadvantaged population segment in general and the SC/ST population in particular.

The University has established nine Regional Centres in the tribal dominated North-Eastern Region – Agartala, Aizwal, Gangtok, Guwahati, Imphal, Itanagar, Jorhat, Kohima and Shillong to give focused attention to the educational development of the tribal population in the region.

In order to encourage the enrolment of learners from SC/ST communities, the University has started a scheme of fee reimbursement for SC/ST students, which was later changed to fee exemption. Under the Scheme, SC/ST students have taken admission in the identified Programmes of the University without paying the fee. This has resulted in the increased participation of students from SC/ST communities:

Enrolment of SC/ST Students in the last 5 years

Year	SC	ST	Total
2021-22	1,06,779	55,148	161927
2020-21	117860	55502	173362
2019-20	150611	100276	250887
2018-19	96839	62130	158969
2017-18	85011	55688	140699

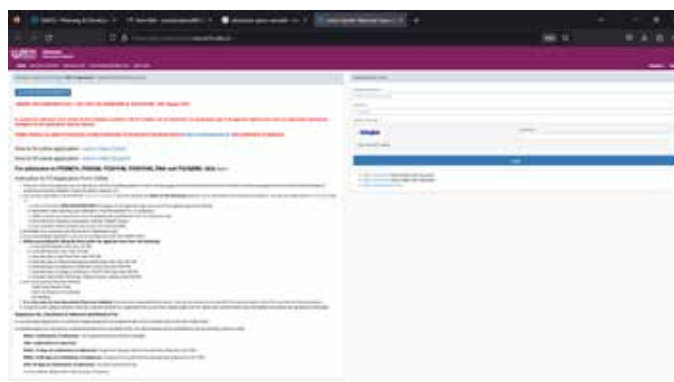

Details of benefits in the form of fee exemption/reimbursement given to SC/ST students in the last 5 years are as under:

Year	Number of SC/ST Beneficiaries
2021-22	1.25 lakhs
2020-21	134502
2019-20	158809
2018-19	100871
2017-18	88831

The provision of financial support for SC/ST students was available in three academic Programmes i.e. BA(General), BSC(General) and BCom(General) in January 2023 admission cycle. Around 50 thousands students availed this facility in July 2022 admission cycle.

Utilization of Samarth Platform

The University has been making extensive use of the Samarth Platform provided by the Ministry of Education for digitalization of various processes. Presently following functionalities developed and customized as the University's requirement are fully functional on the Samarth Platform:

Admission Portal: The Online Admission Module of the University was started on the Samarth Platform in January 2020 and has been working smoothly since then. The Admission Portal is user friendly, and the learners are facing no difficulty in submitting their application online.

Re-registration Portal: Students taking admission in UG/PG Programmes need to register themselves in the subsequent semesters/years. For this a Re-registration Module especially developed for IGNOU has been operational since July 2020.

Recruitment Portal: With the help of the Recruitment Portal, the entire recruitment process for teaching and non-teaching positions has been made fully online. The Portal has been very helpful in making the recruitment process fast and transparent.

Alumni Portal: Alumni Portal of the University developed on the Samarth Platform has helped in building a national database of the Alumni. In the past few months, about 32000 Alumni have registered on the Portal. The Portal allows the registered Alumni to create and update their profile.

Payroll: The Payroll system of the University has been successfully migrated from the existing ODLSOFT Platform to the Samarth Platform.

Recent Developments

10

Collaborations

The university has entered into MoUs with different bodies like defence forces, NSDC, NCVET etc to facilitate the learners in different areas of study.

a. IGNOU has Started 3-Year Skill Based undergraduate programme for “Agniveers”

The Ministry of Education has announced the launch of a skill-based undergraduate degree programme for the young and dynamic aspirants of the “Agnipath Scheme. The University entered into MoU with the defence forces and has prepared a special skill-based bachelor’s degree program for the “Agnipath” Scheme beneficiaries called Agniveers. This programme will be BA-level degree programme for the enhancement of their skills and related knowledge to serve the defense forces.

Navy, Air Force, and Army are planning to sign a MoU (Memorandum of Understanding) for the fair implementation of the course. The course is aligned with the norms of the University Grants Commission (UGC) and National Credit Framework (NCF), NSQF (National Skill Qualification Framework (NSQF) as mandated under the National Education Policy of 2020.

The complete framework of the course has been recognized by the All India Council for Technical Education (AICTE) and NCVET (National Council for Vocational Educational and Training). The awarding of the final degree or diploma will be done by the university. This degree will be valid in the country and abroad for various types of job opportunities and educational purposes for these eligible candidates.

AGNIPATH YOJANA

b. MoU with NSDC

The university has signed MoU with NSDC to collaborate on various initiatives so as to enhance the employability and entrepreneurial skills of the students. This is in line with the mandate of the NEP 2020, which emphasizes the integration of vocational education with higher education. In January 2023 the University launched following three programmes under this scheme:

- BA (Applied Hindi)
- BA (Applied Urdu)
- BA (Applied Sanskrit)

Signing of MoU between IGNOU and NSDC

c. MoU with NCVET

The university has entered into an agreement with NCVET. In this regard now IGNOU will be the awarding body (AB) and an assessment agency (AA) as recognized by NCVET.

d. Partnership with YuWaah (generation unlimited in India)

e. MoU with AICTE

The University has entered into an agreement with All India Council in Technical Education (AICTE) for translating its MBA courses in 12 Indian regional languages under e-kumbh portal scheme.

Signing of MoU between IGNOU and AICTE
