Welcome to the GUI-Based On-line Application Service for Assignment Records Submission Management System(ARSMS).

ARSMS is an online service for updation of student assignment submission information and posting of assignment marks. The system is password protected and can be accessed only through proper authentication. It can be accessed by Regional Centres and Study Centres.

Before first time using the services, you are advised to change the password and the log-in by inputting user name and password for proper authentication and start access the services

Any discrepancies in entering the online data related to assignment awards are required to be sent with a proper justification by the concerned Regional Director to the Registrar SED for further action following due verification by the Regional Centre. This approach/mechanism is being adopted so as to avoid any litigation and malpractices.

In absence of any course in the software, the same may be brought to the notice of Assignment Section and write to assignment@ignou.ac.in for inclusion of the same.

The SED will entertain any request received only through the official email id of the Regional Centre e.g. rcxxxx@ignou.ac.in
