4. MASTER'S DEGREE PROGRAMME IN POLITICAL SCIENCE

4.1 Introduction

IGNOU is committed to providing quality education at low costs to those who have for some reason or the other missed or have not had the opportunity for further studies. Keeping the heterogeneous nature and varied needs of its clientele, the university offers a range of programme catering to human resource development as well as self-enrichment. The aim of this programme is to give the learners a sound base in political analysis through an in-depth investigation into a broad range of political phenomena in diverse areas of the discipline of Political Science.

4.2 Eligibility

In accordance with the University's general policy of 'openness' and 'flexibility' vis-a-vis eligibility criteria, all graduates are eligible for admission even if they do not have any Political Science background at the Undergraduate level. There would be no admission test. However, Undergraduates, with no previous training in Political Science should go through the Bachelor's Degree Political Science courses of IGNOU. It would help them to understand the Master's level courses.

4.3 Duration

The programme can be completed in a minimum period of two years and a maximum period of five years.

4.4 Fee Structure

Fee for the programme is to be paid year-wise. In the first year fee is Rs. 5600/- and in the 2nd year it is Rs. 5400/-. 

4.5 Credit System

The Open University system is based on credits. One credit is equivalent to 30 hours of study. In other words, you will have to put in 240 hours of study for completing an 8 credit course and 120 hours of study for completing a four credit course. You can decide how many courses you want to pursue in a year by calculating how much time you can spare for your studies. It also helps you to understand the academic effort you have to put in. To successfully complete a course of an academic programme (Degree, Diploma or Certificate) requires successful clearing of the Assignments and the Term-End Examination of each course and the project work wherever applicable in a programme.

Credits can be transferred from one university to another, at the same level of education and for the same subject only. Credit transfer of a maximum of 50% credits only is allowed within a programme of study.

Despatch of Study Material

For M.A. programme all the study material will be despatched in one lot or in two despatches. We will inform you if the material is sent in two despatches. The despatch will be made within 4 weeks of the last date of admission. If any thing is missing in the course material please ask for it. If assignment is missing please visit our website www.ignou.ac.in; go to student -zone>downloads all the latest assignments are uploaded there. If you do not get material in time write to the Regional Director of your regional centre.

Decide Your Time Schedule

The University offers a lot of flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. As indicated earlier you can finish this programme in two years if you clear 64 credits. If you are not able to complete it within this period you can take a maximum of five years to complete it. It would be better if you plan it in a systematic way. For two years you will receive study materials and assignments according to scheme of study but it is upto you to decide which courses you will complete in a particular year. Completion of a course would involve studying the course, completing the assignments and obtaining pass marks in both assignments and the term end examination. If you are busy elsewhere and not able to fully devote yourself to the programme you should fix your targets every year. If you feel that instead of 32 credits you would do only 24 or 16 credits in a year, plan it from the beginning of the year, study only those courses, do the assignments for them and appear for term end exam. Carry over the rest to next year. Again next year, decide your goals for that year. Whenever you decide to do the previous year’s course download fresh assignments from IGNOU website, submit them according to the schedule and appear in the term end examination. Through a proper planning you can finish this programme according to your convenience.

4.9 Fee Structure and Schedule of Payment

The programme fee is ₹5600 for the 1st year. The fee should be paid in lump sum along with the filled in application form. In the 2nd year also the fee of ₹5400 is to be paid as per schedule without waiting for any communication from the University.
The University can revise the programme fee and revised fee shall be payable by you as per schedule of payment notified by the university.

The programme fee should be paid only by means of Debit Card/Credit Card through online mode only.

Timely payment of programme fees is the responsibility of the student. Students are expected to remit fee as early as possible without waiting for the last date. Late payments will not be entertained. In case you fail to remit the fee as per above schedule you will have to wait for next cycle of admission.

4.10 Instructional System

The Master's Degree Programme adopts a multimedia approach, viz. self-instructional print materials, audio-video programmes, assignments, counselling sessions and teleconferencing.

i) Print Materials

These comprise mainly self-instructional material. Other study materials required for a particular course such as the original texts of political thinkers or essays from secondary sources will be made available at the study centre libraries.

The units in the course material have been carefully designed and written by specialists engaged in study and research in the discipline of Political Science. The names of the authors are listed in the course material. It may, however, be added that the units are by no means comprehensive in discussing different themes. It is, therefore, advised that you read as much as possible, books and research articles suggested at the end of Unit/Block. The University will make some of these books and articles available at the Study Centre libraries.

ii) Audio-video Programmes

The Audio and Video programmes are supplementary, meant for clarification and enhancement of understanding. These are used during counselling sessions at the Study Centres. Video programmes are also telecast on the national network of Doordarshan/Gyan Darshan. Besides, live counselling is provided on radio. These sessions are conducted for an hour on Sunday and Monday from over 190 All India Radio Stations spread throughout the country. You can ask questions right from your home on telephone.

iii) Counselling Sessions

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you with an opportunity to meet fellow students. There are experienced academic counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. The counselling sessions are not compulsory. However, they may be very useful in certain respects such as: to share your views on the subject with teachers and fellow students, comprehend some of the complex ideas or difficult issues, and get clarifications for many doubts which you would not otherwise try to raise.

Face-to-face counselling will be provided to you at the study centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for this
programme. In these sessions you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video cassettes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. Also try to understand each other’s points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your counsellors.

iv) **Teleconferencing**

The Teleconferencing Sessions are organised by the School of Social Sciences with the help of the Electronic Media Production Centre (EMPC) staff. The technical part comprises one way video and two way audio components. The subject experts counsel students on various aspects of the courses in these sessions. You will be informed of the schedule of these sessions in advance through the IGNOU Newsletter. The learner will have to go to the nearest reception centre at the scheduled time for taking the benefit of this facility.

v) **Study Centres**

Each student admitted to this programme will be attached to a Study Centre. At present, there are 197 study centres located in different places of the country. Students may opt for enrolment in the nearest study centre. However, as each Study Centre can handle only a limited number of students, despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you. The list of Study Centres activated for M.A. Political Science is available on the University website at www.ignou.ac.in. Please go to Home→About IGNOU→About us→Study Centres.

Every study centre is managed by a Coordinator. The students are advised to be in regular contact with their respective study centres and interact with the Coordinator as frequently as possible. The facilities provided at the study centres, normally, include the following:

- Counselling sessions in different courses relating to M.A. (Political Science)
- Library facility with basic reading materials related to various aspects of the discipline
- Audio-Video programmes specially designed for M.A. (Political Science)
- Teleconferencing and Radio Counselling (at the Regional Centres)

5. EVALUATION

The evaluation consists of two parts: 1) continuous evaluation through assignments, and 2) term-end examination. In the final result, continuous evaluation (assignments of a course) carries 30% weightage while 70% weightage is given to the term-end examination. The following is the scheme of awarding divisions and grades:

<table>
<thead>
<tr>
<th>Division</th>
<th>Percentage Range</th>
<th>Grade</th>
<th>Point Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>80 and above</td>
<td>A-Excellent</td>
<td>5</td>
</tr>
<tr>
<td></td>
<td>60 to 79.9</td>
<td>B-Very Good</td>
<td>4</td>
</tr>
<tr>
<td>II</td>
<td>50 to 59.9</td>
<td>C-Good</td>
<td>3</td>
</tr>
<tr>
<td>Pass</td>
<td>40 to 49.9</td>
<td>D-Satisfactory</td>
<td>2</td>
</tr>
<tr>
<td>Unsuccessful</td>
<td>Below 40</td>
<td>E-Unsatisfactory</td>
<td>1</td>
</tr>
</tbody>
</table>

You are required to score at least 40% marks in both continuous evaluation (assignments) as well as term-end examination separately. In the overall computation also, you must get at least 40% marks in each course to claim the Degree in Masters in Political Science.

5.1 Assignments

Assignments constitute continuous evaluation. The submission of assignments is compulsory. The marks that you get in your assignments will be counted in your final result. Assignments of a course carry 30% weightage while 70% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously. A simple omission on your part may cause loss to you and inconvenience at all levels in the University.

You have to complete the assignment within the due dates specified in the assignments booklet. You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for that course. If you appear in term-end examination without submitting the assignments, the result of term-end examination would be liable to be cancelled.

The main purpose of assignments is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it. The content provided in the printed course materials should be sufficient in writing your assignments. But at the post-graduate level, it is expected that you will consult other prescribed books also. However, please do not worry too much about the non-availability of extra reading materials for working on the assignments. The assignments are designed in such a way as to help you concentrate mainly on the printed course materials and your analytical capabilities.

All the assignments for M.A. would be Tutor Marked Assignments (TMA) which are evaluated by the counsellor. Every course will have a specified number of assignments which will be indicated in the assignment booklet. Please follow the instructions given there.

Whenever you receive a set of material and assignments, check them immediately and ask for missing pages, if any, from the Material Production and Distribution Division, (IGNOU, Maidan Garhi, New Delhi-110068).
The assignment responses should be complete in all respects. Before submission you should ensure that you have answered all the questions in all the assignments. Incomplete answer sheets bring you poor marks.

You have to submit your response sheets to the Coordinator of the Study Centre assigned to you. After evaluation these tutor marked assignments will be sent back to you with comments and marks.

The University/Co-ordinator of the Study Centre has the right not to entertain or reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

Do not forget to get back your duly evaluated tutor marked assignments alongwith a copy of the assessment sheet containing comments of the evaluator on your performance. This may help you to improve future assignments.

For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of the assessment sheet containing comments of the evaluator on your assignment within a month after submission, please try to get it personally from your study centre. This may help you improve your future assignments. Also maintain an account of the corrected assignment responses received by you after evaluation. This will enable you to represent your case to the University in case any problem arises.

If you do not get the pass grade in any assignment, you have to submit it again. To get fresh assignments you should write to the Registrar, MPDD, IGNOU, Maidan Garhi, New Delhi -110068. You can also download them from the University website: www.ignou.ac.in. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of your grade.

Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Evaluation Division at the Headquarters. Score communicated by the study centre through any mode other than the award list will not be acceptable to the University for taking your score of assignments on your record.

In case you find that the score indicated in the assignment sheet of your Tutor marked assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the Coordinator of your study centre with a request to forward the correct award list to the SE Division at the Headquarters.

Do not enclose or express doubts for clarification, if any, about the study material or the assignment along with the assignment responses. Send your doubts in a separate cover to the Programme Coordinator, M.A. Political Science, School of Social Sciences at IGNOU, Maidan Garhi, New Delhi - 110068. Give your complete enrolment number, name, address, title of the course, and the number of the Unit or the assignment, etc. on top of your letter.

**SPECIFIC INSTRUCTIONS FOR TUTOR MARKED ASSIGNMENTS (TMA)**

1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.

2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.
Course Code and Assignment Code may be reproduced from the assignment.

The top of the first page of your response sheet should look like this:

```
ENROLMENT NO.

PROGRAMME TITLE: ........................................ NAME: .............................................

COURSE CODE: ........................................ ADDRESS: ............................................

COURSE TITLE: ........................................

ASSIGNMENT CODE: ........................... SIGNATURE: ........................................

STUDY CENTRE: .................................... DATE: ....................................................
```

All Tutor Marked Assignments are to be submitted at the study centre assigned to you.

3) Read the assignment carefully and follow the specific instructions, if any given on the assignment itself about the subject matter or its presentation.

4) Go through the Units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question give, adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise.

5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.

6) Write the responses in your own hand. Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get a zero for the respective question.

7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.

8) Write each assignment separately. All the assignments should not be written in continuity.

9) Write the question number with each answer.

10) The completed assignment should be sent to the Coordinator of the Study Centre allotted to you. Under no circumstances should you send the tutor marked response sheets to the Student Evaluation Division at the Head Quarters for evaluation.

11) After submitting the assignment at the Study Centre, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.
12) In case you have requested a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.

13) If you find that there is any factual error in the evaluation of your assignments e.g. any portion of the assignment response has not been evaluated or the total of the score recorded on the assignment response is incorrect, you should approach the coordinator of your study centre for correction and transmission of correct score to the headquarters.

5.2 Term-end Examinations

As stated earlier, the term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result. You must fill and send your term-end examination form before the last dates i.e. 31st March for June and 30th September for the December exam.

In case you fail to secure a pass score (40% marks) in the term-end examination, you will be eligible to reappear at the next Term-end Examination for that course as and when it is held, within the total span of the programme.

Eligibility for Examination

To be eligible to appear at the Term-end Examination in any course, you are required to fulfil the following four conditions:

1) You should have paid the course fee.
2) You should have opted and pursued the prescribed course.

It may be accessed from the website as well.

Online Submission of Examination Form

It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. Examination Form is available online at IGNOU website. Only one form is to be submitted for all the courses in one term-end examination. You need to pay separate fee for the examinations.

A fee of ₹120/- per course is charged as examination fee. If result of the previous examination is not declared the fee for that course can be exempted while filling the form for the next exam. Your enrolment number is your Roll Number for the examination. Be very careful in writing it. Any mistake in writing the Roll Number will result in the non-declaration of your result.

Declaration of Result

The University will normally declare the result in 45 days from the date of Examination. You are however, advised to fill up the form for the next examination without waiting for the result and get it cancelled at a later date if so required.

Improvement of Division/Marks

Improvement of marks/grades is permissible for those students of M.A. who fall short by 2% marks in securing a 1st or 2nd Division. The candidates are required to opt for only such study centres which are activated for the programme. As far as possible the university will allot the study centre opted by the candidate. However, the university may change the study centre at its convenience without concurrence of the student at any time.

For the purpose of change of the Study Centre you have to send a request to the Director of your Regional Centre. A copy of the same may be sent to the Student Registration Division at the headquarters.

Counselling facilities for a programme may not be available at all the Centres. As such you are advised to make sure that counselling facilities are available for the programme you have chosen, at the new Centre opted for. As far as possible the request for a change of the Study Centre is considered favourably. However, the allotment of the new Study Centre is subject to availability of seats for the programme at the new Centre.
Change of Region

When you want to transfer from one region to another, you have to write to that effect to the Regional Centre from where you seek a transfer marking copies to the Regional Centre where you would like to be transferred to and also to the Registrar (SRD), New Delhi. Further, you have to obtain a certificate from the Coordinator of the Study Centre from where you are seeking transfer regarding the number of assignments submitted. The Regional Centre from where you are seeking the transfer will transfer all records to the Regional Centre where you seek transfer under intimation to you and the Registrar (SRD). The records are normally sent by Registered Post to guard against loss in the postal transit.

Re-evaluation

In IGNOU there is a provision for re-evaluation. Re-evaluation is done with reference to the grade/marks given in the Answer Book and Award list. The request should be made on the prescribed form along with a draft of Rs. 750/- per course payable at IGNOU, New Delhi. The request for re-evaluation by the students must be made before 31st March for December TEE and 30th September for June TEE or within one month of declaration of results whichever is later. The date of declaration of results will be calculated from the date on which the results are placed on the IGNOU website.

After re-evaluation, the better of the two scores of original marks/grade and re-evaluated marks will be considered.

The revised marks after the re-evaluation shall be incorporated in the student record and the revised Grade card/Marks sheet shall be sent to the students within one month from the receipt of the application.

Re-evaluation is not permissible for Projects, Practicals, Assignments, Seminar etc.

Prescribed form for the purpose is given in this Programme Guide.

Early Declaration of Result

In order to facilitate the students who have got offer of admission and/or selected for employment etc. and are required to produce marks-sheet/grade card by a specified given date, they may apply for early processing of their answer scripts and declaration of results for this purpose. The students are required to apply in the specified format available on the University website with the prescribed fee. The students can submit their request for early declaration before the commencement of the Term-end Examination i.e. before 1st June and 1st December respectively. The University in such cases will make arrangements for processing the answer scripts and declare the result as a special case.

Issue of Duplicate Grade Card/Mark sheet/Degree/Diploma/Certificate

A duplicate Grade Card is issued after a request is made on the prescribed form along with a draft of Rs. 200/- to be paid in favour of IGNOU, New Delhi. In case of loss of Degree/Diploma/Certificate a duplicate can be obtained after paying a fee of Rs. 750/- and filling the prescribed form. The forms for the purpose are given in this Programme Guide.

Re-admission

If you are not able to complete the programme in a maximum of 5 years, the University has made a special provision for re-admission. The form and the guidelines are available in the Programme Guide. Kindly fill and submit it as per instructions.
**Migration Certificate**

For Migration Certificate, requisition may be sent to the Regional Director concerned along with the following documents:

1) Application (can be obtained from the Head Office or photocopy of the one given in the Programme Guide could be used.)

2) Attested copy of the mark sheet.

3) Fee of Rs. 500/- in the form of a Demand Draft drawn in favour of IGNOU payable at the city where the Regional Centre is located.

**CREDIT TRANSFER**

**Definition**

"Credit transfer" means allowing a student of another university to get admitted to IGNOU for completing any equivalent degree/diploma programme on the basis of credits obtained by him/her from that University. A student thus admitted does not need to write IGNOU examinations for such courses which are found equivalent to and for which appropriate credits would be deemed to have been acquired for fulfilling the IGNOU requirements for the award of a degree/diploma.

**Eligibility**

The credit transfer scheme is applicable to only those candidates who have not completed their degree from any other recognized University and yet are willing to complete it through IGNOU as per the rules provided.

**Modalities**

1) Normally credit transfer will be applicable only from a diploma, bachelor's degree, master's degree to an equivalent diploma, bachelor's degree and a master's degree.

2) Credit transfer will be permissible only in the case of students coming from institutions established by an Act of Parliament or by an Act of State Legislature; or an institution "deemed to be university" or an "institution of national importance" or institutions recognized by statutory bodies like AICTE, ICMR, ICAR, CSIR etc.

3) Credit transfer can be done only on the basis of individual courses and not on the basis of year to year courses as in conventional institutions.

4) In order to get a diploma/degree from IGNOU a student will be required to earn at least 50% credit from IGNOU. For example, a M.A. student should earn at least 32 credits from IGNOU for an IGNOU degree.

5) The degree, certificate or the marks list thus given to the students will specifically indicate the credits earned in IGNOU and those obtained from the other institution.

**Rules and Regulations for Credit Transfer**

1) Students who want to avail credit transfer shall get registered with IGNOU for the programmes they want to study. All the applications for credit transfer should be addressed to Registrar, SRD, IGNOU, Maidan Garhi, New Delhi-110068.

2) The students have the choice to opt for the electives of second year in the 1st year of their study.
3) The student by opting for the courses in such a way so as to complete the balance credits can reduce the period of study prescribed for the completion of the degree programme and thereby, avail no payment of fees for the period not covered. The students availing credit transfer would be allowed to complete the programme early provided they do not offer more than 32 credits in a year.

4) IGNOU "programmes" and "courses" means "subjects" or "papers" respectively of conventional universities.

5) Students seeking credit transfer should apply directly to the Registrar (SRD) IGNOU, Maidan Garhi, New Delhi - 110068 enclosing a Demand Draft for Rs. 500/- per course drawn in the name of IGNOU and payable at New Delhi, attested copies of Marks sheet and attested copies of syllabus of such courses, covered by them. Such cases will be examined separately by the Equivalence Committee at the Headquarters of the university. **This process will take a minimum period of three months from the date of receipt of such requests with all the relevant documents by the above concerned officer.**

**Refund of Fees**

Fee once paid will not be refunded under any circumstances. Programme fee may, however, be refunded if admission is not offered by IGNOU for any reason.

**Disputes on Admission and other University Matters**

The place of jurisdiction for filing of a Suit if necessary will be only at New Delhi/Delhi.

7. **TIPS FOR EFFECTIVE LEARNING IN OPEN UNIVERSITY**

How to approach your studies: It would be good for you to go through the Programme Guides as well as the Handbooks provided by the University. This will help you to know exactly about the facilities being extended and how you can make best use of these in your learning. That is, you should have an idea of what to expect from the system and how best to use the support being provided.

**Quasi-permanent separation:** To bridge your semi-permanent separation from your counsellor and to enable you to take advantage of the flexibilities provided in the Open Distance Learning (ODL) system, provision for Face to Face interaction has been made. Moreover, you can contact your teachers at the Headquarters through phone and e-mail. However, the onus of learning is on you. You must make full use of the flexibility, facilities and innovativeness provided by the system.

**Adhere to the schedule of operations:** Various activities in the ODL system are time bound and the details are given in the programme guides and the handbooks sent to you. Adherence to the Schedule of Operations shall help you enormously in completion of the courses. As a thumb rule, if you study three hours a day regularly, you should be successful in the minimum stipulated time.

**Studying at your pace and place:** You can learn at your pace and place, but it would help if you periodically revise what you have learnt. This would also enable you to assess as to how much remains to be done. The DE system provides for an in-built teacher in the Self Instructional Materials (SIMs). Your pace of learning could be faster and effective if you abide by the instructions given to you in the SIMs and follow the sequence and steps suggested therein, as the objective of these access devices is to regulate your pace of learning.
**Taking notes:** In SIMs, some space has been provided to take important notes. You should identify keywords/terms, and put remarks while going through it. This facilitates cross-referencing. You must answer/solve problems in the Self-assessment Questions (SAQs) and Terminal Questions (TQs) yourself rather than looking for solutions at the end.

**Using media effectively:** The audio-visual learning is faster and can be more effective. That is why multi-media is one of the integral components of our multiple media instructional package. For complementing your learning with the help of multi-media effectively, you should visit your study centre for counselling and insist that your counsellor shows A/V programmes. Such visits will also help you obtain the latest information on broadcast, and telecast of programmes and tele-conferences being held. Now, IGNOU has a 24 hr TV Channel Cyan Darshan and a countrywide network of FM radio stations. You should contact your cable operators to beam Gyan Darshan. In case it is not possible for you to visit your SCs for some reason, you can procure these cassettes/CDs from the University for convenient viewing.

**Preparing Assignment Responses:** The separation between the teacher and the taught in the ODL system is bridged through dialogue established by continuous assessment. Your assignment responses provide an opportunity to your counsellor to guide you and pace your learning depending on your progress. Therefore, you must write your assignment yourself, in your words depending on the scope of every question. In some questions, you might be required to give a brief outline while in others you may be asked to give your justifications/demonstrate your skills and knowledge/give detailed description etc. It is also possible that you may be required to refer to a particular source of information or data and present your analysis. If possible, discuss implications and suggest application and/or give illustrations.

When you have answered the assignments, pause for a while and recheck your response to make sure that:

- the language is your own, simple and comprehensible
- it covers all the relevant aspects and with expected details
- the content is accurate and relevant
- the presentation is logical and clear
- the main points are well supported by examples/arguments/illustrations and
- the response has been neatly typed or legibly written.

You must keep a copy of each of your assignments and file them in order, separately, for each course. While submitting your assignment at your Study Centre / Programme Centre, you must insist on obtaining acknowledgement. In case you send your assignment by post, keep the registration slip as evidence. In case of any difficulty or unconvincing response at the Study Centre, please contact your Regional Centre or the Headquarter. Normally, you should obtain your Tutor Marked Assignment within 45 days. In case you do not receive your evaluated TMAs with tutor comments in the stipulated period,.you should check with the Study Centre Coordinator. Once you receive the evaluated assignment responses, go through tutor comments.. A careful reading of the comments should give you an idea as to how you can improve your responses in future.

**Learning from Counselling and Peer Group:** In order to make the best use of the counselling sessions, you should have read the relevant units before going for the counselling session. This will enable you to have useful interactions with your counsellor and peer group. Participate in the discussion with an open mind. Take note of important points identified by other peer group members and the counsellor. Do not hesitate to clarify doubts, even if they are trivial.
**Taking the Term-end Examination:** In our system of education, career prospects are influenced by the performance in examinations. So we should approach examinations with some caution. However, this should not cause anxiety. Another important point to be kept in mind is that you must submit your assignments as per schedule before the examination.

**Preparing for the Examinations:** The surest way to success in any examination is to conscientiously employ effective study techniques over a period of time. For example, if you follow the tips provided here, your chances of success will improve. If you follow them, you will certainly remember more, have a better understanding, and be able to organise your ideas quickly and effectively.

Even solving previous examination question papers and getting your answers checked by your counsellors should help improve your performance. You can download these from the IGNOU website www.ignou.ac.in. Revision of text materials plays a vital role in your preparation for the examinations. The following are two good reasons for doing regular revisions right from the start:

You may not have enough time to revise everything you have studied in a course/programme at the last minute.

You will find the latter materials easier to study if you have sound understanding of what has been studied earlier.

**On the Examination Day:** When you receive the question paper:

Read the instructions and the question paper right through very carefully paying attention to each question.

Be objective and assess what precisely the questions demand of you.

Budget your time; that is, you should carefully allocate your time according to the weightage given to each question.

Plan your answer and form a sense of priority.

Ans: i) In the first year of your registration, exams will be held only after completing one year of study. If you are registered for January session, then your term end will be in December. In the subsequent years, you can take your exams in June and in December.

   ii) You can pace your exams depending on your study. Do not try to attempt exams in all courses without preparation. You can take exams only in the courses for which you have prepared well. However, you should inform the University in advance about the exams you want to take in June/December.
