IGNOU offers educational programmes through open and distance learning (ODL) mode. It is quite likely that you are getting this first ever experience as a distance learner. We, as distance teachers are in fact physically at a distance from you. But as far as the teaching-learning activity is concerned, we are very close to you and always with you in the form of self-learning material and through other student support services. To start with, read this ‘Programme Guide’ thoroughly, keep it handy and refer it as and when you get any doubt about progressing further in this programme. By following this Programme Guide you will not only feel comfortable but also be able to manage your programme related activities very easily.

In course of your journey, you will notice that IGNOU is a university with a difference. Unlike conventional universities/institutions where teaching and learning take place mostly through face-to-face mode, IGNOU adopts a multiple-media approach to facilitate teaching-learning activities. You will find that the printed self-learning material is the master medium of our instruction. It is supplemented with audio and video programmes, teleconferencing and interactive radio counseling sessions. Further, you will also benefit from the face-to-face mode of interaction during counseling sessions organised at the Study Centre. Besides these, the assignments submitted by you will be evaluated and you will receive feedback from the evaluators. Thus, you will realise that there are multiple modes which provide diverse opportunities for your interaction as well as facilitate your smooth progress through the programme.

Population and Health are the key concept of development in any nation, thus, PGDPFHS programme would provide you comprehensive exposure to various theoretical and practical aspects, processes, issues and activities of population and family health issues along with social group and development issues and challenges. The programme will equip you with necessary knowledge, understanding, skills, attitudes and competencies that will help you build your capacity as a population, health and other development sector professional.

3.0 INSTRUCTIONAL SYSTEM

The instructional system of IGNOU is more learner-oriented and learner-centred. In this system, the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance modes of communication rather than face-to-face modes of communication. The University follows a multiple-media approach for instruction. So, the instructional system of PGDPFHS also follows multiple-media approach i.e. self-instructional print material, audio-video programmes, assignments, face-to-face counseling sessions / contact sessions, optional project work, teleconferencing and interactive radio counseling, among others.

3.1 Self-instructional Print Material

The print material is written in self-instructional style. It is in the form of blocks (booklets) specially prepared for theory courses and project work of the programme. Each course has a specific code number assigned to it. They are supplied to each learner. The learner has to complete the required assignments related to each course. The contents under each course are divided into blocks and each block is further divided into units. The printed material for project work is available in the form one booklet with all guidelines.

3.2 Audio-video Programmes

The learning package also contains audio-video programmes which are produced by the University for Clarification, supplementing and enhancement of understanding of the course material given to the student. These programmes are normally of 25-30 minutes duration. These are used at the Study Centres during counseling sessions which are duly scheduled and notified by the Programme In-charge/Co-ordinator of Study Centre for the benefit of the students. The video programmes are also telecast on *Gyan Darshan*. Similarly, the audio programmes are also broadcast by *Gyan Vani* radio channels. Learners can contact Study Centres for further information.

3.3 Assignments

Assignments are an integral and compulsory component of the instructional system. There is one tutor-marked assignment for each theory course. Students will have to work on these assignments. Each student should submit the assignment responses to the Coordinator of the Study Centre in accordance with the given assignments' submission schedule.

Assignments are to be downloaded from IGNOU website (www.ignou.ac.in) at student's zone.

3.4 Counseling Sessions

Upto six counseling sessions per theory course and one counselling session for project are held at the Study Centres as per the schedule drawn and notified by the Coordinator/Programme In-charge of the concerned Centre. They are mostly held on weekends (i.e. Saturdays and Sundays) as per the convenience of the host institution where the Study Centre is located. However, if the number of students for the programme at a programme study centre falls below 10 (ten), then the counseling and support services may be handled by a Distance Learning Facilitator or the programme coordinator or the faculty of the School concerned or through an appropriate alternative arrangement. University issue guidelines on counselling sessions from time to time which are to be adhered by the study centres.

3.5 Teleconferencing

Teleconferencing sessions are conducted via satellite through interactive *Gyan Darshan* Channel from the University studios as per the schedule made available to the Regional and Study Centres. Teleconferencing is an effective means of interaction between the learners, experts and others concerned with the programme. It provides an interesting opportunity to the students to interact with the faculty members at the headquarters, and other experts/ eminent scholars in the field. The learners will have to go to the nearest reception centre at the scheduled time for taking the benefit of this facility.

3.6 Interactive Radio Counseling / Internet Audio Counseling

Interactive Radio Counseling is a recent concept in distance learning in India. Live counseling is provided on radio by invited experts for an hour from different *Gyanvani* radio stations in the country. Students can ask questions right from their homes through telephone by availing the facility of toll free telephone number 1600112345 provided for this purpose from selected cities. Gyan Dhara is an internet audio counseling service offered by IGNOU. Students can listen to the live discussions by the teachers and experts in the field on the topic of the day and interact with them through telephone (Toll Free No. 1800112347; 011-29533103), Email gyandhara@ignou.ac.in and chat mode. By installing Puffin browser, students can access Gyandhara through mobile devices.

3.7 Project Work

PGDPFHS is not offering any project for requirement of the completion of programme.

Theory Courses: For theory courses, evaluation comprises three aspects:

- Self-evaluation check your progress exercises (non-credit) within each unit of study material.
- Continuous evaluation in the form of one compulsory assignment for each course with a weightage of 30%.
- Term-End Examination for each course with a weightage of 70%.

In order to successfully complete a theory course, the student must obtain at least '40%' in the assignment and '40%' in the Term-End Examination (TEE) separately in each course. **Project Work (Elective):** The evaluation report of Project Work will carry 100% weightage. In order to successfully complete the project work, the student must obtain at least '40%'. The grading system depending on the percentage of marks secured by the candidates in TEE and evaluation report for Project Work will be as follows.

Letter Grade	Qualitative Level	Grade Points	Average Grade Point Range	Percentage Equivalent

7.0 ASSIGNMENTS

The purpose of our asking you to work on the assignments is to provide you an opportunity of articulating your assimilated knowledge and understanding into written form and also to test your capacity of transferring the theoretical learning from the courses to practical situations. Thus, the assignments practically enhance your understanding as well as skills of articulation and expression in writing. There is one assignment for each theory course. The answers to assignment questions are to be based on your own judgement and experiences as a student. You should not reproduce the text materials or copy the information from other sources. However, you may use the course material and any other sources of information you have for ready reference. But, the answer should be in your own words and should reflect your own ideas. Please note that your assignment responses carry 30% weightage towards the final evaluation of each theory course.

If you do not complete the assignments according to time schedule of assignments of the relevant academic session, then you have to attempt the assignment questions of the next session and submit the assignment responses according to the schedule of that session. You have to send the assignment-responses to the Study Centre you are attached to as per schedule. The instructions given in the assignments should be kept in mind while you prepare and submit the assignment responses.

8.0 TERM-END EXAMINATION (TEE)

The TEE is another component of the evaluation system with 70% weightage for each theory course. The University conducts term-end examination (TEE) twice a year i.e. in June and in December of every year. **Please see the details of operational schedule given under section 5 to appear for TEE under each cycle.** In case you fail to get a pass score (less than 40%) in the TEE, you will be eligible to re-appear in the next TEE for that course, till the final span of the programme i. e. prior to completion by you of the maximum duration of five years from the date of your admission / registration to the programme. Examination date-sheets (schedule which indicate the date and time of examination for each course) are notified through the IGNOU website. It is a pre-requisite to submit the online examination form with a fee of Rs.200/- (revised from time to time) per course. Only one form is to be submitted for all the courses you

are appearing in TEE. **You can choose examination centre anywhere in India from the list of centres notified in the IGNOU website. The code of your chosen centre is to be filled up as Examination Centre Code.** However, if Examination Centre chosen by you is not activated, you will be allotted to any other Examination Centre under the same Region. Change of Examination Centre, once allotted, is not permissible under any circumstances. The dates for submission of examination forms are given below.

9.0 GENERAL INSTRUCTIONS

- Please file all letters that the University sends you, and keep the Programme Guide handy. A record of your progress is maintained at IGNOU, New Delhi.
- Do write to us if you have any difficulties while working through the programme. Remember to intimate the relevant authority sufficiently in advance, if there is any change of address. This will help the concerned authority to send you course material, any information and letters promptly, without any delay or the risk of their being lost.
- Please try to attend as many counseling sessions as possible so as to get the best out of the programme.
- When you receive the printed materials, read the units carefully and note down the important points. You can use the space in the broad margin of the printed pages for making notes and writing your comments.
- Answer 'Check Your Progress' questions. Please remember, the answers to these questions are not to be sent to us. The purpose is to enable you to evaluate your own performance and keep you on the right track. They will enhance your comprehension of the subject matter.
- You can compare your answers with those given at the end of the unit.
