Student's Programme Guide

CERTIFICATE IN RURAL DEVELOPMENT

**School of Continuing Education
Indira Gandhi National Open University
Maidan Garhi, New Delhi -110068**

YOUR ATTENTION PLEASE

You are requested to go through this guide carefully before you proceed to the course material. It is further suggested that whenever you have a question to ask us, do look into this Guide. You will most likely find the answer to your question. If you do not, get in touch with your Regional Centre for information.

The candidates are required to opt only for such a study centre in which the programme is activated. As far as possible the University will allot the study centre opted by the candidate. However, the University may change the study centre at its convenience without concurrence of the student at any time.

Printed material is your backbone. Our study material is prepared by teams of experts keeping in view the interest of the learner group. Each course has a Course Development Committee headed by the Vice-Chancellor and other distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the students can study it by themselves with a little assistance from our Counsellor at the Study Centres. Further, text books and reference books are available in the libraries attached to the Study Centres and Regional Centre. Therefore, students will have no need for any cheap or condensed guide for following courses of IGNOU. In fact these may harm them. Hence, the University strongly advises the students not to take recourse to such type of guides.

As the schematic pattern suggests, the Units are divided into several sections and sub-sections for easy reading and comprehension. Each section is indicated distinctly by bold capitals and each subsection by relatively smaller but bold typeface, so as to make it easier for you to locate and identify them. For purposes of maintaining uniformity we have employed the same pattern of presenting the text throughout the Course.

Section 'X.0' i.e., Aims and Objectives in each Unit tells you briefly :

- The content presented in the Unit, and
- What we expect you to learn once you complete the Unit.

The last section of each Unit, is 'Let Us Sum Up'. For purposes of recapitulation and ready reference, we summarize the text of the whole Unit in this section.

Model answers to 'Check Your Progress' are given at the end of each Unit. In certain cases we have listed a few activities to be taken up by the learners.

Study Centres

To provide academic support to the learners, the University has established large number of study centres throughout the country. These study centres are co-ordinated by Regional Centres and sub-regional centres. In addition to these there are also Army/Air Force/Navy/Assam Rifles/CPRF recognized regional centers.

You can avail of the following facilities at IGNOU's Study Centres:

- Counselling Sessions
- Library Facilities
- Audio- Video Programmes
- Discuss administrative and academic matters with the Co-ordinator.

Get in touch with the Coordinator of your Study Centre for seeking information and time-table related to counselling sessions of this programme.

Academic Counselling Sessions

The aim of the academic counselling sessions, conducted at a Study Centre, is to provide you an opportunity for face-to-face interaction with your Counsellor: During such sessions you can discuss problems relating to the instructional material and other important matters. This will also give you an opportunity to meet your peers. **Attending counselling sessions, though not compulsory, is useful in several respects.** Direct interaction with your counsellor and fellow learners will enable you to share views on the subject. The Counsellors will provide guidance and facilitate comprehension of some of the complex ideas or issues through lively and fruitful discussions. **So please attend them.**

Counselling sessions are very different from usual classroom teaching. Counsellors are usually academicians from the relevant discipline. Sometimes, persons having the requisite academic qualifications and experience of working in the field of rural development are appointed as Counsellors. Counsellors are in a position to answer your queries. At the Study Centre, you will also be able to watch the video programmes and listen to the audio cassettes prepared to supplement the print material. Contact the Coordinator of your Study Centre to find out the exact dates of the counselling and audio-video sessions.

The broad schedule of counselling sessions is provided at **ANNEXURE-II**.

Before you attend the counselling sessions, please go through the course material carefully so that you are able to identify content-areas requiring clarifications, Please note that a counselling session is effective only when it provides two way communication rather than one way communication where the Counsellor does all the talking.

Evaluation

Evaluation will be done on the basis of: : a) continuous assessment of assignments (25 percent of total weightage), b) term-end written examination (75 per cent weightage), Evaluation will be done on a five point scale using the letter grades A,B,C,D,E. The notional correlates of the letter grades and point grade range are given below:

Grading System

Notional Correlates	Grade	Grade Point	Point Grade Range
Excellent	A	5	4.50 and above
Very Good	B	4	3.50 and below 4.50
Good	C	3	2.50 and below 3.50
Satisfactory	D	2	1.50 and below 2.50
Unsatisfactory	E	1	0.50 and below 1.50

Term-end Examination

A student must score at least 'D' in the Continuous Assessment or the term end examination. But in the overall computation s/he must have atleast 'C' grade in each course to qualify for a certificate. Thus it is necessary for the students to score at least 'C' grade in each of three courses of the certificate programme.

3. INFORMATION REGARDING ASSIGNMENTS

You must have received a set of assignments for CRD along with the set of print materials sent to you. In case you have not received it, please please download the same from IGNOU website.

You have to do **one assignment for each course**. All the assignments will be considered for evaluation. Thus, in the Certificate Programme you will have to work on three assignments for three courses. All the assignments are 'Tutor Marked Assignments' (TMAs). This means that the questions will be of the long answer, medium answer and short answer types.

Are you wondering what we expect from you in these assignments?

Assignments constitute the continuous evaluation component of a course. They can be done in your home or work place or library or any other place you think has the right environment. You may consult suitable persons, books, or other sources for the completion of your assignments. An assignment, therefore, is not like writing an answer book in an examination hall. It is, however, equally important as grades are given to assignments after evaluation. As mentioned earlier, the assignments of a course in CRD carry 25 percent weightage. The grades that you get in your assignments will be counted in your final result. Therefore, you are advised to attempt your assignments seriously.

The main purpose of assignments is to test your comprehension of the learning material you receive from the university. The information given in the printed course material is normally considered sufficient for answering the assignments. Please do not worry about the non-availability of extra reading material for working on the assignments. However, if you have easy access to other books, you may use them. But the assignments are designed in such a way as to help you concentrate mainly on printed course material and your personal experience.

Some of the assignments are knowledge based and some are of applied nature. Assignments which are knowledge based will require you to write essay type answers. For answering applied type of assignments you should apply the knowledge you have gained by going through a Unit/Block/Course. In either case, the answers should be your own. You must not reproduce text material verbatim or copy the information from other sources. However, you can make use of the material and information you have at your disposal in an innovative way. Whenever you quote from the text/books/journals, you must give the reference. You can pick up ideas from whatever sources you may have. However, plan and use them in your own words when you write the answers to the assignments.

- The answer should be precise, well documented and relevant to the question.
- Keep the word-limit of the answer in mind. A slight variation in length does not matter. But your answer should not be too short or too lengthy. Avoid discussing minor issues at great length. By setting a word-limit for some of the assignments we mean to convey that a reasonably adequate response can be presented within the suggested word-limit.
- Whenever you receive a set of assignments, check them immediately. If there are some missing pages, ask for them from your concerned Regional Director.
- The assignment you have attempted should be complete in all respects. Before submission you should ensure that you have answered all the questions in assignments. Incomplete answer-sheets will bring you poor grades.
- You must submit your assignments according to the schedule indicated in the assignments. The University/Coordinator of the Study Centre has the right to reject the assignments received after the due date. You are, therefore, advised to submit the assignments before the due

date. In case you get the assignments and study material late, the assignment responses should be submitted within one month of the date of receipt of study material and assignments or within the due date given in this schedule whichever is later.

- For your own record, retain a copy of all the answers to assignments which you submit to the Coordinator of your Study Centre. If you do not get back the evaluated tutor marked assignments within a month of their submission, please try to get them from your study centre personally. This may help you to improve the answers to your future assignments.
- Maintain an account of all the corrected responses to assignments received by you after evaluation. This will help you to correspond with the University in case any problem arises in future.
- If you are unable to submit the assignments or are unable to score the minimum qualifying grade 'D', you have to collect, attempt and submit the assignments meant for the next batch of students. The new assignments will be available on IGNOU website.

In case you find that the score indicated in the assignment sheet of your assignments has not been correctly reflected in your grade card; you are advised to contact the coordinator of your study centre with a request to forward correct authenticated award list to the Registrar (SR&E Division) IGNOU.

- Once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre.

SPECIFIC INSTRUCTIONS FOR TUTOR MARKED ASSIGNMENTS (TMAs)

- 1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.
- 2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet. Course Code and Assignment Code may be reproduced from the Assignments.

The top of the first page of your response sheet for each assignment should thus look like the following:

PROGRAMME TITLE	ENROLMENT NO
PROGRAMME CODE	NAME.....
	ADDRESS

COURSE CODE:	
COURSE TITLE:	
ASSIGNMENT CODE:	
STUDY CENTRE:	SIGNATURE
SIGNATURE	DATE

- 3) Read the assignments carefully and follow specific instructions, if any, given alongwith the assignments.
- 4) Go through the units on which the assignments are based. Note the points relating to the question, rearrange those points in a logical order and work out a rough outline of your answer. While attempting a long answer type question, give adequate attention to the introduction and the conclusion. In the introduction you should give your brief interpretation of the question and how you propose to develop the answer. The conclusion should summarise your response to the question. Make sure that the answer is logical and coherent. The answer should be divided into appropriate paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise.
- 5) Use only foolscap size paper for your response and tie **all the pages carefully Avoid using thin paper**. Allow a 4 cm margin on the left side and at least a few lines in between each answer. This may facilitate the evaluator to write useful comments on the margin at appropriate places.
- 6) Write the responses to assignments in your own hand writing. Do not print or type the answers.
- 7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
- 8) Answers to each assignment should be written on a separate set of papers.
- 9) Write the question number and the question before writing the answer.
- 10) The completed assignment should be sent only to the Coordinator of the Study Centre allotted to you. **Do not** send the tutor marked response-sheets to the Student Evaluation Division, IGNOU, New Delhi.
- 11) After submitting the assignment at the Study Centre, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.
- 12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments **only to the original Study Centre that has been allotted to you by the University**.

The revised grade card/marks-sheet will be sent to the students within one month from the receipt of application. Re-evaluation is not permissible for Projects, Practicals, Assignments & Seminars etc.

Your study centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to: The Registrar, Student Evaluation Division), Indira Gandhi National Open University, Maidan Garhi, New Delhi-110068 at least one month before the commencement of the examination. The request received at the Headquarters thereafter, will not be entertained.

The Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communication is normally sent to the Coordinators of the Study Centres and Regional Directors. The Coordinator would display a copy of such important circulars/notifications on the notice board of the Study Centre for the benefit of all the students. You are, therefore, advised to keep in touch with your Coordinator so that you get advance information about assignments, submission of examination forms, date-sheet, list of students admitted to a particular examination, declaration of result etc.

While communicating with the University regarding examination, please clearly write enrolment number and complete address. In the absence of such details, we will not be able to attend to your problem,

The University normally may require 3 to 4 months to intimate the result of a particular term-end examination. In such cases, it is advisable for you to submit an examination form without waiting for the result. Once you receive your results and if you find that you have passed in that course, you need not appear for that course again.

5. PREPARATION FOR EXAMINATION

We understand that adult learners will have many domestic and social commitments demanding their attention. But it is possible to find some time for your study. Convince your colleagues and family members that you need some privacy to study and adhere to the regular timetable. As soon as you receive the study materials, start working on them. Do not postpone to study the course-materials.

For obvious reasons, printed material will be the primary form of instructional material, although

there will be a few audio-video programmes and counselling sessions. Normally, you will have to concentrate mainly on the printed material sent to you. **Please try to attend as many counselling sessions as possible so as to get the best out of the programme.**

Read the Units carefully and note down the important points. You can use the space in the broad margin of the printed pages for making notes and writing your comments. Try to answer 'Check Your Progress' questions. **Please remember, the answers to these questions are not to be sent to us.** The purpose is to enable you to evaluate your own performance and keep you on the right track. That is why they are called 'Self-Check' questions. They will enhance your comprehension of the subject-matter. If you are not satisfied with your answers, do not get worried. You can compare your answers with the model answers given in the text and see where you have gone wrong. (At times, it is possible you may have a better answer than the one we presented. We welcome your suggestions.) In any case, the model answers will help you to reinforce the information/knowledge acquired by your first reading of the text.

6. TERM-END EXAMINATION

The term-end examination for the Certificate Programme in Rural Development is held in June and December each year. Dates and the venue of the examination will be intimated to you in time by the Registrar, Student Evaluation Division of the University.

There is one term-end paper for each course. In other words, you will have to appear for three papers. Each paper is of three hours duration. Each paper carries 75 per cent of the total weightage and the remaining 25 percent is covered by your assignment-responses. For example, the term-end examination paper for Course MRD-101 of 100 marks will have 75 percent weightage in the computation of Grades. The rest 25 percent weightage will be given for the assignments of the same course. Final grading of your performance in each of the three courses is computed along these lines.

Students may appear for one or more courses at a time. Please note that normally examinations will be held twice a year - first in the month of June and again in December. **Students admitted for a particular session can appear in the examination for the first time after completion of six months.**

If you fail to clear all the subjects in the first attempt or do not wish to appear in all the subjects at a time, you can clear them in the subsequent examinations. You are free to appear for as many courses as you like at a time. **However, you must clear all the courses within two years of your admission.**

To qualify in the continuous assessment (on the basis of assignments) you must take note of the following points:

- I. You are required to attempt one assignment for each course. As mentioned earlier, each assignment will be considered for grading your performance.
- II. The score for successful completion in the continuous evaluation of each course is Grade 'D'. If you fail to make this score, because of not being able to score the minimum qualifying grade i.e. 'D') then you will have to wait for the assignments meant for the next batch of students. You should procure a new set of assignments and submit after completion. New assignments are uploaded every year on IGNOU website.
- III. Except as stated under item (ii) above, there is no provision for redoing assignments for the purpose of just improving upon the grades scored, nor can they be re-evaluated except for the factual errors.

- IV. The lowest successful completion score at the term-end examination is also 'D'.
In case one fails to make this score, one is eligible to reappear in the next term-end examination as and when it is held within the total span of two years permitted for the programme.
- V. **If one fails to score overall 'C' in each COURSE (putting the score on assignment and the term-end examination together), one has the option to score the lowest qualifying grade 'C' either by appearing at the text term-end examination or by working on a new set of assignments meant for the particular year. For example:**
- If a student in a particular Course, say MRD-1 0 I scores a 'C' grade for the term end examination and 'D' grade for the Continuous Evaluation, then she/he will be considered as having passed in that Course.
 - If a student scores a 'D' grade for the term-end examination and a 'D' grade for the Continuous Evaluation, then she/he will be considered as failed in that course.
 - If a student scores a 'D' grade in the term-end examination, she/he will have an option either to score at least 'B' grade in the assignment of that course by submitting fresh assignment of next year or may reappear in the term-end examination to improve the score so as to get overall minimum qualifying 'C' grade.
