PROGRAMME GUIDE

for

Master’s Degree in Social Work (MSW)
Printed material is our backbone. Our study material is prepared by teams of experts keeping in view the interest of the learner group. Each Course has a Course Development Committee headed by the Vice-Chancellor and other distinguished academics and professionals involved in the course preparation. The course material is written in such a manner that the students can study it by themselves with a little assistance from our Counsellors at the Study Centres. Further, text books and reference books are available in the libraries attached to the Study Centres and Regional Centres. Therefore, students will have no need for any cheap or condensed guides for following courses of IGNOU. In fact these may harm them. Hence, the University strongly advise the students not to take recourse to such type of guides.

Please keep this Programme Guide safely till you complete the Programme. You will need to consult it throughout the duration of the Programme.

IMPORTANT INFORMATION

“The University sends study materials and assignments, wherever prescribed, to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.”

“In case a student wants to have assignments, he/she can obtain a copy of the same from the Study Centre or Regional Centre or may download it from the IGNOU website - www.ignou.ac.in”

“The students are specifically instructed to send Examination Forms to concerned Regional Centres only and to no other place and they are also advised to submit the Registration/Re-registration Forms only at the respective Regional Centres and nowhere else. If any student sends the Registration/Re-registration Forms, Examination Forms at wrong places and thereby misses the scheduled date and consequently a semester/year, he/she will have no claim on the University for regularization.”

“The policy of reservation for the OBCs/SCs & STs under the CEI Act is applicable to all programmes/courses of study at the undergraduate, graduate, postgraduate levels, etc. except courses or programmes at high levels of specialization including at the post-doctoral level within any branch of study which the Central Government in consultation with the appropriate statutory authority (UGC/BCI/MCI/AICTE/etc.) may specify” (As per clause 3 III of the OM No.1-1/2005-U1A/847 dated 20th April 2008).

5.1 How to Decide Your Time Schedule?

The University offers a lot of flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. As indicated earlier you can complete this programme in 2 year if you clear 36 credits of courses every year. If you are not able to complete it within this period you can take a maximum of 5 years to complete it. It would be better if you plan it in a systematic way. For two years you will receive study material and assignments according to your options but it is upto you to decide which courses you will complete in a particular year. Completion of a course would involve studying the course, completing the assignments and appearing in term end examination. If you are busy elsewhere and not able to fully devote yourself to the programme, you should fix your targets every year. If you feel that instead of 36/30 credits you would do only 24 or 16 credits plan it from the beginning of the year, study only these courses, do the assignments for them and appear for term end examination in these courses. Carry over the rest to next year. Again next year, decide your goals for that year. Whenever you decide to do the previous year’s course ask for fresh assignments in the month of November/December from Jt. Registrar, Material Production and Distribution Division at the Headquarters in the prescribed forms printed in this programme guide, and submit them according to the schedule and appear in the term end examination. By a proper planning every year, you can complete this programme according to your convenience. As mentioned earlier, completion of field work practicum of previous year is mandatory for starting field work practicum for the second year. However, you can appear for term end examination of second year.

6. FEE STRUCTURE AND SCHEDULE OF PAYMENT

The University will keep changing the fee from time to time and one will have to find out the details from the Study Centre/Regional Centre. Programme fee is to be paid in lump sum at the time of registration along with the filled in application form. You have to pay programme fee two times i.e., 1st year and 2nd year as per the schedule without waiting for any communication from the university. For the first year you have already paid the fee at the time of admission. For second year, concerned Regional Directors will send you Course Registration Form along with proper guidelines in the month of July. If you do not get the form, you may contact your Regional Centre before 30th September. Copies of the forms for registration in 2nd year are printed in this programme guide. You can take photocopies and use them when needed.

The programme fee should be paid only by means of demand draft drawn in favour of IGNOU and payable at the city where your Regional Centre is situated. Please write your name (in capitals) and programme code and period for which fee is paid at the back of your demand draft to ensure proper credit to your fee account. Admission and Re-registration forms along with the draft are to be submitted at Regional Centres and NOT at headquarter.

Timely payment of programme fees is your responsibility. You are expected to remit fee as early as possible without waiting for the last date. Late payments will not be entertained. In case you fail to remit the fee as per above schedule you will have to wait for next cycle of admission after a year. Non-payment of fee results in discontinuation of the despatch of study material. Such students will not be permitted to write the examinations and their admission may be cancelled. In case any student willfully appears in an examination without proper registration for a course, disciplinary action shall be taken against him/her as per rules of the University. Fee once paid is not refundable.

The maximum period for completing MSW is five years. After the expiring of this five years period, you can re-register to complete the remaining courses. Without re-registration, you should not appear for term end examinations or submit Field Work Journals and Dissertations. If you submit the journals and dissertation without re-registration, you will have to pay additional penalty of Rs. 1000/- for each Course/Journal/Dissertations alongwith re-registrations fee.
7. **MEDIUM OF INSTRUCTION**

The Master's Degree in Social work is offered by the university through the medium of English and Hindi. Printed course material and assignments are sent to you in the medium you have opted for. Similarly, you have to submit the assignments and attempt the term-end examinations in both the languages.

8. **INSTRUCTIONAL SYSTEM**

The methodology of instruction in this University is different from that in the conventional universities. The Open University System is more learner-oriented, and the student is an active participant in the teaching-learning process. Most of the instructions are imparted through distance rather than face-to-face communication.

The University follows a multi-media approach for instruction. It comprises:

- self-instructional print material
- audio and video-cassettes
- audio-video programmes transmitted through Doordarshan/Gyan Darshan and Radio/IGNOU FM channels
- teleconferencing in gyan darshan channel
- face-to-face counselling at Study Centres by academic counsellors
- assignments
- practicals

8.1 **Print Material**

Print material is the primary form of instructional material, although there will be a few audio-video-programmes and counselling sessions. Therefore, you have to concentrate mainly on the printed materials that we send you periodically. The printed material would be sufficient to write assignment responses and prepare for the term end examinations.

**How to use Print Material**

The print material prepared by the University is self instructional in nature. Each course has been divided into a number of Blocks, generally 6 to 8 Blocks for 10 credit course and 4 or 5 Blocks for a 4 and 6 credit course. Each Block consists of a number of Units (lessons). Normally, all the Units covered in one Block have a thematic unity. The first page of each Block indicates the contents of each Block i.e., the number and titles of the Units covered in that Block. This is followed by a brief introduction to the Block. This Block introduction explains the total coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured to facilitate self study for you. The section on **Objectives** briefly states what we expect you to attain when you have completed the Unit. In **Introduction**, there is an attempt to forge a link with the topics of the previous Units and the topic to be covered in the present Unit. This is followed by the main body of the Unit, which is divided into various sections and subsections: In the main body there are a few self-check exercises under the caption **Cheek Your Progress**. Enough space is given for you to write your answers to the questions set in the self-check exercises.

The section **Let Us Sum Up** summarises what has been said in the whole Unit. This summary enables you to recall the main points covered in the Unit. To facilitate comprehension, important
words/terms covered in the Unit are explained in the section **Key Words**. Some books for additional reading are suggested in the section **Some Useful Books**. For your reference purpose some of these books may be available in the study centre. **Check Your Progress Exercises are for, your practice only, and you should not submit answers to these questions to the University for assessment.**

Read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units mark the words that you do not fully understand. Look for the meaning of such words under the section **Key Words** or in a dictionary. Read the Unit again and again until you have understood the point. You may also try to find it in earlier Units as it may be explained there. However, if you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

Try to answer ‘**Check Your Progress**’ questions. These exercises will help you to reinforce the information/ knowledge you gain through your first reading of the text. Proper comprehension of the units and the points/ notes made by you while reading through the Units would help you in answering the Check Your Progress Exercises given in the Units.

### 8.2 Audio-Video Material

In addition to the print material, audio and video tapes have been prepared for each course. The audio-video material is supplementary to the printed material. Hence, we advise you to make use of it, as that will help you to understand the subject better. The students can take all information regarding Doordarshan programme through sending emails: gyandarshan@ignou.ac.in, gyanvani@ignou.ac.in. All the programme details can be taken out from IGNOU website i.e. www.ignou.ac.in. The information will also be available at your regional and study centres. **The schedule of transmission is communicated to you through the IGNOU Newsletter.**

Audio programmes are broadcast in some select states also through Radio stations. Information about these would be available at your Regional Centre.

The telecast schedule for transmission of programmes through Gyan Darshan is communicated through a monthly booklet. Audio-video material will not be supplied individually but will be made available to you at the Study Centres. You can watch these programmes during counselling sessions. Students desirous of buying the audio-video tapes can procure them from: **Director, Electronic Media Production Centre, IGNOU, Maidan Garhi, New Delhi-110 068.**

### 8.3 Interactive Radio Counselling

The University has started interactive counselling through AIR network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by respective Radio Stations. This counselling is available on every Sunday between 4 and 5 p.m.

### 8.4 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel of India called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Apart from programmes of IGNOU it will have educational programmes produced by various national education institutions. You should try to get access to it through your cable operator. The schedule of programmes with time and date is sent to all study centers one month in advance. Please obtain it from there.

### 8.5 Teleconferencing

To reach our students spread in different parts of the country we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. You will be sent
a schedule with topics in advance through your study centres. The faculty at Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to programmes of study.

8.6 Counselling

In distance education, face-to-face contact between the learners and their tutors/counsellors is an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow students. There are experienced academic counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **The counselling sessions are not compulsory.** However, they may be very useful in certain respects such as: to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues, and get clarifications for many doubts which you would not otherwise try to raise, and consult academic counsellors for selecting courses of study.

Face-to-face counselling will be provided to you at the study centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for this programme. In these sessions you must look into the subject based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video cassettes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your course material and note down the points to be discussed. Unless you have gone through the Units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. Also try to understand each other’s points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your counsellors.

Generally there will be 10 counselling sessions for an 8 credit course and 5 sessions for a 4 credit course. For Field Work guidance, details are given in the Field Work Journal.

8.7 Social Work Practicum (Field Work)

As mentioned earlier successful completion of Field Work Practicum (MSWL-001) in the first year is a necessary condition to take up field work practicum (MSWL-002) in 2nd year. Details are given in the Field Work Journal for 1st and 2nd year respectively. Field Work Journal provides space for writing reports of various activities such as:

The Study Centre Coordinator will provide you a supervisor who has the required qualification. If you do not get one, please contact the programme coordinator.

It is mandatory to be supervised under the guidance of qualified professional social worker.
8.8 Study Centres

To provide effective student support, we have set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The list of Study Centres is provided in section 14 of this Programme Guide. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Every Study Centre will have:
- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other supporting staff appointed on a part-time basis.
- Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

1) **Counselling:** Face-to-face counselling for the courses will be provided at the Study Centres. Generally, as stated earlier, there will be 10 counselling sessions for an 8 credit course and 5 sessions for a 4 credit course. The detailed programme of the counselling sessions will be sent to you by the Coordinator of your Study Centre.

2) **Evaluation of Assignments:** Tutor Marked Assignments (TMA) will be evaluated by the Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor comments and marks obtained. These comments will help you in your studies.

3) **Library:** For each course some of the books suggested under ‘Suggested Reading’ will be available in the Study Centre Library. All audio and video tapes are also available in the library.

4) **Information and Advice:** At the Study Centre you get relevant information regarding the courses offered by the University, counselling schedules, examination schedule, etc. You will also get guidance in choosing your elective and application-oriented courses.

5) **Audio-Video Facilities:** The Centres are equipped with audio-video facilities to help you make use of the audio and videocassettes prepared for different courses. Media notes of these audio-video programmes will also be available at the Study Centre. This will help you to know the contents of each programme.

6) **Interaction with Fellow-Students:** In the Study Centres you get an opportunity to interact with fellow students.

Please bring all your Units and your folder of corrected assignments with you when you come to the counselling session.

9. EVALUATION

1) The performance of the students will be assessed under 'Numerical Marking Scheme'. Evaluation Methodology has following components:

   **Theory Courses:** i) Continuous Evaluation through assignments carries 30% weightage and ii) Term-end examination carries 70% weightage.

   **Social Work Practicum:** i) Evaluation done by supervisor carries 50% weightage, & ii) External evaluation carries 50% weightage.
The Dissertation (Project work) carries 100% weightage.

2) Minimum 40% marks are required separately in continuous evaluation and term-end examination to complete each theory course.

Minimum 50% marks are required separately in each component of Social Work practicum. In case you fail to secure minimum 50% in either of the components in Social Work Practicum, you will have to repeat the Practicum.

9.1 Assignments - Instructions

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The marks that you get in your assignments will be counted in your final result. Assignment of a course carry 25% weightage while 75% weightage is given to the term-end examinations. Therefore, you are advised to take your assignments seriously. A simple omission on your part may cause loss to you and inconvenience at all levels in the University.

You have to complete the assignments within the due dates specified in the assignments booklet or within one month of the date of receipt of assignments whichever is later. You will not be allowed to appear for the term-end examination for any course if you do not submit the specified number of assignments in time for that course. If you appear in term-end examination, without submitting the assignments the result of term-end examination would be liable to be cancelled.

You will not be allowed to appear for the term-end examination for any course if you do not submit the assignment in time for that course.

The main purpose of assignment is to test your comprehension of the learning materials you receive from us and also to help you get through the courses. The evaluators/counsellors after correcting the assignments send them back to you with their comments and marks. The comments guide you in your study and help in improving it. The content provided in the printed course materials should be sufficient
for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have easy access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the printed course materials and exploit your personal experience.

There is only one Tutor Marked Assignment (TMA) which shall be evaluated by the counselor.

Whenever you receive a set of material and assignments, check them immediately and ask for missing pages, if any, from Material Production and Distribution Division, (IGNOU, Maidan Garhi, New Delhi-110068).

The assignment responses should be complete in all respects. Before submission you should ensure that you have answered all the questions in all assignments. Incomplete answer sheets bring you poor grades. The University/Coordinator of the Study Centre has the right to reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of assessment sheet containing comments of evaluator on your assignment within a month after submission, please try to get it personally from your study centre. This may help you to improve upon future assignments. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

In case of tutor-marked assignments, you have to submit your response sheets to the Coordinator of the Study Centre assigned to you. After evaluation these tutor marked assignments will be sent back to you with comments and marks (grade).

Do not forget to get back your duly evaluated tutor marked assignments alongwith a copy of the assessment sheet containing comments of the evaluator on your performance. This may help you to improve future assignments.

If you do not get pass grade in any assignment, you have to submit it again. To get fresh assignments you should write to Registrar, MPDD, IGNOU, Maidan Garhi, New Delhi-110068. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him to the Student Evaluation Division at Headquarters. Score communicated by the study centre through any mode other than the award list will not be acceptable to the university for taking your score of assignments on your record.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the coordinator of your study centre with a request to forward correct award list to the SE Division at the Headquarters.

Do not enclose or express doubts for clarification if any about study material or assignment alongwith the assignment. Send your doubts in a separate cover to the Director of the concerned School at IGNOU, Maidan Garhi, New Delhi-110068. Give your complete enrolment number, name, address, phone/mobile number, title of the course, and the number of the Unit or the assignment, etc. on top of your letter.

SPECIFIC INSTRUCTIONS FOR TUTOR MARKED ASSIGNMENTS (TMAs)

1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.

2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.
Course Code and Assignment Code may be reproduced from the assignment:
The top of the first page of your response sheet should look like this:

<table>
<thead>
<tr>
<th>ENROLMENT NO.:</th>
</tr>
</thead>
<tbody>
<tr>
<td>PROGRAMME TITLE:</td>
</tr>
<tr>
<td>COURSE CODE:</td>
</tr>
<tr>
<td>COURSE TITLE:</td>
</tr>
<tr>
<td>ASSIGNMENT CODE:</td>
</tr>
<tr>
<td>STUDY CENTRE:</td>
</tr>
</tbody>
</table>

All Tutor Marked Assignments are to be submitted at the study centre assigned to you.

3) Read the assignments carefully and follow the specific instructions, if any given on the assignment itself about the subject matter or its presentation.

4) Go through the Units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay-type question give adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise. While solving numericals, use proper format and give working notes wherever necessary.

5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.

6) Write the responses in your own hand. Typed assignments are also acceptable. Do not copy your answers from the Units/Blocks sent to you by the University. If you copy, you will get zero marks’ for the respective question.

7) Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.

8) Write each assignment separately. All the assignments should not be written in continuity.

9) Write the question number with each answer.

10) The completed assignment should be sent to the Coordinator of the Study Centre allotted to you. Under any circumstances do not send the tutor marked response sheets to the Student Evaluation Division at Head Quarter for evaluation.

11) After submitting the assignment at the Study Centre get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.

12) In case you have requested for a change of Study Centre, you should submit your Tutor Marked Assignments only to the original Study Centre until the change of Study Centre is notified by the University.
13) If you find that there is any factual error in evaluation of your assignments e.g., any portion of assignment response has not been evaluated or total of score recorded on assignment response is incorrect you should approach the coordinator of your study centre for correction and transmission of correct score to headquarters.

14) While submitting assignments and field work journals to the study centre, you must ensure that each time an acknowledgement receipt is taken from the study centre. If the academic counsellor refuses to provide acknowledgement receipt, the matter must be reported to the study centre co-ordinator. If the co-ordinator also refuses to provide the acknowledgement receipt the matter must be reported to the programme co-ordinator by e-mail or telephone call followed by a written complaint to Director, SOSW, IGNOU, Maidan Garhi, New Delhi-110068

- **Issues Examination Hall Ticket**
  
  University issues Examination Hall Ticket to the student’s at least two weeks before the commencement of Term-end Examination the same could also be downloaded from the University’s website www.ignou.ac.in. In case any student fails to receive the Examination Hall Ticket within one week before the commencement of the examination the students can download the hall ticket from the website and approach the exam centre for appearing in the exam.

Although all efforts are made to declare the result in time, there will be no binding on the University to declare the results of the last examination before commencement of the date of filling up the examination term. You are therefore, advised to fill up the form without necessarily waiting for the result and get it cancelled at a later date if so required.

No student is allowed to reappear in an examination or submitting assignments for improving the marks/grade after successfully passing it.

Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communications are sent to the Coordinators of the Study Centres and Regional Directors. The Coordinators would display a copy of such important circular/notification on the notice board of the Study Centre for the benefit of all the Students. You are, therefore, advised to get in touch with your Coordinator for day-to-day information about assignments, submission of examination forms, date-sheet; list of students admitted to a particular examination, declaration of result, etc.
