

**Workshop on  
‘Creative Use of Technology and Tools for teaching learning’  
organised by NCIDE on 20<sup>th</sup> -21<sup>st</sup> February,2013 at IUC, IGNOU**

Creativity plays a very important role in offering interesting new ways of teaching and learning, particularly in distance education. In this context, a two day workshop, on “Creative Use of Technology and Tools for Teaching-Learning’ was held on 20<sup>th</sup> and 21<sup>st</sup> of February, 2013 aimed at enabling the participants to work on an innovative technology enabled solution developed by our faculty at IGNOU, who also won the Innovation Award. This Workshop was aimed at providing a platform to various faculty members of IGNOU to develop a prototype of the above-mentioned technological interventions to address learners’ concerns.

Apart from keynote address and lectures the workshop also had sessions involving group work among the participants. The workshop received quite an overwhelmingly positive feedback from the participants.

**Coordinator: Dr. Jyotsna Dikshit, Deputy  
Director, NCIDE and Co-coordinator: Ms.  
Sujata Santosh, Assistant Director, NCIDE**
