It was discussed that the "Activity Report" being taken separately and not integrated with the course NEDS 004, there are problems in declaration of results of the 'Activity Report'. Theory papers are being declared but the results of the Activity Report is not getting declared. So BEDS 004 can be taken as "Integrated Course" comprising of 2 credits Theory and 2 credits of Activity Report. "Activity Report" should cover all theory courses of BEDS-001, BEDS-002, BEDS-003 &amp; BEDS-004 and results to be declared collectively.</i></p> <p>The Minutes of Brainstorming Meeting for CPVE organized by SOEDS on 23.06.2015 and the changes in the Certificate Programme in Value Education (CPVE) programme as suggested were approved.</p>
