5.13 Campus Placement Cell

The Campus Placement Cell of the University convened two placement drive events in the reported period with proactive assistance of respective Regional centers of Delhi, NCR. All the events were held in the virtual mode. An important achievement during the reporting period has been the registration of the Alumni Association of IGNOU [AAI] as a Registered Society under the Societies Registration Act, 1860 on the 23rd March, 2021. AAI has been mandated to foster close relationship between the Alumni and the University; to have Chapters of the Association at different Regional Centers and to promote the values enshrined in the IGNOU Act. A Virtual Interaction of the Alumni was held on the 6th January 2021, in which more than 65 members participated. The University developed Placement and Alumni Registration Portal with the support of Samarth Project, initiative of Ministry of Education.
