

**Indira Gandhi National Open University**  
*School of Engineering & Technology*

**Attention: Engineering Degree /Diploma students.**

University has a prescribed minimum and maximum duration for each programme. Often students approach the University requesting grant of further extension of re-registration so as to clear their balance courses and thereby seeking 'special readmission/re-registration' beyond permissible rules.

Accordingly, all engineering degree/diploma students are informed the following:

**“There is no provision for special readmission/re-registration beyond the prescribed period of registration for engineering degree/diploma programmes.”**
