7.1.8 Miscellaneous

The DEP-SSA remains always busy with organizing meetings, orientation programmes based on the day-to-day functioning of the project. These meetings are initiated by the MHRD according

to the need of the subject and its relevance at the National Level. At the same time, all the issues of immediate nature are taken up and given the final shape to make the project activities more beneficial and effective.

The Project received large number of proposals from the States, which need active involvement of the faculty of DEP-SSA and participation of the functionaries at a large scale. There proposals are always in the interest of educational development and finally to achieve the goal of universalization of Elementary Education and to improve the quality of Education at the elementary level.

The focus remains always on teacher training programmes to produce quality teachers.

7.2 Horticulture Cell

The Horticulture Cell, which functions under a Horticulture Committee, maintains all the green areas at the IGNOU Campus, completed five years in July 2006. During the period April 2006 to March 2007 new areas were developed into gardens in front of the Convention Centre and a terrace garden in the residential complex. Two orchards were also developed with fruit trees. During this period organic farming continued and organic vegetables worth Rs.1.67 lakh were sold to the employees in the current year with the total balance in the IGNOU Plantation Account being Rs.4.56 lakhs (upto March 31, 2007).

About 6000 flowerpots were prepared in the IGNOU Nursery besides multiplication of bushy flowers and trees through cuttings and seeds. More than 3000 trees and bushy plants were planted during the period. Officials of the Forest Department, Southern Range, Delhi visited IGNOU campus and gave a highly appreciative report of tree plantation in IGNOU. The campus gave the look of a valley of flowers at the time of Convocation wherein 54 species of flowers were blooming in the entire campus.
