2. Job Description of NetAmbit

NetAmbit is India's most respected Financial Products Distribution Company. With over 3500 workstations, 800 field agents spread across 140 Sales Locations, NetAmbit caters to the largest section of population in India as compared to any other financial services distribution company. The history of the company, however, takes it back to a very different beginning. Founded in the year 2000, NetAmbit began operations at the height of the dotcom bubble. The company soon modified its business goals along with the changing times to initiate its entrance to the 'Direct Marketing' model of operations which has remained its mainstay to date. It was in 2003, with the mushrooming of the financial industry and simultaneous deregulation of the sector, that NetAmbit finally embarked on its journey to become the most respected Third Party Distributor of financial products in India. Currently, it is one of the fastest growing privately held players in the industry with higher than a 100% growth rate, year-on-year.
