Learners can choose from hundreds of courses on SWAYAM from high school to PG level including vocational and skill based training.

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. Since then it is striving to offer high-quality teaching through the Open and Distance Learning (ODL) mode. Today, it serves the educational aspirations of over 3 million students in India and other countries through 21 Schools of Studies and a network of 67 regional centers, around 2,667 learner support centers and 29 overseas partner institutions.
