INTRODUCTION

The ODL system being a technology –enabled system unlike classroom based face-to-face teaching, the curricula at IGNOU is transacted to the learners mainly through IGNOU's Online programmes available on IGNOU LMS; MOOCs hosted on SWAYAM platform; printed SLMs and supplemented with audio and video programmes and academic counseling support.

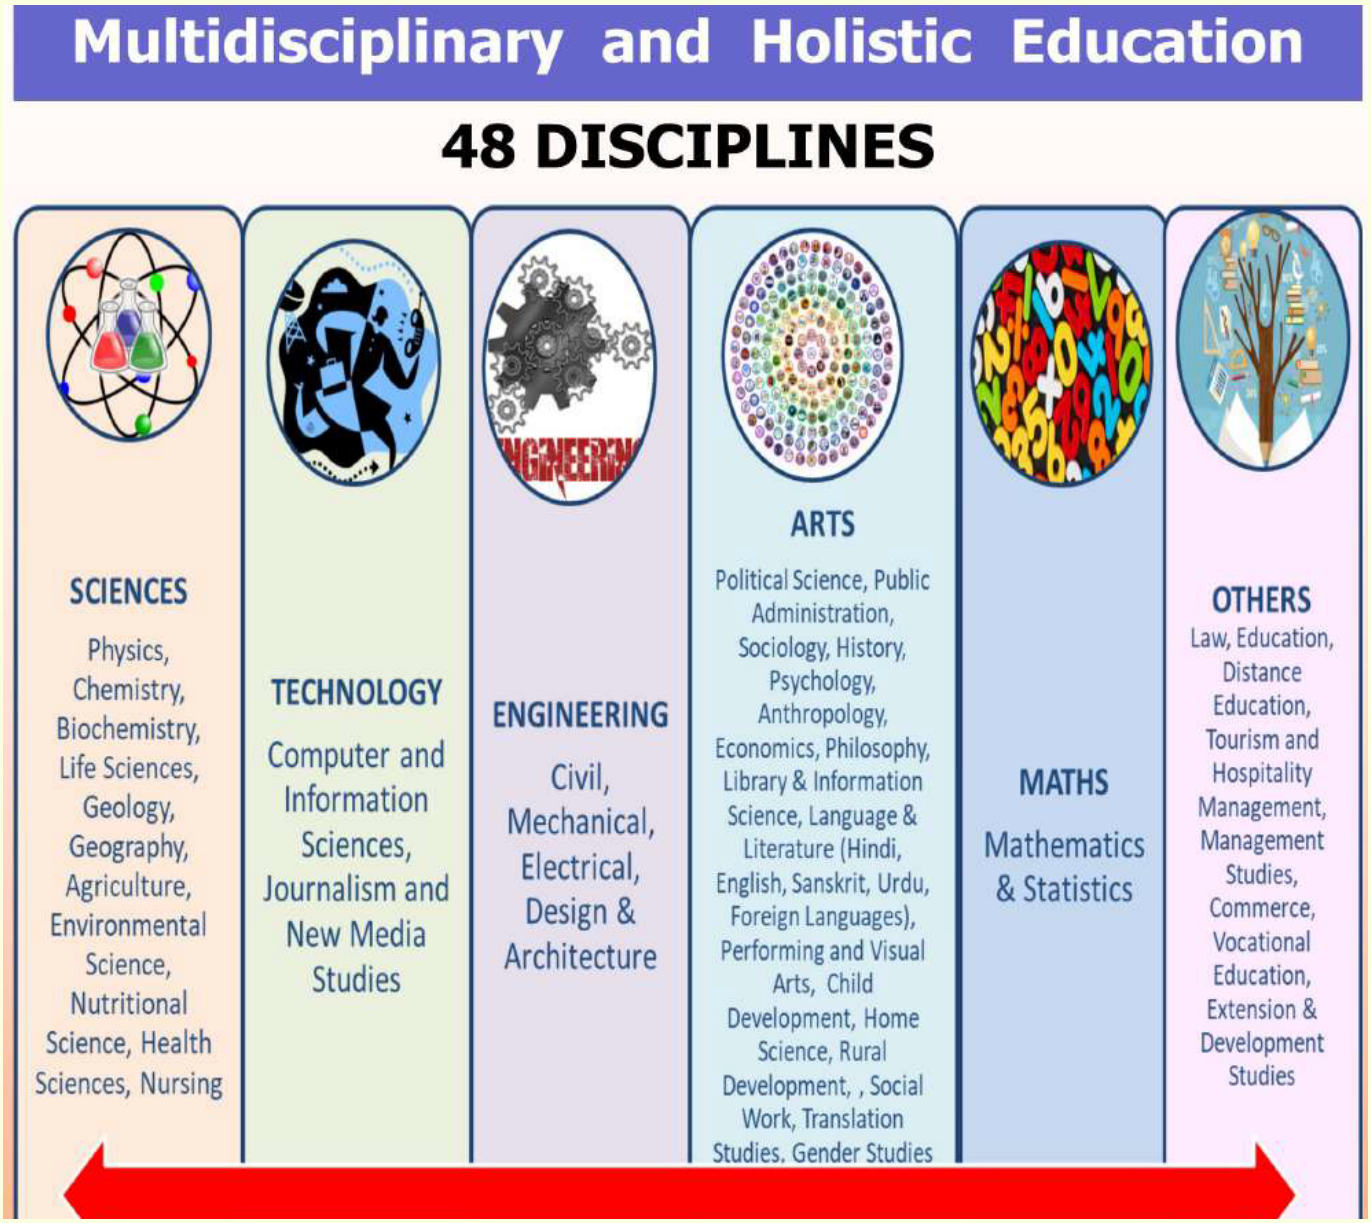
A web-based repository eGyankosh hosts the SLMs of all the programmes. eGyankosh has the links of the videos on YouTube; and audios on Podcast. The IGNOU Student App also has the SLMs uploaded on it. Academic content of the programmes is also transmitted through radio broadcasts on IGNOU's FM radio channel: GyanVani and internet radio channel: Gyan Dhara; through telecasts on Gyan Darshan and SWAYAM PRABHA channels.

MULTIMEDIA APPROACH

- ❑ Self-learning Materials (SLM) in Print
- ❑ SLMs on web based repository: eGyanKosh
- ❑ SLMs on IGNOU eContent App
- ❑ Online programmes on IGNOU LMS
- ❑ F2F Counselling in Learner Support Centres
- ❑ Online Counselling on cloud based Apps and Social Media
- ❑ Audio-Visual aids (also available on YouTube)
- ❑ Gyan Darshan+ 4 SWAYAM PRABHA Channels (Television Channels)
- ❑ GyanVani (FM Radio), Interactive Web Radio (Gyan Dhara)
- ❑ Teleconferencing/ Web Conferencing
- ❑ MOOCs on SWAYAM
- ❑ Practical/ Project /Field work/ Internship/Dissertation/ etc.

Academic counselling support is mainly provided to the learners through counselling sessions conducted by academic counsellors attached to the Learner Support Centres (LSCs) and Regional Centres (RCs) and by the teachers and academics working at the IGNOU Headquarters (HQs) using digital media i.e. web conferencing through various cloud- based apps such as Zoom, Cisco WebEx, Google Classroom, Google Meet, Google Hangouts, Skype, YouTube, Facebook Live, etc. Apart from these online apps, the other channels used by the teachers and academics of the University at the HQs for providing academic counselling services to its learners are: live interactive sessions through GyanDarshan, GyanVani, GyanDhara, and SWAYAMPRABHA channels.

The Web-Enabled Academic Support (WEAS) was introduced in 2019 by the NCIDE as a one-stop portal comprising all required course content, additional academic resources, including assignments and previous years' question papers, and support supporting the learning endeavour of learners along with provision for online counselling.



The IGNOU is a multidisciplinary University with around 300 full-time faculty in 48 disciplines posted its 21 Schools of Studies and STRIDE. With the aim to be an integrated higher education system, promoting holistic and multidisciplinary education and instilling more in-depth learning and mastery of curricula across fields, the University has adopted the following measures:

• In Choice Based Credit System (CBCS) based UG Programmes, existing (or new) courses from across the Schools of Studies has been included to enhance the multidisciplinary nature of these programmes. The University allows its undergraduate learners enrolled in the CBCS based UG Programmes, the freedom to choose courses that lead to imaginative and flexible curricular structures across disciplines.

• To enhance the holistic nature of UG Programmes, existing courses, in the areas of Waste Management, Environmental Education, Climate Change, Health Education, Nursing, Home- based Healthcare, First Aid, Adolescent Health Community Health, Sustainable Development, Community Health, Gandhi and Peace Studies, Understanding BR Ambedkar, etc., are being suitably adapted, modified, and integrated into these Programmes.

• To actively engage with the practical side of their learning and, as a by-product to further their employability, the learners enrolled in courses in Sciences, Computer Sciences, Psychology, Library Science, Social Work, Sustainable Development, Counselling and Family Therapy, Food and Nutrition, Anthropology, Education, Health Sciences, Nursing, Information Security, etc. are required to engage in practical, fieldwork, internships, dissertation, clinical practice, etc. which is a compulsory component. Collaboration with Ministries/ Industries/ NGOs/ ITIs and recognized Skill Training Centres for the delivery of vocational education components in the UG level Programmes is being promoted.

**Source: Data compiled from the monthly reports received from the Schools of Studies & STRIDE

During the academic year, 2021-22 the University was offering 221 academic programmes through ODL mode and 18 programmes through online mode: a total of 239 academic programmes: 45 (42+3) PG Degree, 29 (26+3) UG Degree; 47 (45+2) PG diploma; 26 (25+1) Diploma; and 92 (83+9) Certificate programmes. In addition, 23 new and 99 re-run MOOCs were on offer on the SWAYAM platform.

Cloud-based apps were mainly used by teachers to provide counselling support to IGNOU learners. In total, 1695 counseling sessions were conducted online using apps like Microsoft Teams, Google Meet, and Zoom. All Schools used this medium except for 4 Schools namely School of Computer and Information Sciences (SOCIS), School of Social Work (SOSW) and School of Tourism, Hospitality Services Management (SOTHSM), and School of Humanities (SOH) who preferred to use other media.

Radio was the next major medium used for counselling, which is still a popular form of communication with learners. During the academic year, 550 interactive radio counselling sessions were conducted. The same sessions were also broadcast on GyanDhara, internet radio. This medium was utilized by the all the schools of Studies.

The third major medium used for counselling the learners at IGNOU HQs was teleconferencing. There were 446 sessions conducted through this medium in total. Schools namely School of Management Studies (SOMS), SOSW, SOTHSM and STRIDE preferred other media over teleconferencing.

SWAYAMPRABHA channels were also used by 8 Schools of Studies namely: School of Engineering & Technology (SOET), School of Extension & Development Studies (SOEDS), School of Vocational Education & Training (SOVET), School of Sciences (SOS), School of Translation Studies & Training (SOTST), School of Continuing Education (SOCE), School of Gender & development Studies (SOGDS), and School of Journalism & New Media Studies (SOJNMS), for counselling the learners through telecasts. 158 sessions were conducted through this medium.

FaceBook Live and YouTube Live were also used for counselling the learners. 48 sessions were conducted on YouTube Live and on 38 sessions on FaceBook Live. Only the School of Social Sciences (SOSS) and School of Law (SOL) used this medium to some extent; and two other Schools namely School of Performing and Visual Arts (SOPVA) and School of Interdisciplinary Studies (SOITS) but in a very limited way.

In total, 2935 counselling sessions were conducted from the IGNOU HQs. Please refer to the table below for details. Also the School-wise and media-wise breakup is given in the Table.
