### **Patron**

**Prof. Nageshwar Rao**  
Vice Chancellor, IGNOU

### **Guidance**

**Prof. Santosh Panda**  
Director, STRIDE

### **About STRIDE**

The Staff Training and Research Institute of Distance Education (STRIDE) is a resource centre in ODLE at National level and approved by UGC, conducts workshops, training, professional/faculty development programmes for the teachers of the IGNOU, State Open Universities, Directorates of Distance Education, and dual-mode HEIs

### **About Workshop**

In view of post-Covid 19 global educational scenario, UGC Regulations 2020 (ODL & Online) and the NEP 2020- the role and significance of distance, online and blended learning has become very crucial. HEIs have started looking for newer strategies for teaching-learning and assessment. Development of innovative self-learning resources is considered instrumental for the success of such strategies. In this backdrop, this UGC-Approved workshop has been planned.

### **Expected Outcomes**

- Develop a concept map of a course for online/ODL programme and establish link, between CM, learning outcomes, activities and assessment;
- Explain inter-relation and collaboration between various units in the design & development of learning resources;
- Design, develop and present a draft unit of a course in print-SLM format;
- Integrate emerging technological tools into the SLMs;
- Appreciate teachers' role towards learners' needs vis-à-vis preparation of learning resources.

### **Who Can Participate?**

Teachers/academics/researchers from Indian open universities, ODLE institutes, DDEs/ DEIs and faculty from other HEIs working/to work on development of new courses and SLMs development
