**to participate in**  
**Internal Hackathon 2020 at IGNOU**

1. Proposals are invited from IGNOU students on the problem statement provided on the SIH Website (<https://www.sih.gov.in/sih2020PS>) by January 10, 2020.
2. Screening of submitted proposals will be done by a Committee.
3. Selected teams will be invited for participation in Internal Hackathon to be held at IGNOU during January 17-20, 2020.
4. In the Internal Hackathon students will work on a problem selected from the problem statements provided at the SIH Website.
5. The students will work on the problem on the first day (i.e. January 17, 2020) at IGNOU and then continue at their home for two days.
6. They will come on January 20, 2020 at IGNOU and give presentation of their running model/prototype.
7. Faculty of School of Computer Science, IGNOU and industry experts will be involved to guide the students and in final evaluation.
8. Finally, maximum seven teams (five for software and two for hardware) will be selected.
9. Proposals of selected teams will be submitted for the National Level Smart India Hackathon (SIH 2020) conducted by the MHRD.
