Press Release

Indira Gandhi National Open University (IGNOU) is a Central University which primarily deals with Open and Distance Learning (ODL) programmes for masses. It has a strong network of 56 Regional Centres and over 2800 Study Centres across the country to provide the helping nodes to the students. While IGNOU Regional Centres cater the administrative requirements of the learners, the Study Centres give academic support to the learners.

Normally, Campus Placement Cell (CPC) of IGNOU conducts Placement Drives at the HQ/ Regional Centres or at Company Premises at regular interval. But this time, it has been decided to innovate with the inclusion of placement component in the classical student support services available at the Study Centres and take the placement activities to further down at the level of study centre, a well acquainted learning centre for our students.

Accordingly, CPC in association with a IGNOU Study Centre, PC Training Institute (PCTI) is organizing **IGNOU-PCTI Job Fair on July 31, 2015 (Thursday) at 9.00 AM at PCTI Premises, Pitampura, Delhi** for the students of different programmes. In the first instance, PCTI has been chosen for this purpose as it is a reasonably big study centre under Regional Centre Delhi-2 with over 4000 enrolment. Once successful at PCTI, the model may be replicated at other study centres also. Moreover, PCTI has also happily agreed to accommodate all eligible students of RC Delhi-2.
