

A Report on “Idea to Startup” Scheme

In order to promote, support and nurture the innovator students of IGNOU interested in setting up their startups, the University has initiated a scheme of “Idea to Startup” for its students.

Any student of IGNOU who has developed a prototype or innovative product or system based on new, socially relevant and practicable ideas on the themes viz. food and agriculture, rural development, clean energy and alternate fuel, clean water and water management, swachhta initiatives and waste management, health care and hygiene, smart transportation and traffic management, smart city and urban development, social issues and security system, technological innovation and education and Open University system can apply.

To nurture and support the students Virtual Incubation Training sessions on Being your Own Boss have been conducted. Some of the students also participated in the Online SEED Training Programme. A follow-up meeting with the students was also held on 28th November, 2020.
