About the University

The Indira Gandhi National Open University, one of the largest open universities in the world, was established by an Act of Parliament in 1985, to advance and disseminate learning and knowledge by a diversity of means, including the use of information and communication technology, to provide opportunities for higher education to a large segment of the population. The University offers academic, professional, vocational, awareness generating and skill-oriented programmes at the level of Certificate, Diploma, Bachelor's Degree, Master's Degree, and Doctoral Degree through its 21 Schools of Studies and a countrywide network of Regional Centres and Learner Support Centres. These Programmes are offered through multiple instructional packages with the convergence of different methodologies and technologies. The University is making all efforts to take higher education to the doorsteps of the hitherto unreached. Based on its contribution in Distance Education, it was conferred with Award of Excellence by the Commonwealth of Learning (COL), Canada, in 1993.

The recent initiatives of the university to provide technology-enabled education within the framework of blended learning includes SWAYAM based Massive Open Online Courses (MOOCs), 24x7 SWAYAMPURABHA channels, e-Gyankosh and IGNOU e-Content App for digital study material.

School of Education

The School of Education is one of the first Schools to be established in IGNOU in the year 1987. The functions of the SOE, within the broad framework of the objectives of IGNOU, are to carry out academic activities addressing education as a field of knowledge and as an area of practice. Four disciplines/ areas namely, Education, Distance Education, Educational Technologies and Adult Education have been assigned to the School. The School has been undertaking three types of activities –development of academic programmes, research, documentation, and extension activities.
