Regional Centres and Learners Support Centres Activities

Induction meeting (IM) is an important event in IGNOU which is held at the Learner Support Centres (LSC) for newly enrolled students. The goal of this meeting is to familiarize newly admitted students with the open and distance learning system and the way it functions.

During the Corona pandemic, the Learner Support Centres organized this activity virtually. Since all COVID-19 restrictions and prohibitions have been lifted across the country. Face to face and physical activities have been restored to normalcy in the institutions and colleges. Accordingly, some of the LSCs also conducted the IM in face-to-face mode. In addition, induction meetings were also organized separately for the students who had enrolled in an online academic programme. Regional centre-wise details of IM have been given in Table 23.

A total 144 induction meetings (IM) were organised during the DECEMBER 2023 (Table 6), whereas total 51 inductions meetings were organized in face to face for ODL Programme. A total of 67 IMs were organized for students of the ODL program in Online mode during DECEMBER

2023. The university offers academic programme in two different modes – ONLINE mode and Offline (ODL mode). Hence, the Regional Centres were also asked to provide data for the IM organised for the students enrolled in online programme. The regional centres were organised 73 induction meetings for <u>online academic programme</u>. In the reporting month, out of 273 IM organised (Table 6), a total 133 IM were addressed and attended by the academics of the regional centres, which is 48.72% of the total IM organised during the month. Top regional centres where the highest number of academics were attended IM have been given in Figure 13. Regional centres-wise status of induction meetings attended, academic counselling sessions visited, visit of exam and entrance exam centres has been provided in Table 27. Data of monitoring of academic activities of the study centres has been summarised in Table 10 and Table 11.

Staff strength at the Regional Centres

In this section, the number of staff posted at the regional centres has been described. Category wise staff strength of all 56 Regional Centres has been given in Table 47, as no details received from the RC Jodhpur. A total of 1098 staff were posted across the regional centres comprising of 149

academic staff, 377 non-academic staff and the rest included daily wage staff and security staff. Top-ten regional centres with largest number of staff have been shown in **Error! Reference source not found.** Regional centres functioning with minimum number of staff members are given in the Figure 32.

The ratio is defined as the relation between two numbers which shows how much bigger one quantity is than another. In this study the ratio between expenditure and staff, expenditure and enrolment, enrolment and staff has been calculated in order to measure the magnitude of regional centres' expenditure corresponding to staff posted as well as corresponding to the number of learners enrolled.

The higher the **Expenditure-to-Staff ratio**, the greater the expenditure per staff member at the Regional Centre, and *vice-versa*. The highest ratio was found in regional centre Jodhpur*,* while the

Top -ten regional centers with highest Expenditure-to-staff ratio
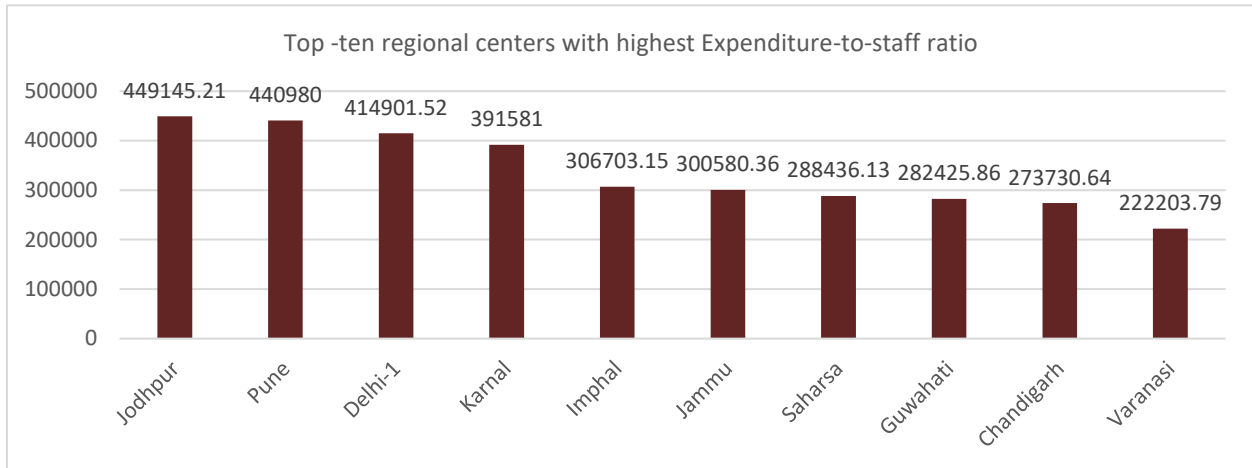

lowest was found in regional centre Itanagar. Figure 35 and Figure 38 depict the regional centres with the highest and lowest expenditure-to-staff ratio.

The higher the **Expenditure to enrolment ratio** as with other determined ratios, the more money that regional centre spends on each learner and vice-versa. Regional centre-wise expenditure to enrolment ratio has been given in the Figure 37 and Figure 36.

Similarly, Regional Centre wise **Enrolment to staff ratio** shows the workload in terms of the number of learners per staff member at each regional centre. The higher the Enrolment to staff ratio, the more the workload on the regional centre staff, and vice-versa. Regional centre Karnal had the greatest ratio while regional centre Rajkot has the lowest (Table 50)
