Monthly Monitoring Report for the month of December 2022

The Regional Services Division (RSD) regularly monitors the activities undertaken by the 57 Regional Centres. The RCs undertake various routine activities throughout the year such as promotional-publicity, admissions, examinations, strengthening of learner support centers, monitoring of learner support centers, conduct of academic counselling sessions and induction meetings. RSD obtains monthly data of all the above stated activities from Regional Centers and compiles them as monthly monitoring reports. In addition, the academics of the RC participate in different research and professional development activities which are also collected and compiled in the MMR.

In the last one-two years, the University has transitioned from the ODL to Online mode of programme delivery for which learner support is provided through a wide range of electronic media and digital platforms by the RCs. Further various schemes of the GOI are implemented by the RCs which are UBA, SBA, EBSB, AKAM, HGT etc. In view of this, the MONTHLY MONITORING REPORT format has been modified from February 2023 in line with new activities including the requirement of NAAC matrices which have been shared by CIQA.

Report on activities: Regional Centers ask to share reports of activity/events like Promotional, Induction, Coordinator meetings, Orientation Programme, Seminar, Extension outreach programme, UBA, ECP, innovation etc with GEOTAG pictures in MS Word format.

The Monthly Monitoring Report (MMR) for the month of **February 2023** has been compiled by the RSD. The MMR has been presented under various subheadings outlining the Academic Activities of Regional Centers and Learner Support Centers. Further, various Finance & Accounts related matters, i.e., expenditures incurred by Regional Centers and Learner Support Centers have been analyzed. The major components of analysis outlined in the reports have been mentioned below:

1.) **Promotional & Publicity Drives of Regional Centers:** The analysis includes Digital promotional initiatives/activities like use of digital platforms to enhance outreach. Other analyses include the number of press / media publicity releases. Further, the analysis includes meetings/orientation programs through digital platforms for LSC functionaries.

2.) **Meetings, Trainings & Orientation Programme at Regional Centre:** The section includes monitoring of counselling sessions held at Learner Support Centers and other activities of LSCs like induction meetings, grievance redressal and number of scanned copies of assignments received and evaluated at LSCs.

3.) **Strengthen of LSCs & ECs:** This part consists of the number of student queries handled and utilization of SMS for communication with students.

4.) Monitoring of Study Centres Activities: This point of analysis encompassedFaculty Development Programme, Webinar/Seminar organized/participated, Radio/TV program etc.

5.) Student Support Activities: The expenditure incurred for operations of Regional Centers and Learner Support Centers have been analyzed. For the Regional Centre, the points of analysis included Regular Staff Salary, Daily Wage payment, Security, Building Rent, Travel and hiring of taxi, Printing/Publicity, Meeting/workshop/Orientation Programme etc. For the Learner Support Centers, the expenditure was analyzed on the basis of Salary of Part Time functionaries and Counseling, Assignment Evaluation, Practical's etc

6.) Academic Activities by Academics at Regional Centre: In this section details about the use of various digital and social media by the Regional Centers are included.

7.) Accounts & Finance

8.) Staff Strength

9.) Use of social media

10.) In addition to the above sections, brief reports on the various events that were held during reporting month were included in the "Other Events" section of MMR.

Executive Summary

The analysis for MMR February 2023 is completely based on the data provided by the Regional Centres. As per the practice, the data for the Monthly Monitoring Report (MMR) was received through a filled-in format as well as through the Google Form. Both were received online. The MMR format which was in used earlier has been modified from February 2023. Some new features have been included in the MMR format.

The data received from 57 Regional Centres have been analysed in this Executive Summary for MMR- February 2023. The analysis has been done under various subheadings for Promotional, extension and outreach activities of the Regional Centres, and Learner Support Centres. Further, various Finance & Accounts related matters, i.e., expenditures incurred by Regional Centres and Learner Support Centres have been analysed. Information related to academic and professional development of the academics of the regional centres has been also compiled and analysed. Immediately following the Executive Summary, data tables pertaining to various activities have been provided. Thereafter, a brief summary of the events held across the country has been provided along with the pictures of those programs.

Promotional, Extension and Outreach Activities

During the month of February 2023, Regional Centres organized various promotional and publicity activities. Summary of these activities has been given in table 1. During this time general publicity initiative/activities to enhance outreach, programme specific publicities, efforts for reaching out to the persons who do not have access to higher education like disadvantaged communities e.g., PH, SC/ST, Women etc. A total of 1245 such activities have been undertaken across all 57 Regional Centres. Since, the admission cycle for January 2023 has been going on, the RCs therefore actively participated in promotional and publicity campaigns. This may be a reason for sizble number of promotional activities carried out by RCs. The list of top ten regional centers in terms of general publicity initiative/activities (f2f mode), general publicity initiative/activities (online mode), specific publicities (f2f mode), specific publicities (online mode) has been given in figure 1 to 4. RC wise general and specific publicity and promotional derives carried out in online mode as well as face to face have been given from table 13 and 14. Summary of total number such activities has been given in table 1. Figures 1 to 4 show the top ten regional centres, who have organised highest number of promotional and publicity activity in online and face to face mode.

Regional Centres and Learners Support Centres Activities

Induction meeting (IM) is an important event in IGNOU which is held at the Learner Support Centres (LSC) for newly enrolled students. The goal of this meeting is to familiarize newly admitted students with the open and distance learning system and the way it functions.

During the Corona pandemic, the Learner Support Centres organized this activity virtually. Since all COVID-19 restrictions and prohibitions have been lifted across the country. Face to face and physical activities have been restored to normalcy in the institutions and colleges. Accordingly, some of the LSCs also conducted the IM in face-to-face mode. In addition, induction meetings were also organized separately for the students who had enrolled in an online academic programme. RC wise details of IM has been given from table 26

A total 123 induction meetings (IM) were organised during the February 2023 (Table 7), whereas total 89 number of inductions meetings organized in online mode for ODL Programme. The top ten regional centres in terms of holding IM for ODL programme through online mode has been given in figure 14. Figure 15 shows the top twelve regional centres holding IM in face to face mode for ODL programme. A total of 103 IM was organized for students of the ODL program during February 2023 in online as well as face to face mode. The university offers academic programme in two different modes – ONLINE mode and Offline (ODL mode). Hence, the Regional Centres were also asked to provide data for the IM organised for the students enrolled in online programme. The regional centers were organised 20 induction meetings for online academic programme. List of top eleven regional centres who have organised the largest number of IM for the students of online programme has been given in figure 16.

Assignments - The status of evaluation assignments is another item that has been assessed under - number of assignments received by RCs/LSCs, and number of assignment awards transmitted to Hqrs for the ODL programme and online programme during the reporting month. Regional centres have provided information related to assignments received by RCs/LSCs for ODL programme in both offline and online mode separately. The information related to assignments received at RCs/LSCs and awards transmitted by RC was taken separately. A separate section has been also created in the MMR format to obtain the status of assignments of the Online Programme. RC wise status of assignments received and awards transmitted has been provided in the table from 29 to 31. Summary of status of assignment received and awards transmitted has been given in table 10.

Monitoring of Study Centres Activities

Monitoring Activities by RCs - Monitoring of functioning of Study Centres is one of the important activities of Regional Centres. Monitoring of academic counselling sessions is an important component of this category. The participation of RCs in the induction meeting (IM) is very important part, as academics from the RCs address the new learners during the induction meeting. In the reporting month, a total 79 IM were addressed and attended by the academics of the regional centres. Top twelve RCs where the highest number of academics were attended IM have been given in figure 23. RC wise status of induction meetings attended, academic counselling sessions visited, visit of exam and entrance exam centers has been provided in table 32 to 35. Data of monitoring of academic activities of the study centers has been summarised in table 11.

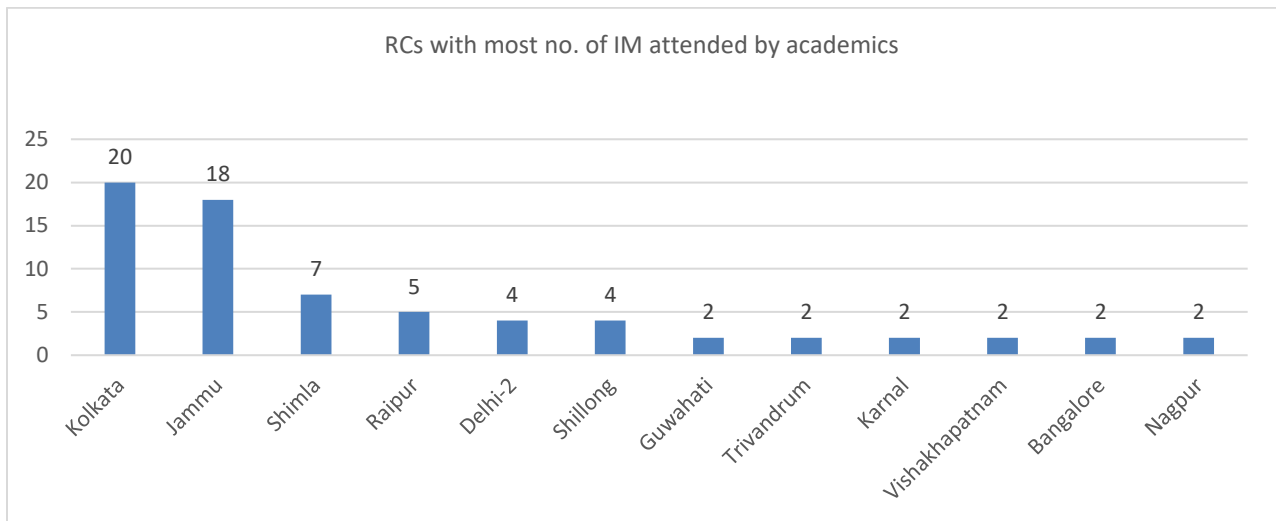

Figure 23

In the month of February 2023, out of total 9828 academic counselling sessions organised (Table 8), 2287 no. of academic counselling sessions were monitored by the academics of the regional centres (Table 11). Top-ten Regional Centres where the largest number of academic counselling sessions were monitored have been given in figure 24. Regional centers wise number of sessions monitored has been given in the table 33.
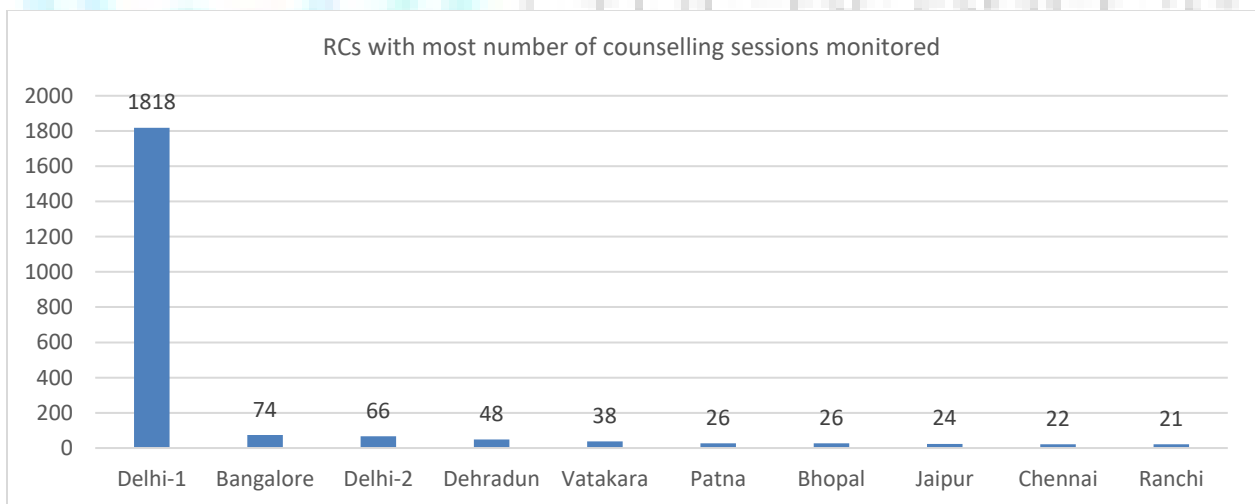

Figure 24

Officials from the Regional Centres actively involve in monitoring of term end exams (theory and practical both) and entrance examination related activities in their respective regions. During the period of report, a total 18 such exam centres monitoring activities were carried out by the officials of RCs.

Student Support Services

Resolving students queries by regional centres (table 36 and 37), use of SMS to communicate with the students (table 38) and holding Grievance Redressal Camps/sessions to interact with the student (table 39) are the parameters which have been analysed in this part of the report. Summary of such activities carried out by the regional centre are given in table 12.

Table 12 Summary of student support service realted activities

S. No.	Particulars	Total
1.	Total Queries Handled	271995
2.	Number of Grievance Redressal Camp(s) organized by RCs/LSCs - (ONLINE mode)	53
3.	Number of Grievance Redressal Camp(s) organized by RCs/LSCs - (face to face mode)	24
4.	Use of SMS	636536

Handling of student queries and grievances are crucial for effective student support services. All regional centres answer students' issues face-to-face in person as well as via email, telephone, post, Facebook, and other means (table 36). Table 37 shows the RC wise information regarding handling of total number of students' queries at each regional centers in the month of February 2023. Across all Regional Centres, a total of 271723 queries were handled. The list of top-ten regional centres who attended maximum number of students' queries has been shown in figure 25. These ten regional centres handled 52.81% of the total number of queries received at all regional centres.
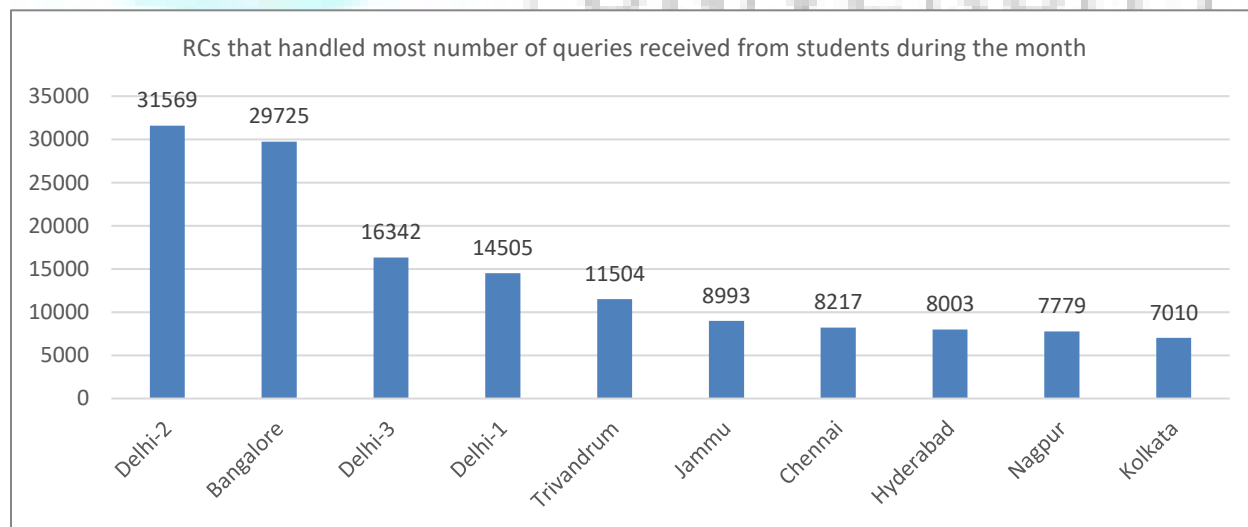

Figure 25

Use of SMS is an important mode of communication for the Regional Centres. It is used to communicate important messages to the learners urgently. For this purpose, Regional Centres use the bulk SMS facilities. During the month of February 2023, a total of 636193 SMS was sent to the students to communicate various types of information to the learners (table 38). Figure 26 lists the regional centres that have used the SMS service the most frequently.

RCs that sent the most number of SMS for Student Support Services
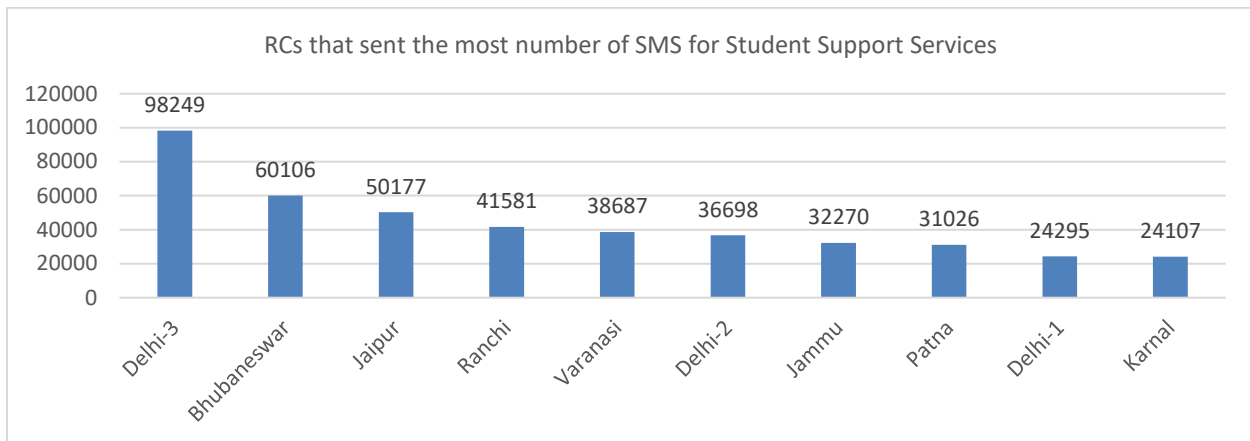

Figure 26

Receiving and resolving student grievances is a crucial part of student support services. During the month, Regional Centres organized online grievance redressal camps to address students queries and problems related to their studies. In the month of February 2023, all together 84 such camps were held by the regional centres (Table 39). Out of 84, 21 have been organised in face to face mode and 63 virtual sessions had been hold by the regional centres to resolve students' grievances. The list of top ten regional centres in this category are given in figure 27.

Expenditure of Regional Centres

This section of the report deals with the expenses of Regional Centres incurred to meet the functioning of Regional Centres during February 2023. The analysis includes the Regional Centre wise total expenditure as well as item-wise expenditures during February 2023. The data is provided in Table 41 to 52. In February 2023, a total expenditure of Rs. 236568175/- was incurred across the regional centres (table 41). Figure 29 shows the names of the top-ten regional centres that accounted for about 52.62% of total expenditure incurred across all the regional centres. Regional centre Raghunathganj and Aligarh reported zero expenses (figure 30).
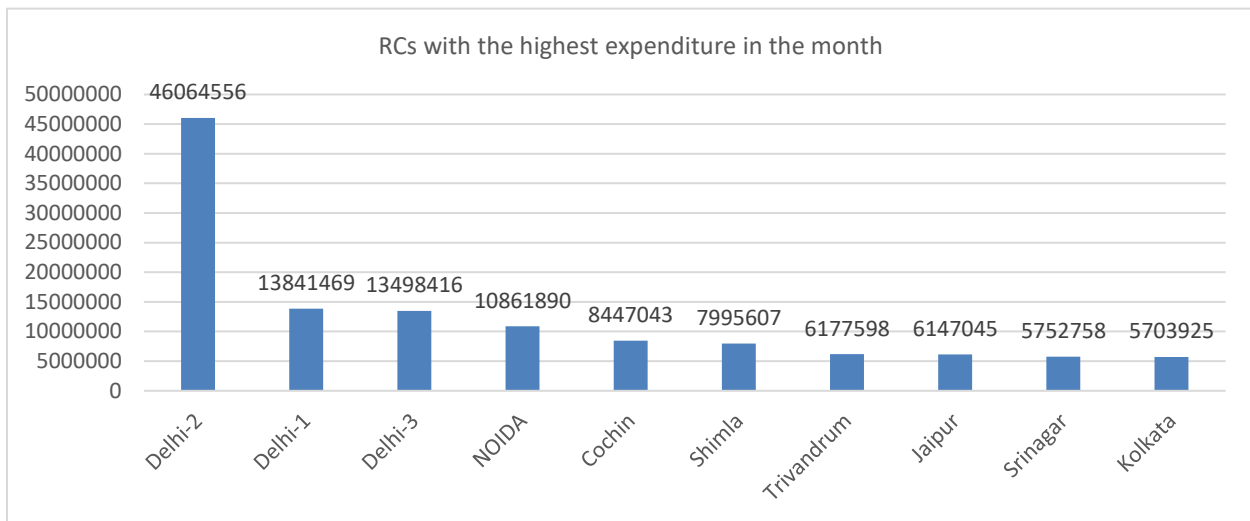

Figure 29
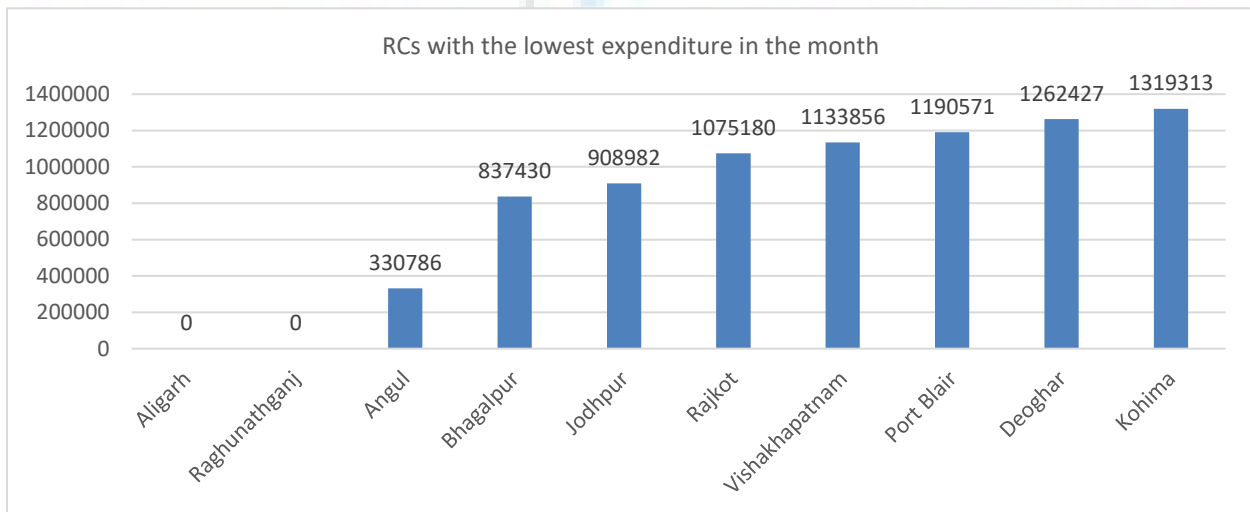

Figure 30

Table 42 shows the expenditure incurred on the payment of salaries to regular staff of the regional centres. Percentage of expenditure incurred on the payment of staff salaries at respective regional centres has been given in the corresponding column of the table 42. Top-ten regional centres that had the highest expenditure for paying staff salaries are given in figure 31. Across all regional centres, a total of Rs. 74995489/- was spent for the payment of staff salaries which accounted for 31.7% of total expenditure (Rs. 236568175/-) of the Regional Centres.
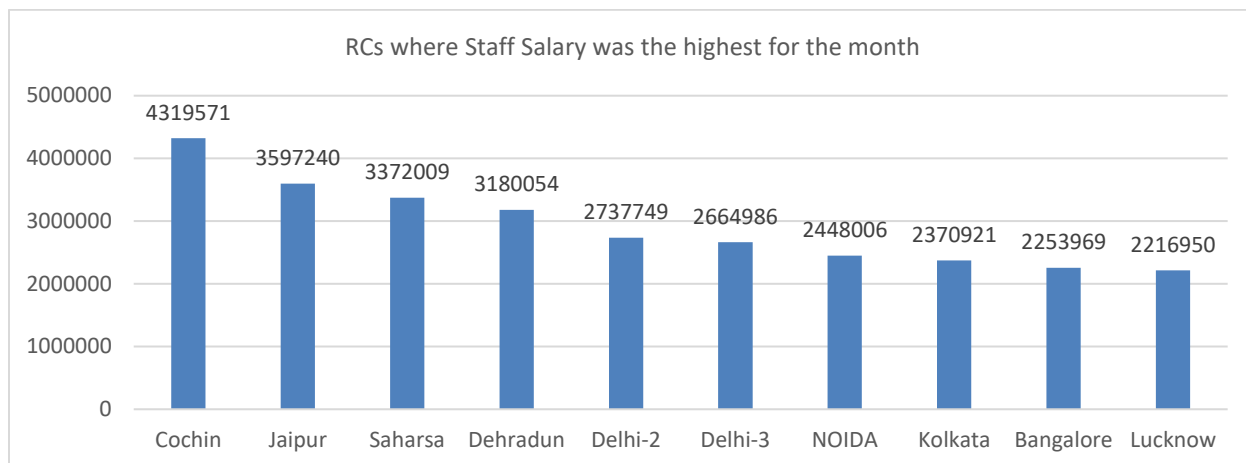

Figure 31

Payment towards the salaries of daily wager staff working at the Regional Centres is the next item which has been analysed. Regional Centre wise data on the payment of daily wagers' salaries has been given in Table 43. A total of Rs. 14282069/- has been paid towards the salaries of daily wagers across the Regional Centres which was 6.04% of the total expenditure of Rs. 236568175/. Top-ten Regional Centres who have spent highest amount under this category are listed in figure 32. Fifteen regional centres reported nil expenditure in this category.
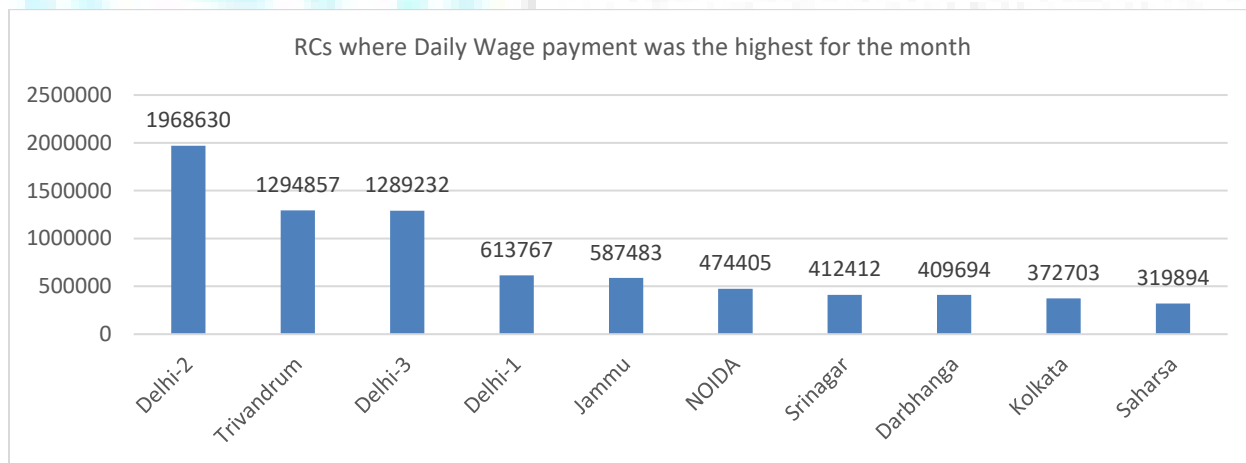

Figure 32

Expenditure for the arrangement of security is another item of expense at the Regional Centres. Regional Centre wise expenditure under this head has been given in table 54. It shows that a sum of Rs. 3836644/- was spent by all the Regional Centers, which accounted for 1.62% of total expenditure (Rs. 236568175/-) of all Regional Centers. Under this category, the top-ten Regional Centers who spent the highest amount of their total expenditure on security arrangements have

been given in figure 33. There were 23 Regional Centers that reported nil expenses for security arrangements (table 44).

The Regional Centres spent Rs. 71336575/- on payment of academic counsellors and for assignments evaluation, which accounted for 30.15% of the total expenditures of Rs. 236568175/. Figure 40 illustrates the top-ten regional centres who spent the highest amount for counselling and evaluation of assignments during February 2023. No expenditure was reported by the twenty-nine regional centres for this activity in February 2023.
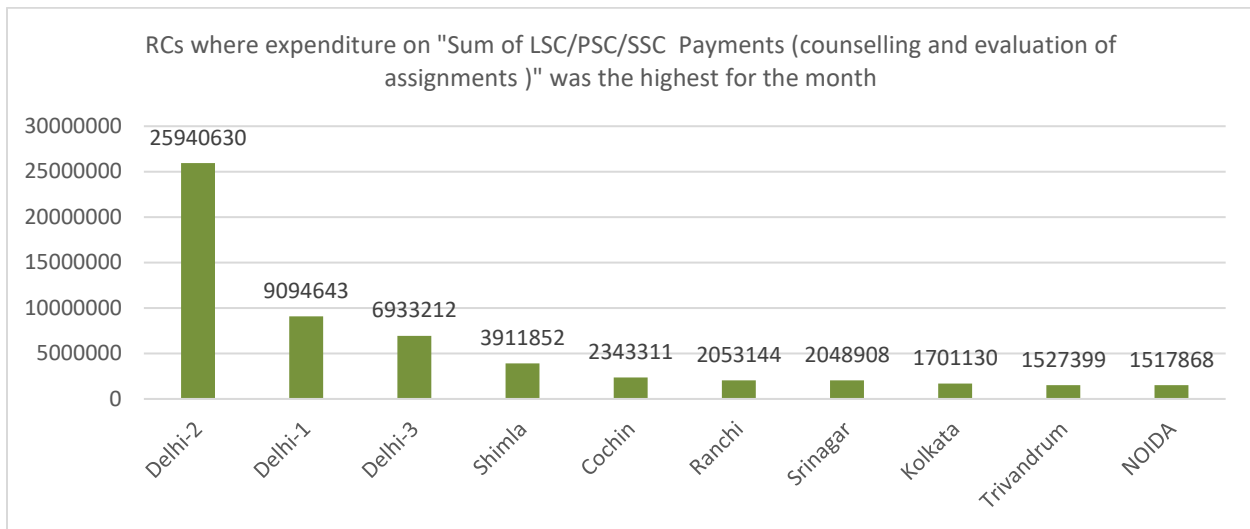

Figure 40

Regional Centre wise sum of the expenditure incurred for the study centres' functioning (including staff salaries and Counselling and evaluation) has been given in table 52. The table indicates that Rs 104065356/- was spent across all the Regional Centres to meet the operational expenditures of the study centres, which accounted for 43.99% of the total expenditure of Rs. 236568175/-. Top-ten regional centres that had the highest expense towards functioning of study centres have been given in figure 41.
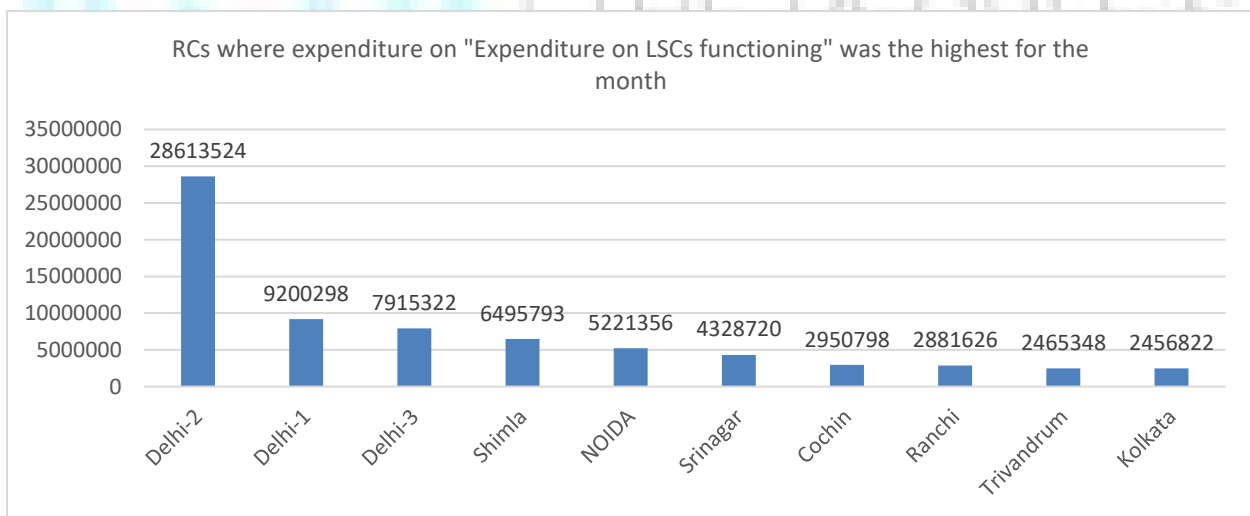

Figure 41

Staff strength at the Regional Centers

In this section, the number of staff posted at the regional centers has been described. Category wise staff strength of all 57 Regional Centers has been given in table 53. A total of 1100 staff were posted across the Regional Centers comprising of 145 academic staff, 377 non-academic staff and the rest included daily wage staff and security staff. Top-twelve regional centers with largest number of staff have been shown in figure 42. Regional Centers functioning with minimum number of staff members are given in the figure 43.

Ratio – Expenditure, Enrolment and Staff

The ratio is defined as the relation between two numbers which shows how much bigger one quantity is than another. In this study the ratio between expenditure and staff, expenditure and enrollment, enrolment and staff has been calculated in order to measure the magnitude of regional centers' expenditure corresponding to staff posted as well as corresponding to the number of learners enrolled.

The higher the <u>Expenditure-to-Staff ratio,</u> the greater the expenditure per staff member at the Regional Centre, and *vice-versa*. The highest ratio was found in Regional Centre *Delhi,* while the lowest was found in regional centre Angul (Table 32). Figure 42 shows the Regional Centers with the highest expenditure-to-staff ratio while figure 43 depicts the Regional Centers with the lowest expenditure-to-staff ratio.

Celebration Of International Science Day
DATE: 28.02.2023

The International Science Day webinar was organized on 28.02.2023 at 3.30 pm.

Regional Drector, welcomes and felicitates all the members present for the webinar. He explains how science day celebration came into existence and celebrated in the month of February every year in India. National Science Day is celebrated in India on **February 28** each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. Dr. N. Mohilal Meitei, Associate Professor, Section of Parasitlogy, Department of Life Sciences, Manipur University explains on the topic parasites and their impact on human beings, plants and living things. He stretched on to say that parasites are not a disease, but they may spread diseases that can be fatal pointing out that many parasitic infections are treatable and preventable. He also states that parasites also influence host behavior and fitness, and can regulate host population sizes, sometimes with profound effects on trophic interactions, food webs, competition, biodiversity and keystone species. These interactions suggest that parasites are integral components in shaping community- and ecosystem structure. He also explains the 'pathosphere', paradigms and enigmatic pathogens by J.W. Randles. After his speech Dr. Oinam Jayalakshmi Devi, Assistant Regional Director thanked the guest speaker Dr. N. Mohilal Meitei, Associate Professor, Section of Parasitlogy, Department of Life Sciences, Manipur University for taking out his time and imparting valuable insights on the subject matter. She also thanks all the participants i.e. learners, coordinators and staff who attended the webinar.

Report on National Science Day celebrations

As a part of the National Science Day Celebrations, 2023, IGNOU RC Vatakara organized a session on "How to ask the right questions- the perspective of sciences", which was delivered by Ms Nikita Bhatia on 27th February 2023 at 11.00 Am. The session was attended by both Science and non-science learners apart from the functionaries of other Regional Centres.

When one is a child, there is a genuine inquisitiveness about all things around us. However, once we become adults, this quest for knowledge abates. Nature's bounties and puzzles no longer intrigue us. We become obsessed with the routine and the child in us dies.

It is against this background that Ms Nikita Bhatia, who holds a Masters's degree in Management put forth her postulates. Through several examples and through interaction, she brought home the point that when we fail to question the questionable, society as a whole suffers. She emphasised the power of analysis and observation. The recording of the session is available on the link, https://youtu.be/0nVuNOd7lq4
