Assignments - The status of evaluation assignments is another item that has been assessed under - number of assignments received by RCs/LSCs, and number of assignment awards transmitted to Hqrs for the ODL programme and online programme during the reporting month. Regional centres have provided information related to assignments received by RCs/LSCs for ODL programme in both offline and online mode separately. Separate data was collected for awards sent by regional centres to the SED as well as assignments received at RCs/LSCs. A separate section has been also created in the MMR format to obtain the status of assignments for the Online Programme.

Regional centre-wise status of assignments received and awards transmitted, has been provided in the Table 25. Figure 11 shows the list of top regional centres in terms of handling assignments during the month. Summary of status of assignment received and awards transmitted has been given in Table 9.

Monitoring of Study Centres Activities

Monitoring Activities by RCs - Monitoring of functioning of Study Centres is one of the important activities of Regional Centres. Monitoring of academic counselling sessions is an important component of this category. The participation of RCs in the induction meeting (IM) is very important part, as academics from the RCs address the new learners during the **induction meeting**. In the reporting month, a total 8 IM were addressed and attended by the academics of the regional centres, which is 13.55 % of the total IM (59) organised across the regional centres (Table 6). Top regional centres where the highest number of academics were attended IM have been given in

Figure 12. Regional centres-wise status of induction meetings attended, academic counselling sessions visited, visit of exam and entrance exam centres has been provided in Table 26. Data of monitoring of academic activities of the study centres has been summarised in Table 10 and Table 11.

Ratio – Expenditure, Enrolment and Staff

The ratio is defined as the relation between two numbers which shows how much bigger one quantity is than another. In this study the ratio between expenditure and staff, expenditure and enrolment, enrolment and staff has been calculated in order to measure the magnitude of regional centres' expenditure corresponding to staff posted as well as corresponding to the number of learners enrolled.

The higher the **Expenditure-to-Staff ratio**, the greater the expenditure per staff member at the Regional Centre, and *vice-versa*. The highest ratio was found in regional centre Vatakara, while the lowest was found in regional centre Shillong (Table 47). Figure 34 shows the regional centres with the highest expenditure-to-staff ratio while Figure 34 depicts the regional centres with the lowest expenditure-to-staff ratio.

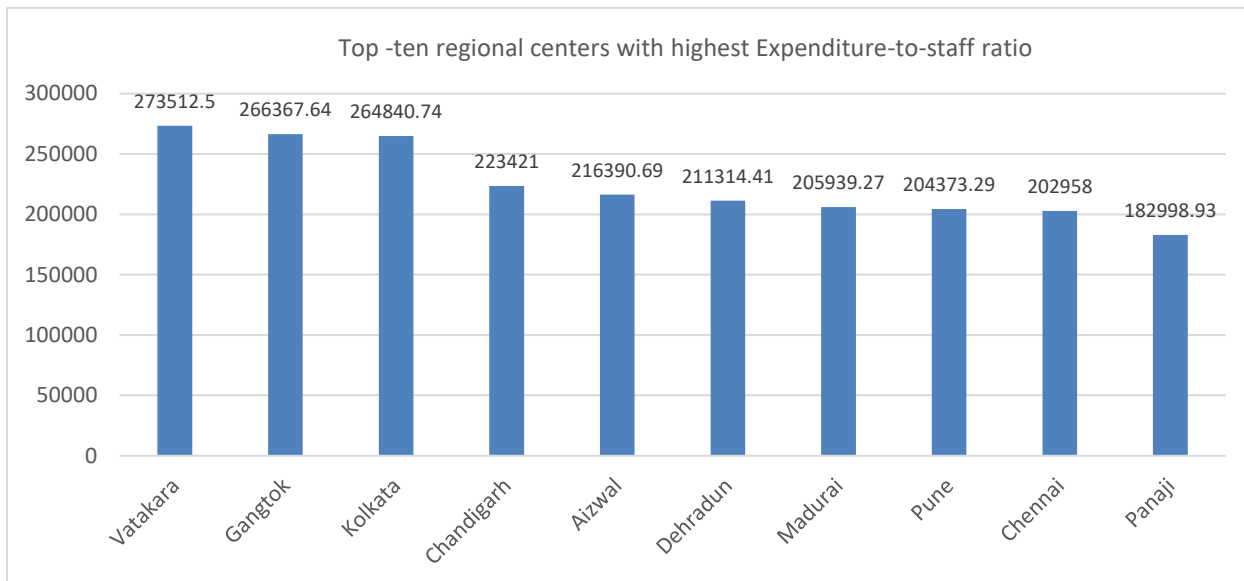

Figure 35

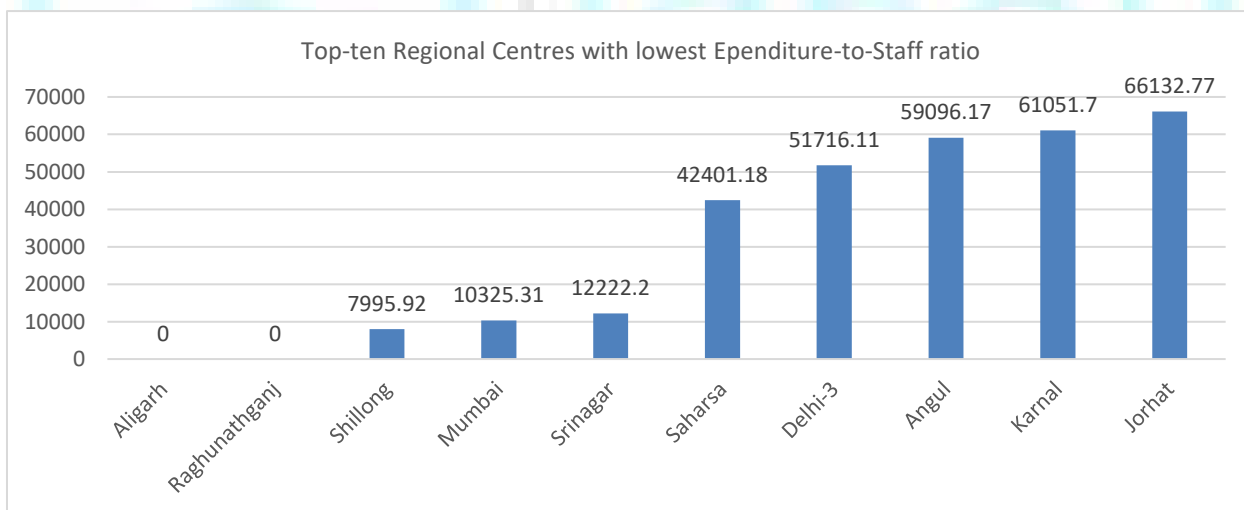

Figure 34

The higher the **Expenditure to enrolment ratio** as with other determined ratios, the more money that regional centre spends on each learner and vice-versa (**Error! Reference source not found.** and Figure 37). Regional centre- wise expenditure to enrolment ratio has been given in the Table 48.

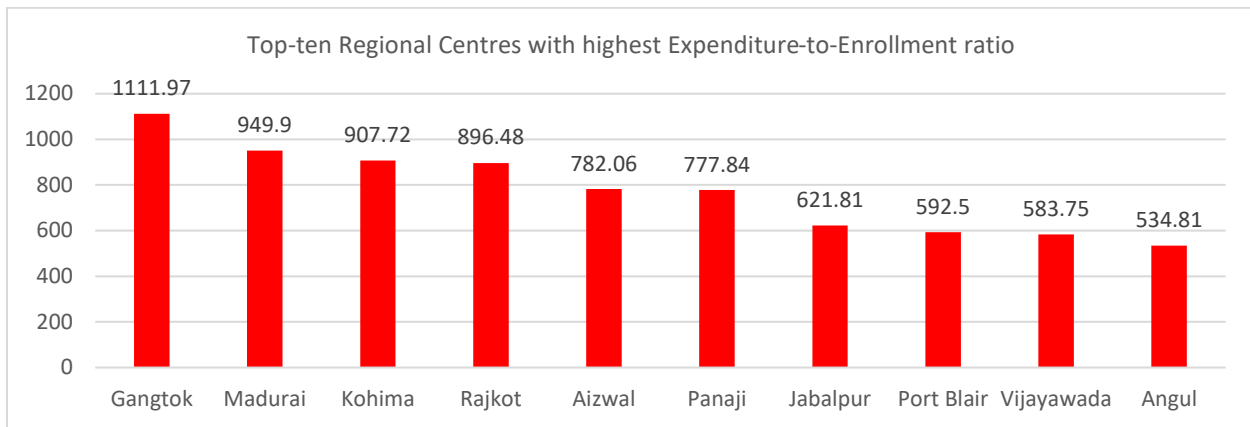

Figure 36

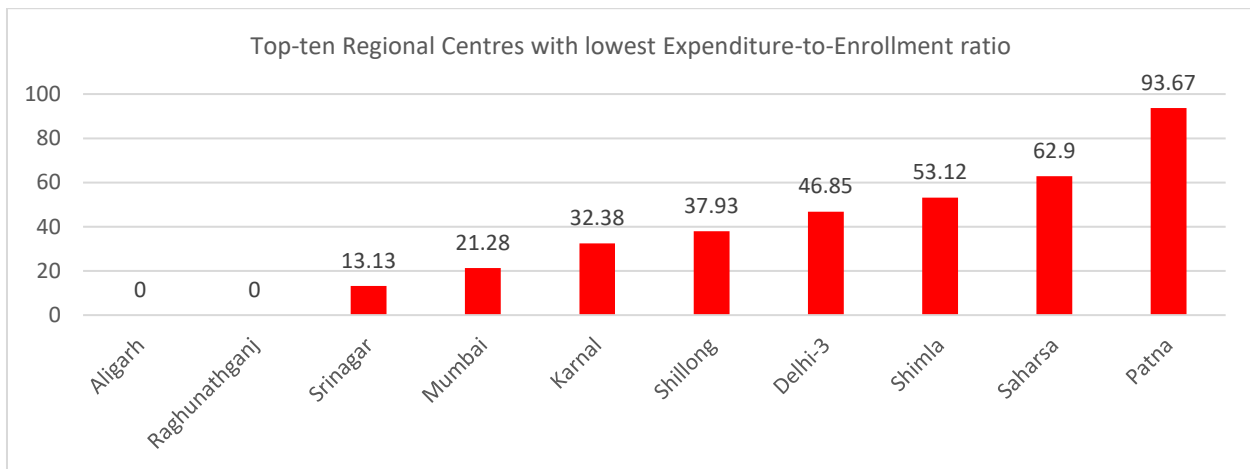

Figure 37

Similarly, Regional Centre wise **Enrolment to staff ratio** shows the workload in terms of the number of learners per staff member at each Regional Centre. The higher the expenditure-to-enrolment ratio, the more money that Regional Centre spends on each learner, and vice-versa (Figure 38 and Figure 39 Table 49). Regional centre Vatakara had the greatest ratio while regional centre Angul has the lowest (Table 57). Figure 48 shows the top ten regional centres with the highest enrolment-to-staff ratio while figure 49 depicts the top ten regional centres with the lowest enrolment-to-staff ratio.
