Monthly Monitoring Report for the month of SEPTEMBER 2023

The Regional Services Division (RSD) regularly monitors the activities undertaken by the 57 Regional Centres. The RCs undertake various routine activities throughout the year such as promotional-publicity, admissions, examinations, strengthening of learner support centers, monitoring of learner support centers, conduct of academic counselling sessions and induction meetings. RSD obtains monthly data of all the above stated activities from Regional Centers and compiles them as monthly monitoring reports. In addition, the academics of the RC participate in different research and professional development activities which are also collected and compiled in the MMR.

In the last one-two years, the University has transitioned from the ODL to Online mode of programme delivery for which learner support is provided through a wide range of electronic media and digital platforms by the RCs. Further various schemes of the GOI are implemented by the RCs which are UBA, SBA, EBSB, AKAM, HGT etc. In view of this, the MONTHLY MONITORING REPORT format has been modified from January 2023 in line with new activities including the requirement of NAAC matrices which have been shared by CIQA.

Report on activities: Regional Centers ask to share reports of activity/events like Promotional, Induction, Coordinator meetings, Orientation Programme, Seminar, Extension outreach programme, UBA, ECP, innovation etc with GEOTAG pictures in MS Word format.

The Monthly Monitoring Report (MMR) for the month of **SEPTEMBER 2023** has been compiled by the RSD. The MMR has been presented under various subheadings outlining the Academic Activities of Regional Centers and Learner Support Centers. Further, various Finance & Accounts related matters, i.e., expenditures incurred by Regional Centers and Learner Support Centers have been analyzed. The major components of analysis outlined in the reports have been mentioned below:

- 1.) Promotional, Extension, Outreach Activities & Press release:** The analysis includes Digital promotional initiatives/activities like use of digital platforms to enhance outreach. Other analyses include the number of press / media publicity releases. Further, the analysis includes meetings/orientation programs through digital platforms for LSC functionaries.
- 2.) Meeting Training & Orientation Programme:** In this section, the information about inhouse meetings, meetings with hqrs, capacity building of LSCs functionaries and orientation programme of the academic counsellors are included. In addition, training programme organised for academic counselros and students of handling of Learning Management System (LMS) is also included.
- 3.) Strengthening/Establishing LSCs and Exam centres:** This part consists of the opening of new LSC in the region, activation of new programme at the existing study centers, and

empanelment of academic counsellors. Besides, establishment of exam centers are included whenever activity carried out.

- 4.) **Regional Centres and Learners Support Centres Activities:** The section covers a large number of activities such as induction meetings organised, holding academic counselling sessions for theory and practical courses, project viva-voce held, and assignments submitted and awards transmitted to the hqrs for ODL as well as online programme.
- 5.) **Monitoring of Study Centres & Exam Centers Activities:** The section includes participation of regional centers officials during induction meetings, monitoring of counselling sessions held at Learner Support Centers as well as in online mode for ODL and online programme, virtual and physical monitoring of exam centers during the examinations.
- 6.) **Student Support Activities:** This part consists of the number of student queries handled, utilization of SMS for communication with students and grievance redressal camps organised by regional centers.
- 7.) **Research & Academic Development Activity:** This point of analysis encompassed Faculty Development Programme, Webinar/Seminar organized/participated, Radio/TV program etc.
- 8.) **Expenditure of Regional Centers (Accounts & Finance):** The expenditure incurred for operations of Regional Centers and Learner Support Centers have been analyzed. For the Regional Centre, the points of analysis included Regular Staff Salary, Daily Wage payment, Security, Building Rent, Travel and hiring of taxi, Printing/Publicity, Meeting/workshop/Orientation Programme etc. For the Learner Support Centers, the expenditure was analyzed on the basis of Salary of Part Time functionaries and Counseling, Assignment Evaluation, Practical's etc
- 9.) **Staff Strength at Regional Centers:** This part of the report consists of staff strength including academic, non-academic, daily wagers and security personnels posted at regional center.
- 10.) **Ratio-Staff, Enrollment, & Expenditure:** Ratio between Staff-enrollment, Staff-expenditure; and Enrollment-expenditure are included.
- 11.) **Use of social media:** In this section details about the use of various digital and social media by the Regional Centers are included.
- 12.) **Other Events:** In addition to the above sections, brief reports on the various events that were held during reporting month were included in the "Other Events" section of MMR.

Executive Summary

MMR SEPTEMBER 2023 – Executive Summary

The analysis for MMR SEPTEMBER 2023 is completely based on the data provided by the Regional Centres. As per the practice, the data for the Monthly Monitoring Report (MMR) was received through a filled-in format as well as through the Google Form. Both were received online. The MMR format which was in used earlier has been modified from SEPTEMBER 2023. Some new features have been included in the MMR format.

The data received from 57 Regional Centres have been analysed in this Executive Summary for MMR- SEPTEMBER 2023. The analysis has been done under various subheadings for Promotional, extension and outreach activities of the Regional Centres, and Learner Support Centres. Further, various Finance & Accounts related matters, i.e., expenditures incurred by Regional Centres and Learner Support Centres have been analysed. Information related to academic and professional development of the academics of the regional centres has been also compiled and analysed. Immediately following the Executive Summary, data tables pertaining to various activities have been provided. Thereafter, a brief summary of the events held across the country has been provided along with the pictures of those programs.

Promotional, Extension and Outreach Activities

During the month of SEPTEMBER 2023, Regional Centres organized various promotional and publicity activities. During this time general publicity initiative/activities to enhance outreach, programme specific publicities, efforts for reaching out to the persons who do not have access to higher education like disadvantaged communities e.g., PH, SC/ST, Women etc have been organised by the Regional Centres.

Summary of general and specific publicity and promotional activities carried out in face-to-face mode and online mode has been given in

Table 1. A total of **871** such activities have been undertaken across all 57 Regional Centres. The list of top ten regional centres in has been given in Figure 1.

Regional centre-wise **general and specific publicity and promotional drives** carried out in online mode as well as face to face have been given in Table 15. Summary of total number such activities has been given in Table 1.

Regional Centres and Learners Support Centres Activities

Induction meeting (IM) is an important event in IGNOU which is held at the Learner Support Centres (LSC) for newly enrolled students. The goal of this meeting is to familiarize newly admitted students with the open and distance learning system and the way it functions.

During the Corona pandemic, the Learner Support Centres organized this activity virtually. Since all COVID-19 restrictions and prohibitions have been lifted across the country. Face to face and physical activities have been restored to normalcy in the institutions and colleges. Accordingly, some of the LSCs also conducted the IM in face-to-face mode. In addition, induction meetings were also organized separately for the students who had enrolled in an online academic programme. Regional centre-wise details of IM have been given in Table 23.

A total 171 induction meetings (IM) were organised during the SEPTEMBER 2023 (Table 6), whereas total 27 inductions meetings were organized in face to face for ODL Programme. A total of 100 IMs were organized for students of the ODL program in Online mode during SEPTEMBER 2023. The university offers academic programme in two different modes – ONLINE mode and Offline (ODL mode). Hence, the Regional Centres were also asked to provide data for the IM organised for the students enrolled in online programme. The regional centres were organised 44 induction meetings for online academic programme. List of top regional centres who have organised the largest number of IM for the students has been given in Figure 8.

Assignments - The status of evaluation assignments is another item that has been assessed under - number of assignments received by RCs/LSCs, and number of assignment awards transmitted to Hqrs for the ODL programme and online programme during the reporting month. Regional centres have provided information related to assignments received by RCs/LSCs for ODL programme in both offline and online mode separately. Separate data was collected for awards sent by regional centres to the SED as well as assignments received at RCs/LSCs. A separate section has been also created in the MMR format to obtain the status of assignments for the Online Programme. Regional centre-wise status of assignments received and awards transmitted, has been provided in the Table 26. Figure 11 shows the list of top regional centres in terms of handling assignments during the month. Summary of status of assignment received and awards transmitted has been given in Table 9.

Monitoring of Study Centres Activities

Monitoring Activities by RCs - Monitoring of functioning of Study Centres is one of the important activities of Regional Centres. Monitoring of academic counselling sessions is an important component of this category. The participation of RCs in the induction meeting (IM) is very important part, as academics from the RCs address the new learners during the **induction meeting**. In the reporting month, a total 176 IM were addressed and attended by the academics of the regional centres. Top regional centres where the highest number of academics were attended IM have been given in **Error! Reference source not found.** Regional centres-wise status of induction meetings attended, academic counselling sessions visited, visit of exam and entrance exam centres has been provided in Table 27. Data of monitoring of academic activities of the study centres has been summarised in Table 10 and Table 11.

**Clarification from RC Delhi 1 is awaited*

In the month of SEPTEMBER 2023, out of the total of 12857 **academic counselling** sessions were organised (Table 7). Out of which 359 academic counselling sessions were monitored by the academics of the regional centres, constitutes 2.79% of the total academic counselling sessions (12857) organised (Table 7). Top-ten Regional Centres where the largest number of academic counselling sessions were monitored have been given in Figure 12. Regional centres wise number of sessions monitored has been given in the Table 28.

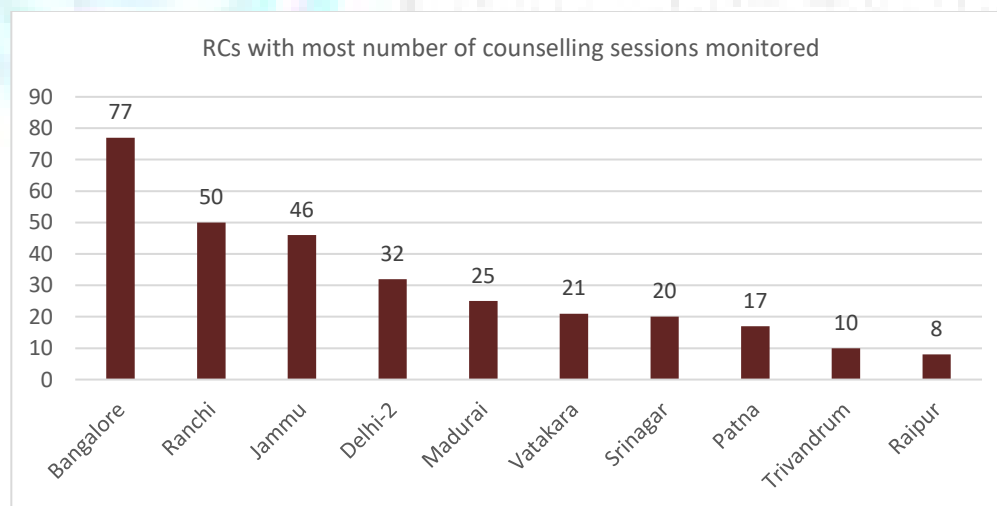

Figure 13

When activity occurs in their respective regions, officials from the regional centres actively participate in visit/monitoring term-end exams (both theory and practical) and entrance examination-related activities. During the period of report, a total 87 such exam centres monitoring

activities were carried out by the officials of RCs (Table 11). RC Wise number of exam monitoring visits have been given in the Table 29.

Student Support Services

Resolving students queries by regional centres (Table 30 and Table 31), use of SMS to communicate with the students (Table 32) and holding grievance redressal camps/sessions to interact with the student Table 33 are the parameters which have been analysed in this part of the report. Summary of such activities carried out by the regional centre are given in Table 12.

Table 12 Summary of student support service-related activities

| S. No. | Particulars | Numbers | % of total |
|--------|-----------------|---------|------------|
| 1. | Total queries | 284694 | 25.57 |
| 2. | Total SMS used | 828830 | 74.43 |
| 3. | Total grievance | 69 | 0.01 |
| 4. | Total items | 1113593 | 100 |

Handling of student queries and **grievances** are crucial for effective student support services. All regional centres answer students' issues face-to-face in person as well as via email, telephone, post, Facebook, and other means (Table 30). Table 30 and Table 31 shows the RC-wise information regarding the handling of the total number of students' queries at each regional centre in the month of SEPTEMBER 2023. Across all Regional centres, a total of 284694 queries were handled/addressed, or responded to. The list of top-ten regional centres that attended the maximum number of students' queries is shown in Figure 15. These ten regional centres handled 51.38% of the total number of queries received at regional centres

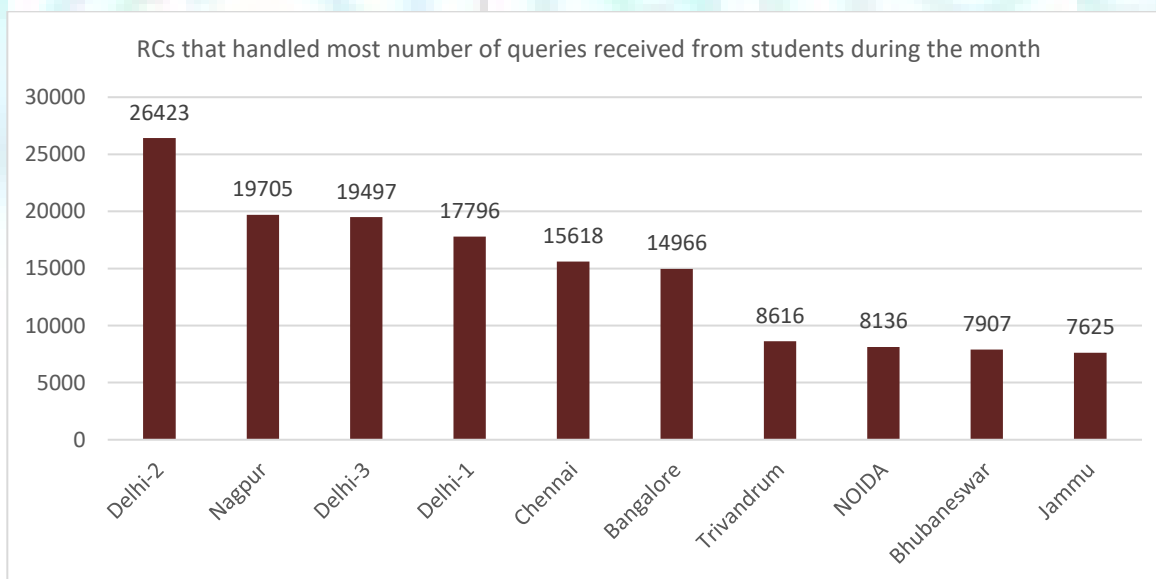

Figure 15

Use of SMS is an important mode of communication for the regional centres. It is used to communicate important messages to the learners urgently. For this purpose, Regional Centres use the bulk SMS facilities. During the month of SEPTEMBER 2023, a total of 828830 SMS was sent to the students to communicate various types of information to the learners. **Error! Reference source not found.** Figure 16 shows the list the regional centres that have used the SMS service the most frequently during the month. RC wise use of SMS has been given in the Table 32.

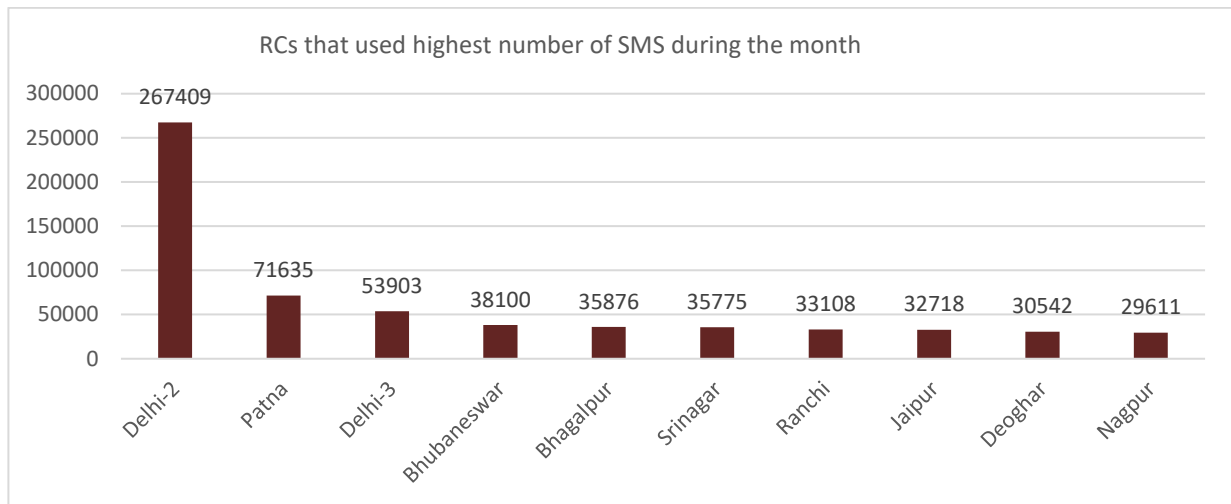

Figure 16

Receiving and resolving student grievances is a crucial part of student support services. During the month, regional centres organized online and face to face mode (offline) grievance redressal camps to address students queries and problems related to their studies. In the month of SEPTEMBER 2023, all together 74 such camps were held by the regional centres (Table 33). Out of 69, 21 have been organised in face-to-face mode and 48 virtual/online sessions had been hold by the regional centres to resolve students' grievances. The list of top ten regional centres in this category are given in Figure 17.

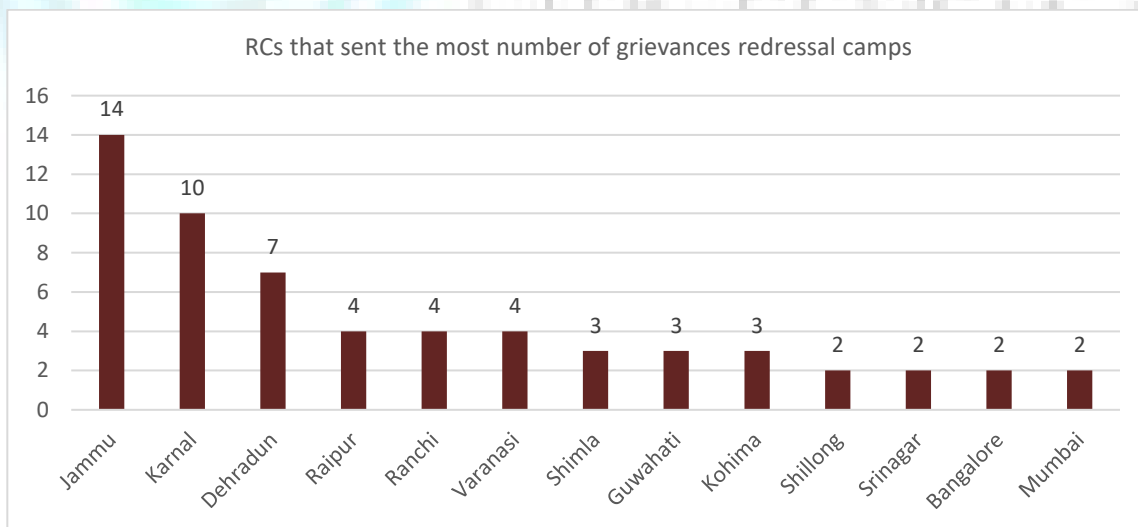

Figure 17

Research and Academic Development Activities

Regional Centre wise Research and Academic Development activities have been given in Table 40. During the month of SEPTEMBER, 2023, Regional Centres reported a total of 110 different

Research and Academic Development activities including Faculty Development Programme, Webinar/Seminar organized/participated, Radio/TV program and so on (Table 34). Indeed, the top ten regional centres (Figure 18) reported a total 83 such activities accounting for 75.45% of the total during SEPTEMBER 2023.

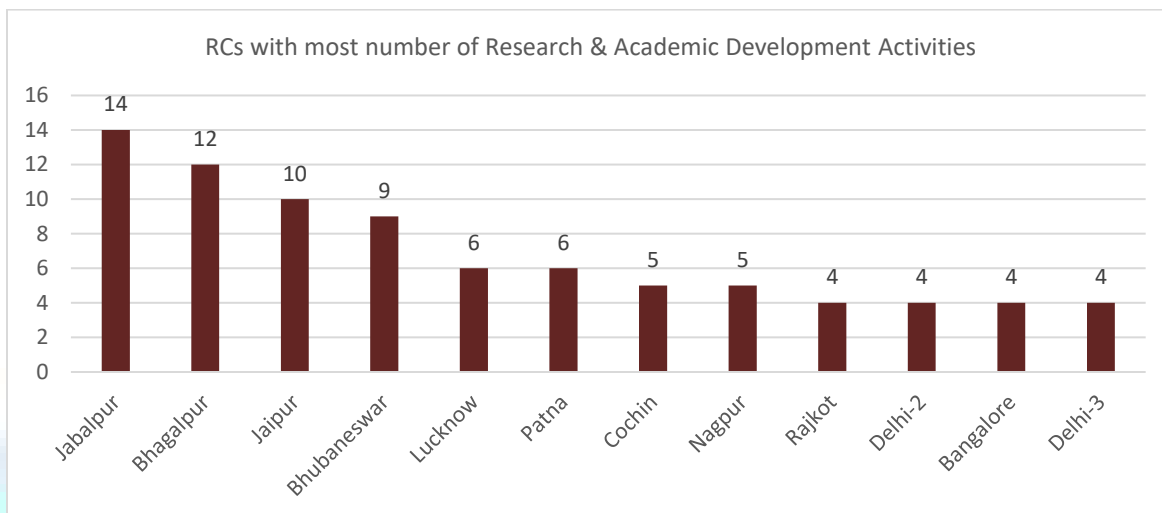

Figure 18

Expenditure of Regional Centres

This section of the report deals with the expenses of Regional Centres incurred to meet the functioning of Regional Centres during SEPTEMBER 2023. The analysis includes the Regional Centre wise total expenditure as well as item-wise expenditures during SEPTEMBER 2023. The data is provided in Table 35 to 46. Item-wise summary of expenses has been given in the Table 13. In SEPTEMBER 2023, a total expenditure of Rs. 226643496/- was incurred across the regional centres (Table 13 and Table 35).

Table 13 Item-wise summary of expenses

| S. No. | Particulars | Amount (In Rs.) | % of total |

| 11 | Total expenditures | 226643496 | 100 |

Figure 19 shows the names of the top-ten regional centres that accounted for about 49.18% of total expenditure incurred across all the regional centres (Figure 19). Some of the RCs with lowest expenses have been given in the **Error! Reference source not found.. RC Jodhpur** did not send MMR for the month of SEPTEMBER 2023.

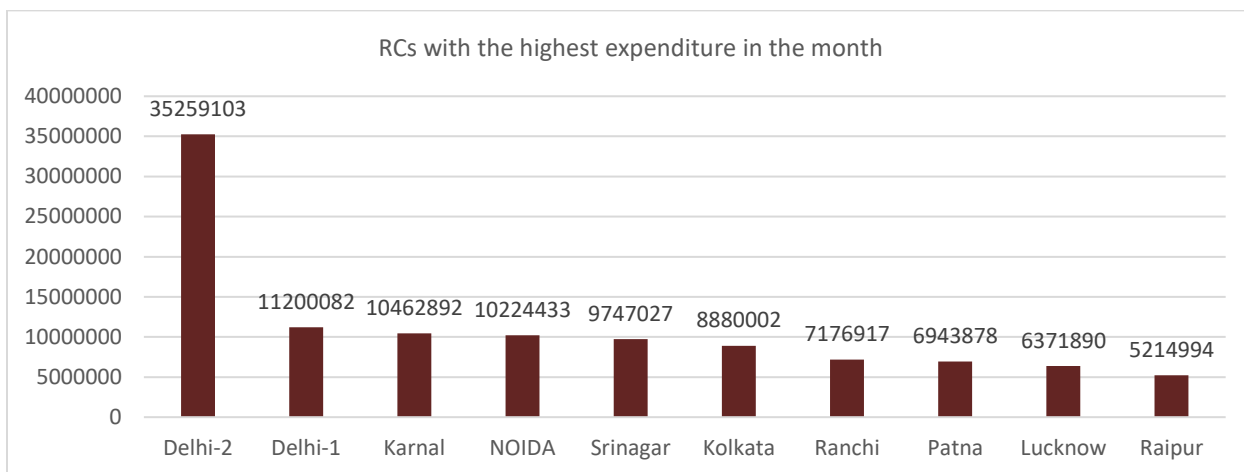

Figure 19

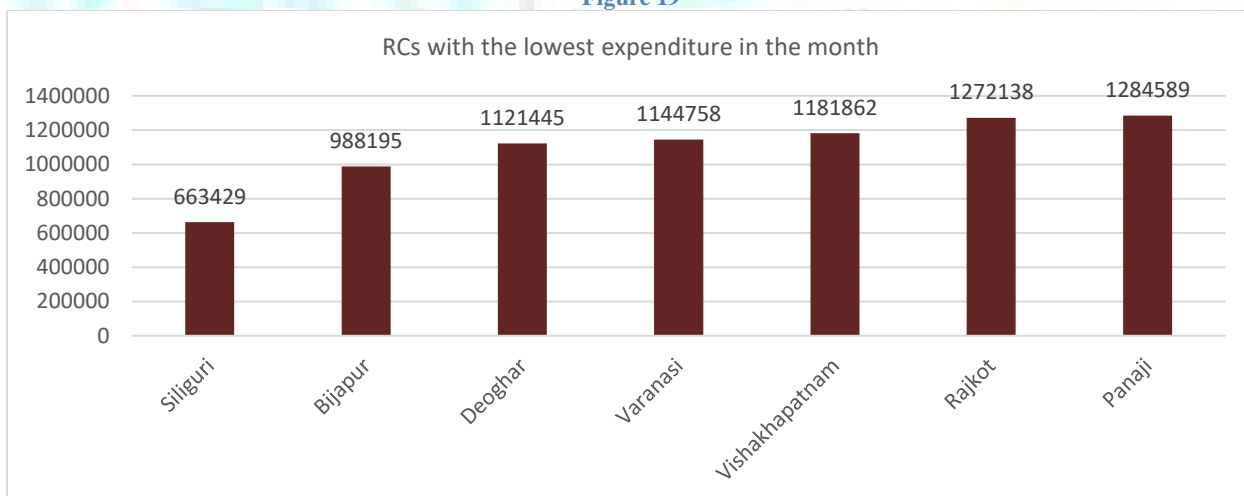

Figure 20

Table 36 shows the expenditure incurred on the payment of **salaries to regular staff** of the regional centres. Percentage of expenditure incurred on the payment of staff salaries at respective regional centres has been given in the corresponding column of the Table 36. Top-ten regional centres that had the highest expenditure for paying staff salaries are given in Figure 21. Across all regional centres, a total of Rs. 68845111/- was spent for the payment of staff salaries which accounted for 30.38% of total expenditure (Rs. 226643496/-) of the regional centres.

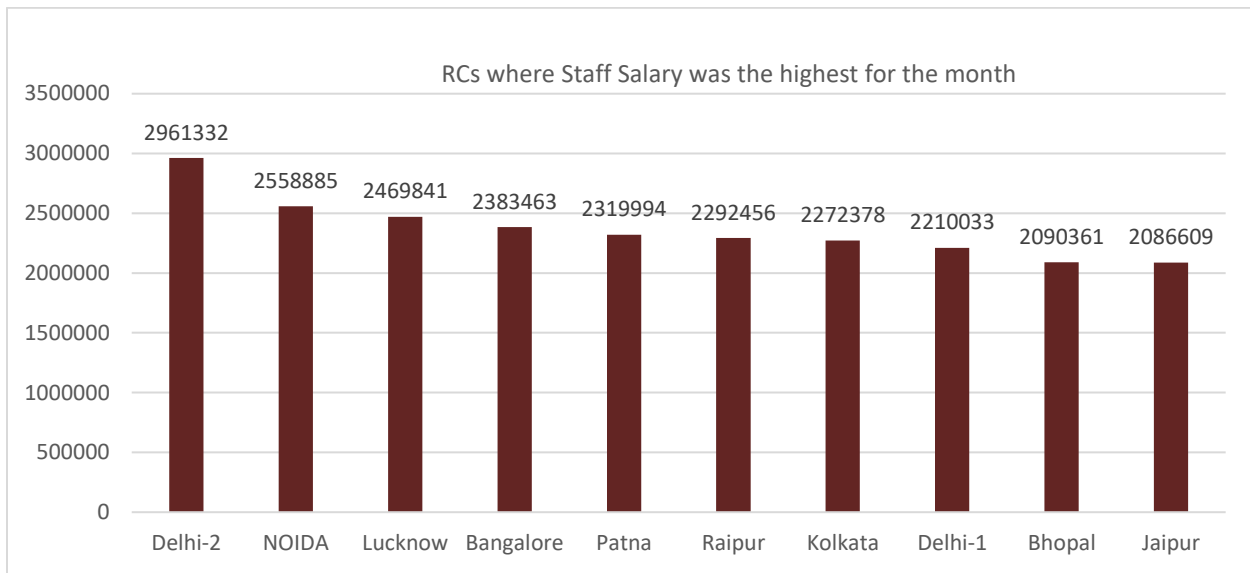

Figure 21

Payment towards the salaries of **daily wagger** staff working at the Regional Centres is the next item which has been analysed. Regional Centre wise data on the payment of daily wagers' salaries has been given in Table 37. A total of Rs. 11230018/- has been paid towards the salaries of daily wagers across the Regional Centres which was 4.95% of the total expenditure of Rs. 226643496/. Top-ten regional centres who have spent highest amount under this category are listed in Figure 22. Nine regional centres reported nil expenditure in this category.

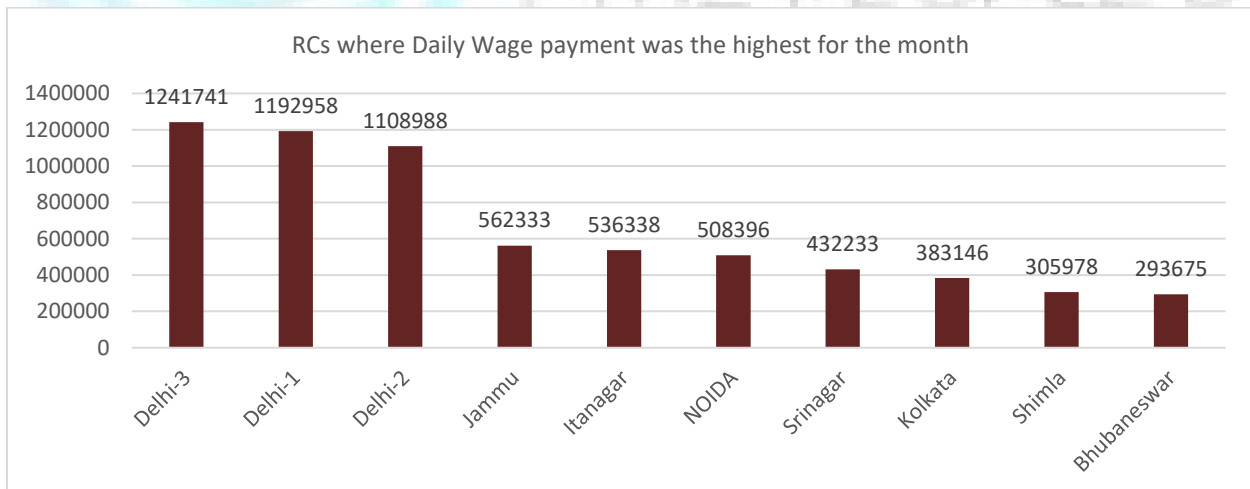

Figure 22

Expenditure for the arrangement of **security** is another item of expense at the regional centres. regional centre wise expenditure under this head has been given in Table 38. It shows that a sum of Rs. 2445037/- was spent by all the regional centres, which accounted for 1.08% of total expenditure (Rs. 226643496/-) of all regional centres. Under this category, the top-ten regional

centres who spent the highest amount of their total expenditure on security arrangements have been given in Figure 23. There were 29 regional centres that reported nil expenses for security arrangements Table 38

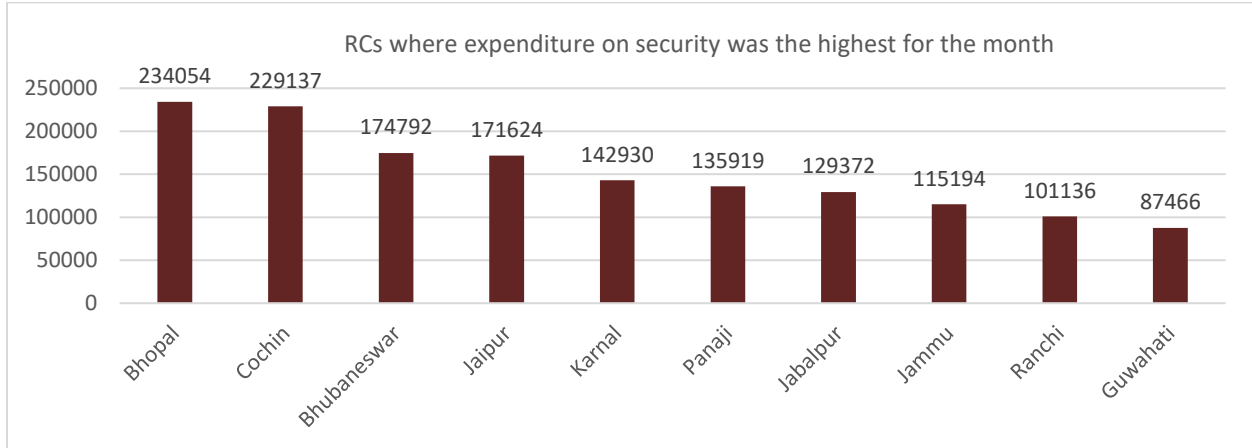

Figure 23

There are Regional Centres which are operational in **rented building**. Regional Centre wise expenses towards the rent of hiring buildings are given in Table 39 Regional Centre wise expenditure on rent of Regional Centre' Building in SEPTEMBER 2023.. Analysis of data indicates that a sum of Rs. 4490283/- was spent for paying the rent of buildings by the regional centres, which accounted for 1.98% of total expenditure (Rs. 226643496/-) on regional centres functioning. There are 37 regional centres who reported nil expenditure in this category. Top-ten regional centres who spent the highest amount on building rent are listed in Figure 24.

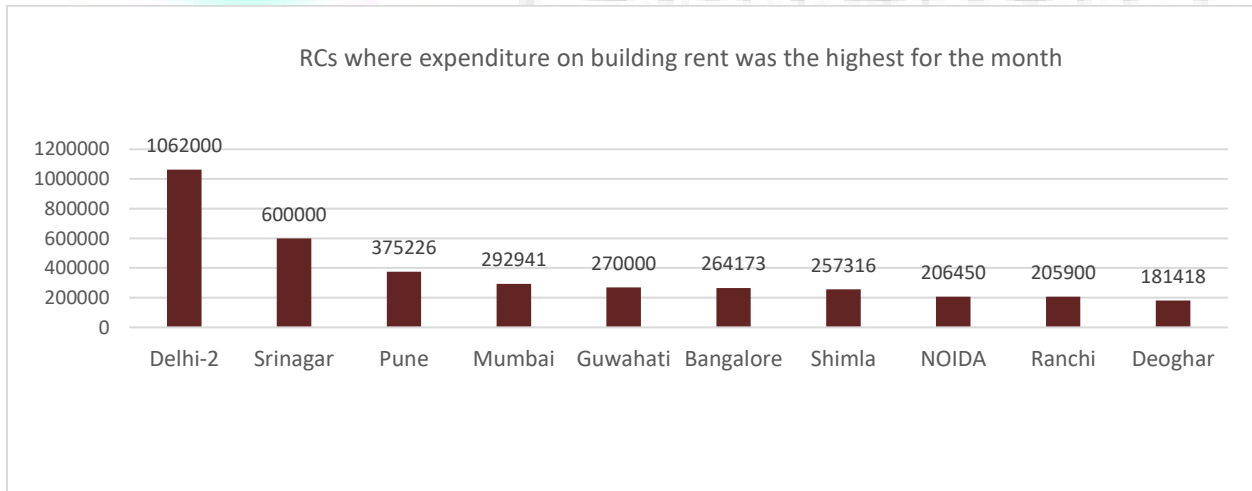

Figure 24

Expenses on **tours and travel**, and hiring taxis are other items of expenditures of regional centres. In this regard, regional centre wise expenditure incurred during SEPTEMBER 2023 is given in

Table 40. It shows that Rs. 373843/- was spent to meet the expenses of tours and travels at all the regional centres, which was mere 0.16% of the total expenditure of Rs. 226643496/- wherein 27 regional centres reported nil expenditure for this item. Figure 25 shows the regional centres with the highest expenditure towards "Travel & Hiring of Taxi".

Figure 25

Next item of analysis is expenditure on meetings, workshops, and orientation programs. Regional Centre wise detailed analysis has been given in Table 41. A total of Rs 97375/- was spent at all the regional centres which was only 0.04% of total expenditure of Rs. 226643496/-. Top regional centres reported expenses under this category are given in Figure 26. Fifty-one regional centres were made nil expenditure under this category.

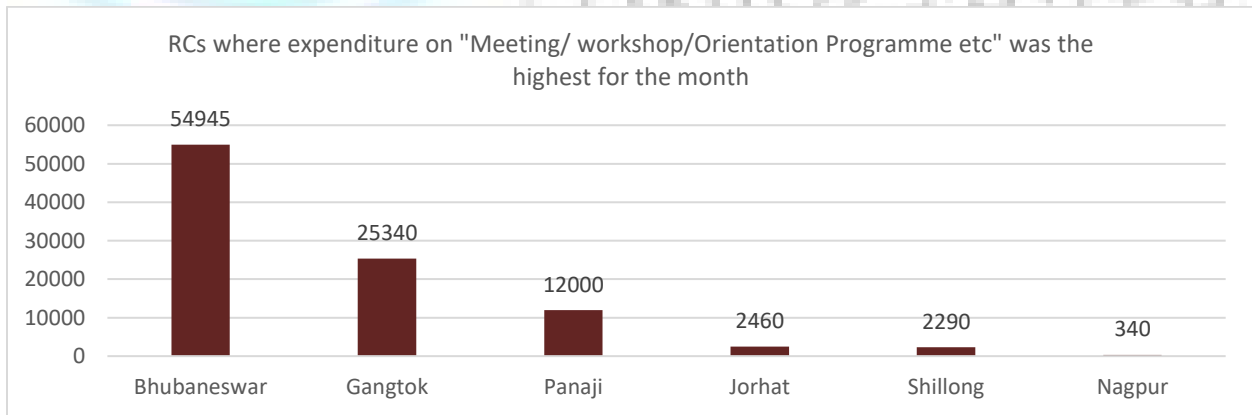

Figure 26

Another item of analysis is expenses on printing of promotional and publicity items which has been given in Table 42. In this item, all the regional centres spent Rs. 464889/- which is 0.21% of the total of Rs. 226643496/-. No expenses were made by thirty-four regional centres for this item. Top-ten regional centres who spent the highest for this item have been given in Figure 27.

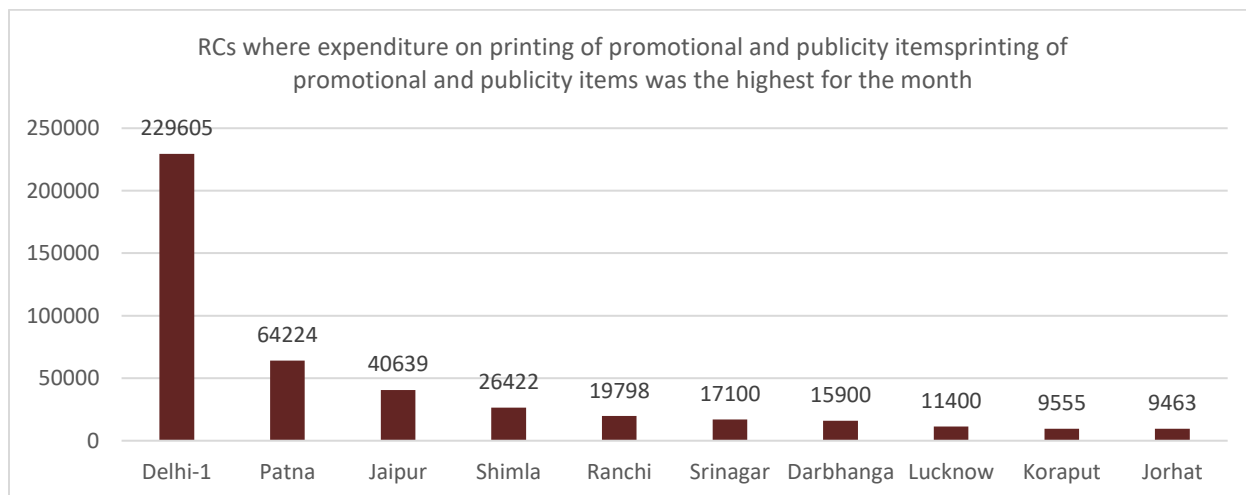

Figure 27

Miscellaneous expenditures of Regional Centres have been categorized as Other Expenditure. Regional Centre wise expenditure under this category have been given in [Table 43](#). It accounted for Rs. 53450250/- across all the Regional Centres, which was 23.58% of the total expenditure of Rs. 226643496/-. The Regional Centres whose expenses were highest under this item have been given in **Error! Reference source not found.**

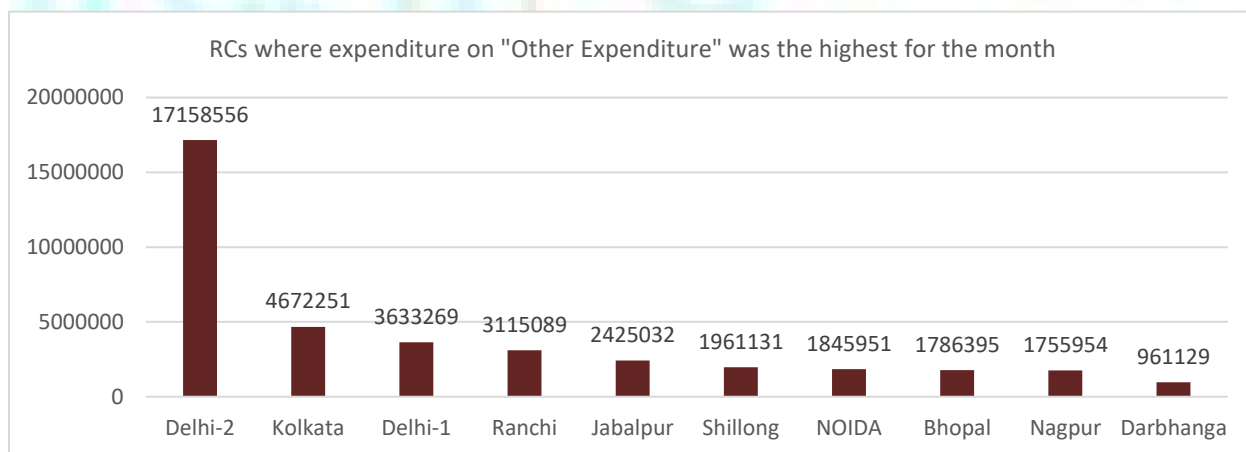

Figure 28

Expenditures for Functioning of Learner Support Centres

Expenses on the operations and functions of the Learners Support Centres are an important component of the university's expense. The expenses are made for salaries of part time functionaries (PTFs) of study centres as well as payments for academic counselling sessions, evaluation, and other administrative activities. Expenditures incurred for these activities are given in table 44 to 46.

As far as salaries of part-time functionaries of study centres is concerned, a sum of Rs. 34225216/- was spent by all the regional centres during SEPTEMBER 2023 which accounted for 15.1% of total expenditure of Rs. 226643496/- incurred across the regional centres (Table 44). Top-ten regional centres who incurred maximum expenses towards payment of salaries for the Part Time Functionaries have been given in Figure 29 **Error! Reference source not found.** Forteen regional centres made nil payment on salaries of part-time functionaries of study centres during SEPTEMBER 2023.

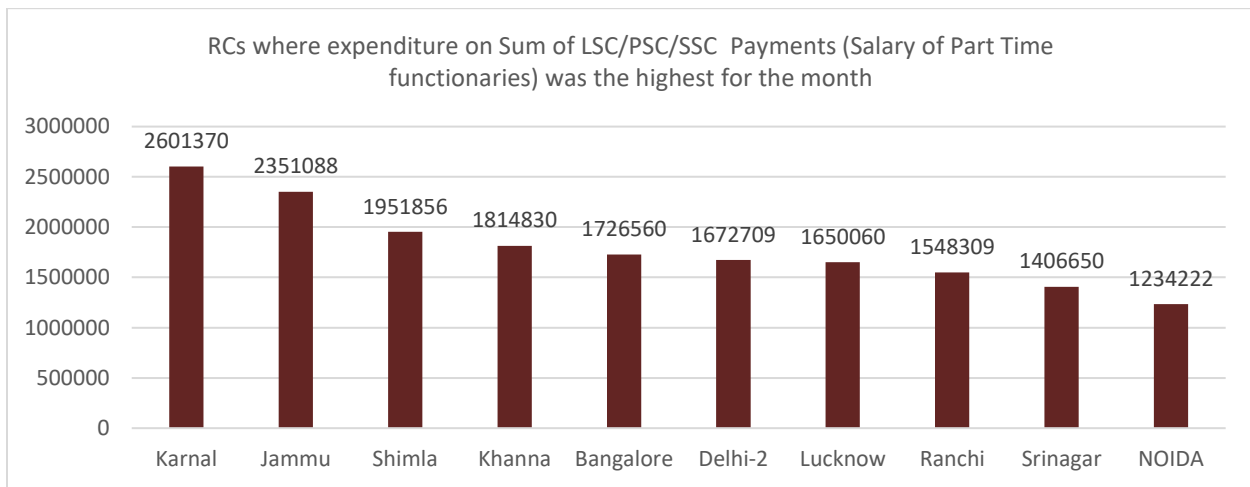

Figure 29

Regional Centre wise payments made for counselling and evaluation of assignments are given in Table 45. The regional centres spent Rs. 51021474/- on payment of academic counsellors and for assignments evaluation, which accounted for 22.51% of the total expenditures of Rs. 226643496/. Figure 30 illustrates the top-ten regional centres who spent the highest amount for counselling and evaluation of assignments during SEPTEMBER 2023. No expenditure was reported by the eight regional centres for this activity in SEPTEMBER 2023.

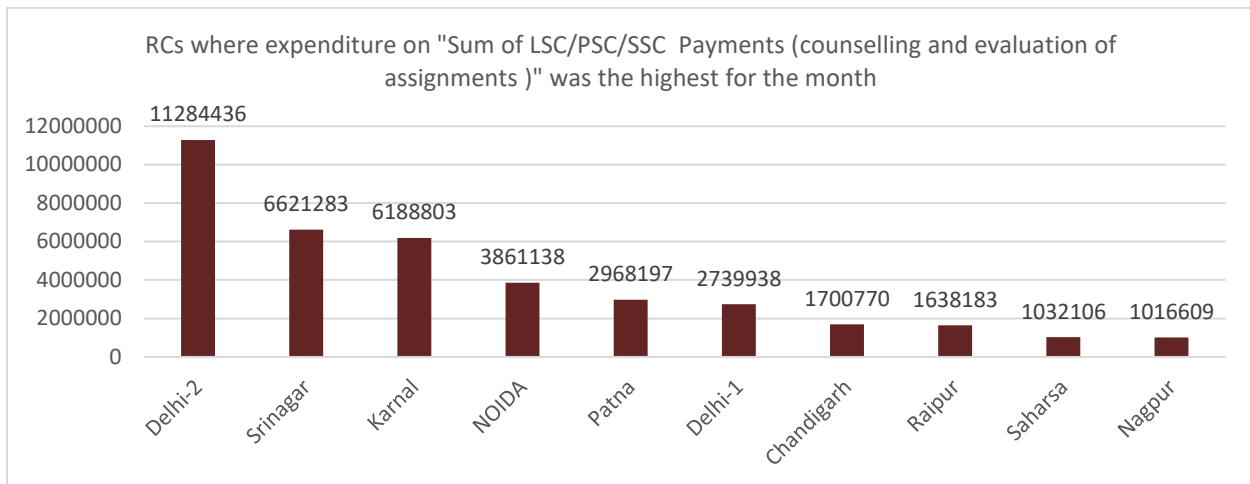

Figure 30

Regional Centre wise **sum of the expenditure incurred for the study centres' functioning** (including staff salaries and Counselling and evaluation) has been given in Table 46. The table indicates that Rs 85246690/- was spent across all the regional centres to meet the operational expenditures of the study centres, which accounted for 37.61% of the total expenditure of Rs. 226643496/-. Top-ten regional centres that had the highest expense towards functioning of study centres have been given in Figure 31.

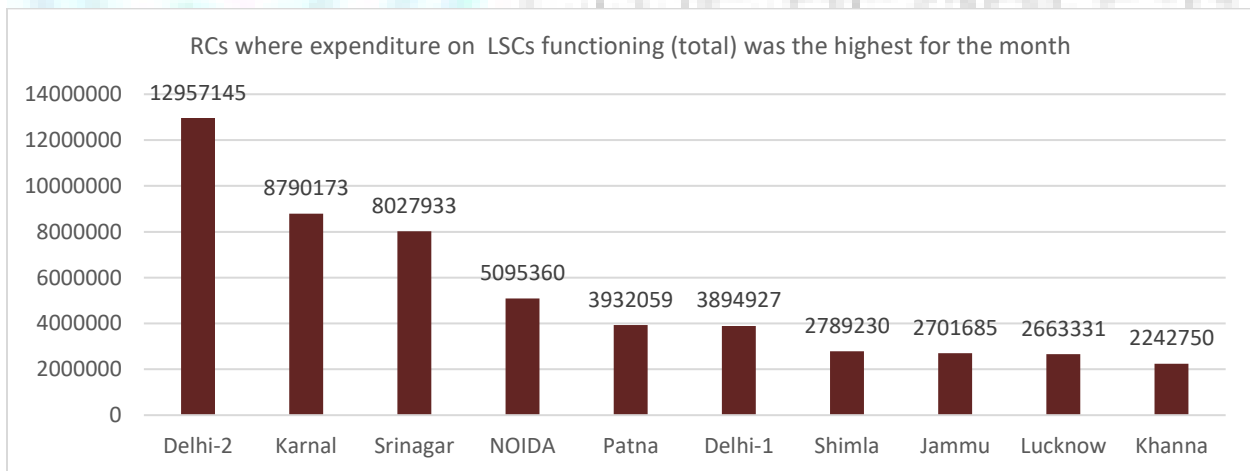

Figure 31

Staff strength at the Regional Centres

In this section, the number of staff posted at the regional centres has been described. Category wise staff strength of all 56 Regional Centres has been given in Table 47, as no details received from the RC Jodhpur. A total of 1097 staff were posted across the regional centres comprising of 141 academic staff, 377 non-academic staff and the rest included daily wage staff and security staff.

Top-ten regional centres with largest number of staff have been shown in Figure 32. Regional centres functioning with minimum number of staff members are given in the Figure 33.

Ratio – Expenditure, Enrolment and Staff

The ratio is defined as the relation between two numbers which shows how much bigger one quantity is than another. In this study the ratio between expenditure and staff, expenditure and enrolment, enrolment and staff has been calculated in order to measure the magnitude of regional centres' expenditure corresponding to staff posted as well as corresponding to the number of learners enrolled.

The higher the **Expenditure-to-Staff ratio**, the greater the expenditure per staff member at the Regional Centre, and *vice-versa*. The highest ratio was found in regional centre Delhi 2, while the lowest was found in regional centre Siliguri (Table 48). Figure 34 shows the regional centres with

the highest expenditure-to-staff ratio while Figure 35 depicts the regional centres with the lowest expenditure-to-staff ratio.

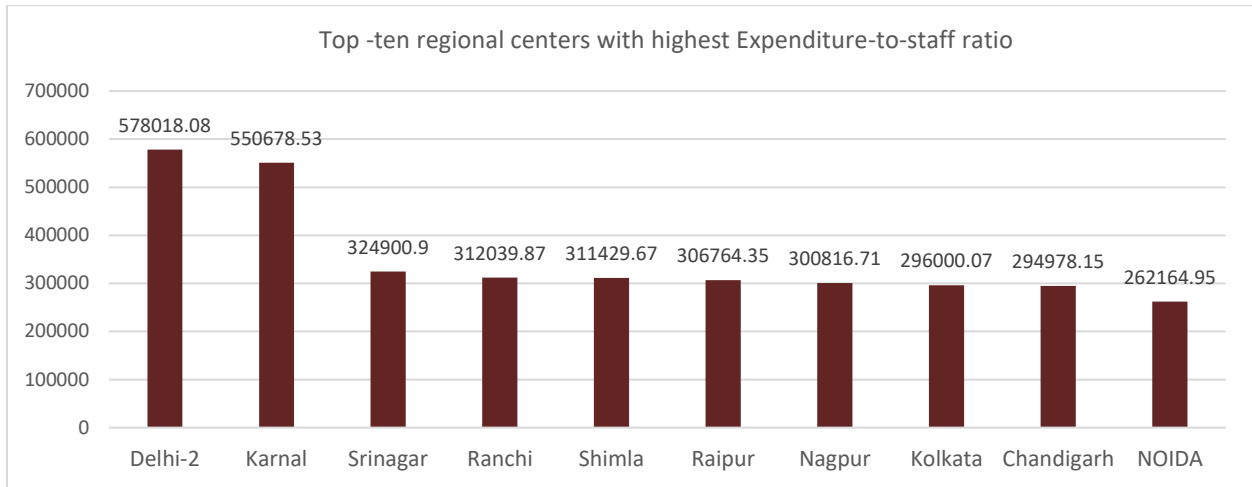

Figure 34

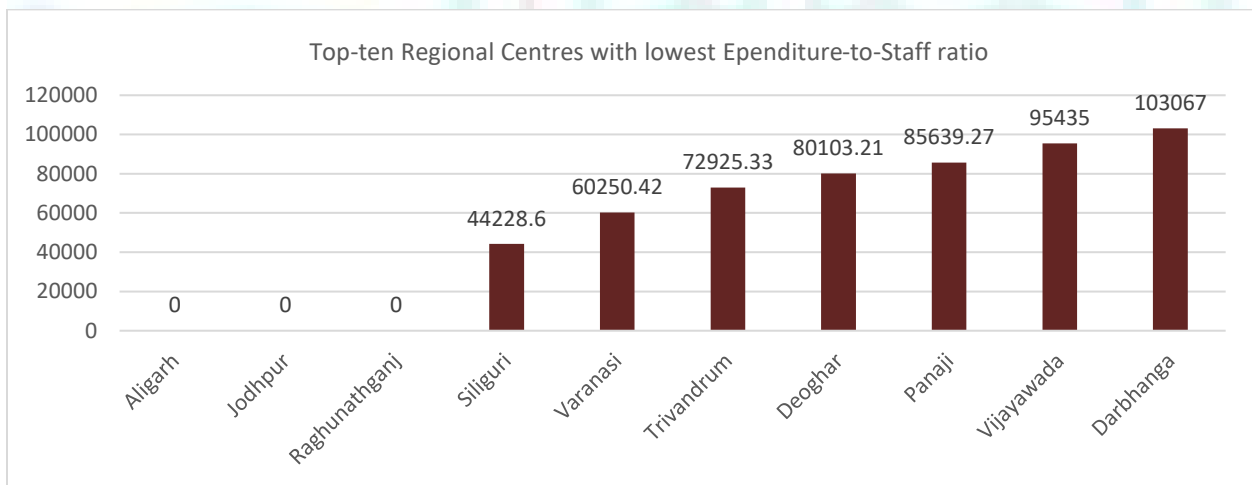

Figure 35

*No data from RC Jodhpur

The higher the **Expenditure to enrolment ratio** as with other determined ratios, the more money that regional centre spends on each learner and vice-versa. Regional centre-wise expenditure to enrolment ratio has been given in the Table 49.

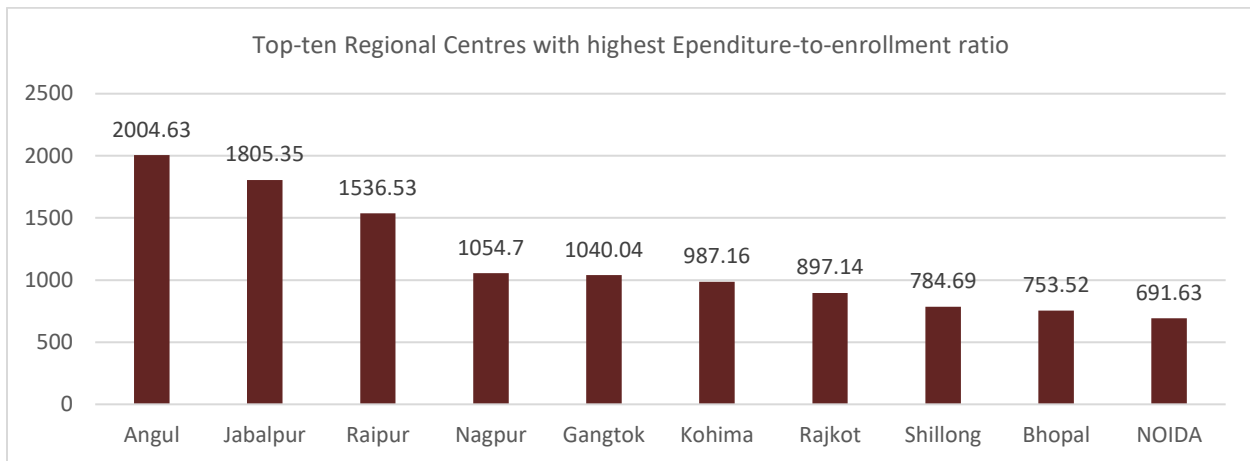

Figure 36

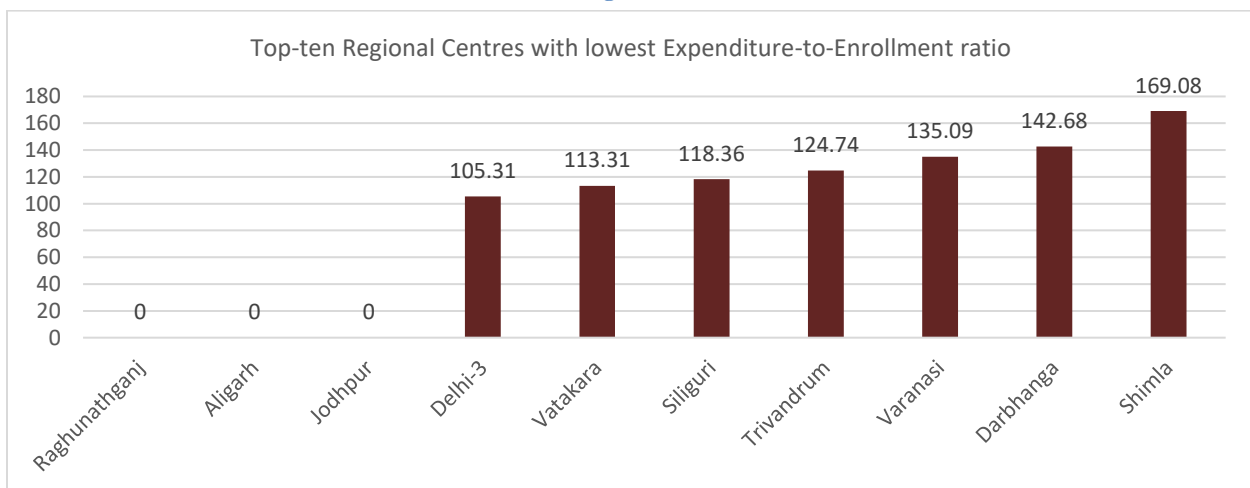

Figure 37

Similarly, Regional Centre wise **Enrolment to staff ratio** shows the workload in terms of the number of learners per staff member at each regional centre. The higher the Enrolment to staff ratio, the more the workload on the regional centre staff, and vice-versa (Figure 38 and **Error! Reference source not found.** Table 50). Regional centre Vatakara had the greatest ratio while regional centre Angul has the lowest (Table 50). Figure 38 shows the top ten regional centres with the highest enrolment-to-staff ratio while **Error! Reference source not found.** depicts the top ten regional centres with the lowest enrolment-to-staff ratio.

Bhopal

International Webinar on the theme, 'Imbibing Mission LiFE in Higher Education: Special Campaign 3.0' dated 20th October 2023;15:00 to 18:00 Hours, IST

Background:

“G20 New Delhi Leaders’ Declaration includes mainstreaming of lifestyles for Sustainable Development (LiFE); it commits collective action to embrace sustainable consumption patterns and mainstream lifestyles for sustainable Development. Higher Education Institutions (HEIs) being centers of ‘Knowledge Creation, Dissemination and Acquisition’ can contribute in imbibing the principles of Mission LiFE in Higher Education. UGC, India in June 2023 had issued Guidelines & Curriculum Framework for Environmental Education at the undergraduate level; HEIs need to take action to mainstream Mission LiFE in Higher Education and to share the practices adopted in this regard.”

Figure 1: Flyer of the Webinar:

Proceedings:

The Webinar Started on the Scheduled time with Welcome address by Dr. Bini Toms, Dr. U C Pandey, DRSD was present for a while during the webinar however, Dr. Mohpatra, PVC could not join due to some urgent travel.

Resource Persons took their sessions with their expertise in through PPTs followed by the through discussion. Mr. Lokendra Thakkar gave a descriptive presentation of Mission LiFE experiences in Madhya Pradesh as well the innovative experiments of EPCO in the area of Mission 3.0. the presentation was very insightful and balanced in sense of practicality. The participants were interested in the programmes of EPCO practiced in MP, India and were keen to know more with hands on experience.

Feedback:

The Webinar was found very useful and interactive and learners requested to organise such Webinar time to time on various topics. It was also proposed by the participants to organise a pre-conference workshop followed by an international Conference on the concerning research topic. Two Presentations of the selected learners could not be done due to internet unavailability in their region.

Conclusion:

The Webinar was the first international webinar experience of IGNOU RC Bhopal; however, it was dealing with many international, NRI and National Online Learners through What's App, Google Meetings and Google Classroom, but webinar experience was innovative and encouraging.

Community Sensitization Program Against Child MarriageKukupangi / 2 October 2023

India reported the highest number of child marriages in the world among other countries where this evil tradition is still in practice. Estimates show around 23.3% of girls between the age group of 20 -24 years have been married before they turned 18. Child marriage must be seen as a serious crime against children those violets their basic human rights. Major girls are forced to turned child brides and face mental trauma, physical and biological stress, loss of education. Our daughters also undergo child bearing at young age, which exposes them to serious health issues and some even die during child birth. World Health Organisation says minor girls are susceptible to Sexually Transmitted Diseases and turn anemicwhen married young. The problem is not only confined to few communities or rural areas butis also accepted as social custom in some religions, where girls after reaching puberty are deemed suitable for marriage even before they reach legal age of consent.

In this context a sensitization program for the community members especially women was organized in Kukupangi village to make the people aware about the consequences of child marriage and their role in prevention.

Location

The sensitization program was organized in Kukupangi village of Hindol block of Dhenkanal district. This is a village with habitation of 384 population dominated by tribal (247). Rest are schedule castes and back ward communities.

Kukupangi village have been selected as one of the adopted villages by Indira Gandhi National

Open University (IGNOU) Regional Centre, Bhubaneswar and assigned the responsibility to Viswa Yuva Kendra, Angul, a voluntary organization working for the development of the region since last three decades to undertake the activities in the village.

Activity

A half day sensitization program was organized on Gandhi Jayanti on 2nd October 2023 at 1 p.m. At the outset Ms. Madhusmita Mohapatra,

Program

Coordinator Access to Justice Program of VYK welcome all the participant and briefed about the objectives of organizing the sensitization program.

Mr. Manoj Kumar Mohapatra, Director VYK the resource person of the event spoke about the causes, effect, and consequences of child marriage. Dhenkanal is one of the second districts of the state having low sex ratio, high child marriage (more than 25%) and other social issues like poverty, blind belief, and superstitions among tribal. He told that, Child marriage has a significant negative impact on an individual's physical, mental, emotional, and social development and on education and economic opportunities. Both girls and boys are affected by child marriage, but girls are affected in much larger numbers and with greater intensity.

Impact on Girls

- Young girls in marriage are unable to take decisions regarding their body which leads to violation of their sexual rights.
- Marriage and pregnancy also force girls to drop out from schools and are unable to fulfill their aspirations in life.
- Girls face difficulty in adjusting to new family surroundings, are highly prone to domestic violence and subjected to mental trauma.
- Responsibility of managing family and household work at a young age is a huge psychological burden on girls.
- Child marriage being more common among poor communities, girls also must bear the economic responsibility of the family, pushing her into child-labour.
- Early marriage in case of girl leads to early pregnancy, compromising her rights and choices. Further, adolescent girls are physically and mentally not ready for pregnancy and responsibilities of child care.
- Adolescent pregnancies have serious health consequences both for the mother as well as the child. Infant mortality, maternal mortality, low birthweight, pre-maturity, and poor nutrition are some of the serious negative effects besides a high risk to the girl herself.
- Girls married early are unable to plan their families which results in too early, too closely spaced and too many pregnancies.
- This leads to adverse impact on health and nutrition of the mother and children.

Girls married at a young age are also highly vulnerable to disappearance/neglected, especially if the husband is also young. There are many reported instances where young husbands do not remain committed to the marriage. The married girls are then found themselves in such a critical situation, where she and her children live in a state of abandon/destitute with no support or limited support both form their maternal and in-laws.

Impact on Boys

- Child marriage has significant psychological impact on the boys due to sudden increase in family responsibility. Patriarchal norms that mandate men to earn and fulfill the needs of the family resulted in high stress to cope with managing and balancing family responsibility and income and survive and to support his dependents.
- Decline in self-confidence in managing his family, can result in the boy taking refuge in practices like alcohol, drugs, and substance abuse.
- Boys too get deprived of education and skills and are compelled to get into unskilled low paid jobs at a very young age because of early marriage.

Mr. Mohapatra spoke about the laws relating the prevention of Child Marriage. He briefed about the Child Marriage Prohibition Act 2006. Finally, he suggested for a collective action of all section of community members to prevent child marriage from the village. A question answer session was also conducted to clarify doubts among the participants. At the end of the

session a group pledge was taken by all the members.

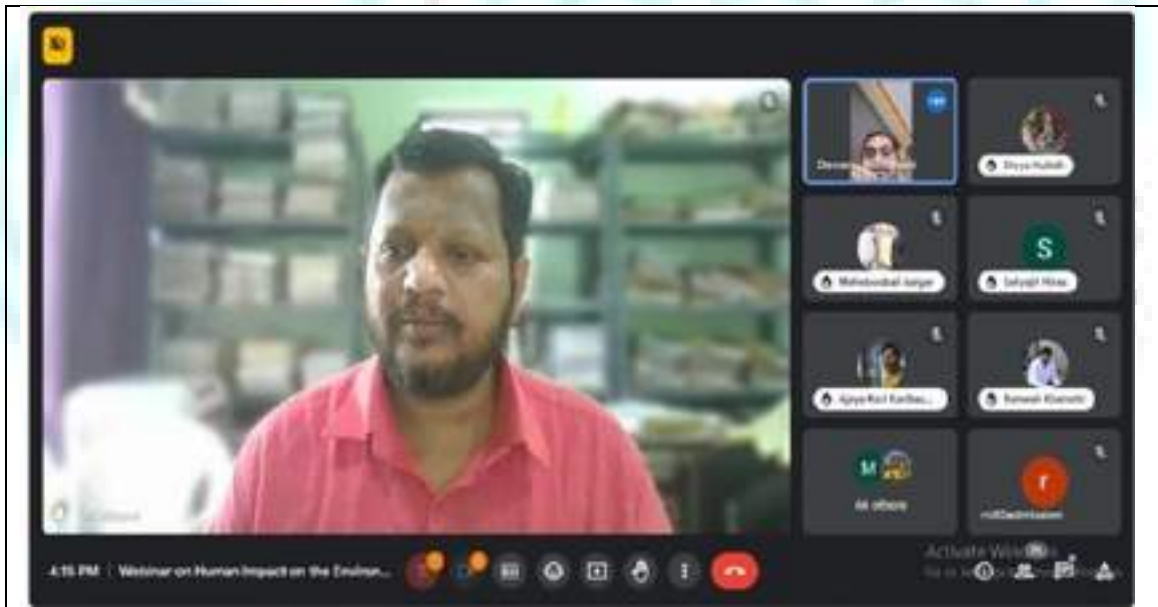

The program was ended with vote of thanks by Mr. Girija Nandan Sahoo, Project Counselor, Access to Justice Program of Viswa Yuva Kendra.

The program has been supported by Indira Gandhi National Open University (IGNOU) Regional Centre, Bhubaneswar. Kukupangi is a tribal village of Dhenkanal district comes under the jurisdiction of Regional Centre has been adopted under Unnat Bharat Abhiyan, Government of India.

Webinar on Human Impact on Environment

Regional Centre Bijapur organized webinar on Human Impacts on Environment under special campaign on 10th October 2023 through Google Meet. More than 80 learners were actively participated.

WEBINAR ON SUSTAINABLE DEVELOPMENT on 12-10-23 @ 3 - 4 p.m

Programme Schedule

3.00 P.M Welcome address: Dr.SK.Zareena ARD

3.05 P.M Presidential Address: Dr.K. Panneerselvam Sr. Regional Director

3.10 P.M Keynote Address:

Resource Person: Dr. Sultan Ahmed Ismail, Member, State Planning Commission, Government of Tamil Nadu.

4.10 P.M Interaction: BY PARTICIPANTS

4.25 P.M Vote of Thanks: Sh. Venkat Bhargav Assistant Registrar

Resource Person: Dr Sultan Ahmed Ismail, M.Sc., M.Phil., Ph.D., D.Sc., Dip.Hr. Edn (9.10.1951) is presently Member, State Planning Commission, Government of Tamil Nadu. He is also the Task force member, State Planning Commission, Chhattisgarh Government; and Chairman for the Reconstituted High Level Expert Technical Committee – Hydrocarbon Project, Tamil Nadu Government; and Former Director of the Eco science Research Foundation, Chennai.

Teaching from 25th November 1974 he was the Head of the Department of Zoology and later the Department of Biotechnology, The New College, Chennai.

Has done extensive work (both research and applied) on ecology and environment, earthworms, and organic inputs since 1978. He has been associated with

several institutions, farmers, and self-help groups promoting the concepts of ecology, sustainability, organic concepts, waste management, waste water treatment, etc.

He was awarded the CAST ME award for 1994–95 in the UK, the “Arignar Anna Award” by the Department of Environment of the Government of Tamil Nadu for 2005, the “Award of Excellence” presented by His Excellency Governor of Jharkhand in Dec 2010, the “Friend of Nature Award” by the Rotary Club of Chennai Mitra, Jan 2017; the “Special Contribution Award for outstanding contribution to earthworm industry” at the 1st World Earthworm Industry Forum in China, June 2018; “Champion of Chennai” Award in August 2019, the “Beacon of Hope Award” by AISS, the “Annual Sir J C Bose Award” by the Indian Science Monitor during February 2020; and the Inspiring Humanitarian Award by the World Humanitarian Drive UK in May 2021. His books “The Earthworm Book” and “Mann Makkal Mahasool (Tamil)” are popular among both academics and others interested in earthworms and soils, while his coordinated “simple tasks great concepts” is a boon to science teachers and students with 100 life science experiments which any child can perform without a laboratory. His earthworm book has been translated in Tamil, Chinese and Persian. He has published about 80 research and review papers in National and International Journals, guided 32 M.Phil, and 20 Ph.D, students. Please Google his name for more info about his work.

Welcome address: Dr.SK.Zareena ARD welcomed the Resource Person Dr. Sultan Ahmed Ismail, Member, State Planning Commission, Government of Tamil Nadu., Sr. Regional

Director Dr.K. Panneerselvam, RC Chennai Staff members, Learners for attending the Webinar.

Presidential Address: Dr. K. Panneerselvam Sr. Regional Director Addressed the importance conducting the webinar on sustainable development, Importance of reduce, Reuse, Recycle and importance of swatchathahi seva programme, clearing of records, creating the space and revenue generation through waste disposal, advancement in Special Campaign 3.0.

Resource Person: Dr Sultan Ahmed Ismail, Member, State Planning Commission, Government of Tamil Nadu delivered a thought-provoking lecture with demonstrations through PPT covering the aspects of importance of Soil, Air, Water, difficulties with Pollution, Plastic usage, deteriorating soil health has led to a sharp decline in the production of crops since 1990, quoted a recent report by the Delhi-based Indian Society of Soil Science. Extensive use of chemicals kills bacteria and microorganisms in the soil, making land uncultivable. Earthworms and termites are organisms which help increase soil health. In the olden days, after the harvest, the top portion of the crop was used for human consumption, the middle portion was used as a feed for animals and the bottom portion went back to the soil and supported the growth of microorganisms. But today so much salt is being dumped into the soil that it is losing important microbes and land has become uncultivable. More salt means that the soil demands more water, which has also led to water scarcity in certain areas, The natural composting process goes through

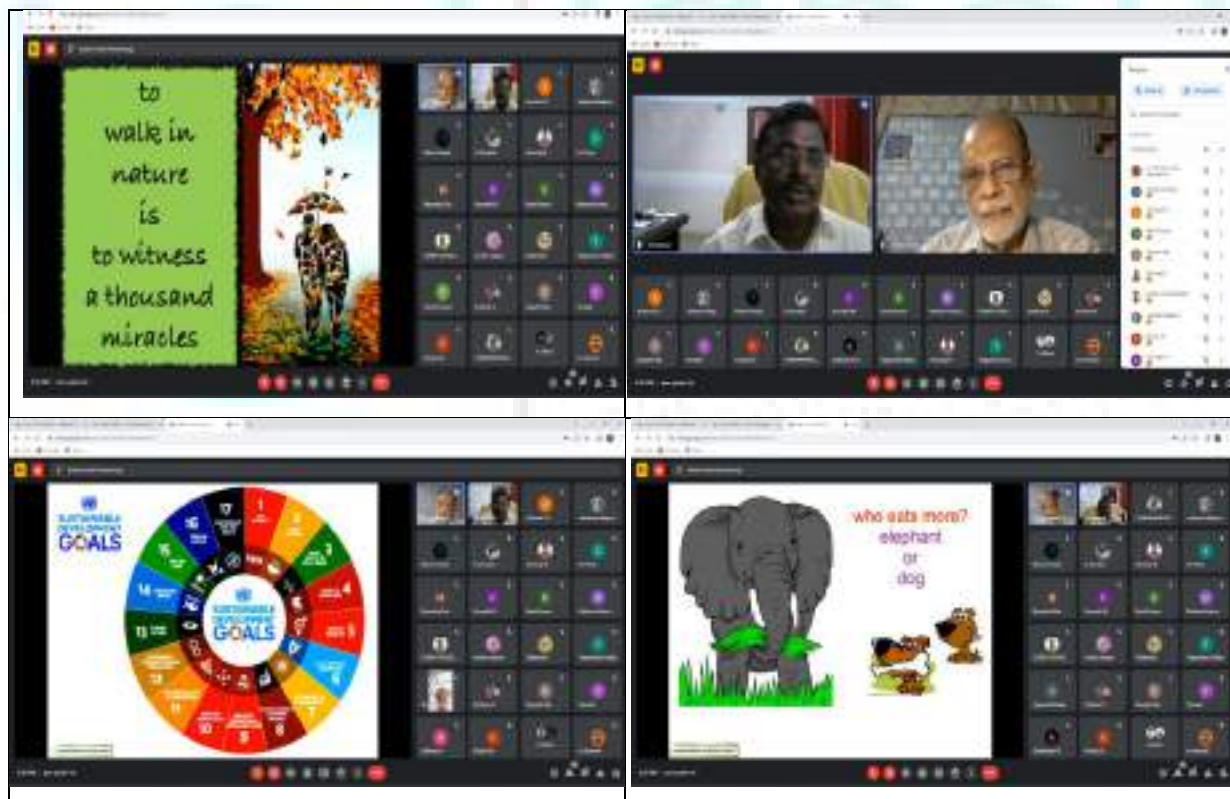

a series of biological sub processes: first action by mesophilic microorganisms on the C-substrate—the metabolic process produces heat (raising the temperature of the compost pile)—resulting in a subsequent second action by thermophilic microorganisms. When all of the C-substrate is depleted, the metabolic activity slows down with the temperature dropping and the mesophilic organisms becoming active while the thermophiles become dormant. This is the cure stage. The whole process in a natural system takes about 30 days (minimum). The 24-hour machines do not produce compost. They produce an end product of pulverised material.

Short-circuiting this natural biological process in composting is not acceptable and claims that this 24- or 48-hour thermal treatment process produces “compost” is misleading and wrong. By analogy, a baby takes 9 months in a mother’s womb to be fully formed and delivered. One cannot short-circuit this and have a baby delivered in one or two months. One should not violate

Nature and its processes if we want to be environmentally responsible. The 24-hour composting machines are just waste disposal or waste reduction machines with or without using microorganisms. These materials can be used as feed. Care must be taken that these end products neither reach the soil nor the feed because stabilisation continues till completion of the decomposition of degradable organic compounds and re-organisation of other organic substances, which takes its own time depending on the constituents. There is no microorganism so far found that can hasten this process to be completed in 24 hours. If this “compost” is used without full stabilisation, it may prove to be harmful to the plants and also to the soil. This 24-hour process from machines can be useful probably to reduce the volume of waste for landfilling or for further processing.

Interaction: Learners interacted with the resource persons and clarified the doubts.
