## ACADEMIC PROGRAMMES

The University offers programmes leading to Certificate, Diploma or Degree, covering conventional as well as innovative programmes. Most of these programmes have been developed after an initial survey of the demand for such studies. They are launched with a view to fulfil the student's needs for:

- \* certification,
- \* improvement of skills,
- \* acquisition of professional qualifications,
- \* continuing education and professional development at work place,
- \* self-enrichment,
- \* diversification of knowledge, etc.

## COURSE MATERIAL

Learning materials are prepared for the courses by teams of experts drawn from conventional universities, management institutions and professionals from all over the country and in-house faculty. These materials are edited by the content experts and language experts at IGNOU before they are finally sent to the press. Similarly, audio and video programmes are produced in consultation with the course writers, in-house faculty and producers. These materials are previewed and reviewed by the faculty as well as outside experts and edited or modified wherever necessary before they are despatched to the Study Centres and Doordarshan.

## CREDIT SYSTEM

The University follows the 'Credit System' for most of its programmes. Each credit amounts to 30 hours of study comprising all learning activities. Thus, a six credit course involves 180 hours of study. All management courses are six credit courses except the project course which is of 12 credits. This helps the student to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme (Degree, Diploma or Certificate) requires successful clearing of both, the assignments and the term-end examination of each course in a programme.

## STUDENT SUPPORT SERVICES

IGNOU has established a number of study centres throughout the country. Study Centres provide counselling facilities at periodic intervals, act as information centres, and as examination centres. Currently 378 study centres provide counselling facilities for the Management Programme. Study Centres also have a basic library of management books for reference purposes. Each student is assigned to a study centre where s/he also submit assignments to the study centre coordinator. To coordinate the study centres, the University has established 56 Regional Centres and 4 IGNOU Sub-Regional Centres all over the country. The University has also established 6 IGNOU-Army, 4 IGNOU-Navy, and one IGNOU-Assam Rifle Recognised Regional Centres to cater to the needs of Army, Navy, and Assam Rifles personnel respectively. List of Regional Centres & Study Centres for Management Programmes are given in **Appendix 2** and **Appendix 3** respectively.

## DELIVERY SYSTEMS

The methodology of instruction in this University is different from that of the conventional Universities. The Open University System is more learner-oriented and the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance, rather than face-to-face communication. The University follows a multi-media approach for instruction. It comprises :

- a) **Print Material** : The printed material of the programme is supplied to the students in batches of blocks for every course. A block which comes in the form of a booklet generally comprises 3 to 5 units.

- b) **Audio-Visual Material Aids** : The learning package contains audio and video programmes which have been produced by the University for better clarification and enhancement of understanding of the course material given to the student. A video programme is normally of 25-30 minutes' duration. The audio programmes are run and video programmes are screened at the study centres during the hours of the counselling session. The video programmes of Management Studies are telecast on DD (National) on Monday at 6.00 am. Some of the selected stations of All India Radio also broadcast the audio programmes. Students can confirm the broadcast schedule for the programmes from their study centres. The information is also provided on the University website.
- c) **Counselling Sessions** : Normally, counselling sessions are held as per a schedule drawn before hand by the Study Centre Coordinator. They are held on weekends, i.e., Saturday and Sunday. There are 6 counselling sessions of 2½ hour duration for each course in face to face mode. Additionally the University conducts live phone-in-programmes through various stations of All India Radio. Schedule of these phone-in-programmes would be available at study centres. Live teleconferencing sessions are also conducted via satellite through interactive TV channel.

This component carries a weightage of 30%. There will be one graded assignment per course. The assignment is to be submitted to the Co-ordinator of the Study Centre to which the student is assigned or attached with.

b) **Term-end examination (weightage : 70%)**

*Term-end exams will be held twice every year in the months of June and December. The students are at liberty to appear in any of the examinations conducted by the University during the year. A student will be allowed to appear in the Term-End Examination, only after s/he has registered for that course and submitted the assignment.*

**For appearing in the Examination, every student has to submit an Examination form through on-line ([www.ignou.ac.in](http://www.ignou.ac.in)) before the due dates as given in the schedule of operations.**

If a student misses any term-end examination of a course for any reason, s/he may appear for any of them or all the courses subject to the maximum of 8 courses in the subsequent term-end examinations. This facility will be available until a student secures the minimum pass grade in the courses but up to a maximum period of four semesters, since the date of registration of the course is valid for four semesters. Beyond this period s/he may continue for another four semesters by getting Re-registration by paying fee again. In that case, the score of qualified assignments and/or term-end examination will be retained and the student will be required to complete the left out requirements of such re-registered courses.

The following components will comprise the term-end examination for each course:

- \* Analytical and conceptual comprehension through essay type questions.
- \* Cases or problem solving exercises.

Letter grade system is used for grading continuous and term-end examination components. These letter grades are:

- A = Excellent
- B = Very Good
- C = Good
- D = Satisfactory
- E = Unsatisfactory

For successfully qualifying a course, a student will have to obtain at least 'D' Grade in both continuous and term-end examinations. However, the overall average should be at least 'C' grade for the successful completion of a course.

Following is the system of converting the overall letter grades to percentage equivalents.

- A = 80% and Above
- B = 60% to 79.9%
- C = 50% to 59.9%
- D = 40% to 49.9%

## MODALITIES OF SUBMISSION OF ASSIGNMENTS AND TERM-END EXAMINATION

### ASSIGNMENT

Assignments constitute the continuous evaluation. The submission of assignments is compulsory. The grade that you get in your assignment will be counted in your final result. Assignment of a course carry 30% weightage while 70% weightage is given to the term-end examination. Therefore, you are advised to take your assignments seriously. You will not be allowed to appear for the term-end examination for a course if you do not submit the specified number of assignments in time for that course.

The main purpose of assignment is to test your comprehension of the learning material you receive from us and also to help you get through the courses. The information given in the printed course material should be sufficient for answering the assignment. Please do not worry about the non-availability of extra reading material for working on the assignments. However, if you have easy access to other books, you may make use of them. But the assignments are designed in such a way as to help you concentrate mainly on the printed course material and exploit your personal experience.

The University sends study materials and assignments, wherever prescribed, to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.

In case a student wants to have assignments, s/he can obtain a copy of the same from the Study Centre or Regional Centre or may **download it from the IGNOU website, [www.ignou.ac.in](http://www.ignou.ac.in)**.

**In case of any discrepancy regarding the set of material and assignment, contact Material Production & Distribution Division, IGNOU, Maidan Garhi, New Delhi-110 068.**

The assignment responses should be complete in all respects. The assignments are to be submitted to the Coordinator of the Study Centre assigned. After evaluation these tutor marked assignments will be sent back to you with comments and grade.

The University/Co-ordinator of the Study Centre has the right to reject the assignments submitted after the due date. You are, therefore, advised to submit the assignments before the due date.

Do not forget to get back your duly evaluated assignments alongwith a copy of the assessment sheets containing comments of the evaluator on your performance from your Study Centre. This may help you in preparing for term-end examination.

For your own record retain a copy of all assignment responses which you submit. If you do not get back your duly evaluated tutor marked assignments alongwith copy of assessment sheet containing comments of evaluator on your assignment within a month after submission, please try to get the same personally from your Study Centre. Also maintain an account of all these corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

**If you do not get pass grade in any assignment, you have to submit it again. For this, you have to ask for/obtain a fresh assignment for that course, applicable to that particular semester.** However, once you get the pass grade in an assignment, **you cannot re-submit it for improvement of grade.** Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the coordinator of the Study Centre, so that the correct score is forwarded to RC and RC will forward the same to Evaluation Division at Headquarters.

In case you find that the score indicated in the assessment sheet of your assignments has not been correctly reflected or entered in your grade cards; you are advised to contact the Coordinator of your Study Centre with a request to forward correct award list to RC and RC will forward the same to the Student Evaluation Division at the Headquarters.

**Do not enclose or express doubt for clarification, if any, alongwith the assignment. Send your doubts in a separate cover. Give your complete enrolment number, name, address, title of the course and the number of the unit or the assignment, etc. on top of your letter. If you want to draw our attention to something of an urgent/important nature, write to us separately.**

**INSTRUCTIONS FOR ASSIGNMENTS**

1. Write your Enrolment Number, Name, Full Address, Signature and Date on the top Right hand corner of the first page of your response sheet.
2. Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.

**Course Code and Assignment Code may be reproduced from the assignment.**

The top of the first page of your response sheet should look like this:

	<b>ENROLMENT NO.</b> .....
<b>PROGRAMME TITLE</b> .....	<b>NAME</b> .....
	<b>ADDRESS</b> .....
<b>COURSE CODE</b> .....	.....
<b>COURSE TITLE</b> .....	.....
<b>ASSIGNMENT CODE</b> .....	<b>SIGNATURE</b> .....
(as printed on assignments)	
<b>STUDY CENTRE</b> .....	<b>DATE</b> .....

3. Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
4. Go through the units on which assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question, give adequate attention to introduction and conclusion. The introduction must offer your brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise. While solving numericals, use proper format and give working notes wherever necessary.
5. Use only fullsize paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margins at appropriate places.
6. **Responses should be handwritten.** Do not copy your answer from the units/blocks sent to you by the University. If you copy, you will get zero marks for the respective question.
7. Do not copy from the response sheets of other students. If copying is noticed, the assignments of such students will be rejected.
8. Write each assignment separately. All the assignments should not be written in continuity. Write the question number with each answer.
9. The completed assignment should be sent only to the Coordinator of the Study Centre allotted to you.
10. After submitting the assignment at the Study Centre get the acknowledgment from the coordinator on the prescribed assignment remittance-cum-acknowledgment card.
11. In case you have requested for a change of Study Centre, you should submit your assignments only to the original Study Centre until the change of Study Centre is notified by the University.

## TERM END EXAMINATION

As stated earlier, term-end examination is another component of the evaluation system. Term-end examination carries 70% weightage in the final result.

The University conducts Term-end Examination twice a year in the month of June and December every year. Students will be permitted to appear in Term-end Examination subject to the condition that registration for the courses in which they wish to appear is valid, maximum time to pursue the programme is not elapsed and they have also submitted the required number of assignment(s) in those courses by the due date.

- **Examination Fee**

Examination fee of ₹120/- per course is required to be paid on line by way of credit/debit card as per guidelines through IGNOU website at [www.ignou.ac.in](http://www.ignou.ac.in)

- **Examination Centre**

Normally the study centre is the examination centre. However, a student is required to fill the exam centre code in the examination form. For the purpose you are advised to go through the list of study centres available in the Student Handbook and Prospectus/Programme Guide. In case any student wish to take examination at a particular centre, the code of the chosen centre be filled up as examination centre code. However, if the examination centre chosen by a student is not activated, the university will allot another examination centre under the same Region.

- **Date of Submission of Examination Forms**

JUNE, TEE	DECEMBER, TEE	LATE FEE	HOW TO SUBMIT THE FORM

1. remain in touch with their Study Centre/Regional Centre/SE Division for change in schedule of submission of examination form fee if any;
2. fill up all the particulars carefully and properly in the examination form to avoid rejection/delay in processing of the examination form through online;
3. retain proof of mailing/submission of examination form or control no. generated by online submission of examination form till they receive examination hall ticket;

- **Issue of Examination Hall Ticket on the University website**

University uploads Examination Hall Ticket two weeks before the commencement of Term-end Examination. The students can download the hall ticket from the website and approach the exam centre for appearing in the examination.

In case you fail to get 'D' Grade in the Term-End Examination, you will be eligible to reappear in the next Term-End Examination for the course. In case you have secured Grade 'D' in an assignment as well as term-end examination of a course, you have an option either to re-do assignment for the course or re-appear in term-end examination.

**To be eligible to appear at the term-end examination in any course, you are required to fulfil the following conditions:**

- 1. You should have paid the course fee. Also ensure that your registration of the courses is valid.**
- 2. You should have submitted the assignment for the respective course and must have obtained a certificate to this effect from the coordinator of the study centre.**
- 3. You should have submitted the examination form in time alongwith the examination fee through online mode.**

Examination date sheet through online mode (schedule which indicates the date and time of examination for each course) is sent to all the Regional/Study Centres approximately 5 months in advance. The same is also notified through IGNOU News Letter from time to time. Normally, the date sheet for June examinations are sent in the month of January and those for December examinations in the month of July. The date sheet is also available on the IGNOU website **www.ignou.ac.in**.

It is an essential pre-requisite for you to submit the Examination Form for taking examination in any course. Student(s) can submit examination Form through online mode.

After receiving the examination form from you, the University will send Intimation Slip to you before the commencement of examinations. If you do not receive the intimation slip 15 days before the commencement of examinations, you may contact your Study Centre or Regional Centre or SED at the Headquarters. If your name is registered for examinations in the list sent to the study centre, you can take the examination by showing your Identity Card (Student Card) to the examination centre superintendent, even if you have not received intimation slip or misplaced the intimation slip.

Your study centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to the Registrar, SED or concerned Regional Centre atleast one month before the commencement of examinations.

Your enrolment number is your Roll Number for examinations. Be careful in writing it. Any mistake in writing the Roll Number will result in non-declaration of your result.

It is your duty to check whether you are registered for that course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

Although all efforts are made to declare the result in time, there will be no binding on the University to declare the results of the last examination before commencement of next examination. You are, therefore, advised to fill up the examination form without necessarily waiting for the result and get it cancelled at a later date if so required.

While communicating with the University regarding examination, clearly write your enrolment number and complete address. In the absence of such details, the University will not be able to attend to your problems.

Subject: **Recognition of Degrees awarded by Open Universities**

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.

A circular was earlier issued vide UGC letter No.F.1-8/92 (CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No. F1-25/93 (CPP-II) dated 28<sup>th</sup> July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide. No. 1-52/97 (CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site: [www.ugc.ac.in](http://www.ugc.ac.in)

Contd...

May, I therefore request you to treat the Degrees/Diploma/Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully,

–Sd–

The Registrar/Director  
of all the Indian Universities  
(Deemed, State, Central Universities/  
Institutions of National importance)

Subject: Equivalence of Degrees awarded by Open and Distance Learning (ODL) Institutions at par with  
Conventional Universities/Institutions

Sir/Madam,

There are a number of Open and Distance Learning Institutions (ODLIs) in the country offering Degree/Diploma/Certificate programmes through the mode of non formal education. These comprise Open Universities, Distance Education Institutions (either single mode or dual mode) of Central Universities, State Universities, Deemed to be Universities, Institutions of National Importance or any other Institution of Higher learning recognized by Central/State/Statutory Council/Societies registered under the Society Registration Act 1860.

2. A circular was earlier issued vide UGC letter F1 No.-52/2000 (CPP-II) dated May 05, 2004 (**copy enclosed**) mentioning that Degrees/Diplomas/Certificates/awarded by the Open Universities in conformity with the UGC notification of degrees be treated as equivalent to corresponding awards of the traditional Universities in the country.

3. Attention is also invited to UGC circular No. F1-25/93 (CPP-II) dated 28<sup>th</sup> July 1993 (**copy enclosed**) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional universities/institutions is ensured without any difficulty.

4. The Government of India, in exercise of its power conferred under section 20(1) of UGC Act 1956, issued directions dated 29<sup>th</sup> December 2012 entrusting UGC with the responsibility of regulating higher education programme in open and distance learning (ODL) mode. Consequently, Universities/Institutions desirous of offering any programme through distance mode would require recognition of UGC.

5. As you are aware, the Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees/Diplomas/Certificates awarded through distance mode at par with the degrees obtained through the formal system of

education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of GER, without compromising on quality. Non recognition/non equivalence of degrees of ODL institutions for the purpose of promotion/employment and pursuing higher education may prove a deterrent to many learners and will ultimately defeat the purpose of Open and Distance Education.

6. Accordingly, the Degrees/Diplomas/Certificates awarded for programmes conducted by the ODL institutions, recognized by DEC (erstwhile) and UGC, in conformity with UGC Notification on specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/institutions in the country.

Dear Vice Chancellor,

As you are aware, the Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22 (1) of the UGC Act, 1956.

It has been brought to the notice of the Commission that the students who have done their M.A. from open universities are debarred by universities from registration for Ph.D. studies. This is most unfair in view of the importance attached to the Open University and distance learning in National Policy on Education, 1986. The Programme of Action-02 also aims at promoting the mobility of students among open universities and among the traditional universities. This can be made possible only when there is a workable understanding between Open Universities and traditional universities for recognition of each other's degrees on reciprocal basis. A memorandum of understanding has already been signed between University of Pondicherry and Indira Gandhi National Open University which provides for recognition of each other's degrees and diplomas as well as transfer of credits for courses successfully completed by students between the two universities. The other universities may also make similar arrangements so that the mobility of students from Open University stream to traditional universities is ensured without any difficulty.

I hope that your university will make necessary efforts in this direction and let the commission know the progress.

With regards,

Yours sincerely
