Indira Gandhi National Open University (IGNOU) is a Central University which primarily deals with Open and Distance Learning (ODL) programmes for masses. It has a strong network of 67 Regional Centres and over 2800 Study Centres across the country to provide the helping nodes to the students. While IGNOU Regional Centres cater the administrative requirements of the learners, the Study Centres give academic support to the learners.

Normally, CPC conducts Campus Placement Drives and Recruitment Drives at the HQ/Regional Centres and at Company Premises respectively. Though the placement drives have been conducted at different RCs in the past, the space and manpower crunch at RCs has always been a major road block in the way. RCs are very supportive for the placement activities of CPC but certain things are beyond their control. In this situation, it has been decided to innovate with taking the placement activities to further down at the level of study centre as student support services. One such successful attempt was made on July 31, 2015 when a Job Fair was organized at PCTI, Pitampura in which over 150 students were selected/shortlisted out of 502 participating students.

Accordingly, CPC in association with **Regional Centre Delhi-2** has proposed to organize **Second IGNOU-PCTI Job Fair** on February 26, 2016 (Friday) at PC Training Institute, Pitampura (IGNOU Study Centre) for the students of different programmes. Moreover, PCTI has also agreed to accommodate all eligible students of RC Delhi-2.

Keeping in view the visiting companies' profile, the students of RC Delhi-2 enrolled in final year in BA, B Com, BCA, B Sc, BTS, BSW programmes in July 2015 and January 2016 sessions and all registered students of MPS, MEG, M Com & MCA have been invited in the Job Fair. There are 9 companies which have kindly consented to participate in the Job Fair for the placement of our students.
