

Online Knowledge Transfer Series

Report on Lecture #3 “Nuances of Scientific Publication”

Date: 19/10/2023

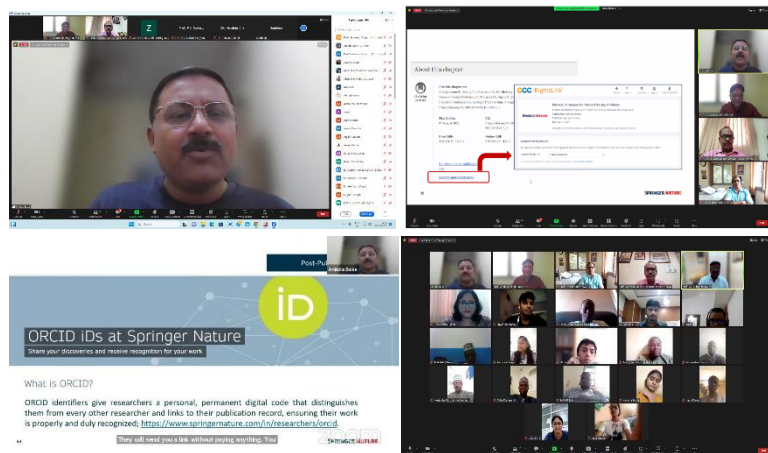

School of Computer and Information Sciences (SOCIS) at IGNOU, New Delhi organized Lecture #3 titled “**Nuances of Scientific Publication**” on 29th September 2023. Mr. Aninda Bose was the resource person of the day. Mr. Bose has more than 28 years of industrial experience in marketing and different fields of publishing and presently working as an Executive Editor, Springer Nature.

Prof. Sandeep Singh Rawat, Coordinator (KTS), expressed his gratitude to our esteemed Honorable Vice Chancellor - Prof. Nageshwar Rao, and Pro-Vice Chancellor - Prof. Uma Kanjilal, for their timely guidance in organizing the online knowledge transfer series. He also expressed profound appreciation for the opportunity to host a session featuring an esteemed executive editor from Springer Nature. He conveyed gratitude for the gracious acceptance of our invitation and extended a warm welcome to all the participants.

The session commenced with Prof. P.V. Suresh, Director - SOCIS providing an introduction to the distinguished resource person, Mr. Aninda Bose. Mr. Bose initiated the session by delving into various challenges associated with existing academic journals, the intricacies of crafting research papers, and the process of submitting them to different journals. He also elucidated the concept of copyright, which grants the exclusive rights to produce, publish, or sell an author's original work. Additionally, Mr. Bose shed light on topics such as simultaneous submission, multiple submissions, plagiarism, fair usage, self-plagiarism, data fabrication, and data falsification.

Discussing various intricacies such as submitting research papers to journals, addressing copyright issues, and more, within the realm of scientific

- Mr. Aninda Bose, Executive Editor, Springer Nature during the session

A total of 110 participants from various regions of India and abroad actively engaged in the session. The Q&A segment proved to be a valuable opportunity for participants to acquire deeper insights into the subject matter. In closing the event, Prof. V.V. Subrahmanyam of SOCIS extended his heartfelt gratitude. Special thanks were extended to our resource person, Mr. Aninda Bose, for graciously accepting our invitation and delivering Lecture #3, titled "Nuances of Scientific Publication." Furthermore, Prof. Subrahmanyam expressed appreciation to all participants, including learners from BCA, MCA, and Ph.D. programmes, as well as faculty members from other schools. The event's resounding success was made possible through the dedicated support of the entire team and the enthusiastic participation of all attendees. The feedback received for the webinar was overwhelmingly positive.
