

International Workshop on Design and Development of Self-Learning Materials
for Distance, Online and Blended Learning
(Through Virtual Mode)

(9th to 16th, August 2021: 07 days only)

Coordinators: Prof. C.R.K. Murthy & Dr. G. Mythili

Background

One of the responsibilities of STRIDE is to act as a resource center and conduct staff development programmes for the staff of DDEs/DEIs/CCIs and SOUs also. To fulfil this responsibility, STRIDE has been organizing training programmes/workshops in the area of development of self-learning materials in addition to various other aspects related to the Distance Education system. The response towards such training programme was always encouraging and large number of faculty working in CDL system have got benefited. Still many faculty and academic staff of DDEs/DEIs/CCIs and SOUs (particularly the newly joined faculty) are yet to undergo training programmes of this kind.

In view of new UGC guidelines for distance and online learning and the situation emerged with COVID-19, at higher education stage and NEP 2020 - the role and significance of distance, online and blended learning will be crucial which will be the focus of this workshop. IGNOU and some of the SOUs and CCIs have gone ahead in developing interactive multimedia and online learning platforms, and newer strategies are being experimented. In view of this, the present workshop shall focus on development of learning materials for traditional distance education delivery, online and blended delivery.

Workshop will be held through virtual mode keeping the COVID-19 pandemic situation using Google Meet.

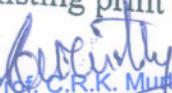

Objectives

Keeping the above factors in view a 'National Workshop on 'Development of Self-Learning Materials for Distance, Online and Blended Learning, is proposed be held from August 9-16, 2021 (7 days only).

The specific objectives of the workshop are to:

- discuss changing scenario of higher education vis-a-vis NEP 2020; and UGC new guidelines for distance and online learning;
- explain the characteristics and processes of design and development of self-learning materials, and develop skills of writing SLMs for distance, online and blended learning;
- acquaint the participants with various other vital issues relating to development of SLMs, Viz.- media, support services, assignments and examinations, etc; which have direct bearing on the design of the programmes through distance, online and blended;
- discuss issues related to online, blended learning course design and development;
- compare conventional distance education and multiple media based flexible distance education;
- develop preliminary draft units within the workshop;
- explain additional strategies of converting the existing print materials for online delivery; and

- build a network of experts for SLM development and encourage inter-institutional best practices.

Participants

Participants for the workshop are from the DDEIs/ CCIs, SOUs and other institutions using ODL, online and blended practices from India and faculty from ODL Institutions Abroad. As the workshop will be activity-based, and through virtual mode not more than 40 participants will be accommodated on first-cum-first serve basis. Attendance in all sessions is compulsory, based on which e-certificate will be given.

Methodology

Initial lead presentations will be made by resource persons followed by discussion and practical activities (group/individual-based). At the end of the workshop each participant is expected to develop/transform a unit (chosen by him/her) preferably in the area of specialisation of the concerned participant into SLM format along with technology integration.

Resource Persons

Faculty of STRIDE, faculty of schools/divisions of IGNOU and experts from outside IGNOU (NIEPA, UGC) will act as resource persons in the workshop.

Resource Materials

Soft copies of relevant Handbooks and other material developed by STRIDE and others (e-copies) shall be used as the base material for the workshop.

Registration Fee

As the workshop is a specialised one with activity based under the guidance of group of experts, and to bring in seriousness and to restrict the participation, **Registration fee of Rs. 3000/- (Rupees three thousand only/-) per participant from India and Rs. 6000/- per participant from Abroad** will be charged.

External Resource Persons:

1. Prof. K. Srinivas, NIEPA
2. Prof. Madhu Parhar, Director, CEMCA
3. Dr. R.C. Sharma, Ambedkar University, New Delhi
