***Towards NEP Implementation*
One Day Follow-up Programme on
'Instructional Design for Developing ODL and Online Learning'
Date: 10th March, 2022**

About the Programme

The National Education Policy (NEP) 2020 has identified some of the major problems faced by the Higher Education system and one of them is that there is less emphasis on the development of cognitive skills and learning outcomes. (NEP clause 9.2(b)) The NEP's vision for bringing about major changes is to revamp curriculum, pedagogy, assessment and student support for enhancing student experiences. (NEP clause 9.3(d)). In order to implement NEP in IGNOU, STRIDE has conducted a FDP for Instructional Design for Developing ODL and Online Learning' for faculty from 18th -22nd October 2021. During this programme, the faculty has been trained on developing course design and concept maps that could help to associate ideas and identify relationships between different topics of a course. This present programme is a follow up to the earlier FDP.

Objectives

The objectives of this programme are:

- To review the status of the programmes identified during the FDP held on 18th – 22nd October, 2021.
- To develop a document for concept maps and course design matrix of these programmes.

Participants

The participants are faculty from different Schools of IGNOU who had participated in the earlier FDP held from 18th – 22nd October, 2021. The total number of participants is 18.

Dates and Venue

The programme is being held on 10th March, 2022 at Training Hall, Block-16, STRIDE, IGNOU in face to face mode.

Methodology and Resource Persons

This programme would be conducted in a workshop mode in which the work done earlier will be taken forward with the aim of consolidating it. The methodology is to be re-visit the work done and to give it a final shape.

Expected Outcomes

It is expected that each participant would be able to design the concept map for their programme as well as develop the course design matrix. It is proposed that a document demonstrating these designs will be developed to show the innovative curricula and pedagogy of IGNOU programmes as visualized under the NEP 2020.

FDP Coordinator

The coordinator of this programme is Prof. Anita Priyadarshini

Towards NEP Implementation
One Day Follow-up Programme on
'Instructional Design for Developing ODL and Online Learning'
(Through Face to Face Mode)

Date: 10th March, 2022

Organized by
Staff Training and Research Institute of Distance Education & Administration Division
INDIRA GANDHI NATIONAL OPEN UNIVERSITY
Maidan Garhi, New Delhi

STRIDE organized an One Day Follow-up Programme on 'Instructional Design for Developing ODL and Online Learning' through Face to Face Mode on 10th March, 2022. This workshop was in continuation of the five day Faculty Development Programme on 'Instructional Design for Developing ODL and Online Learning' held from 18-22 October, 2021. This programme was held through Face to Face Mode. The programme aimed at re-visiting the learning that had taken place during the earlier FDP and to review the status of programmes that had been identified for development.

The programme began with the inauguration in which Prof Santosh Panda, Director, STRIDE spoke about the need for taking forward the National Education Policy 2020 and designing programmes that would help in the achievement of learning outcomes.

During this programme Dr Anita Priyadarshini presented the innovative design of curriculums, which could be utilized for distance education programmes in different disciplines. Samples of such curriculum were displayed. A session was also taken on concept maps to show the association of ideas amongst different disciplines. The participants were also provided a document of concept maps prepared during the earlier FDP and a hands-on session.

There were a total of 19 participants in this programme.

The programme coordinator was :Dr Anita Priyadarshini.
