

ABOUT THE PROGRAM

The School of Engineering and Technology is going to conduct a one-day Seminar on “Need and Importance of Industrial safety”, on June 20, 2021 through online platform.

A practical goal of industrial safety is to lighten the environmental impact on the manufacturing unit and each person and the role of the industrial safety professionals is to find leverage or opportunities for considerable improvement using practical effort.

Objectives of Seminar

- Industrial safety is needed to check all the possible chances of accidents for preventing loss of life and permanent disability of any industrial employee, any damage to machine and material.
- It is also needed to eliminate accidents causing work stoppage and production loss.
- It is needed to increase production means to a higher standard of living.
- It is needed to prevent accidents in the industry by reducing any hazards.

Sessions are planned with focus on the following topics:

- Safety Philosophy and Principles of Accident Prevention
- Industrial Safety: Rules and Acts
- Safety in Construction Industry
- Mechanical and Electrical safety Management

Seminar on “Need and Importance of Industrial Safety”

June 20, 2021

Chief-Patron:

Prof. Nageshwar Rao
Vice-Chancellor, IGNOU

Patron:

Prof. Satyakam
Pro-Vice Chancellor, IGNOU

Guidance:

Prof. Ashish Agarwal
Director, SOET, IGNOU

Coordinator:

Dr. Sanjay Agrawal
Associate Professor in Electrical
Engineering

Organized by:

School of Engineering &
Technology, IGNOU, New Delhi

Academic Complex, Block C,
School of Engineering & Technology,
Indira Gandhi National Open
University,
Maidan Garhi, New Delhi – 110068
Tel.: +91-11-29572917/2919

Resource Person:

1. **Mr. Devendra Gill**,
General Manager- Safety, Delhi
Metro Rail Corporation
2. **Mr Bhupesh Sidhwani**,
AGM Safety, Heidelberg
Cement Ltd
3. **Mr. Kuldeep Singh**,
Scientist, DRDO, (TBRL)
4. **Dr. Deepak Kumar**,
General Manager Safety, GMR
5. **Mr. KG Kapoor**,
Scientist-F, DRDO (Rtd)

Key Features:

- Registration is free (limited to 150 participants on first come first serve basis)
- Delivery will be through virtual/online mode.
- E-certificate will be issued after completion of the program

Who can attend?

People from government, non-governmental organizations, academia and the private sector who are working in this field and want to expand their knowledge in the field of industrial safety may also participate in this seminar.

Organizing Team:

1. Prof. P S Kumar
2. Prof. Ajit Kumar
3. Prof. K T Mannan
4. Prof. N Venkateshwarlu
5. Dr. S K Vyas
6. Dr. Munish Bhardwaj
7. Dr. Rakhi Sharma
8. Dr. Shashank Srivastav
9. Dr. Anuj Kumar Purwar
10. Dr. Shweta Tripathi
11. Ms. Sruthi Samuel
