There can be variety of grievances related to system raised by students who are on rolls of the University as well as prospective learners and other stake holders. The University has been taking various steps to streamline and monitor the grievances centrally at its Headquarter as well as at its 56 Regional Centre spread all over India. Queries and grievances are received at SSC through various modes, namely, by post, in person, e-mails/SMS, WhatsApp, telephone calls and online portals, such as PG portal, UGC portal, RTI-MIS Portal, INGRAM portal, National Scholarship portal and e-district portal etc. In addition to above portals, University further explored and developed a Centralized Online Grievances Redressal and its management, way back in September, 2017. In the system all the School of Studies, Divisions such as Student Evaluation Division (SED), Student Registration Division (SRD), Material Production and Distribution Division (MPDD), Regional Centers, Units are inter-linked through a comprehensive system for registering the grievances and its redressal, which is known as iGRAM (Indira Gandhi National Open University Grievance Redressal and Management) by appointing subordinates which are 154 in number across the country. Since inception of iGRAM portal, everyday on an average 500-800 queries are registered through this portal.
