

Dear Learner,

The University has digitized the study material for different programmes. The digitized material is available at eGyankosh, the digital repository of the University.

The University encourages the use of digital study material. It has been decided that as an incentive, 15% of programme fee shall be refunded to the students who opt for digital study material in place of printed study material.

Presently this scheme is available only to students who have taken Admission / Re-Registration in July 2018 session.

Please click the relevant links below to exercise your option for digital or printed study material. You will need to log in to your online admission account to exercise your option.

Best wishes !
